Dear Stockholder:

You are invited to attend the 2019 Annual Meeting of Stockholders (the “Annual Meeting”) of Staffing 360 Solutions, Inc. (the “Company”), which will be held at the offices of Haynes and Boone, LLP, 30 Rockefeller Plaza, 26th Floor, New York, NY 10112 on June 11, 2019 at 10:00 a.m., local time.

Enclosed are the notice of annual meeting of stockholders and proxy statement, which describe the business that will be acted upon at the Annual Meeting, as well as our 2018 Annual Report, which includes our audited financial statements. For your convenience, we are taking advantage of the U.S. Securities and Exchange Commission’s “Notice and Access” rules that generally permit us to distribute our proxy materials over the Internet. We believe this approach allows us to provide stockholders with a timely and convenient way to receive proxy materials and vote, while lowering the costs of delivery and reducing the environmental impact of our Annual Meeting. On or about May 2, 2019, we began mailing a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) that contains instructions on how to access the proxy materials, vote and obtain, if desired, a paper copy of the proxy materials. Copies of the Notice of Internet Availability, our proxy statement and the 2018 Annual Report are also available at www.proxyvote.com.

Your vote is very important. Even if you plan to attend the Annual Meeting in person, please follow the instructions provided to you and vote your shares today. This will not prevent you from voting your shares in person if you are able to attend the Annual Meeting.

If you plan to attend the Annual Meeting in person, please note that you will need to present a photo identification card and your name will need to have been shared with building security. Accordingly, in order to facilitate your attendance at the meeting, we strongly encourage you to advise Giselle Trent by email at giselle.trent@staffing360solutions.com or phone at 646-507-5710 if you plan to attend the meeting prior to 5:00 p.m., New York time, on June 10, 2019, so that we can timely provide your name to building security. In the event that you do not advise us ahead of time that you will be attending the meeting, we encourage you to arrive at the meeting no later than 9:30 a.m., New York time, in order to ensure that you are able to pass through security prior to the start of the meeting.

Thank you for your ongoing support. We hope to see you at the Annual Meeting.

Sincerely,

/s/ Brendan Flood

To the Stockholders of Staffing 360 Solutions, Inc.:

Notice is hereby given that the 2019 Annual Meeting of Stockholders (the “Annual Meeting”) of Staffing 360 Solutions, Inc., will be held at the offices of Haynes and Boone, LLP, 30 Rockefeller Plaza, 26th Floor, New York, NY 10112 on June 11, 2019 at 10:00 a.m. local time for the following purposes:

- (1) to elect two Class I directors to serve until the 2021 Annual Meeting of Stockholders and one non-classified director to serve until the 2020 Annual Meeting of Stockholders, or in each case, until their respective successors have been duly elected and qualified;
- (2) to ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for the 2019 fiscal year;
- (3) to approve, on an advisory basis, the compensation of the Company’s named executive officers; and
- (4) to transact any other business properly brought before the Annual Meeting or any postponement(s), adjournment(s) or recess(es) thereof.

Stockholders are referred to the proxy statement accompanying this notice for more detailed information with respect to the matters to be considered at the Annual Meeting. After careful consideration, the Company’s Board of Directors has determined that each proposal listed above is in the best interests of the Company and its stockholders and has approved each proposal. The Board of Directors recommends that you vote “FOR” each director nominee and “FOR” proposals 2 and 3 at the Annual Meeting.

The Board has fixed the close of business on April 15, 2019 as the record date (the "Record Date") for determining the stockholders entitled to notice of, and to vote at, the Annual Meeting or at any postponement(s), adjournment(s) or recess(es) thereof. A complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection at the principal executive offices of the Company during regular business hours for the 10 calendar days prior to the Annual Meeting. The list will also be available during the Annual Meeting for inspection by stockholders.

We are furnishing our proxy materials to all of our stockholders over the Internet rather than in paper form. We believe that this delivery process reduces our environmental impact and lowers the costs of printing and distributing our proxy materials without impacting our stockholders' timely access to this important information. We began mailing a Notice of Internet Availability of Proxy Materials that contains instructions on how to access the proxy materials, vote and obtain, if desired, a paper copy of the proxy materials on or about May 2, 2019.

YOUR VOTE AND PARTICIPATION IN THE COMPANY'S AFFAIRS ARE IMPORTANT.

If your shares are registered in your name, even if you plan to attend the Annual Meeting or any postponement, adjournment or recess of the Annual Meeting in person, we request that you vote by telephone, over the Internet, or if you requested to receive printed proxy materials, complete, sign and mail your proxy card to ensure that your shares will be represented at the Annual Meeting.

