PLEASE SIGN, DATE AND MAIL THE ENCLOSED GOLD CONSENT CARD TODAY

This Solicitation Statement and the enclosed **GOLD** consent card are being furnished by Corvex Management LP and Related Fund Management, LLC (collectively, we , us , our or the Proposing Shareholders) in connection with our

solicitation of written consents (the Consent Solicitation) from the holders of common shares of beneficial interest, par value \$0.01 per share (the Shares), of Commonwealth REIT, a Maryland real estate investment trust (Commonwealth or the Company), to remove without cause Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin, Frederick N. Zeytoonjian, Ronald J. Artinian and Ann Logan as trustees of the Company and any other person or persons elected or appointed to the Board of Trustees of the Company (the Board) prior to the effective time of this Consent Solicitation (the Removal Proposal). We will also furnish, at a later date, a **GREEN** proxy card in connection with our solicitation of proxies (the Proxy Solicitation , and together with the Consent Solicitation, this Solicitation) to, if the Removal Proposal is successful, elect at the resulting special meeting of shareholders, and at any adjournments, postponements or continuations thereof (the Special Meeting), each of the following five individuals to serve as a trustee of the Company: James Corl, Edward Glickman, Peter Linneman, Jim Lozier and Kenneth Shea (each a Nominee and collectively, the Nominees) (the Special Meeting Proposal). The participants in this Solicitation include the Proposing Shareholders, Related Real Estate Recovery Fund GP-A, LLC, Related Real Estate Recovery Fund GP, L.P., Related Real Estate Recovery Fund, L.P., RRERF Acquisition, LLC, Keith Meister, Jeff T. Blau, Richard O Toole, David R. Johnson and the Nominees (collectively, the Participants).

A consent solicitation allows shareholders (or their agents) to act by submitting written consents to proposed shareholder actions in lieu of voting in person or by proxy at an annual or special meeting of shareholders. If our Consent Solicitation to effect the Removal Proposal is successful, the officers of the Company are required to promptly call a special meeting of the shareholders to elect new trustees. By signing and returning the **GREEN** proxy card, when furnished, you will be able to give us your proxy to vote for our proposed trustee nominees at such Special Meeting.

THE SPECIAL MEETING TO ELECT NEW TRUSTEES WILL ONLY OCCUR IF THE REMOVAL PROPOSAL IS SUCCESSFUL AND ALL COMPANY TRUSTEES ARE REMOVED. WE CAN MAKE NO ASSURANCE THAT SUCH MEETING WILL OCCUR UNLESS THE REMOVAL PROPOSAL IS APPROVED BY THE HOLDERS OF TWO-THIRDS OF THE OUTSTANDING SHARES ON THE RECORD DATE OF THE CONSENT SOLICITATION.

IF YOU EXECUTE AND DELIVER THE ENCLOSED GOLD CONSENT CARD YOU CAN ELECT TO VOTE FOR THE REMOVAL PROPOSAL BUT VOTE AGAINST, OR ABSTAIN FROM VOTING FOR, OUR TRUSTEE NOMINEES AT THE SPECIAL MEETING.

In accordance with the Arbitration Panel's November 18 Interim Award, the Proposing Shareholders will submit a request for a record date for the Consent Solicitation to the Company by February 16, 2014.

QUESTIONS AND ANSWERS ABOUT THIS SOLICITATION

The following are some of the questions you, as a shareholder, may have about the Solicitation and answers to those questions. The following is not meant to be a substitute for the information contained in the remainder of this Solicitation Statement, and the information contained below is qualified by the more detailed descriptions and explanations contained elsewhere in this document. We urge you to read this entire document carefully prior to making any decision on whether to grant any consent or proxy hereunder.

Q: What are you asking that the shareholders consent to and vote for?

A: We are first proposing as part of our Solicitation that the shareholders of the Company act by written consent to remove without cause, as trustees of the Company, Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin, Frederick N. Zeytoonjian, Ronald J. Artinian and Ann Logan and any other person or persons elected or appointed to the Board prior to the effective time of this Consent Solicitation. We refer to such proposal as the Removal Proposal. Please sign, date and mail the enclosed **GOLD** consent card today to consent to the Removal Proposal.

If our Consent Solicitation to effect the Removal Proposal is successful and the current Board is removed, the officers of the Company will be required to call the Special Meeting of shareholders for the purpose of electing new trustees to the Board. As part of this Solicitation we are also asking that shareholders give us their proxy to elect our five Trustee Nominees at such Special Meeting, if it were to occur. Please sign, date and mail the **GREEN** proxy card, when furnished, to elect our five Trustee Nominees at such Special Meeting.

Q: If I vote for the Removal Proposal, am I required to vote for your Trustee Nominees?

A: No. You can vote for the Removal Proposal on the enclosed **GOLD** consent card and also vote against, or abstain from voting for, our Trustee Nominees by marking the **GREEN** proxy card, when furnished, accordingly.

Q: Who can act by written consent with respect to the Removal Proposal?

A: Holders of Shares as of the close of business on the record date for the Consent Solicitation (the Removal Proposal Record Date), are entitled to act by written consent on the Removal Proposal. Please see the section entitled Removal Proposal Removal Proposal Record Date on page 16 for additional information regarding the Removal Proposal Record Date.

Q: Who can vote on the Special Meeting Proposal?

Holders of Shares as of the close of business on the record date for the Special Meeting (the Special Meeting Record Date) will be entitled to vote on the Special Meeting Proposal. Please see the section entitled The Special Meeting Special Meeting Process beginning on page 20 for additional information regarding the Special Meeting Record Date.

