Matters discussed in this release may constitute forward-looking statements. Forward-looking statements reflect our current views with respect to future events and financial performance and may include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts. The forward-looking statements in this release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating

trends, data contained in our records and other data available from third parties. THE COMPANY

Eagle Bulk Shipping Inc., or the Company, incorporated under the laws of the Republic of the Marshall Islands and headquartered in New York City, is engaged primarily in the ocean transportation of a broad range of major and minor bulk cargoes, including iron ore, coal, grain, cement and fertilizer, along worldwide shipping routes. As of July 17, 2006, we owned and operated a modern fleet of 16 oceangoing vessels with a combined carrying capacity of 796,663 deadweight tons, or dwt, and an average age of 5.5 years.

We are the largest U.S. based owner of Handymax dry bulk vessels. Handymax dry bulk vessels range in size from 35,000 to 60,000 dwt. Twelve of the 16 vessels in our operating fleet are classed as Supramax dry bulk vessels, a class of Handymax dry bulk vessels which range in size from 50,000 dwt to 60,000 dwt. These vessels have the cargo loading and unloading flexibility of on-board cranes while offering cargo carrying capacities approaching that of Panamax dry bulk vessels, which range in size from 60,000 to 100,000 dwt and must rely on port facilities to load and offload their cargoes. We believe that the cargo handling flexibility and cargo carrying capacity of the Supramax class vessels make them attractive to charterers.

The following table presents certain information concerning our fleet as of July 17, 2006.

DESCRIPTION OF THE PLAN

On July 17, 2006, the Company's Board of Directors adopted the Dividend Reinvestment Plan or the Plan, under which shares of the Company's Common Stock are available for purchase to existing investors who are looking to increase their holdings of our Common Stock. Participants can purchase our Common Stock with optional quarterly cash investments and cash dividends.

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

The Plan is designed for long-term investors who wish to invest and build their share ownership over time. The Plan is not intended to provide holders of Common Stock with a mechanism for generating assured short-term profits through rapid turnover of shares acquired at a discount. The Plan's intended purpose precludes any person, organization or other entity from establishing a series of related accounts for the purpose of conducting arbitrage operations and/or exceeding the optional quarterly cash investment limit.

We reserve the right to modify, suspend or terminate participation by a shareholder who is using the Plan for purposes inconsistent with its intended purpose.

THE PLAN

PURPOSE AND ADVANTAGES

1. What is the purpose of the Plan?

The purpose of the plan is to provide participants with a simple, convenient and economical method of reinvesting cash dividends paid on shares of Common Stock and by optional cash deposits. The Plan allows participants to have all cash dividends paid on their shares of Common Stock automatically reinvested in Common Stock of the Company.

2. What are the advantages of the Plan?

Participants may increase their holdings of Common Stock with the reinvestment of cash dividends received on previously owned Common Stock registered in their names and by optional cash deposits without incurring any service charges and without the payment of brokerage commissions in connection with purchases under the Plan. Regular statements of account provide each participant with a record of each transaction. Participation in the Plan is entirely voluntary. You may join or terminate your participation at any time prior to a particular dividend record date by making timely written notice to the Plan Administrator (see Question 3).

ADMINISTRATION

3. Who administers the Plan for participants?

Computershare Trust Company, Inc. (Computershare), the Company's stock transfer agent, hereinafter referred to as the Plan Administrator, administers the Plan for participants by maintaining records, sending statements of account to participants and performing other duties relating to the Plan. Shares of Common Stock purchased under the Plan are registered in the name of the Plan Administrator's nominee and are credited to the accounts of the participants in the Plan. The Plan Administrator acts in the capacity as agent for participants in the Plan. The Company may replace the Plan Administrator at any time within its sole discretion.

PARTICIPATION

4. Who is eligible to participate?

All holders of a minimum of 100 shares of record of Common Stock of the Company are eligible to participate in the Plan. Beneficial owners of shares of Common Stock whose shares are registered in names other than their own (for instance, in the name of a broker nominee) may arrange for the holder of record of such shares to enroll in the plan, in order to participate in the plan.

