PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MAY 8, 2018

This proxy statement and accompanying proxy card are being furnished in connection with the solicitation of proxies by the board of directors (the **Board**) of Turning Point Brands, Inc., a Delaware corporation, to be voted at the Annual Meeting of Stockholders (the **Annual Meeting**) and any adjournments thereof. In this proxy statement, references to the Company, **we**, **us** or **our** refer to Turning Point Brands, Inc. This proxy statement and accompanying proxy card are first being mailed to stockholders on or about March 29, 2018.

The Annual Meeting will be held at the offices of Frost Brown Todd LLC, 400 West Market Street, 32nd Floor, Louisville, Kentucky 40202 on Tuesday, May 8, 2018 at 9:30 a.m. eastern daylight time, for the purposes set forth in this proxy statement and the accompanying notice of Annual Meeting.

SUMMARY OF MATTERS REQUIRING STOCKHOLDER ACTION

Proposal 1—Election of Directors

The affirmative vote of a plurality of the votes entitled to be cast by the holders of the Company's common stock present in person or represented by proxy is required to elect each nominee. Election by a plurality means that the director nominee with the most votes for the available slot is elected for that slot. You may vote **FOR** each nominee or you may **WITHHOLD AUTHORITY** to vote for each nominee. Unless you **WITHHOLD AUTHORITY** to vote for a nominee, your proxy will be voted **FOR** the election of the individuals nominated as directors.

*The Board recommends that you vote **FOR** the nominees.*

Proposal 2—Ratification of the Appointment of the Company's Independent Auditors

The proposal to ratify the appointment of RSM US LLP as the Company's independent auditors for the fiscal year ending December 31, 2018 will be approved if more shares present (in person or by proxy) and entitled to vote at the Annual Meeting are voted **FOR** ratification than are voted **AGAINST** ratification. You may vote **FOR** or **AGAINST** ratification, or you may **ABSTAIN** from voting on this proposal. A vote to **ABSTAIN** will have no effect on the outcome of this proposal.

*The Board recommends that you vote **FOR** this proposal.*

Other Matters

As of the date of this proxy statement, the Board knows of no matters that will be presented for consideration at the Annual Meeting other than those matters discussed in this proxy statement. If any other matters should properly come before the Annual Meeting and call for a vote of stockholders, validly executed proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the Board, or, in the absence of such a recommendation, in accordance with the judgment of the proxy holders. Any such additional matter will be approved if more shares present (in person or by proxy) and entitled to vote at the Annual Meeting are voted in favor of such matters than are voted against.

INFORMATION ABOUT PROXIES AND VOTING

Record Date and Voting Securities

The Board has fixed the record date (the *Record Date*) for the Annual Meeting as the close of business on March 12, 2018. Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting and at any adjournment or postponement thereof. At the close of business on the Record Date, there were outstanding 19,222,804 shares of common stock, each of which is entitled to one vote per share on all matters to be considered at the Annual Meeting.

The presence in person or by proxy of the holders of a majority of the outstanding shares of common stock will constitute a quorum for the transaction of business at the Annual Meeting. Shares of common stock represented by properly executed proxies received before the close of voting at the Annual Meeting will be voted as directed by such stockholders, unless revoked as described below.

Solicitation of Proxies

The cost of solicitation of proxies being solicited on behalf of the Board will be borne by us. In addition to solicitation by mail, proxies may be solicited personally, by telephone or other means by our directors, officers or employees, who receive no additional compensation for these solicitation activities. We will, upon request, reimburse brokerage houses and persons holding common stock in the names of their nominees for their reasonable out-of-pocket expenses in sending materials to their principals.

How to Vote

Stockholders of Record

If you are a stockholder and your shares are registered directly in your name with our stock transfer agent, EQ Shareowner Services, you are considered the *stockholder of record* of those shares. If you are a stockholder of record, you can give a proxy to be voted at the meeting:

- » over the telephone by calling a toll-free number (1-800-690-6903);
- » online (www.proxyvote.com); or
- » by completing, signing, dating, and mailing the enclosed proxy card in the envelope provided.

Even if you plan to attend the meeting, we encourage you to submit a proxy. If you do give a proxy, we must receive it by 11:59 p.m., eastern daylight time, on May 7, 2018, or your vote will not be recorded. If you prefer, you may instead vote in person at the meeting.