Edgar Filing: Staffing 360 Solutions, Inc. - Form DEF 14A

If your shares are held in the name of a broker, trust, bank or other nominee, and you receive notice of the Annual Meeting through your broker or through another intermediary, please vote or complete and return the materials in accordance with the instructions provided to you by such broker or other intermediary or contact your broker directly in order to obtain a proxy issued to you by your nominee holder to attend the Annual Meeting and vote in person. Failure to do so may result in your shares not being eligible to be voted by proxy at the Annual Meeting.

By order of our Board

PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To Be Held June 11, 2019

This proxy statement is furnished to you by the Board of Directors (the “Board”) of Staffing 360 Solutions, Inc. in connection with the solicitation of proxies for use at our 2019 Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the offices of Haynes and Boone, LLP, 30 Rockefeller Plaza, 26th Floor, New York, NY 10112 on June 11, 2019 at 10:00 a.m., local time, and at any postponement(s), adjournment(s) or recess(es) thereof.

We have elected to make this proxy statement, the proxy card and our 2018 Annual Report available to stockholders electronically via the Internet at www.proxyvote.com. We began mailing a Notice of Internet Availability of Proxy Materials that contains instructions on how to access the proxy materials, vote and obtain, if desired, a paper copy of the proxy materials on or about May 2, 2019.

Unless the context otherwise requires, in this proxy statement, we use the terms “Staffing,” “we,” “our,” “us” and the “Company” to refer to Staffing 360 Solutions, Inc. and its subsidiaries on a consolidated basis, and we use the terms “stockholder(s)” and “holder(s) of record” to refer to holders of shares of our common stock.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR
THE STOCKHOLDER MEETING TO BE HELD ON JUNE 11, 2019:

Our Proxy Statement and 2018 Annual Report are available at:

www.proxyvote.com

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What am I voting on?

At this year's Annual Meeting, you will be asked to:

- (1) elect two Class I directors to serve until the 2021 Annual Meeting of Stockholders and one non-classified director to serve until the 2020 Annual Meeting of Stockholders, or in each case, until their respective successors have been duly elected and qualified (the "Director Election Proposal");
- (2) ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for the 2019 fiscal year (the "Auditor Ratification Proposal");
- (3) approve, on an advisory basis, the compensation of the Company's named executive officers (the "Say on Pay Proposal"); and
- (4) transact any other business properly brought before the Annual Meeting or any postponement(s), adjournment(s) or recess(es) thereof.

Are there any other matters to be acted upon at the Annual Meeting?

Management does not intend to present any business for a vote at the Annual Meeting other than the matters set forth above and has no information that others will do so. If other matters requiring a vote of the stockholders properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares represented by the proxies held by them in accordance with applicable law and their judgment on such matters.

Who is entitled to vote at the Annual Meeting, and how many votes do they have?

Holders of record of our common stock at the close of business on April 15, 2019 (the “Record Date”) may vote at the Annual Meeting. Pursuant to the rights of our stockholders contained in our organizational documents, each share of our common stock is entitled to one vote on all matters to be considered at the Annual Meeting. A complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection at the principal executive offices of the Company during regular business hours for the 10 calendar days prior to the Annual Meeting, and such list will also be available for inspection during the Annual Meeting. As of the Record Date, we had 8,239,948 shares of common stock outstanding.

None of our outstanding shares of preferred stock, including our Series A Preferred Stock (the “Series A Preferred Stock”), Series E Convertible Preferred Stock (the “Series E Preferred Stock”) and Series E-1 Convertible Preferred Stock (the “Series E-1 Preferred Stock”), have voting rights with respect to any of the matters to be considered at the Annual Meeting. As of the Record Date, we had 1,663,008, 13,000 and 270 shares of Series A Preferred Stock, Series E Preferred Stock and Series E-1 Preferred Stock outstanding, respectively.

Unless the context otherwise requires, in this proxy statement, we use the terms “stockholder(s)” and “holder(s) of record” to refer to holders of shares of our common stock.

What is the difference between a stockholder of record and a “street name” holder?

If your shares of common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares of our common stock.

If your shares of common stock are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of these shares of common stock, and your shares of common stock are held in “street name.” Your broker, bank or nominee is considered, with respect to those shares of common stock, the stockholder of record. As the beneficial owner, you have the right to direct your nominee regarding how to vote your shares.

How do I vote my shares if I am a stockholder of record?

If you are a stockholder of record, you may vote over the Internet, by telephone, by mail or in person at the Annual Meeting. Please be aware that if you vote by telephone or over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible.

•**Vote by Internet.** You can vote via the Internet at www.proxyvote.com. You will need to use the control number appearing on your Notice of Internet Availability to vote via the Internet. You can use the Internet to transmit your voting instructions up until 11:59 p.m. Eastern Time on June 10, 2019. Internet voting is available 24 hours a day. If you vote via the Internet, you do not need to vote by telephone or return a proxy card.