5. How does an eligible stockholder participate?

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

To participate in the Plan, a stockholder of record must simply complete an Authorization Form and return it to the Plan Administrator. An Authorization Form will be provided from time to time to the holders of the Company's Common Stock, and may be obtained at any time by written request to: Computershare Trust Company, Inc. 350 Indiana Street, Suite 800 Golden, CO 80401 ATTN: Dividend Reinvestment Plan Administrator

6. When may an eligible stockholder join the Plan?

A stockholder of record owning a minimum of 100 shares of Common Stock may join the Plan at any time. If the Authorization Form is received by the Plan Administrator on or before the record date for a dividend payment, and the participant elects to reinvest the dividends in shares of Common Stock, such reinvestment of dividends will begin with that dividend payment. Please note that the Plan does not represent any change in the Company's dividend policy or a guarantee of the payment of any future dividends.

7. What does the Authorization Form provide?

The Authorization Form directs the Company to pay to the Plan Administrator for the account of the participating stockholder of record all dividends on the shares registered in the name of the participant as reflected in the records of the Company's stock transfer agent, as well as dividends paid on the shares credited to the participant's account under the Plan. It also appoints the Plan Administrator (or such other plan administrator as the Company may from time to time designate) as agent for the stockholder and directs such agent to apply all of such dividends to the purchase of additional shares of Common Stock in accordance with the terms and conditions of the Plan. Such Authorization Form may also authorize the investment of additional cash deposits for the purchase of shares of Common Stock as of the next Investment Date.

8. May a stockholder have dividends reinvested under the Plan from less than all of the shares of Common Stock registered in that stockholder's name?

Reinvestment of dividends is limited to all dividends paid on all Common Stock registered in your name or in the name of a broker nominee and the Common Stock held in a participant's account under the Plan.

OPTIONAL CASH PAYMENTS

9. May a participant elect to make additional cash payments under the Plan?

Yes. In addition to the reinvestment of dividends paid on shares of Common Stock, participants who are existing shareholders may make optional cash contributions of between \$50.00 and \$10,000.00 per calendar quarter for the purchase of additional shares of Common Stock. The Company will not approve investment of optional cash contributions in excess of the stated limit. Participants wishing to make optional cash contributions may forward such funds to the Plan Administrator within 30 days prior to the next dividend payment date. No interest earnings will be paid on such funds. Funds submitted prior to 30 days before the next dividend payment date will be returned.

OPTIONAL CASH DEPOSITS DO NOT CONSTITUTE DEPOSITS OR SAVINGS ACCOUNTS ISSUED BY A SAVINGS INSTITUTION AND ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE COMPANY OR ANY OTHER GOVERNMENTAL AGENCY.

Upon written request addressed to the Plan Administrator received at least 5 business days prior to the next dividend payment date, any optional cash deposits received which have not yet been invested in Common Stock will be reimbursed to the participant.

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

PURCHASES

10. When will purchases be made?

Purchases under the plan will be made during each calendar quarter on each "Investment Date," which will be the first business day following a dividend payment date or as soon as practicable thereafter. Purchases of Common Stock will be made at the direction of the Plan Administrator or its selected broker/dealer. No interest earnings will be paid by the Plan Administrator on dividend payments pending their investment in Common Stock.

In the event applicable law or the closing of the securities markets requires temporary curtailment or suspension of open market purchases of shares of the Common Stock, the Plan Administrator is not accountable for its inability to make purchases at such time. If shares of Common Stock are not available for purchase for a period longer than 30 days from the prior dividend payment date, the Plan Administrator will promptly mail to each participant a check in the amount of any unapplied funds in the participant's account.

11. How many shares of Common Stock will be purchased for participants?

The number of shares that will be purchased for each participant on any dividend payment date will depend on the amount of the participant's cash dividend and any optional cash contributions received within 30 days prior thereto, and the purchase price of the shares of Common Stock. Each participant's account will be credited with that number of shares (including fractional shares computed to seven decimal places) equal to the total amount to be invested, divided by the applicable purchase price (also computed to seven decimal places).