The telephone and online voting procedures have been set up for your convenience and are designed to authenticate your identity, enable you to give voting instructions, and confirm that those instructions are recorded properly. If you are a stockholder of record and you would like to vote by telephone or online, please refer to the instructions set forth on the enclosed proxy card.

By giving your proxy, you authorize the individuals named on the proxy card to vote your shares in accordance with your instructions. These individuals will also have the obligation and authority to vote your shares as they see fit on any other matter properly presented for a vote at the Annual Meeting. If for any reason a director nominee is not

available to serve, the individuals named as proxy holders may vote your shares at the Annual Meeting for another nominee. The proxy holders for this year's Annual Meeting are James Dobbins and Brian Wigginton.

If you are a stockholder of record and you sign and return your proxy card (or give your proxy by telephone or online) without specifying how you want your shares to be voted with respect to both proposals, our proxy holders will vote your shares FOR the election of each of the nominees to the Board, and FOR the ratification of the appointment of RSM US LLP as the Company's independent auditors for the fiscal year ending December 31, 2018. With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote your shares as recommended by the Board or, if no recommendation is given, using their own discretion.

Street Name Stockholders

If your shares are held in a stock brokerage account or by a bank (known as holding shares in street name), you have the right to instruct your broker or bank how to vote your shares, and the broker or bank is required to vote in accordance with your instructions. To provide those instructions by mail, please complete, sign, date, and return your voting instruction card in the postage-paid envelope provided by your broker or bank. Alternatively, if the broker or bank that holds your shares offers online or telephone voting, you will receive information from your broker or bank about how to submit your voting instructions by those methods. Alternatively, you may vote in person at the meeting, but only if you obtain a legal proxy from the broker or bank that holds your shares.

If you are a street name stockholder and you do not instruct your broker or bank how to vote, your broker or bank is not permitted to vote your shares on the election of directors (known as a broker non-vote). Broker non-votes will have no effect on the outcome of the election of directors. Your broker will, however, have discretionary authority to vote your shares on the proposal regarding the ratification of the appointment of RSM US LLP as the Company's independent auditors for the fiscal year ending December 31, 2018.

Changing Your Vote

Meetings of the Board of Directors

The Board met on nine occasions during our fiscal year ended December 31, 2017, and each incumbent director attended at least 75% of the aggregate number of meetings of the Board and its committees on which

TABLE OF CONTENTS

such director served during his period of service. Each member of the Board attended the Company's 2017 annual meeting of stockholders, and the Company expects all members of the Board to attend the Annual Meeting. Six regular Board meetings are currently scheduled for the fiscal year 2018. Executive sessions of non-employee directors, without management directors or employees present, are typically scheduled in conjunction with each regularly scheduled Board meeting. Our Lead Independent Director presides over these sessions. During 2017, there were five such executive sessions.

Corporate Governance

Board Structure

Our Board oversees the management of our company, reviews our long-term strategic plans and exercises direct decision-making authority in key areas such as choosing the Chief Executive Officer, setting the scope of such officer's authority to manage our business day to day, and evaluating his or her performance.

Our Board consists of seven directors. In accordance with our certificate of incorporation and by-laws, the number of directors on our Board will be determined from time to time by vote of the Board. Thomas Helms, Jr., who served as our Executive Chairman until May 2016, continues to serve as our Non-Executive Chairman. We believe that the Company and its stockholders are best served by having Mr. Helms serve in this position because he is the person most familiar with our history, business model, and the challenges we face in our industry. Mr. Helms's wealth of knowledge regarding Company operations and the industry in which we compete positions him to best identify matters for Board review and deliberation.

David Glazek currently serves as our Lead Independent Director. The duties of the Lead Independent Director are set forth in our Corporate Governance Guidelines which may be found on our website, www.turningpointbrands.com.

Each director is to hold office until his or her successor is duly elected and qualified or until his or her earlier death, resignation or removal. Vacancies and newly created directorships on the Board may be filled at any time by vote of the remaining directors.