•**Vote by Telephone.** You can vote by telephone by calling the toll-free telephone number 1-800-690-6903. You will need to use the control number appearing on your Notice of Internet Availability to vote by telephone. You may transmit your voting instructions from any touch-tone telephone up until 11:59 p.m. Eastern Time on June 10, 2019. Telephone voting is available 24 hours a day. If you vote by telephone, you do not need to vote over the Internet or return a proxy card.

•**Vote by Mail.** If you received a printed proxy card, you can vote by marking, dating and signing it, and returning it in the postage-paid envelope provided to Staffing 360 Solutions, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. Please promptly mail your proxy card or voting instruction card to ensure that it is received prior to the closing of the polls at the Annual Meeting.

•**Vote in Person at the Meeting.** To vote in person, you must attend the Annual Meeting and submit a ballot which will be provided to you at the Annual Meeting. You are entitled to attend the Annual Meeting in person only if you were a stockholder of the Company as of the close of business on the Record Date or hold a valid proxy for the Annual Meeting. You should be prepared to present photo identification for admittance to the Annual Meeting.

By completing and submitting the proxy card or by submitting your instructions via the Internet or by telephone, you will direct the designated persons (known as “proxies”) to vote your shares of common stock at the Annual Meeting in accordance with your instructions. The Board of Directors has appointed Brendan Flood or, in his absence, David Faïman, to serve as the proxies for the Annual Meeting. Submitting a proxy will not affect your right to attend the Annual Meeting and vote in person.

How do I vote my shares if I hold my shares in “street name”?

If you hold your shares in “street name,” your broker, bank or other nominee should provide you with a request for voting instructions along with the proxy materials. By completing the voting instruction card, you may direct your nominee how to vote your shares. If you sign but do not fully complete the voting instruction card, then your nominee may be unable to vote your shares with respect to the proposals for which you provide no voting instructions.

Alternatively, if you hold your shares in “street name” and want to vote your shares in person at the Annual Meeting, you must contact your nominee directly in order to obtain a proxy issued to you by your nominee holder. Note that a broker letter that identifies you as a stockholder is not the same as a nominee-issued proxy. If you plan to attend the Annual Meeting and you fail to bring a nominee-issued proxy with you, you will not be able to vote your “street name” shares in person at the Annual Meeting.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Similarly, if you are a stockholder of record and also hold shares in a brokerage account, you will receive a proxy card for shares held in your name and a voting instruction card for shares held in “street name.” Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all of your shares are voted.

3

Why did I receive a Notice of Internet Availability of Proxy Materials instead of paper copies of the proxy materials?

We have elected to utilize the Securities and Exchange Commission's Notice and Access model ("Notice and Access") for the delivery of proxy materials, which allows us to deliver proxy materials over the Internet as the primary means of furnishing proxy materials. We believe the Notice and Access model provides stockholders with a convenient method to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about May 2, 2019, we began mailing to stockholders a Notice of Internet Availability containing instructions on how to access our proxy materials on the Internet and how to vote online. The Notice of Internet Availability is not a proxy card and cannot be used to vote your shares. If you received a Notice of Internet Availability this year, you will not receive paper copies of the proxy materials unless you request the materials by following the instructions on the Notice of Internet Availability.

How does the Board recommend that I vote my shares?

The full recommendations of our Board are set forth together with the description of each proposal elsewhere in this proxy statement. In summary, the Board recommends a vote:

•"FOR" the election of the of directors named in the Director Election Proposal;

•"FOR" the Auditor Ratification Proposal; and

•"FOR" the Say on Pay Proposal.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

How will my proxy vote my shares if I do not provide specific voting instructions?

If you are a record holder who returns a signed proxy card that does not specify how you want to vote your shares on one or more proposals, the proxies will vote your shares for each proposal as to which you did not provide any voting instructions, and such shares will be voted in the following manner:

•“FOR” the election of the of directors named in the Director Election Proposal;

•“FOR” the Auditor Ratification Proposal; and

•“FOR” the Say on Pay Proposal.

We do not intend to bring any other matter for a vote at the Annual Meeting, and we do not know of anyone else who intends to do so. Your proxies are authorized to vote on your behalf, however, using their best judgment, on any other business that properly comes before the Annual Meeting.

If you are a “street name” holder and do not provide voting instructions on one or more proposals, your broker, bank or other nominee will be unable to vote your shares on all of the proposals other than the Auditor Ratification Proposal. See “What is a broker non-vote?”

How do I change my vote?

