**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.
Amended and Restated Severance Plan**

On October 7, 2014, the Compensation Committee (the Compensation Committee) of the Board of Directors of BioMarin Pharmaceutical Inc. (the Company) approved and adopted an Amended and Restated Severance Plan and Summary Plan Description, effective October 7, 2014 (the Revised Severance Plan). The Revised Severance Plan amends and restates the Company's Amended and Restated Severance Plan, which was originally adopted on January 27, 2004 and previously amended and restated on May 12, 2009 and July 29, 2013 (the Prior Severance Plan).

The Revised Severance Plan, consistent with the Prior Severance Plan, continues to provide for the payment of severance benefits to the Company's full-time U.S. employees, including all of its named executive officers, if an employee is terminated in connection with a change of control of the Company, subject in each case to the satisfaction of certain conditions. In addition, the Revised Severance Plan, consistent with the Prior Severance Plan, continues to provide that all unvested option and restricted stock awards with time-based vesting granted to the Company's full-time U.S. employees, including its chief executive officer, Jean-Jacques Bienaimé, and all other named executive officers, automatically vest in full upon a change in control of the Company.

The primary purpose for adopting the Revised Severance Plan was to remove the requirement in the Prior Severance Plan that the automatic vesting of equity awards upon a change of control for employees of the Company hired after July 29, 2013 will only apply after the first anniversary of such employee's hire date.

The foregoing description of the Revised Severance Plan and the material amendments contained therein does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Revised Severance Plan filed as Exhibit 10.1 hereto and incorporated by reference herein.

Amended and Restated Nonqualified Deferred Compensation Plan

Also on October 7, 2014, the Compensation Committee approved an Amended and Restated Nonqualified Deferred Compensation Plan (the Revised Compensation Plan), effective October 7, 2014. The Revised Compensation Plan amends and restates the Company's Amended and Restated Nonqualified Deferred Compensation Plan, which was originally adopted by the Company effective as of December 1, 2005, and was thereafter amended and restated, effective January 1, 2009 and December 19, 2013 (the Prior Compensation Plan).

The terms of the Revised Compensation Plan are materially consistent with the previously disclosed terms of the Prior Compensation Plan. The primary purpose for adopting the Revised Compensation Plan was to provide that a participant who is not a director may elect to defer up to a maximum of 50% of his or her regular cash salary and cash bonuses (reduced from a maximum of 100% in the Prior Compensation Plan) and thereby defer taxation of these deferred amounts until actual payment of the deferral amounts in future years.

The foregoing description of the Revised Compensation Plan and the material amendments contained therein does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Revised Compensation Plan filed as Exhibit 10.2 hereto and incorporated by reference herein.
