In response to issues raised internally by a former employee in the Delta Apparel, Inc. Activewear division on August 13, 2012, regarding that division's fiscal year-end financial closing process, the Audit Committee of the Company's Board of Directors has initiated an internal review. The Audit Committee has engaged independent counsel to assist in the review and it is being conducted independent of management. Due to the additional time needed to complete a thorough review in our Activewear division we are unable to timely file our Form 10-K with the U.S. Securities and Exchange Commission for the fiscal year ended June 30, 2012. The Company currently expects to be able to file its Form 10-K for its fiscal year 2012 within the fifteen calendar day period set forth in Rule 12b-25 of the Securities Exchange Act of 1934.

Explanation:

As previously disclosed in connection with the Form 8-K filed by the Company with the U.S. Securities and Exchange Commission on September 6, 2012, the following is an unaudited summary of the operating results of Delta Apparel, Inc. for the fiscal year ended June 30, 2012 ("Fiscal 2012"), as compared to its fiscal year ended July 2, 2011 ("Fiscal 2011").

---

Net sales for Fiscal 2012 increased approximately 3.0 percent to \$489.9 million, from \$475.2 million in Fiscal 2011. Fiscal 2012 includes the second quarter \$16.2 million inventory markdown in the Basics segment previously disclosed by the Company, which resulted in a net loss for Fiscal 2012 of \$2.4 million or \$0.29 per diluted share. This compares with net income for Fiscal 2011 of \$17.3 million or \$1.98 per diluted share.

Gains in net sales for Fiscal 2012, which occurred in both of Delta's business segments, were driven primarily by record revenues in The Game, Junkfood, FunTees and Art Gun businesses. These gains were somewhat offset by Delta's catalog business, which continued to feel the effects of cotton price volatility and customer destocking. While net income continued to recover in the 2012 fourth quarter, it wasn't enough to offset the effects of Delta's second quarter inventory markdown which was necessitated by unprecedented increases in cotton prices.

For the Fiscal 2012 fourth quarter, net sales were \$135.4 million, compared with \$137.6 million in the Fiscal 2011 fourth quarter. Net income for the Fiscal 2012 fourth quarter was \$4.8 million or \$0.55 per diluted share, compared to \$8.5 million or \$0.97 per diluted share in the fourth quarter of Fiscal 2011.