If you are a stockholder of record, you may revoke your proxy at any time before your shares are voted at the Annual Meeting by:

•notifying our Chief Financial Officer and Secretary, David Faiman, in writing at 641 Lexington Avenue, 27th Floor, New York, New York 10022, that you are revoking your proxy before the closing of the polls;

4

submitting a new proxy at a later date via the Internet, phone or by signing and delivering a new proxy card relating to the same shares and bearing a later date than the date of the previous proxy prior to the vote at the Annual Meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked; or

attending and voting by ballot at the Annual Meeting.

If you are a “street name” holder, your broker, bank or other nominee should provide instructions explaining how you may change or revoke your voting instructions. Attendance at the Annual Meeting alone will not revoke your proxy.

What constitutes a quorum?

The presence in person or by proxy of the holders of record of a majority of the shares of common stock entitled to vote at a meeting of stockholders constitutes a quorum for purposes of the Annual Meeting. A quorum is necessary in order to conduct the Annual Meeting. If you choose to have your shares represented by proxy at the Annual Meeting, you will be considered part of the quorum. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. See “What is a broker non-vote?”

If a quorum is not present at the Annual Meeting, the stockholders present in person or by proxy may adjourn the meeting to a later date. If an adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

What is a broker non-vote?

A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Broker non-votes are included in the number of shares present at the Annual Meeting for purposes of determining a quorum. If you hold your shares in “street name” and you do not instruct your broker how to vote your shares, no votes will be cast on your behalf with respect to any proposal other than the Auditor Ratification Proposal.

Assuming a quorum is present at the Annual Meeting, what vote is required to approve each proposal and what are my voting choices with respect to each proposal?

• **Director Election Proposal.** The election of our director nominees requires the approval of a majority of the votes validly cast with respect to such nominee. Accordingly, for a nominee to be validly appointed to our Board, the number of shares voted “FOR” that director nominee must exceed the number of votes cast “AGAINST” such director nominee.

For the Director Election Proposal, you may choose to vote “FOR,” “AGAINST” or “ABSTAIN” separately for each nominee.

• **Auditor Ratification Proposal.** The ratification of BDO USA, LLP as the Company’s independent registered public accountant will require the vote of a majority of the shares represented in person or by proxy and entitled to vote on the proposal at the Annual Meeting.

For the Auditor Ratification Proposal, you may choose to vote “FOR,” “AGAINST” or “ABSTAIN.”

• **Say on Pay Proposal.** The approval of the Say on Pay Proposal, which is a nonbinding advisory vote, will require the vote of a majority of the shares represented in person or by proxy and entitled to vote on the proposal at the Annual Meeting.

For the Say on Pay Proposal, you may choose to vote “FOR,” “AGAINST” or “ABSTAIN.”

How are abstentions and broker non-votes treated for purposes of the Annual Meeting?

Abstentions are included in the determination of the number of shares of common stock present at the Annual Meeting for determining a quorum at the meeting. An abstention is not an “affirmative vote,” but an abstaining stockholder is considered “entitled to vote” at the Annual Meeting. Accordingly, an abstention will have the effect of a vote against the Auditor Ratification Proposal and the Say-on-Pay proposal. Abstentions will have no effect on the Director Election Proposal.

Broker non-votes will be included in the determination of the number of shares of common stock present at the Annual Meeting for determining a quorum at the meeting. Broker non-votes will have no effect on the Director Election Proposal or the Say-on-Pay Proposal. Broker non-votes are not applicable to the Auditor Ratification Proposal because your broker has discretionary authority to vote your shares of common stock with respect to such proposal.

Who counts the votes?

All votes will be tabulated by Janis Chin, the inspector of election appointed for the Annual Meeting. Votes for each proposal will be tabulated separately.

Who is soliciting proxies, how are they being solicited, and who pays the cost?

Proxies are being solicited by the Board of Directors on behalf of the Company. In addition, we have engaged Morrow Sodali LLC, at an approximate cost of \$7,500, to solicit proxies on behalf of our Board. Our officers, directors, and employees may also solicit proxies personally or in writing, by telephone, e-mail, or otherwise. These officers and employees will not receive additional compensation but will be reimbursed for out-of-pocket expenses. Brokerage houses and other custodians, nominees, and fiduciaries, in connection with shares of the common stock registered in their names, will be asked to forward solicitation material to the beneficial owners of shares of common stock. We will reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation materials and collecting voting instructions.

Do I have any dissenters’ or appraisal rights or cumulative voting rights with respect to any of the matters to be voted on at the Annual Meeting?

No. None of our stockholders have any dissenters’ or appraisal rights with respect to the matters to be voted on at the Annual Meeting. Our organizational documents prohibit cumulative voting in the election of directors.

Where can I find the voting results of the Annual Meeting?