If you are a holder of Shares on the Removal Proposal Record Date, but subsequently sell your Shares on or prior to the Special Meeting Record Date, then you will not be able to vote on the election of new trustees at the Special

Meeting, and any proxy you may have given us in connection with the Special Meeting Proposal will not be counted at the Special Meeting.

Q: How many consents and proxies must be received in order to adopt the Removal Proposal and the Special Meeting Proposal?

A: The Removal Proposal will be adopted and become effective when unrevoked written consents are signed and dated by the holders of two-thirds of the Shares outstanding on the Removal Proposal Record Date. Such consents must be delivered to the Company within 30 days of the Removal Proposal Record Date. The actual number of Shares necessary to approve the Removal Proposal will depend on the number of Shares outstanding on the Removal Proposal Record Date.

The Special Meeting Proposal is contingent upon the success of the Removal Proposal. If the Removal Proposal is successful and a Special Meeting is therefore called to elect new trustees, the Company's Declaration of Trust states that the election of new trustees shall be by the affirmative vote of the holders of Shares representing a majority of the total number of votes authorized to be cast by Shares then outstanding and entitled to vote thereon; provided, however, the election of a trustee in an uncontested election, which is an election in which the number of nominees for election equals (or is less than) the number to be elected at the meeting, shall be by the affirmative vote of Shares representing a majority of the total number of Share votes cast. At this time we do not know whether the election of new trustees at the Special Meeting, if one were to occur, would be a contested or uncontested election.

Q: When is the deadline for submitting consents for the Removal Proposal?

A: We urge you to submit your **GOLD** consent card **as soon as possible**. In order for the Removal Proposal to be adopted, we must deliver consents to the Company within 30 days of the Removal Proposal Record Date. In order to ensure that your consent is delivered to the Company in a timely manner, please sign, date and mail the enclosed **GOLD** consent card today. For more information please see Removal Proposal on page 16.

Q: What if I do not return my GOLD consent card?

A: If you are a record holder of Shares and do not sign, date and return a **GOLD** consent card, you will effectively be voting against the Removal Proposal. If you hold your Shares in street name and do not contact your bank, broker firm, dealer, trust company or other nominee to ensure that a **GOLD** consent card is submitted on your behalf, you will effectively be voting against the Removal Proposal. The adoption of the Removal Proposal requires the written consent of two-thirds of the outstanding Shares. The failure to return a written consent, abstentions and broker non-votes, if any, will have the effect of a vote **AGAINST** the Removal Proposal. If the Removal Proposal is not successful, the Special Meeting to elect new trustees will not be held, such that shareholders will not be able to vote on the Special Meeting Proposal.

Q: What should I do if I decide to revoke my consent?

A: An executed consent card may be revoked by marking, dating, signing and delivering a written revocation. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective. A revocation may be delivered either to the Company or to the Proposing Shareholders, c/o D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005. We will promptly deliver any revocations we receive to the Company. Although a revocation is effective if delivered

Edgar Filing: Commonwealth REIT - Form PRRN14A

to the Company, we request that either the original or a copy of all revocations be mailed or delivered to D.F. King & Co., Inc. at the address set forth above so that we will be aware of all revocations.

Q: What should I do if I decide to revoke my proxy?

A: An executed proxy card may be revoked at any time before it is voted at the Special Meeting. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the proxy previously given is no longer effective. The delivery of a completed, later dated proxy card will revoke any

earlier dated proxy. A revocation may be delivered to the Company or to the Proposing Shareholders, c/o D.F. King & Co., Inc. 48 Wall Street, 22nd Floor, New York, New York 10005. We will promptly deliver any revocations we receive to the Company. A proxy to vote at the Special Meeting may also be revoked by voting in person at the Special Meeting. Although a revocation is effective if delivered to the Company, we request that either the original or a copy of all revocations be mailed or delivered to D.F. King & Co., Inc. at the address set forth above so that we will be aware of all revocations.

The Proposing Shareholders recommend that you NOT return any Revocation of Consent card that may be sent to you by the Company.

BACKGROUND OF THE SOLICITATION

In January 2013, representatives of Corvex and Related Management met to discuss, among other things, a potential investment in the Company.

On January 29, 2013, Corvex and Related Recovery Fund entered into the Corvex/Related Agreement, pursuant to which, among other things, Corvex agreed to cause the acquisition and/or sale of Shares in an aggregate amount mutually agreed by Corvex and Related Recovery Fund from time to time, which amount may not result in the beneficial ownership by Corvex and Related Recovery Fund of more than 9.8% in the aggregate (and as to each of Corvex and Related Recovery Fund, 4.9%) of the total number of outstanding Shares.

On February 25, 2013, the Company announced that it had commenced a tender offer to purchase for cash up to \$450.0 million of its outstanding 5.75% Senior Notes due February 15, 2014, 6.40% Senior Notes due February 15, 2015, 5.75% Senior Notes due November 1, 2015 and 6.25% Senior Notes due August 15, 2016, subject to the terms and conditions set forth in the offer to purchase and letter of transmittal related to the tender offer. Also on February 25, 2013, the Company announced that it had commenced a public offering of up to 31,050,000 Shares (the Equity Offering).

During the course of the same day, the Proposing Shareholders made various requests, through calls to the Company and its advisors, to meet with the Board and the Company's management, but were told that the Company did not wish to meet with the Proposing Shareholders.