12. What will be the price of shares of Common Stock purchased under the Plan?

In making purchases of Common Stock for the participant's account associated with each Investment Date, the Plan Administrator will commingle the participant's funds with those of other participants under the Plan. The price of shares of Common Stock purchased in the open market for participants in the Plan with reinvested dividends on their Common Stock and optional cash contributions for each Investment Date will be equal to the average price of all shares of the Common Stock purchased on the Investment Date by the Plan Administrator on behalf of the Plan. In addition, from time to time, the Company may distribute newly issued Common Stock to be sold under the plan. In such event, the price of such Common Stock will be the closing price of the Company's Common Stock on the Nasdaq National Select Market on the investment date. Our Plan Administrator, Computershare Trust Company, Inc., may assist in the identification of investors and provide other related services, but will not be acting as an underwriter with respect to our Common Stock sold under the Plan.

The Common Stock is traded on the Nasdaq National Select Market. The Company will bear all costs of administering the Plan, except as described under Question 14 below.

13. How are dividends on shares purchased through the Plan applied?

The purpose of the Plan is to provide the participant with a convenient method of purchasing shares of Common Stock and to have the dividends on those shares reinvested. Accordingly, dividends paid on shares held in the Plan will be automatically reinvested in additional shares of Common Stock unless and until the participant elects to terminate participation in the Plan.

COSTS

14. Are there any expenses to participants in connection with purchases under

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

the Plan?

No. Participants will make such purchases without the payment of brokerage commissions, and the Company will pay all fees in connection with purchases of shares of Common Stock purchased on the Investment Date. There are no service charges to participants in connection with purchases of shares of Common Stock under the Plan. All costs of administration of the Plan are paid by the Company. However, if a participant requests the Plan Administrator to sell his or her shares in the event of his or her withdrawal from the Plan, the participant will pay the applicable brokerage commission associated with the sale of such Common Stock, any required transfer tax, and applicable service charges.

REPORTS TO PARTICIPANTS

15. How will participants be advised of their purchases of stock?

As soon as practicable after each purchase, the participant will receive a statement of account from the Plan Administrator. These statements are the participant's continuing record of the cost of shares purchased and the number of shares acquired, and should be retained for tax purposes. Participants will also receive, from time to time, communication sent to other holders of the Common Stock.

DIVIDENDS

16. Will participants be credited with dividends on shares held in their account under the plan?

Yes. The participant's account will be credited with dividends paid on full shares and fractional shares credited to the participant's account. The Plan Administrator will reinvest the dividends received in additional shares of Common Stock.

STOCK CERTIFICATES

17. Will stock certificates be issued for shares of Common Stock purchased?

The Plan Administrator will hold all stock certificates representing purchases of Common Stock under the Plan in the name of its nominee. Normally, certificates for Common Stock purchased under the Plan will not be issued to participants. The number of shares credited to an account under the Plan will be shown on the participant's statement of account.

The participant may receive certificates for full shares accumulated in his or her account under the Plan by sending a written request to the Plan Administrator. Participants may request periodic issuance of all full shares in the account. When certificates are issued to the participant, future dividends on such shares will be reinvested in shares of Common Stock. Any undistributed shares will continue to be reflected in the participant's account.

The participant's rights under the Plan and shares credited to the account of the participant under the Plan may not be pledged. A participant who wishes to pledge such shares must request that certificates for such shares be issued in his or her name.

Accounts under the Plan are maintained in the names in which the certificates of participants were registered at the time they entered the Plan. Additional certificates for whole shares will be similarly registered when issued.

WITHDRAWAL FROM THE PLAN

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

18. How does a participant withdraw from the Plan?

A participant may withdraw from the Plan at any time by sending a written withdrawal notice to the Plan Administrator (see Question 5 for the full name and address of the Plan Administrator). When a participant withdraws from the Plan, or upon termination of the Plan by the Company, certificates for whole shares credited to the participant's account under the Plan will be issued and a cash payment will be made for any fraction of a share (see Question 19).