The Company expects to publish the voting results of the Annual Meeting in a Current Report on Form 8-K, which it expects to file with the SEC within four business days following the date of the Annual Meeting.

Who can help answer my questions?

The information provided above in this “Question and Answer” format is for your convenience only and is merely a summary of the information contained in this proxy statement. We urge you to carefully read this entire Proxy Statement, including the documents we refer to in this proxy statement. If you have any questions, or need additional material, please feel free to contact Giselle Trent, at 646-507-5710.

Board Meetings; Annual Meeting Attendance

For the fiscal year ended December 29, 2018, the Board met 12 times. Each director attended at least 90% of the total number of meetings of the Board and each committee on which the director served, if any, during the period for which such person served as a director. Directors are encouraged, but are not required, to attend our Annual Meeting of Stockholders. All of our directors at the time of our 2018 Annual Meeting of Stockholders attended such meeting.

Independence of Directors

In determining the independence of our directors, the Board applied the definition of “independent director” provided under the listing rules of The Nasdaq Stock Market LLC (“Nasdaq”). After considering all relevant facts and circumstances, the Board has determined that each of Messrs. Villard, Florio and Grout are independent within the definition of independence under the Nasdaq rules. Our Board has determined that Mr. Flood and Ms. Barker are not independent directors. In making this determination, the Board considered (i) relationships and transactions involving directors or their affiliates or immediate family members that would be required to be disclosed as related party transactions and described under “Governance of the Company—Related Party Transactions” beginning on page 15 and (ii) other relationships and transactions involving directors or their affiliates or immediate family members that did not rise to the level of requiring such disclosure, of which there were none. If all of the director candidates nominated for election at the Annual Meeting are elected, our Board will consist of a majority of three independent directors out of a total of five directors on our Board.

Board Committees

Our Board currently has three standing committees: an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation and Human Resources Committee, each of which is described below. All standing committees operate under a charter that has been approved by the Board. Copies of the charters of the Audit Committee, Compensation and Human Resources Committee and the Nominating and Corporate Governance Committee can be found on our website

at <https://www.staffing360solutions.com/investors/links-1/corporate-governance>.

Audit Committee. Our Audit Committee is composed of Messrs. Nicholas Florio (Chairman), Dimitri Villard and Jeff Grout. Our Board has determined that each member of our Audit Committee is an independent director under current Nasdaq rules and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and that each of the members of the Audit Committee is financially sophisticated and is able to read and understand our financial statements. Our Board has also determined that Mr. Florio qualifies as an Audit Committee “financial expert” as defined in Item 407(d)(5) of Regulation S-K and that he has accounting or related financial management expertise as required under the applicable Nasdaq rules. The Audit Committee formally met eight times during the fiscal year ended December 29, 2018.

The purpose of the Audit Committee is to assist the Board in its oversight of: (1) the integrity of the Company’s financial reporting and systems of internal accounting control, (2) the independence, qualifications and performance of the Company’s independent registered public accounting firm, and (3) the Company’s compliance with legal and regulatory requirements. Our Audit Committee’s primary responsibilities and obligations are set forth in the Audit Committee Charter and include, among other things:

• appointing, compensating, retaining and overseeing the work of the independent auditor;

• pre-approving all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor and establishing policies and procedures for the engagement of the independent auditor to provide auditing and permitted non-audit services;

• reviewing the annual audited financial statements, quarterly financial statements, quarterly earnings announcements and other public announcements regarding the Company's results of operations with management and the independent auditor;

• reviewing and approving all related party transactions;

• reviewing major changes to the Company's accounting and auditing principles and practices as suggested by management or the independent auditor;

• meeting periodically with management to review the Company's major financial and business risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies;

• obtaining and reviewing, at least annually, a report by the independent auditor describing the independent auditor's internal quality-control procedures, and any material issues raised by the most recent internal quality-control review, or peer review, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditor, and any steps taken to deal with any such issues;

• considering and evaluating, at least annually, the independence of the independent auditor;

• receiving reports from the Company's independent auditor and management regarding, and reviewing the adequacy and effectiveness of, the Company's internal controls over financial reporting and disclosure controls and procedures; and

• establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Compensation and Human Resources Committee. Our Compensation and Human Resources Committee is composed of Messrs. Jeff Grout (Chairman), Dimitri Villard and Nicholas Florio. Our Board has determined that each member of the Compensation and Human Resources Committee (i) meets the definition of "independence" under the rules and regulations of the SEC and Nasdaq and (ii) is a "non-employee director" within the meaning of Rule 16b-3 of the Exchange Act. The Compensation and Human Resources Committee formally met twice during the fiscal year ended December 29, 2018.