Under our certificate of incorporation, for so long as we or one of our subsidiaries is party to certain distribution agreements with Bolloré, S.A. ("Bolloré"), no person who is a Bolloré competitor or who is an officer, director or representative of a Bolloré competitor or any entity that owns more than a 20% equity interest in a Bolloré competitor will be entitled to serve on the Board. We may require that any director or nominee for director certify that he or she is not disqualified from service on the Board pursuant to these provisions, and the Board is authorized to make such reasonable determinations as shall be necessary to implement the above limitation.

Risk Oversight

The Board is responsible for overseeing the Company's risk management strategies, including the Company's implementation of appropriate processes to administer day-to-day risk management. The Board is informed about risk management matters as part of its role in the general oversight and approval of corporate matters. The Board gives guidance to the Company's management on the risks it believes face the Company, such as the matters disclosed as risk factors in the Company's Annual Report on Form 10-K. Furthermore, the Board has delegated certain risk management responsibilities to its Audit and Compensation Committees.

Through the Audit Committee's charter, the Board has authorized it to oversee the Company's risk assessment and risk management policies. The Audit Committee, in fulfilling its oversight responsibilities, regularly and comprehensively (i) reviews and discusses with management and the independent auditor any significant risks or exposures and

assesses the steps management has taken to minimize such risks, (ii) discusses with management and the independent auditor, and oversees the Company's underlying policies with respect to risk assessment and risk management, and (iii) reviews and discusses with the independent auditor any significant risks identified during the auditor's risk assessment procedures.

Through the Compensation Committee's charter, the Board has authorized it to oversee officer and director compensation programs. The Compensation Committee, in fulfilling its oversight responsibilities, designs the compensation packages applicable to the executive officers and Board members. The Compensation Committee also consults with management on the payments of bonuses and grants of equity awards to key employees.

TABLE OF CONTENTS

The Audit Committee and the Compensation Committee jointly perform an annual risk assessment of our compensation programs for all employees to determine whether these programs encourage unnecessary or excessive risk taking. In conducting this review, each of our compensation programs is evaluated on a number of criteria aimed at identifying any incentive programs that deviate from our risk management objectives. Based on this review in 2017, the committees concluded that we have the right combination of rewards and incentives to drive company performance, without encouraging unnecessary or excessive risk taking by our employees.

The Board's oversight roles, including the roles of the Audit Committee and the Compensation Committee, combined with the leadership structure of the Board to include Company management, allow the Board to effectively administer risk management policies while also effectively and efficiently addressing Company objectives.

Director Independence

Our Board has determined that under NYSE Rules, Messrs. Diao, Glazek, Hebard and Zimmerman are independent directors. The Board believes that these directors are also independent as that term is defined in the Exchange Act and the rules thereunder. In determining Mr. Glazek's independence, the Board considered Mr. Glazek's position as a director of SDOI and that he is a Partner of Standard General.

Committees of the Board

Our Board has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Under the rules of NYSE, the membership of the Audit Committee is required to consist entirely of independent directors. In addition, under applicable NYSE and SEC rules our Compensation Committee and Nominating and Corporate Governance Committee are required to consist entirely of independent directors. The following is a brief description of our committees.

Audit Committee

Our Audit Committee is composed of Messrs. Diao, Hebard and Zimmerman, each of whom satisfies the financial literacy requirements under the applicable rules and regulations of the SEC and listing standards of the NYSE. Beginning June 15, 2017, Mr. Diao serves as chair of the Audit Committee. The Board has determined that Mr. Diao qualifies as an audit committee financial expert as such term is defined under applicable rules of the SEC. Mr. Baxter served as chair of the Audit Committee until June 15, 2017. The Audit Committee also satisfies the member independence and other requirements under current NYSE listing standards and SEC rules. Our Audit Committee, among other things, is responsible for:

- selecting a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- the quality and integrity of our financial statements, our financial reporting process and our systems of internal accounting and financial records;
- helping to ensure the independence and performance of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and the independent registered public accounting firm, our interim and year-end results of operations;
- developing procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- reviewing our policies on risk assessment and risk management;
- the performance of our internal audit function;
- reviewing related party transactions; and

approving or, as required, pre-approving, all audit and all permissible non-audit services, other than de minimis non-audit services, to be performed by the independent registered public accounting firm.

Our Audit Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the NYSE. Our Audit Committee charter may be found at our website, www.turningpointbrands.com, in the Investor Relations section. The Audit Committee met six times during 2017.