Upon withdrawal from the Plan, the participant may also request that all of the shares credited to his or her account be sold by the Plan Administrator. If such sale is requested, the Plan Administrator will place a sale order, as promptly as possible after the processing of the request for withdrawal, for the account of the participant through an agent designated by the Plan Administrator at the prevailing market price at the time of such sale. The participant will receive from the Plan Administrator a check for the proceeds of the sale less any applicable brokerage commission and any transfer tax.

19. What happens to a fraction of a share when a participant withdraws from the Plan?

When a participant withdraws from the Plan, a cash adjustment representing the value of any fraction of a share then credited to the participant's account will be mailed directly to the participant. The cash adjustment will be based on the closing price of the Common Stock on the effective date of the withdrawal. In no case will certificates representing a fractional share interest be issued.

OTHER INFORMATION

20. What happens when a participant's record ownership of shares of Common Stock is less than 100 shares as of a dividend record date?

If a participant disposes of shares of Common Stock registered in his or her name (including shares credited to his or her account under the Plan) so that the total shares held in the name of the participant is less than 100 shares, the Plan Administrator will discontinue the investment of cash dividends on the shares credited to the participant's account under the Plan, or otherwise, until such participant's record ownership of shares increases to at least 100 shares in the aggregate. All applicable dividends will be paid in the form of cash until such participant's stock ownership increases to at least 100 shares. If following a disposition of stock, a participant's aggregate record ownership of the Common Stock contains less than one hundred (100) shares of Common Stock, then at the Company's election, a certificate will be issued for the full shares in the account, a cash payment will be made for any fractional shares, any uninvested cash balance in the account will be paid to the participant, and the account will be terminated.

21. What happens if the Company issues a stock dividend or declares a stock split or makes a rights offering?

Any shares representing stock dividends or stock splits distributed by the Company on shares credited to the account of a participant under the Plan will be added to the participant's account. Shares representing stock dividends or split shares distributed on shares registered in the name of the participant will be mailed directly to such participant in the same manner as to stockholders who are not participating in the Plan.

22. How will a participant's shares held under the Plan be voted at meetings of stockholders?

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

Shares credited to the account of a participant under the Plan (other than fractional shares) will be automatically added to the shares covered by the proxy sent to the stockholder with respect to his or her other shares in the Company and may be voted by such holder pursuant to such proxy. The Plan Administrator will forward any proxy solicitation materials relating to the shares of Common Stock held by the Plan to the participating stockholder. Where no instructions are received from a participant with respect to a participant's shares held under the Plan, or otherwise, such shares shall not be voted unless the participant votes such shares in the person.

23. What are the United States federal income tax consequences of participation in the Plan?

In general, a participant in the Plan has the same federal income tax obligations with respect to dividends credited to his or her account under the Plan as other holders of shares of Common Stock who elect to receive cash dividends directly. A participant is treated for federal income tax purposes as having received, on the dividend payment date, a dividend in an amount equal to the fair market value of the Common Stock credited to his or her account under the Plan, even though that amount was not actually received by the participant in cash, but, instead, was applied to the purchase of additional shares for his or her account.

The basis of each share of Common Stock credited to a participant's account pursuant to the dividend reinvestment aspect of the Plan is the fair market value of the Common Stock. The holding period for such shares begins on the day following the dividend payment date.

The receipt by a participant of certificates representing whole shares previously credited to his or her account under the Plan upon withdrawal from the Plan or pursuant to the request of the participant will not result in the recognition of taxable income. A participant will recognize a gain or loss when fractional shares are sold on behalf of the participant upon withdrawal from the Plan or when the participant sells shares after the participant's withdrawal from the Plan.

All participants are advised to consult with their tax advisors to determine the particular tax consequences which may result from their participation in the Plan and the subsequent sale by them of shares purchased pursuant to the Plan including any state or local income tax consequences.

24. What are the responsibilities of the Company under the Plan?

The Company and the Plan Administrator in administering the Plan will not be liable for any act done in good faith or for the good faith omission to act, including, without limitation, any claim of liability arising out of failure to terminate a participant's account upon such participant's death or judicially declared incompetency or with respect to the prices at which shares are purchased for the participant's account, and the times when such purchases are made, with respect to any loss or fluctuation in the market value after purchase of shares, or with respect to any sales of Common Stock made under the Plan on behalf of the participant. The Company shall interpret the Plan; all such interpretations and determinations made by the Company shall be conclusive. The terms and conditions of the Plan and its operation will be governed by the laws of the State of New York.