Our Compensation and Human Resources Committee's primary responsibilities and obligations are set forth in the Compensation and Human Resources Committee Charter and include, among other things:

• reviewing and determining the compensation of our executive officers and the Company's compensation philosophy;

• administering the Company's equity incentive and bonus plans;

• reviewing and approving incentive compensation and equity plans;

• reviewing and evaluating the performance of the executive officers of the Company; and

10

• reviewing and approving the design of other benefit plans pertaining to executives and employees of the Company.

Pursuant to the Compensation and Human Resources Committee Charter, the Compensation and Human Resources Committee may delegate authority and assign responsibility with respect to its functions to such officers of the Company, or committees comprised of such persons, as it may deem appropriate from time to time, or to a subcommittee of the Compensation and Human Resources Committee.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee is composed of Messrs. Dimitri Villard (Chairman), Nicholas Florio and Jeff Grout. Our Board has determined that each member of our Nominating and Corporate Governance Committee qualifies as an “independent” member of the Board as defined by the rules and regulations of the SEC and Nasdaq. The Nominating and Corporate Governance Committee formally met three times during the fiscal year ended December 29, 2018.

The Nominating and Corporate Governance Committee is charged with the responsibility of reviewing our corporate governance policies and proposing potential director nominees to the Board for consideration. Our Nominating and Corporate Governance Committee’s primary responsibilities and obligations are set forth in the Nominating and Corporate Governance Committee Charter and include, among other things:

• recommending, based on criteria established by the Nominating and Corporate Governance Committee, to the Board candidates for election or reelection to the Board at each annual meeting of stockholders of the Company or any other meeting of Company stockholders where the election of a class of directors is to be considered;

• recommending to the Board candidates for election by the Board to fill vacancies occurring on the Board;

• considering stockholders’ nominees in accordance with applicable rules and regulations and developing procedures regarding the stockholder nomination process;

- evaluating and making recommendations to the Board concerning the structure, composition and functioning of the Board and all Board committees;

• developing and recommending to the Board from time to time corporate governance guidelines applicable to the Company and administering the Company’s existing governance policies, including its Code of Ethics; and

• reviewing any issues relating to conflicts of interests.

The Nominating and Corporate Governance Committee will consider director nominees recommended by security holders. To recommend a nominee please write to the Nominating and Corporate Governance Committee c/o the Company’s Secretary, Staffing 360 Solutions, Inc., 641 Lexington Avenue, 27th Floor, New York, New York 10022.

Such nomination must satisfy the notice, information and consent requirements set forth in our bylaws and must be received by us prior to the date set forth under “Submission of Future Stockholder Proposals” included herein. A stockholder’s recommendation must be accompanied by the information with respect to stockholder nominees that is specified in our bylaws, including among other things, all of the information that would ordinarily be required to be disclosed in a proxy statement related to such nominee. Stockholder recommendations received in accordance with the advance notice provision in our bylaws will be considered and evaluated by the Nominating and Corporate Governance Committee in the same manner as candidates recommended from other sources.

Policies with Regard to Stockholder Recommendations

The policy of our Nominating and Corporate Governance Committee is to consider properly submitted recommendations for candidates to the Board from stockholders. Any stockholder recommendations for consideration by the Nominating and Corporate Governance Committee should include the candidate’s name, biographical information, information regarding any relationships between the candidate and the Company within the last three

years, a description of all arrangements between the candidate and the recommending stockholder and any other person pursuant to which the candidate is being recommended, a written indication of the candidate's willingness to serve on the Board, any other information required to be provided under securities laws and regulations, and a written indication to provide such other information as the Nominating and Corporate Governance Committee may reasonably request. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder or otherwise. Stockholder recommendations to the Board should be sent to:

Staffing 360 Solutions, Inc.

641 Lexington Avenue

27th Floor

New York, NY 10022

Attention: Secretary

In addition, our bylaws permit stockholders to nominate directors for consideration at an Annual Meeting of Stockholders. Such nomination must satisfy the notice, information and consent requirements set forth in our bylaws and must be received by us prior to the date set forth under "Submission of Future Stockholder Proposals" included herein. The exclusive means by which a stockholder may nominate a director pursuant to our bylaws shall be by delivery of a notice to the Secretary setting forth: (a) the name, age, business address and the primary legal residence address of each nominee proposed in such notice, (b) the principal occupation or employment of such nominee, (c) the number of shares of capital stock of the Company which are owned directly or indirectly of record and directly or indirectly beneficially owned by the nominee and each of its affiliates (within the meaning of Rule 144), including any shares of the Company owned or controlled via derivatives, hedged positions and other economic and voting mechanisms, (d) any material agreements, understandings or relationships, including financial transactions and compensation, between the nominating stockholder and the proposed nominees and (e) such other information concerning each such nominee as would be required, under the rules of the SEC, in a proxy statement soliciting proxies in a contested election of such nominees. Such notice shall include a signed consent of each such nominee to serve as a director of the Company, if elected. In addition, any stockholder nominee, to be validly nominated, shall submit to the Secretary the questionnaire required pursuant our bylaws. A stockholder intending to nominate one or more candidates for election as directors must comply with the advance notice bylaw provisions specifically applicable to the nomination of candidates for election as directors for such nomination to be properly brought before the meeting.