TABLE OF CONTENTS**SECURITY OWNERSHIP OF BENEFICIAL OWNERS AND MANAGEMENT**

The tables below set forth certain information regarding the beneficial ownership of our common stock and SDOIs of our common stock by:

Each person or entity known to us who beneficially owns five percent or more of the common stock;

Each of our directors and named executive officers; and

All of our directors and executive officers as a group.

Other than with respect to the common stock beneficially owned by beneficial owners of more than 5% of our issued and outstanding common stock, the table below states beneficial ownership as of March 16, 2018. The amounts and percentages of common stock beneficially owned are reported on the basis of the regulations of the SEC governing the determination of beneficial ownership of securities. Under these rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities. Included in the amount of common stock beneficially owned are shares of common stock subject to exercisable options or warrants or options or warrants that will become exercisable within 60 days of March 16, 2018. The calculation of percent owned by each person assumes that all vested options held by such person have been exercised. The calculation of percent owned by all directors and executive officers as a group assumes that all vested options beneficially held by them and warrants have been exercised.

Narrative Disclosure to Summary Compensation Table

Elements of Executive Compensation

Elements of executive compensation include: salary, bonus, equity-based compensation, welfare benefits and perquisites, a Company match to our 401(k) defined contribution plan (including contributions to our Restoration Plan (discussed below), where applicable) and other retirement benefits. Each of the named executive officers is party to an individual employment agreement with us. Effective December 31, 2003, we froze our defined benefit retirement plan for our salaried employees, although Messrs. Helms and Dobbins retain benefits under this plan. Individual elements of compensation and the applicable compensation arrangements are described in more detail below.

Salary

The named executive officers receive a fixed annual salary to compensate them for services they render. Pursuant to employment agreements dated November 23, 2015, and effective as of May 10, 2016, the base salaries for each of Messrs. Wexler, Dobbins and Stegeman were increased to \$722,925, \$365,271 and \$350,000, respectively. Effective April 15, 2017, the base salary for Mr. Wexler was increased by 2.3% from his 2016 level, to \$739,191, Mr. Dobbins base salary was increased by 2.5% from his 2016 level to \$374,403 and Mr. Stegeman's base salary was increased by 2.3% from his 2016 level to \$357,875.

Bonus

Our executive compensation program is designed to reward business success and each senior executive's contribution to our operating and financial performance. In measuring a senior executive's contribution to us, our Board considers our growth and various financial metrics. We also consider an executive's performance in managing us in light of general economic conditions, as well as specific company, industry and competitive conditions. Our senior executives participate in a discretionary incentive bonus payment under our Management Bonus Program based on the Board's assessment of our financial performance and individual performance. The incentive bonus compensation paid to the named executive officers in 2017 for fiscal year 2016 was based upon final financial performance as assessed by the Board based upon our audited 2016 financial statements and such officer's individual performance in 2016. The incentive bonus compensation paid to the named executive officers in 2018 for fiscal year 2017 was based on similar performance criteria with respect to 2017.

Equity-Based Compensation - 2015 Plan

In April 2015, we adopted the Turning Point Brands, Inc. 2015 Equity Incentive Plan (the "2015 Plan"). The 2015 Plan authorizes the Compensation Committee to provide equity-based or other incentive-based compensation for the purpose of attracting and retaining directors, employees and certain consultants and providing our directors,

employees and such consultants incentives and rewards for superior performance. The 2015 Plan is designed to comply with the requirements of applicable federal and state securities laws, and the Code, including allowing us to issue awards that may comply with the performance-based exclusion from the deduction limitations under Section 162(m) of the Code.

Certain of our senior executives are eligible to receive grants of stock options, restricted stock units, stock appreciation rights and restricted stock under the 2015 Plan. In addition to restricted stock and stock options, we also grant 5-year performance-based restricted stock units (PRSUs), which represent the conditional right to receive one share of our common stock upon satisfaction of the vesting requirements. PRSUs offer the named executive officers a financial interest in the Company and serve to retain the named executive officers as the awards vest upon satisfaction of a specific performance measure at a pre-determined time.

