ZION OIL & GAS CLOSES SEVENTH IPO ROUND - ANNOUNCES DATE FOR OFFERING'S TERMINATION

\$1,181,271 Raised Bring IPO Total to Date to \$12,303,116;

## **Offering to End During Week Ending May 25**

Workover operations on Ma'anit #1 Proceeding According to Plan; Orders Being Placed for Second Well

Caesarea, Israel - May 14, 2007

- Richard Rinberg, Chief Executive Officer of Zion Oil & Gas, Inc. (Amex: **ZN**), of Dallas, Texas and Caesarea, Israel, announced today that the company has issued 168,753 shares of common stock in the seventh round of its initial public offering. Zion's offering is being underwritten on a best efforts basis by Network 1 Financial Securities, Inc. of Red Bank, New Jersey. The shares were issued at \$7 per share, and the amount raised in the seventh round was \$1,181,271. To date Zion has issued a total 1,757,588 shares in consideration of a total of \$12,303,116.

Mr. Rinberg also announced that Zion has scheduled the final closing of its offering for the week ending May 25, 2007. Until then, Zion will continue to accept subscriptions at \$7.00 per share up to a maximum of \$14,000,000. The deadline for sending in subscriptions is May 21, 2007.

Zion's workover operations to clean the well bore and set cement in its Ma'anit #1 well in preparation for the well's testing are proceeding according to plan. Additionally, orders are being placed for longer lead items required for the drilling of Zion's planned second well, the Ma'anit-Rehoboth #2, Mr. Rinberg said.

Zion Oil & Gas, a Delaware corporation, explores for oil and gas in Israel on its Ma'anit-Joseph License and Asher Permit areas located onshore between Tel Aviv and Haifa. The net proceeds of Zion's offering will mainly be used for a completion attempt on the Ma'anit #1 exploratory well drilled by Zion in 2005 to a total depth of 15,842 feet and, if the maximum offering is successfully completed, to drill an appraisal and deep test well, the Ma'anit-Rehoboth #2, on its license. Zion and its drilling contractor have entered into an agreement for the use of a rig to renew work on the Ma'anit #1 in mid-April 2007. In the event of a commercial discovery, following recovery of certain exploratory costs, Zion intends to donate 6% of its gross revenues from the license to two charitable trusts to be established by Zion, one in Israel and one in the U.S. The common stock of Zion is traded on the American Stock Exchange under the ticker symbol "ZN".

The Securities are being offered by Zion in its Initial Public Offering by prospectus only, and only within those States and other jurisdictions in which the securities may be sold. This announcement is neither an offer to sell nor a solicitation of any offer to buy.

**FORWARD LOOKING STATEMENTS:** Statements in this press release that are not historical fact, including statements regarding future closings of the offering, the timing and results thereof, Zion's planned operations, potential results thereof and plans contingent thereon, are forward-looking statements as defined in the "Safe Harbor" provision of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on assumptions that are subject to significant known and unknown risks, uncertainties and other unpredictable factors, many of which are described in Zion's prospectus and are beyond Zion's control. These risks could cause Zion's actual performance to differ materially from the results predicted by these forward-looking statements. Zion can give no assurance that the expectations reflected in these statements will prove to be correct and assumes no responsibility to update these statements.

**NOTICE:** Zion Oil & Gas, Inc., has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest directly in the offering, you should read the
