Item 1.01 Entry into a Material Definitive Agreement.

On October 24, 2012, Devon Energy Corporation (the Company), entered into a new \$3 billion revolving Credit Agreement (the Credit Agreement) among the Company, as U.S. Borrower, Devon NEC Corporation, a Nova Scotia unlimited company, and Devon Canada Corporation, a Nova Scotia unlimited company (collectively, the Canadian Borrowers, and, together with U.S. Borrower, the Borrowers), each lender from time to time party thereto (collectively, the Lenders and individually, a Lender), each L/C Issuer from time to time party thereto, and Bank of America, N.A., as Administrative Agent, Canadian Swing Line Lender and U.S. Swing Line Lender. Up to \$500 million of loans under the Credit Agreement may be denominated in Canadian Dollars. The Credit Agreement may be increased by an aggregate amount of \$500 million in revolving commitments by adding to the Credit Agreement one or more additional Lenders or by allowing one or more Lenders to increase their respective commitments, in each case, under certain conditions. The Credit Agreement provides that its proceeds may be used for the Borrowers and their subsidiaries general corporate purposes.

Interest rates on borrowings under the Credit Agreement are determined based on a pricing grid as set forth in the Credit Agreement and are based upon the credit ratings of the Company. The Credit Agreement matures on October 24, 2017, which date may be extended for up to two additional one-year periods at the request of the Company (subject to the agreement of Lenders having commitments representing more than 50% of the aggregate commitments of all Lenders under the Credit Agreement). The Credit Agreement contains sub-limits of \$300 million for the issuance of letters of credit in U.S. and Canadian Dollars and \$50 million for swing line loans (\$25 million of which may be denominated in Canadian Dollars). Devon Financing Company, L.L.C. guarantees the Company's obligations under the Credit Agreement, and the Company guarantees the Canadian Borrowers' obligations under the Credit Agreement.

The Credit Agreement contains customary representations and warranties and customary covenants of the Borrowers and certain restricted subsidiaries of the Borrowers, including, among others, limitations on the creation of liens, limitations on mergers and other fundamental changes and limitations on certain transactions with affiliates. The Company has agreed to maintain a ratio of consolidated funded indebtedness to consolidated total capitalization of no greater than 65%, measured at the end of each fiscal quarter of the Company. Upon the occurrence of certain events of default, the Borrowers' obligations under the Credit Agreement may be accelerated. Such events of default include payment defaults, breach of covenant defaults and other customary defaults.

The above description of the material terms and conditions of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, which is filed as Exhibit 10.1 hereto.

Item 1.02 Termination of a Material Definitive Agreement.

In connection with the execution and delivery of the Credit Agreement described in Item 1.01 above, the Company terminated its then-existing Credit Agreement (the Prior Credit Agreement), effective as of April 7, 2006, as amended, among the Company, as US Borrower, Devon NEC Corporation (f/k/a Northstar Energy Corporation) and Devon Canada Corporation, as Canadian Borrowers, Bank of America, N.A. as Administrative Agent, Swing Line Lender and L/C Issuer, and the lenders party thereto. The Company and its affiliates regularly engage certain of the lenders under the Prior Credit Agreement to provide other banking and financial services. All of these engagements are negotiated at arm's length. The Company did not pay any prepayment penalties in connection with the termination of the Prior Credit Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 above is hereby incorporated into this Item 2.03 by reference.