In connection with our IPO, we issued 141 shares of restricted stock to Mr. Stegeman, and in August 2016, in connection with his employment agreement, we granted Mr. Stegeman options to purchase 53,996 shares of

TABLE OF CONTENTS

our common stock at an exercise price of \$9.26, 50% of which were vested immediately and 25% of which will vest on each of the first and second anniversaries of their grant date. In 2017, Messrs. Wexler, Dobbins and Stegeman were granted options to purchase 16,819, 6,850 and 3,500 shares of our common stock, respectively, at an exercise price of \$15.41; 34% of these options vested on January 1, 2018, and 33% will vest on each of January 1, 2019 and 2020. In 2017, Messrs. Wexler, Dobbins and Stegeman were granted 31,500, 10,500 and 6,000 5-year PRSUs, respectively, which vest five years from the grant date upon the Company's achievement of certain levels of return on invested capital (ROIC); 50% will vest if ROIC is 12.5%, 75% will vest if ROIC is 15%, and 100% will vest if ROIC is 17.5%.

Equity-Based Compensation - 2006 Plan

As of March 16, 2018, there remained outstanding 564,157 unexercised stock options under our 2006 Equity Incentive Plan (the 2006 Plan). No additional awards may be granted under the 2006 Plan.

Welfare Benefits & Perquisites

We provide the named executive officers with health, dental and vision insurance plans, term life and disability insurance, and certain perquisites. Except with respect to specific perquisites, senior executives may generally elect to participate in these plans on the same basis and terms as all employees.

401(k) Matching Contributions

We provide a company match to the 401(k) defined contribution plan to all eligible employees. For the 2016 and 2017 401(k) plan years, we contributed 4% of the participant's annual base salary to those eligible salaried employees contributing 4% or greater of their salary. For those eligible salaried employees contributing less than 4% of annual base salary, we matched the contribution by 100%. In each of 2016 and 2017, we also made a discretionary contribution equal to 1% of the participant's annual base salary to those eligible salaried employees.

Restoration Plan

We adopted a Restoration Plan in 2013 (the Restoration Plan) to give parity in benefits to executives with those benefits offered to employees generally via our 401(k) defined contribution plan. The Restoration Plan credits bookkeeping liability accounts for selected executives each year in amounts equal to amounts those executives would otherwise have been credited under the 401(k) plan. The Internal Revenue Code of 1986, as amended (the Code), allowed only up to \$270,000 (in 2017; indexed each year) in total compensation to be considered in allocating contributions to a tax-qualified plan, so credits will be made to the non-qualified Restoration Plan for selected executives on compensation paid above that level, at the same percentage rate as applies to employees generally on pay below that level through the 401(k) plan. Amounts credited to the Restoration Plan grow based on the S&P 500 equity index returns each year. Benefits accrued under the Restoration Plan are not set aside in a trust account, and cannot be paid to the covered executive officer until the seventh month after termination of employment, at which time benefits are forfeited if the termination is deemed for cause. Notwithstanding the foregoing restriction on acceleration of payment, we may elect, in our sole discretion and without the covered executive's consent, to pay the balance of an executive's benefits to the executive in a lump sum at any time so long as the payment results in the termination and liquidation of the executive's entire account under the Restoration Plan and the payment does not exceed applicable dollar amounts under Code Section 402(g)(1)(B). Each of the named executive officers participates in the Restoration Plan.

Retirement Plan

We have a noncontributory, defined benefit retirement plan (the Retirement Plan), which originally covered all full-time employees, including officers, upon completing one year of service. Effective December 31, 2003, we froze the Retirement Plan for our salaried employees. Mr. Dobbins is the only named executive officer who participated in the Retirement Plan during 2016 and 2017.

A participant in the Retirement Plan becomes fully vested before normal retirement at age 65 upon the completion of five years of service. Based on years of service, Mr. Dobbins is fully vested under the Retirement Plan. Benefits are also provided under the Retirement Plan in the event of early retirement at or after age 55 and the completion of at least ten years of service (or special early retirement after completion of 30 years of service) and in the event of retirement for disability after completion of five years of service. The amount of the

TABLE OF CONTENTS

contribution, payment or accrual with respect to a specified person is not and cannot readily be separately or individually calculated by the actuaries for the Retirement Plan. Benefits under the Retirement Plan are based upon application of a formula to the specified average compensation and years of credited service at normal retirement age. Compensation covered by the Retirement Plan consists of the average annual salary during any five consecutive calendar years in the last ten years of an employee's service, which affords the highest salary, or, if employed for less than five years, the average annual salary for the years employed. The Retirement Plan benefits are not subject to any deduction for social security payments.