25. Who bears the risk of market price fluctuations in the Common Stock?

A participant's investment in shares acquired under the Plan is no different from direct investment in shares of the Company. The participant bears the risk of loss and realizes the benefits of any gain from market price changes with respect to all such shares held in the Plan, or otherwise. Neither the

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

Company nor Plan Administrator make any representations with respect to the future value of Common Stock purchased under the Plan. The participant should recognize that the Company, Plan Administrator and related parties cannot assure the participant of realizing any profits or protect the participant against a loss related to investment in Common Stock purchased or sold under the Plan.

26. May the Plan be changed or discontinued?

The Plan may be amended, suspended, modified or terminated at any time by the Board of Directors of the Company without the approval of the participants. Notice of such suspension or termination or material amendment or modification will be sent to all participants, who shall at all times have the right to withdraw from the Plan.

The Company or the Plan Administrator may terminate a stockholder's individual participation in the Plan at any time by written notice to the stockholder. In such event, the Plan Administrator will request instructions from the participant for disposition of the shares in the account. If the Plan Administrator does not receive instructions from the Participant, it will send the participant a certificate for the number of full shares held for the participant under the Plan and a check for any fractional share.

USE OF PROCEEDS

The net proceeds we realize from sales of our authorized and unissued Common Stock pursuant to the Plan will be used for working capital and general corporate purposes. We do not know either the number of shares of Common Stock that will be purchased under the Plan or the prices at which shares of our Common Stock will be sold to participants.

FEDERAL INCOME TAX CONSEQUENCES

The following is a discussion of the material United States federal income tax considerations relevant to a U.S. Participant, as defined below, with respect to participation in the Plan. This discussion does not purport to deal with the tax consequences of participation in the Plan to all categories of investors, some of which may be subject to special rules. This discussion assumes that a U.S. holds the Common Stock as a capital asset. You are encouraged to consult your own tax advisors concerning the overall tax consequences arising in your own particular situation under United States federal, state, local or foreign law of the ownership of Common Stock.

The following discussion of United States federal income tax matters is based on the United States Internal Revenue Code of 1986, or the Code, judicial decisions, administrative pronouncements, and existing and proposed regulations issued by the United States Department of the Treasury, all of which are subject to change, possibly with retroactive effect. We have not received nor do we intend to seek a private letter ruling from the Internal Revenue Service regarding the Plan.

A "U.S. Participant" means a participant in the Plan that is a United States citizen or resident, United States corporation or other United States entity taxable as a corporation, an estate the income of which is subject to United States federal income taxation regardless of its source, or a trust if a court within the United States is able to exercise primary jurisdiction over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust.

If a partnership is a participant in the Plan, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. If you are a partner in a partnership participating in the Plan, you are encouraged to consult your tax advisor.

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

Tax Consequences of Dividend Reinvestment

In the case of newly-issued shares acquired from us, a U.S. Participant will be treated as receiving a dividend for United States federal income tax purposes in an amount equal to the fair market value as of the dividend payment date of the Common Stock purchased with the reinvested dividends. In the case of Common Stock acquired in market transactions, a U.S. Participant will be treated as receiving a dividend for United States federal income tax purposes in an amount equal to sum of (x) the cash dividend paid by us and (y) the pro rata share of any brokerage trading fees or other related charges paid by us in connection with the Administrator's purchase of the Common Stock on behalf of the participant. Those dividend amounts will be the U.S. Participant's basis in the shares purchased. A U.S. Participant's holding period of those shares will begin on the day following the date of purchase.

The dividends described above will constitute taxable dividend income to a U.S. Participant to the extent of our current and accumulated earnings and profits allocable to the distributions. Such dividends may be eligible for taxation at reduced rates in the hands of a non-corporate U.S. Participant, provided that holding period and certain other requirements are satisfied. Distributions in excess of our earnings and profits will be treated first as a nontaxable return of capital to the extent of the U.S. Participant's tax basis in his Common Stock on a dollar-for-dollar basis and thereafter as capital gain.