Board Leadership Structure and Risk Oversight

Our Chairman of the Board (the "Chairman"), who also serves as our President and CEO, presides at all meetings of the Board. The Chairman is appointed on an annual basis by majority vote of the directors, excluding the vote of the Chairman. We do not have a lead independent director. Our Board has determined that its current structure, with a combined Chairman and CEO role and a majority of independent directors is in the best interests of the Company and

its stockholders at this time. A number of factors support the leadership structure chosen by the Board, including, among others:

• our CEO has extensive knowledge of all aspects of the Company and its business and risks, its industry and its customers;

• our CEO is intimately involved in the day-to-day operations of the Company and is best positioned to elevate the most critical business issues for consideration by the Board;

• the Board believes having the CEO serve in both capacities allows him to more effectively execute the Company's strategic initiatives and business plans and confront its challenges;

• a combined Chairman and CEO structure provides the Company with decisive and effective leadership with clearer accountability to our stockholders and customers;

• the combined role is both counterbalanced and enhanced by the effective oversight and independence of the majority of our Board and the independent leadership provided by our independent committee chairs; and

the Board believes that the use of regular committee sessions of the non-management directors, along with the Board's strong committee system and oversight by a majority of independent directors, allow it to maintain effective oversight of management.

In our view, splitting the roles would potentially make our management and governance processes less effective through undesirable duplication of work and possibly lead to a blurring of clear lines of accountability and responsibility.

Enterprise risks are identified and prioritized by management and each prioritized risk is assigned to a Board committee or the full Board for oversight as follows:

• **Full Board** – Risks and exposures associated with strategic, financial and execution risks and other current matters that may present material risk to our operations, plans, prospects or reputation.

• **Audit Committee** – Risks and exposures associated with financial matters, particularly financial reporting, tax, accounting, disclosure, internal control over financial reporting, financial policies, investment guidelines and credit and liquidity matters.

• **Compensation and Human Resources Committee** – Risks and exposures associated with leadership assessment and compensation programs and arrangements, including incentive plans.

• **Nominating and Corporate Governance Committee** – Risks and exposures relating to corporate governance and management and director succession planning.

Director Qualifications and Diversity

Our Board and our Nominating and Corporate Governance Committee seek independent directors who represent a diversity of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. In evaluating potential Board candidates, our Board and our Nominating and Corporate Governance Committee consider, among other things, the level of relevant experience, financial literacy, business acumen of the candidate and the candidate's independence from the Company in light of the current makeup and independence of the Board. We aim to maintain a Board consisting of at least a majority of independent directors. Qualified candidates for director are those who, in the judgment of the Nominating and Corporate Governance Committee and the Board, have had significant decision-making responsibility, and have business, legal or academic experience, including experience in disciplines relevant to the Company's businesses, and who will represent the best interests of the stockholders as a whole rather than special interest constituencies. The Nominating and Corporate Governance Committee and the Board will also consider the nominee's willingness and ability to devote adequate time to Board duties, all in the context of the needs of the Board at that point in time and with the objective of ensuring of experience and viewpoints of Board members.

In evaluating nominations to the Board, the Nominating and Corporate Governance Committee also looks for certain personal attributes, such as integrity, ability and willingness to apply sound and independent business judgment, comprehensive understanding of a director's role in corporate governance, availability for meetings and consultation on Company matters, and the willingness to assume and carry out fiduciary responsibilities. The Nominating and Corporate Governance Committee took these specifications into account in formulating and re-nominating its present Board members.

The current director candidates were recommended by the Nominating and Corporate Governance Committee and nominated by the full Board.

Director Resignation Policy

Pursuant to our bylaws, we have adopted a director resignation policy which provides that our Board shall only nominate individuals for election or re-election to our Board if such individuals agree in advance to tender irrevocable resignations that become effective upon (i) the failure to receive the requisite vote for re-election at the next annual meeting of stockholders at which they face re-election and (ii) Board acceptance of such resignation. In the event that

an incumbent director fails to receive the requisite vote for re-election to the Board, our Nominating and Corporate Governance Committee will make a recommendation to the Board as to whether to accept or reject such director's resignation, and the applicable director will abstain from participating in any decision as to his or her resignation.

