**Item 8.01 Other Events**

As previously announced, on December 6, 2017, Plug Power Inc. (the Company) conducted a business update presentation that was accessible by webcast. A copy of the slide presentation used during the presentation is being furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. Among other things, the presentation conveys the Company's expectations regarding full year 2017 performance, potential future reductions in material and service costs, the prospect for future growth in revenue, gross margin, free cash flow, units installed, number of installed sites, tons of hydrogen fuel used and geography served, a potential strategic partnership for the China market, opportunities in the on-road electric vehicle market, and potential improved margins and geographic expansion in the hydrogen fueling business.

A reconciliation of the non-GAAP measures used in the presentation is being furnished as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated herein by reference.

The information in this Current Report on Form 8-K is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this Current Report on Form 8-K shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended.