On February 26, 2013, Corvex and Related Management issued an open letter to the Board demanding that the Company immediately cease the Equity Offering and debt repurchase, and enter into discussions with Corvex and Related Management regarding maximizing long-term value for all shareholders. Corvex and Related Management also stated that if the Board failed to adequately respond, Corvex and Related Management would be prepared to seek the removal of the Board through an action by written consent. In addition, Corvex and Related Management also stated that they would be prepared to acquire all of the outstanding Shares.

Also on February 26, 2013, Corvex and Related Management issued a press release that included an open letter to the Board reiterating their demand that the Company immediately cease its proposed Equity Offering and debt repurchase, and enter into discussions with Corvex and Related Management regarding maximizing long-term value for all shareholders. Corvex and Related Management noted that they would initially be prepared to acquire all the outstanding Shares at a price of \$25.00 per share (a 58% premium to the closing price of \$15.85 per share on February 25, 2013), with the opportunity to meaningfully increase this proposed offer after completing due diligence. Corvex and Related Management also noted that if the Company proceeded with the proposed Equity Offering, however, their proposed valuation would be significantly negatively impacted.

On February 27, 2013, Corvex and Related Management issued a press release that included an open letter to the Board providing additional details regarding their proposal to acquire all of the outstanding Shares at a price of \$25.00 per share, with the opportunity to meaningfully increase this offer after completing confirmatory due diligence.

Also on February 27, 2013, Corvex and Related Management issued an open letter to the Board again reiterating its demand that the Company immediately cease its proposed Equity Offering and debt repurchase. Corvex and Related Management specified that they would be prepared to increase their initial offer to acquire all the outstanding Shares to a price of \$27.00 per share, with the opportunity to meaningfully increase this proposed offer after completing due diligence. This increased proposal was conditioned on the Board immediately cancelling the Equity Offering and engaging in good faith discussions with Corvex and Related Management within 48 hours. Such discussions did not occur.

Edgar Filing: Commonwealth REIT - Form PRRN14A

On March 1, 2013, the Company announced that on February 27, 2013 it had priced the Equity Offering for 30,000,000 Shares and granted the underwriters an option to purchase up to an additional 4,500,000 Shares. The public offering price was \$19.00 per Share.

On March 5, 2013, the Company announced that its previously announced Equity Offering of 34,500,000 Shares had closed that morning and that the Company received net proceeds, after the underwriting discount, of approximately \$627.6 million.

On March 12, 2013, Corvex and Related sent a letter to the independent trustees of the Company reiterating their request to meet with the Company. Corvex and Related further requested that the independent trustees form a special committee and cease any plans to enter into any extraordinary transactions that could further erode shareholder value, including any related-party transactions.

On March 25, 2013, the Company announced that, at the Company's request, Select Income REIT (SIR) had filed a registration statement with the SEC to permit the Company to make a public offering for some or all of the approximately 56% of SIR common shares owned by the Company.

Later that same day, Corvex and Related Management sent a letter to the Board demanding that the Board conduct a thorough and independent exploration of all available options to seek the highest price available to the Company for the sale of its controlling stake in SIR.

On March 26, 2013, representatives of Corvex and Related Management met with trustees Barry and Adam Portnoy. No agreements were achieved at this meeting.

On March 28, 2013, Corvex and Related Management delivered to the Board a proposal to acquire up to 100% of the outstanding Shares at a price of \$24.50 per share, as compared to the \$27.00 per share offered on February 27, 2013, due to the mathematical impact of the highly dilutive Equity Offering. At the time, Corvex and Related Management noted that the \$1.25 billion facility discussed below in the section entitled Financing on page 13 is intended to replace the Company's existing term loan agreement and revolving credit agreement in the event the entire Board is removed pursuant to the Removal Proposal, and is currently not intended to be used to acquire additional Shares. Corvex and Related Management intend to work with Deutsche Bank Securities Inc. on any further required financing.

In its March 28, 2013 letter, Corvex and Related Management also indicated to the Board that they would be prepared to buy the Company's controlling stake in SIR at a premium to market value if the current SIR trustees resign and SIR's management agreement with Reit Management & Research LLC (RMR) is terminated.

Later on March 28, 2013, the Company issued a press release confirming that it had received the Proposing Shareholders' proposal and that the Board was reviewing such proposal.

On March 29, 2013, Adam Portnoy sent a letter to representatives of Corvex and Related Management stating that the Board had received the Proposing Shareholders' proposal of March 28, 2013 and that the Board would discuss such proposal at a meeting in the near term.

On April 9, 2013, representatives of Corvex and Related Management met with Barry Portnoy, Adam Portnoy and Joseph Morea, each a member of the Board, as well as Jennifer Clark, secretary of the Company. No agreements were achieved at this meeting.

On April 10, 2013, the Proposing Shareholders filed a definitive consent solicitation statement seeking to remove all of the trustees from the Board.

On April 12, 2013, Corvex Master Fund LP, RRERF and David R. Johnson delivered to the Company formal shareholder demands for the Company to fix a record date, and we subsequently began soliciting consents to remove the entire Board (the April Consent Solicitation).

Edgar Filing: Commonwealth REIT - Form PRRN14A

On June 21, 2013, the Proposing Shareholders, in connection with the April Consent Solicitation, delivered consents from holders of over 70% of the outstanding Shares as of April 22, 2013 approving the proposal to remove the trustees from the Board.