Tax Consequences of Optional Cash Investments

With respect to newly issued shares, a U.S. Participant who elects to invest in additional shares by making optional cash investments will be treated for United States federal income tax purposes as having received a dividend equal to the excess (if any) of (i) the fair market value on the investment date of the shares purchased, over (ii) the optional cash investments made. A U.S. Participant will not be deemed to have received a dividend with respect to shares acquired by purchases in market transactions, except to the extent of brokerage fees and charges paid to the Administrator by us. A U.S. Participant's tax basis in the shares purchased will be equal to the cost paid by the participant in acquiring the stock, plus the amount (if any) treated as a dividend for federal income tax purposes. The U.S. Participant's holding period for those shares will begin on the day following the date of purchase.

Shares, or any fraction of shares, purchased with initial or supplemental cash payments will have a tax basis equal to the amount of the payments increased by the amount of brokerage fees, if any, treated as a taxable dividend to a U.S. Participant with respect to those shares or fraction of shares. The holding period for the shares, or fraction of shares, begins on the day following the purchase date.

Any distributions which the participant is treated as receiving would be taxable income or gain or reduce the basis in Common Stock, or some combination of these treatments, under the rules described above under "Tax Consequences of Dividend Reinvestment."

Tax Consequences of Dispositions

A U.S. Participant generally will recognize taxable gain or loss upon a sale, exchange or other disposition of the shares whether the sale or exchange is made at the U.S. Participant's request upon withdrawal from the Plan or takes place after withdrawal from or termination of the Plan and, in the case of a fractional share, when the participant receives a cash payment for a fraction of

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

a share credited to his or her account. The amount of gain or loss will equal the difference between the amount realized by the U.S. Participant from such sale, exchange or other disposition and the U.S. Holder's tax basis in the shares. Such gain or loss will be treated as long-term capital gain or loss if the U.S. Participant's holding period in the shares is greater than one year at the time of the sale, exchange or other disposition. A U.S. Participant's ability to deduct capital losses is subject to certain limitations.

A U.S. Participant will not realize any taxable income when he receives certificates for whole shares credited to his account, either upon his request for such certificates or upon withdrawal from or termination of the Plan.

Backup Withholding and Information Reporting

In general, dividend payments and other taxable distributions made within the United States to a U.S. Participant will be subject to information reporting requirements. Such payments will also be subject to backup withholding tax when paid to a non-corporate U.S. Participant who:

- o fails to provide an accurate taxpayer identification number;
- o is notified by the Internal Revenue Service that he has failed to report all interest or dividends required to be shown on his federal income tax returns; or
- o in certain circumstances, fails to comply with applicable certification requirements.

If a dividend is subject to backup withholding, backup withholding will be withheld from the dividend before the dividend is reinvested under the Plan. Backup withholding tax is not an additional tax. Rather, a U.S. Participant generally may obtain a refund of any amounts withheld under backup withholding rules that exceed his income tax liability by filing a refund claim with the Internal Revenue Service.

PARTICIPANTS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OR PARTICIPATION IN THE PLAN, INCLUDING THE APPLICABILITY OF ANY STATE, LOCAL OR FOREIGN TAX LAWS, CHANGES IN APPLICABLE TAX LAWS AND ANY PENDING OR PROPOSED LEGISLATION.

PLAN OF DISTRIBUTION

Subject to the discussion below, we may distribute newly issued Common Stock sold under the Plan. Our Plan Administrator, Computershare Trust Company, Inc., may assist in the identification of investors and provide other related services, but will not be acting as an underwriter with respect to our Common Stock sold under the Plan. You will pay no brokerage trading fees on Common Stock purchased through the Plan when such shares of Common Stock are being acquired from us or through open market sources. However if you request the Plan Administrator to sell your shares in the event of your withdrawal from the Plan, you will pay the applicable brokerage commission associated with the sale of the Common Stock, any required transfer tax, and applicable service charges (please see Question 14 above).