Employment Agreements

In November 2015, we entered into new employment agreements with each of Messrs. Wexler, Dobbins and Stegeman which became effective and replaced their prior employment agreements upon the completion of our IPO in May 2016 (collectively, the 2016 Employment Agreements).

Upon a termination of employment by us without cause or by the applicable executive for good reason (each as defined in the applicable executive's 2016 Employment Agreement), each of Messrs. Wexler, Dobbins and Stegeman would be entitled to severance payments comprised of the following: (1) accrued compensation and benefits; (2) continuation of then-current base salary for 12 months, to be paid in accordance with our normal payroll practices; (3) a cash severance bonus equal to the average annual cash bonus received by the applicable executive for the 24-month period before the termination date; and (4) a lump sum payment equal to the cost of COBRA continuation coverage for the executive and his eligible dependents for 12 months.

In the event of a termination of employment by us without cause or by the applicable executive for good reason within one year following a change of control (as such term is defined in the applicable executive's 2016 Employment Agreement), or within 12 months of the effective date of his 2016 Employment Agreement, each of Messrs. Wexler, Dobbins and Stegeman would be entitled to severance payments comprised of the following (in lieu of any other severance payments under the 2016 Employment Agreements): (1) the accrued compensation and benefits; (2) continuation of then-current base salary for 24 months, to be paid in accordance with our normal payroll practices; (3) a cash severance bonus equal to two-times the average annual cash bonus received by the applicable executive for the 24-month period before the termination date; and (4) a lump sum payment equal to the cost of COBRA continuation coverage for the executive and his eligible dependents for 12 months.

In general, the foregoing severance payments and other benefits are subject to the applicable executive executing and delivering a release of claims to us. Pursuant to their respective 2016 Employment Agreements, Messrs. Wexler, Dobbins and Stegeman are each subject to certain restrictive covenants, including non-competition and non-solicitation restrictions during the employment term, and for a post-termination period equal to the number of months the executive is entitled to receive salary continuation pursuant to the severance provisions described above.

In addition, if any payment made to Messrs. Wexler, Dobbins or Stegeman would be subject to the excise tax under Section 4999 of the Internal Revenue Code, then the amounts payable to the applicable executive will be reduced to the maximum amount that does not trigger the excise tax, unless the executive would be better off (on an after-tax basis) receiving all such payments and benefits and paying all applicable income and excise taxes.

AUDIT COMMITTEE REPORT

The Audit Committee has met and reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2016 with the Company's management, which has the primary responsibility for the Company's financial statements, as well as with the Company's independent auditor, RSM US LLP, who is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board. The Audit Committee is not providing any expert or special assurance as to the Company's financial statements or providing any professional certification with respect to the independent auditor's work product.

The Audit Committee has discussed with RSM US LLP the matters required to be discussed by Auditing Standard No. 16, *Communications With Audit Committees*, as adopted by the Public Company Accounting Oversight Board. The Audit Committee has received and reviewed the written disclosures and the letter from RSM US LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding RSM US LLP communications with the Audit Committee concerning independence. The Audit Committee also considered whether RSM US LLP non-audit services to the Company were compatible with the independence requirements and concluded their independence was not compromised by the provision of these services.

Taking all of these reviews and discussions into account, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

All members of the Audit Committee of the Company listed below submit the foregoing report.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Policies Regarding Related Party Transactions

Our Board has adopted a written statement of policy regarding transactions with related persons, which we refer to as our related person policy. Our related person policy requires that a related person (as defined as in paragraph (a) of Item 404 of Regulation S-K) must promptly disclose to our senior legal officer any related person transaction (defined as any transaction that is anticipated would be reportable by us under Item 404(a) of Regulation S-K in which we were or are to be a participant and the amount involved exceeds \$120,000 and in which any related person had or will have a direct or indirect material interest) and all material facts with respect thereto. The senior legal officer will then promptly communicate that information to the Audit Committee of our Board. Following our IPO, no related person transaction may be executed without the approval or ratification of the Audit Committee. In general, the Audit Committee will approve or ratify only related person transactions that we believe are at least as favorable to us as those we would obtain from an unrelated party.