On November 18, 2013, following an evidentiary hearing, the Arbitration Panel that was appointed to resolve various disputes among Commonwealth, its trustees and the Proposing Shareholders (the Arbitration Panel), issued an interim arbitration award which did not validate the April Consent Solicitation, but invalidated various Bylaw amendments and other measures that had been taken by the trustees to impede their removal (the Arbitration Panel's November 18 Interim Award). In its interim award, the Arbitration Panel also provided the rules to conduct this Solicitation, which rules we believe provide a clear, efficient and expeditious path to remove the current Board, and elect a slate of independent and accountable trustees. For more information about the Arbitration Panel's November 18 Interim Award see [Litigation](#) beginning on page 14.

On November 25, 2013, Corvex and Related Management gave notice of their intent to commence a new consent solicitation pursuant to the rules set forth in the Arbitration Panel's November 18 Interim Award.

On December 23, 2013, the Company announced that the Board had approved amendments to the Company's Declaration of Trust to declassify the Board over time and provide that the vote required to elect trustees in a contested election is a plurality of votes cast and determined to present these amendments to the shareholders for approval at the Company's 2014 annual meeting. We note that at this time the Company has not elected to also permanently opt-out of Section 3-803 of the Maryland Unsolicited Takeovers Act, such that even if the Board is declassified, the Board can subsequently elect to be classified at any time, despite contrary provisions in the governing documents and without shareholder approval. The Company also announced on December 23, 2013 that the Board had approved amendments to the Company's poison pill to eliminate the so called "dead-hand" provisions. We note that the poison pill otherwise remains in place, and the Board can amend the poison pill at any time to reinsert the "dead-hand" provisions without a shareholder vote.

On January 4, 2014, the Company expanded the size of the Board from five to seven members and appointed Ms. Ann Logan and Mr. Ronald J. Artinian as trustees to fill the vacancies created by the increase in the size of the Board.

On January 6, 2014, the Company sent a letter to Mr. Keith Meister proposing to add him to the Board as an Independent Trustee, conditioned on his agreement to a "stand-still" agreement while serving as a member of the Board. Mr. Meister has not accepted this proposal.

REASONS FOR OUR SOLICITATION

We believe that the Company's collection of hard assets are undervalued due to, among other things, the Company's externally advised management structure and a poor corporate governance track record (further discussed below) which in our view evidences the current Board's unwillingness to let shareholders hold the external manager accountable for underperformance.

According to the Company's public filings, the Company's day-to-day operations are conducted by RMR, which originates and presents investment and divestment opportunities to the Board and provides management and administrative services to the Company in exchange for management fees, while holding a negligible ownership stake in the Company of less than 0.3%. RMR is beneficially owned by Barry M. Portnoy and Adam D. Portnoy. Barry and Adam Portnoy also serve as the Company's two Managing Trustees and we believe that, through such position, they effectively control all of the Company's affairs, including RMR's compensation and the authority to renew RMR's contracts or hold RMR accountable for underperformance.

Because RMR has historically received virtually all of its remuneration from Commonwealth through lucrative fee streams rather than an ownership interest in the Company, we believe RMR is highly incentivized to manage the Company in a way that maximizes such fee income by continuously growing the size of the Company, rather than in a manner that creates value for shareholders. For example, the Company has historically completed dilutive equity offerings, such as the March 2013 Equity Offering, which was completed at a time when the Shares were trading at a 57% discount from the Company's book value, as of December 31, 2012, in order to repay debt trading at prices ranging from 102% to 111% of par.

We note that RMR's annual fees have grown from \$59.7 million in 2007 to \$77.3 million in 2012, an increase of 29.5%. In contrast to the remuneration paid out to RMR, the total return (including dividends) to a shareholder who has held the Company's Shares from January 1, 2007 through February 25, 2013 (the last trading day before the Corvex Persons and the Related Persons filed their initial 13D) is a loss of 39.9%, and the Company's stock price declined 67.8% over this same period.

We believe that the current Board's lack of independence and willingness to act in the best interest of RMR rather than its shareholders is most dramatically evidenced by various corporate governance changes that the Board attempted to make during 2013 in response to the Proposing Shareholders' efforts to introduce accountability into the relationship between Commonwealth and RMR. We believe that such attempted corporate governance changes, had they been successful, would have had the effect of further entrenching the current trustees and, by implication, RMR. During 2013 the current trustees, among other things:

passed a bylaw amendment on March 1, 2013, to clarify that a shareholder seeking to take action to remove one or more trustees must have held at least 3% of the outstanding shares of the Company for a minimum of 3 years;

secretly lobbied the Maryland legislature to attempt to insert an 11th hour amendment into a Maryland House Bill that could have made it impossible to remove trustees without cause in many Maryland companies, such as Commonwealth, even if shareholders had the explicit right to do so in a company's charter; and

passed a bylaw amendment on April 12, 2013, that purported to opt-in to Section 3-803 of the Maryland General Corporation Law, taking the view that such opt-in enabled the Company to unilaterally eliminate

shareholders' right to remove trustees without cause.

(The bylaw amendments referenced above, as well as others that were made in 2013, were ruled to have no effect on this Solicitation or invalid as a matter of law by the Arbitration Panel on November 18, 2013. See "Litigation" beginning on page 14.)