In connection with the administration of the Plan, we may be requested to approve investments made pursuant to requests for waiver by or on behalf of existing shareholders and new investors who may be engaged in the securities business.

Persons who acquire our Common Stock through the Plan and resell them shortly after acquiring them, including coverage of short positions, under

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

certain circumstances, may be participating in a distribution of securities that would require compliance with Regulation M under the Securities Exchange Act of 1934, and may be considered to be underwriters within the meaning of the Securities Act of 1933. We will not extend to any such person any rights or privileges other than those to which he, she or it would be entitled as a participant, nor will we enter into any agreement with any such person regarding the resale or distribution by any such person of our Common Stock so purchased. We may, however, accept optional cash investments and initial investments made pursuant to requests for waiver by such persons.

From time to time, financial intermediaries, including brokers and dealers, and other persons may engage in positioning transactions in order to benefit from any waiver discounts applicable to optional cash investments and initial investments made pursuant to requests for waiver under the Plan. Those transactions may cause fluctuations in the trading volume of our Common Stock. Financial intermediaries and such other persons who engage in positioning transactions may be deemed to be underwriters. We have no arrangements or understandings, formal or informal, with any person relating to the sale of our Common Stock to be received under the Plan. We reserve the right to modify, suspend or terminate participation in the Plan by otherwise eligible persons to eliminate practices that are inconsistent with the purposes of the Plan.

LEGAL OPINIONS

The validity of the securities offered by this prospectus will be passed upon for us by Seward & Kissel LLP, New York, New York with respect to matters of U.S. and Marshall Islands law.

DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

The Business Corporation Act (the "BCA") of the Marshall Islands authorizes corporations to limit or eliminate the personal liability of directors and officers to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties. Our bylaws include a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director to the fullest extent permitted by law.

Our bylaws provide that we must indemnify our directors and officers to the fullest extent authorized by law. We are also expressly authorized to advance certain expenses (including attorneys' fees and disbursements and court costs) to our directors and officers and carry directors' and officers' insurance providing indemnification for our directors, officers and certain employees for some liabilities. We believe that these indemnification provisions and insurance are useful to attract and retain qualified directors and executive offices.

The limitation of liability and indemnification provisions in our amended and restated articles of incorporation and bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

There is currently no pending material litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

Item 15. Indemnification of Directors and Officers.

The bylaws of the Company provide that every director and officer of the Company shall be indemnified out of the funds of the Registrant against:

- (1) all civil liabilities, loss, damage or expense (including but not limited to liabilities under contract, tort and statute or any applicable foreign law or regulation and all reasonable legal and other costs and expenses properly payable) incurred or suffered by him as such director or officer acting in the reasonable belief that he has been so appointed or elected notwithstanding any defect in such appointment or election, provided always that such indemnity shall not extend to any matter which would render it void pursuant to any Marshall Islands statute from time to time in force concerning companies insofar as the same applies to the Registrant (the "Companies Acts"); and
- (2) all liabilities incurred by him as such director or officer in defending any proceedings, whether civil or criminal, in which judgment is given in his favor, or in which he is acquitted, or in connection with any application under the Companies Acts in which relief from liability is granted to him by the court.

Section 60 of the Associations Law of the Republic of the Marshall Islands provides as follows:

Indemnification of directors and officers.

- (1) Actions not by or in right of the corporation. A corporation shall

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonable believed to be in or not opposed to the bests interests of the corporation, and, with respect to any criminal action or proceedings, had reasonable cause to believe that his conduct was unlawful.

- (2) Actions by or in right of the corporation. A corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not, opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claims, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.
- (3) When director or officer successful. To the extent that a director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (1) or (2) of this section, or in the defense of a claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.
- (4) Payment of expenses in advance. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid in advance of the final disposition of such action, suit or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation as authorized in this section.

Edgar Filing: Eagle Bulk Shipping Inc. - Form S-3

- (5) Continuation of indemnification. The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.
- (6) Insurance. A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director or officer against any liability asserted against him and incurred by him in such capacity whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section.