We believe that shareholder value can be created by, among other things:

amendment of the Company's existing Declaration of Trust and the Bylaws to conform to ISS and Glass Lewis best practices;

returning to shareholders the authority and ability to hold the external manager of their company accountable for underperformance;

internalization of management structure (meaning that the Company should transition to having its own management team and employees instead of relying on the services of RMR or another external manager), adoption of a market cost structure (meaning that the Company's operating expenses as a percentage of revenues should in our view be reduced), and alignment of management compensation with shareholder returns (meaning that management compensation should not be based on the historical cost of managed properties or the market capitalization of the Company, but instead primarily on shareholder returns in order to, among other things, avoid incentivizing management to grow the Company for growth's sake which would increase management fees even though such a strategy might not increase shareholder value, and that management compensation should be structured through management owning shares of the Company alongside its shareholders, rather than paying out fees to an external manager);

cessation of all asset sales to entities affiliated with, or managed by, RMR; and

use of excess cash flow and proceeds from asset sales to buy back shares or de-lever until the Company's market value exceeds its NAV.

We believe the Company's existing Board is not prepared to independently evaluate or undertake the steps outlined above.

We expect the Nominees will be prepared to undertake an independent evaluation of some or all of the steps outlined above and undertake such steps, if deemed appropriate and consistent with the exercise of their fiduciary duties. **We note that, unless the entire Board is removed, any remaining trustees will have the ability to fill vacancies created by the removal of individual trustees.**

FINANCING

A successful removal of the Board will constitute a change of control under each of the Company's Credit Agreement, dated August 9, 2010 (the Revolving Credit Agreement), as amended and the Company's Term Loan Agreement, dated December 16, 2010, as amended (the Term Loan Agreement and collectively, the Financing Agreements). However, such change of control will not be an event of default that automatically accelerates the payment of the \$735 million in debt outstanding under both facilities. In fact, for an acceleration to occur, the holders of more than 50% of the outstanding obligations under the respective facility would have to affirmatively elect to accelerate repayment of the obligations. We note that the obligations are held by a broad group of sophisticated financial institutions that in our view would have no incentive to accelerate the payment of outstanding obligations in light of the Company's continuing solvency and low credit risk.

We would expect that the Board, in accordance with its fiduciary duties, would engage with us and the Company's lenders in a discussion to secure appropriate advance waivers or appropriate refinancing, in the event shareholders elect to remove the entire Board. In addition, we intend to arrange backstop commitments by requesting that Deutsche Bank Securities Inc. (Deutsche Bank) attempt to arrange third party debt financing for a new revolving credit facility and a new term loan facility that will be available to repay, in full, amounts due and payable under the Financing Agreements in the event that such waivers are not obtained (the Transaction).

Deutsche Bank has delivered a highly confident letter to the Proposing Shareholders to the effect that, subject to the assumptions, terms and conditions described therein, Deutsche Bank is highly confident of its ability to arrange such third party debt financing. The highly confident letter (which is not a commitment to provide, arrange, place, underwrite or participate in, in each case, directly or through an affiliate thereof, any such financing) is subject to customary terms and conditions, including, but not limited to, the following: (i) no material adverse change in the condition (financial or otherwise), results of operations, business, assets, property, liabilities or prospects of the Company and its subsidiaries; (ii) the terms and structure of the third party debt financing being acceptable to Deutsche Bank; (iii) the negotiation, execution and delivery of documentation for the third party debt financing satisfactory to Deutsche Bank; (iv) completion of business and legal due diligence with respect to the Company and its subsidiaries and the Transaction; (v) the availability of consolidated financial statements and pro forma financial statements (giving effect to the Transaction) of the Company and its subsidiaries; (vi) the existing indebtedness of the Company and its subsidiaries, other than the Financing Agreements, remaining outstanding and in full force and effect, with no default or event of default existing thereunder and no requirement to offer to purchase the same as a result of a change of control or otherwise; (vii) there being no incremental debt (other than the third party debt financing) to be incurred in connection with the Transaction; (viii) there being a detailed plan satisfactory to Deutsche Bank with respect to the replacement of RMR, the changes to the Board effected as part of the Transaction, and with the status of any related litigation; (ix) there not having been any disruption or material adverse change in the syndication market for credit facilities or the financial or capital markets in general; (x) Deutsche Bank having a reasonable time to arrange and market the third party debt financing; and (xi) satisfaction of all other conditions Deutsche Bank would require to be fulfilled.

In addition, to alleviate any shareholder concern we commit that, in the event this Consent Solicitation is successful and shareholders remove the entire Board, the Proposing Shareholders will immediately offer to buy 51% of the outstanding debt under each of the Company's Revolving Credit Agreement and Term Loan Agreement at par value, so that no acceleration of such loans will occur. Since no such acceleration will occur, cross-acceleration provisions included in other Company debt obligations will not be triggered and should be of no concern to shareholders.

As at September 30, 2013, the Company had \$235 million outstanding under its Revolving Credit Agreement and \$500 million outstanding under its Term Loan Agreement.

LITIGATION

On February 27, 2013, Corvex and Related Management initiated litigation in the Circuit Court for Baltimore City, Maryland (the Maryland Action) against the Company, Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin and Frederick N. Zeytoonjian (collectively, the Trustees) and RMR. On March 1, 2013, Corvex and Related Management initiated litigation in the U.S. District Court for the District of Massachusetts (the Massachusetts Action) against the Company and the Trustees.

The Company, the Trustees, and RMR responded to these lawsuits with demands for arbitration. On March 28, 2013, Corvex and Related Management voluntarily dismissed their claims against RMR in the Maryland Action. On May 8, 2013, the court in the Maryland Action directed that the claims against the Company and the Trustees proceed to arbitration. On June 5, 2013, Corvex and Related Management voluntarily dismissed the Massachusetts Action.

On May 23, 2013, the Arbitration Panel convened and conducted a preliminary hearing. On May 30, 2013, pursuant to the schedule set by the Arbitration Panel, Corvex and Related Management served counterclaims in the arbitration. Among other things, Corvex and Related Management requested that the Arbitration Panel declare various Company bylaws invalid and that the Company's shareholders may remove the Trustees without cause notwithstanding the Company's statements to the contrary.

On June 10, 2013, Corvex and Related Management filed in the arbitration a Motion for Partial Summary Judgment on Counterclaims Relating to Their Consent Solicitation to Remove Commonwealth's Trustees (the Motion). Among other things, Corvex and Related Management sought summary judgment on their counterclaims that various Company bylaws are invalid and that the Trustees may be removed without cause notwithstanding the Company's statements to the contrary. On July 26, 2013, there was a hearing on the Motion.

On June 17, 2013, the Company filed its Amended Claims and Responses to Respondents' Counterclaims, and the Trustees filed their Statement of Claims and Answer to Respondents' Counterclaims. RMR also filed a Request for Entry of Award and Claim for Declaratory Relief. The Company asserted six claims against Corvex and Related Management, and the Trustees asserted six claims against Corvex and Related Management.

On August 7, 2013, the Arbitration Panel issued an interim order concluding that the Company's bylaw provisions that sought to impose a minimum requirement of three years and three percent holdings for shareholders to request a record date for a consent solicitation are invalid as a matter of law. The Arbitration Panel further noted its preliminary view that, contrary to the Company's public assertions, the opt-in by the Company in April 2013 to Section 3-803 of the Maryland General Corporation Law does not eliminate or otherwise modify the right of the shareholders to remove the Trustees without cause.

From October 7, 2013 through October 17, 2013 the Arbitration Panel convened in Boston, Massachusetts and conducted an evidentiary hearing. At the beginning of the hearing, pursuant to a stipulation, RMR dismissed its arbitration claim against Corvex and Related Management.

On November 18, 2013, following the evidentiary hearing, the Arbitration Panel issued an interim award ruling that (1) Commonwealth's election to opt into Section 3-803 of the Maryland Unsolicited Takeover Act does not alter Commonwealth shareholders' explicit right under the Declaration of Trust to remove trustees without cause, (2) Corvex and Related have met the requirements of the Company's information bylaws for the purposes of a new solicitation, (3) the 30-day time period for the trustees to respond to a record date request, the 60-day time period for the trustees to set a record date, the 60-day default record date if trustees fail to act, and the 90-day time period for the trustees and inspectors to review and certify the results are all invalid and (4) the requirement of three years and three percent holdings for shareholders to nominate trustees will not apply to the Special Meeting. The Arbitration Panel also reiterated its August ruling that Commonwealth's Bylaw provisions that sought to impose a minimum

requirement of three years and three percent holdings for shareholders to

request a record date for a consent solicitation are invalid as a matter of law. The Arbitration Panel also found no violation of Section 13(d) and Section 14(a) of the Exchange Act by the Proposing Shareholders, and denied Commonwealth's request for reimbursement of legal fees and expenses, finding that Section 7.12 of the Declaration of Trust and Section 15.2 of the Bylaws, which the Company had invoked to justify such purported reimbursement right, are invalid.

The Arbitration Panel's November 18 Interim Award expressly prohibits the parties from taking any action that is intended or designed to impede or frustrate, or that has the effect of impeding or frustrating, the new solicitation process or any action that would interfere with implementation of the ruling in any way. The Arbitration Panel will also remain available to resolve any issues or disputes which may arise regarding compliance with and implementation of the new solicitation rules.

REMOVAL PROPOSAL

Proposal

Shareholders are being asked to act by written consent to remove without cause, as trustees of the Company, Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin, Frederick N. Zeytoonjian, Ronald J. Artinian and Ann Logan and any other person or persons elected or appointed to the Board prior to the effective time of this Consent Solicitation, whether to fill any newly-created trusteeship or to fill any vacancy on the Board or for any other reason. The language relating to any other person or persons elected or appointed to the Board is intended to address the possibility that the current trustees might try to add trustees to the Board prior to the effectiveness of this Consent Solicitation.

A shareholder may consent to the removal of only certain existing trustees by designating the names of one or more trustees who the shareholder does not wish to be removed in the indicated space on the **GOLD** consent card. The removal of each individual trustee must be consented to by two-thirds of the Shares outstanding and entitled to vote on the Removal Proposal Record Date. If some, but not all, of the trustees receive votes for removal from two-thirds of the outstanding Shares, only those trustees will be removed as of the effective time of the Removal Proposal, and the other trustees will remain on the Board. **Any remaining trustees will be able to fill any vacancies created by the removal of the other trustees.**

Section 2.3 of the Declaration of Trust authorizes the removal of the Board at any time without cause by a vote of two-thirds of the Shares outstanding and entitled to vote. Section 6.9 of the Declaration of Trust permits this action to be taken by written consents signed by the holders of two-thirds of the Shares outstanding and entitled to vote. These provisions, along with the Arbitration Panel's November 18 Interim Award, provide the authority through which the current trustees can be removed pursuant to this Consent Solicitation.

Removal Proposal Record Date

Pursuant to the Arbitration Panel's November 18 Interim Award, the Proposing Shareholders have up to 90 days from November 18, 2013 to request a record date from the Company for this Consent Solicitation. No information other than a simple letter requesting the record date is required from the Proposing Shareholders. Upon our request for a record date, the Company will have 10 business days to set the Removal Proposal Record Date. The Removal Proposal Record Date shall be not more than 10 business days from the date of our request. If the Company fails to set a record date, the Removal Proposal Record Date will automatically be set as the tenth business day following our request.

When we make our request for a Removal Proposal Record Date and when the Removal Proposal Record Date is set, we will promptly disseminate such information in an appropriate manner, including by issuing a press release.

Consent Process

Pursuant to the Arbitration Panel's November 18 Interim Award, the written consents authorizing the requested action must be delivered to the Company within 30 days of the Removal Proposal Record Date. Upon delivery of the consents, the Company will have 5 business days to inspect the consents and declare the results of this Consent Solicitation. The results of our Consent Solicitation will be communicated to you by the issuance of a press release.

The failure to sign and return a GOLD consent card will have the same effect as voting AGAINST the Removal Proposal. The adoption of the Removal Proposal requires the written consent of two-thirds of the outstanding Shares; the failure to return a written consent, abstentions and broker non-votes, if any, will have the effect of a vote AGAINST the Removal Proposal.

THE SPECIAL MEETING

Proposed Nominees

The number of trustees of the Company is currently fixed at seven and pursuant to the Company's Declaration of Trust the Board is classified into three groups. Assuming the adoption of the Removal Proposal, all seven Company Trustees, along with any trustees appointed to the Board prior to the effective time of the Consent Solicitation, will be removed and the Company must promptly call the Special Meeting to elect new trustees. We are seeking your proxy to elect at the Special Meeting, if one occurs, our five Nominees—James Corl, Edward Glickman, Peter Linneman, Jim Lozier and Kenneth Shea—to the Board to be divided as follows:

the Group I trustees will be James Corl and Edward Glickman, and their term will expire at the annual meeting of shareholders to be held in 2014;

the Group II trustees will be Peter Linneman and Jim Lozier, and their term will expire at the annual meeting of shareholders to be held in 2015; and

the Group III trustee will be Kenneth Shea and his term will expire at the annual meeting of shareholders to be held in 2016;

If elected, the Nominees intend to pursue the immediate amendment of the Declaration of Trust to declassify the Board and permanently opt-out of Section 3-803 of the Maryland Unsolicited Takeovers Act. Such amendment is subject to approval by the shareholders. Until the time such amendment is approved by shareholders, the Nominees would be divided into three classes as currently required by the Company's Declaration of Trust.

Pursuant to the Arbitration Panel's November 18 Interim Award, if we obtain and deliver enough written consents to approve the Removal Proposal, the officers of the Company are required to promptly call a special meeting of shareholders for the purpose of electing new trustees to the Board. Such special meeting shall occur within 10 to 60 days from the date the Company calls the special meeting. Shareholders who hold at least \$2,000 in market value of the Company's Shares and have held such Shares continuously for at least one year are entitled to nominate trustees for election to the Board at such special meeting. The Arbitration Panel has determined that David R. Johnson, a Participant in this Solicitation, fits such criteria. Additionally, as of January 16, 2014, the Proposing Shareholders also satisfy such criteria.

Set forth below are the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments and directorships for the past five years of each of the Nominees, as of December 31, 2013. Each of the Nominees will be independent under the independence standards applicable to the Company under paragraph (a)(1) of Item 407 of Regulation S-K.

Other than as disclosed in this Solicitation Statement, none of the Nominees have any contract, arrangement, or understanding with the Company or with any person with respect to the Company securities or (except as provided in the Nominee Agreements) any financial interest concerning the Company. None of the Nominees, own, beneficially or of record, any securities of the Company. In the event any Nominee were to acquire Shares of the Company, such Nominee may be deemed to be a member of a group for the purposes of Rule 13d-5(b)(1) of the Exchange Act, with respect to the Shares owned by the member of the group, including the 11,360,154.441 Shares which may be deemed to be beneficially owned by the Proposing Shareholders.

Each of the Nominees has consented to being named as a nominee in this Solicitation and has confirmed his willingness to serve on the Board if elected. We do not expect that any of the Nominees will be unable to stand for election, but, in the event that any such persons are unable to serve or for good cause will not serve, the Shares represented by the **GREEN** proxy card will be voted for substitute nominees, to the extent this is not prohibited under the Bylaws and applicable law, in each case in light of the specific facts and circumstances surrounding such substitution. Although the Company recently increased the size of the Board to seven trustees, we are currently only nominating five trustees. We reserve the right to nominate additional persons to fill such additional seats and if the Company further increases the size of the Board. In the event that any additional person is nominated by the Participants then such person will be named and information regarding such person will be provided to shareholders in a proxy supplement and revised proxy card disseminated at that time.

The Company's current Bylaws and Declaration of Trust grant persons elected as trustees at the Special Meeting the power to increase or reduce the size of the Board and fill vacancies. If elected as the new Board, our Nominees intend to reduce the size of the Board back to five trustees such that the Nominees constitute the full Board and there are no vacancies on the Board.

This Special Meeting Proposal is subject to, and conditioned upon, the adoption of the Removal Proposal. If all of the Company Trustees are not removed, the Special Meeting Proposal will have no effect. A shareholder may vote for the election of less than all of the Nominees by designating the names of one or more Nominees who are not to be elected on the line provided on the proxy card.

Adjournment Proposal

We are also soliciting your proxy to adjourn the Special Meeting if a quorum is not present at the time of the Special Meeting or if otherwise necessary to solicit additional proxies for the election of the Nominees pursuant to the Special Meeting Proposal (the Adjournment Proposal).

Special Meeting Process

The Arbitration Panel's November 18 Interim Award provides that if the Removal Proposal is successful, the officers of the Company must promptly call a special meeting of shareholders for the purpose of electing new trustees to the Board. The Special Meeting shall be noticed to occur within 10 to 60 days of the date of notice.

We expect the Company to promptly set a record date for the Special Meeting if our Removal Proposal is successful. Holders of Shares as of the close of business on the Special Meeting Record Date will be entitled to vote on the Special Meeting Proposal. We will disseminate such record date for the Special Meeting by means of a press release.

If you are a holder of Shares on the Removal Proposal Record Date, but subsequently sell your Shares on or prior to the Special Meeting Record Date, then you will not be able to vote on the election of new trustees at the Special Meeting, and any proxy you may have given us in connection with the Special Meeting Proposal will not be counted at the Special Meeting.

Required Vote

Election of Trustees: The Company's Declaration of Trust states that the election of new trustees shall be by the affirmative vote of the holders of Shares representing a majority of the total number of votes authorized to be cast by Shares then outstanding and entitled to vote thereon; provided, however, the election of a trustee in an uncontested election, which is an election in which the number of nominees for election equals (or is less than) the number to be elected at the meeting, shall be by the affirmative vote of Shares representing a majority of the total number of Share votes cast. At this time we do not know whether the election of new trustees at the Special Meeting, if one were to occur, would be a contested or uncontested election.

In the case of a contested trustee election at the Special Meeting, the failure to return a proxy, abstentions and broker non-votes, if any, will have the effect of a vote **AGAINST** the Special Meeting Proposal.

In the event of an uncontested trustee election at the Special Meeting, abstentions and broker non-votes, if any, will be treated as Shares present for purposes of determining whether a quorum is present and will have no effect on the outcome.

Adjournment Proposal: The Company's Declaration of Trust states that any meeting may be adjourned from time to time by a majority of the votes properly cast upon the question, without regard to class, whether or not a quorum is present. Abstentions and broker non-votes, if any, will have no effect on the outcome of the Adjournment Proposal.

How to Vote

There are two ways you may vote your Shares for the Special Meeting Proposal and the Adjournment Proposal. You may:

1. Sign, date and return the **GREEN** proxy card in the postage-paid envelope when furnished. We recommend that you vote on the **GREEN** proxy card even if you plan to attend the Special Meeting; or
2. Vote in person by attending the Special Meeting. If you hold your Shares through a bank, broker or other custodian, you must obtain a legal proxy from such custodian in order to vote in person at the Special Meeting.

Whether or not you are able to attend the Special Meeting, you are urged to complete the **GREEN** proxy card that we will furnish to you and return it in the self-addressed, prepaid envelope. All valid proxies received prior to the meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy, the Shares will be voted in accordance with that specification. **IF NO SPECIFICATION IS MADE, THE SHARES WILL BE VOTED FOR THE SPECIAL MEETING PROPOSAL TO ELECT THE NOMINEES AND FOR THE ADJOURNMENT PROPOSAL IF NECESSARY, AND IN THE PROXY HOLDERS' DISCRETION AS TO OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE SPECIAL MEETING.**

Other Matters

At this time, we know of no other matters that may be brought before the Special Meeting. Should other matters properly be brought before the Special Meeting, including any procedural matters, the **GREEN** proxy card, when duly executed, will give the proxies named therein discretionary authority to vote on all such other matters and on all matters incident to the conduct of the Special Meeting to the maximum extent that they are permitted to do so by applicable law.

THE SPECIAL MEETING TO ELECT NEW TRUSTEES WILL ONLY OCCUR IF THE REMOVAL PROPOSAL IS SUCCESSFUL AND ALL COMPANY TRUSTEES ARE REMOVED. WE CAN MAKE NO ASSURANCE THAT SUCH MEETING WILL OCCUR UNLESS THE REMOVAL PROPOSAL IS APPROVED BY THE HOLDERS OF TWO-THIRDS OF THE OUTSTANDING SHARES ON THE RECORD DATE OF THE CONSENT SOLICITATION.

IF YOU EXECUTE AND DELIVER THE ENCLOSED GOLD CONSENT CARD YOU CAN ELECT TO VOTE FOR THE REMOVAL PROPOSAL AND ALSO VOTE AGAINST, OR ABSTAIN FROM VOTING FOR, OUR TRUSTEE NOMINEES AT THE SPECIAL MEETING IF YOU SO CHOOSE.

VOTING SECURITIES

The Shares constitute the voting securities of the Company for purposes of this Solicitation. We will reimburse such banks, broker firms, dealers, trust companies and other nominees for their reasonable expenses for sending solicitation material to the beneficial owners.

Our estimate of the total cost to be incurred in connection with this Solicitation for printing, mailing, advertising, attorneys (excluding litigation costs) and our proxy solicitor is \$[]. To date, \$[] of expenses have been incurred in connection with this Solicitation. We will bear the costs of this Solicitation. To the extent legally permissible, if successful in the adoption of the Removal Proposal, we currently intend to seek reimbursement from the Company for the costs of this Solicitation. We do not currently intend to submit the question of such reimbursement to a vote of the shareholders of the Company.

To the extent you sell your Shares on or prior to the Removal Proposal Record Date, you will not have the right to consent to the Removal Proposal.