Involvement in Certain Legal Proceedings

There have been no material legal proceedings that would require disclosure under the federal securities laws that are material to an evaluation of the ability or integrity of our directors or executive officers, or in which any director, officer, nominee or principal stockholder, or any affiliate thereof, is a party adverse to us or has a material interest adverse to us.

Family Relationships

There are no family relationships among any of our executive officers or any of our directors.

Code of Ethical Conduct

We have adopted a code of ethics that applies to our executive officers, directors, employees and our subsidiaries.

We have posted our code of ethics on our website at <https://www.staffing360solutions.com/investors/links-1/corporate-governance>. In the event that we make any amendments to, or grant any waivers of, a provision of our code of ethics that applies to the principal executive officer, principal financial officer or principal accounting officer that requires disclosure under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor in a Form 8-K or in our next periodic report.

Conflicts of Interest

Members of our executive management team are required by their respective employment agreements with the Company to devote substantially all of their business time to our affairs. However, our directors are associated with other firms involved in a range of business activities. Consequently, there are potential inherent conflicts of interest in their acting as directors of our Company. Although the directors are engaged in other business activities, we anticipate they will devote an important amount of time to our affairs.

Our directors are now and may in the future become shareholders, officers or directors of other companies, which may be formed for the purpose of engaging in business activities similar to ours. Accordingly, additional direct conflicts of interest may arise in the future with respect to such individuals acting on behalf of us or other entities. Moreover, additional conflicts of interest may arise with respect to opportunities which come to the attention of such individuals in the performance of their Board duties or otherwise. Currently, we do not have a right of first refusal pertaining to opportunities that come to the attention of our directors and may relate to our business operations. Our directors are, so long as they are our directors, subject to the restriction that all opportunities contemplated by our plan of operation which come to their attention, either in the performance of their duties or in any other manner, will be considered opportunities of, and be made available to us and the companies that they are affiliated with on an equal basis. A breach of this requirement would be a breach of the fiduciary duties of the director. If we or the companies with which the directors are affiliated both desire to take advantage of an opportunity, then said directors would abstain from negotiating and voting upon the opportunity. However, all directors may still individually take advantage of opportunities if we should decline to do so.

Our officers are, so long as they remain officers, subject to the restriction that all opportunities contemplated by our plan of operation which come to their attention, either in the performance of their duties or in any other manner, will be considered opportunities of, and be made available to us exclusively during the term of their employment, and offered first to us on a right of first refusal basis for one year after any termination. A breach of this requirement would be a breach of the fiduciary duties of the officer and a breach of his or her employment agreement. Except as set forth above, we have not adopted any other conflict of interest policy with respect to such transactions.

Communications with the Board of Directors

Stockholders may communicate with the members of the Board, either individually or collectively, or with any independent directors as a group by writing to the Board (or a particular member or committee thereof) at 641 Lexington Avenue, 27th Floor, New York NY 10022.

These communications will be reviewed by the office of the Corporate Secretary who, depending on the subject matter, will (a) forward the communication to the director or directors to whom it is addressed or who is responsible for the topic matter, (b) attempt to address the inquiry directly (for example, where it is a request for publicly available information or a stock related matter that does not require the attention of a director), or (c) not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. The Board has requested that certain items that are unrelated to its duties and responsibilities be excluded, such as spam, junk mail and mass mailings, resumes and other forms of job inquiries, surveys, and business solicitations or advertisements. At each meeting of the Board, the corporate Secretary presents a summary of communications received and will make those communications available to any director upon request.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of the Forms 3, 4 and 5 and amendments thereto furnished to the Company during its most recent fiscal year, as of December 29, 2018, the Company believes that all historical and current Section 16(a) filings have been filed with the Securities Exchange Commission, except that the Company has determined that Brendan Flood and David Faiman each failed to file a single report related to the grant of performance units in 2017 pursuant to our 2016 LTIP. These performance units expired without vesting at the end of 2018.

Related Party Transactions

Review, Approval or Ratification of Transactions with Related Persons. Pursuant to our Audit Committee charter, our Audit Committee is responsible for reviewing and approving all related party transactions, including those required to be disclosed as a “related party transaction” under applicable federal securities laws. The Audit Committee has not adopted any specific procedures for conducting reviews of potential conflicts of interest and considers each transaction in light of the specific facts and circumstances presented. However, to the extent a potential related party transaction is presented to the Audit Committee, the Company expects that the Audit Committee would become fully informed regarding the potential transaction and the interests of the related party, and would have the opportunity to deliberate outside of the presence of the related party. The Company expects that the Audit Committee would only approve a related party transaction that was in the best interests of, and fair to, the Company, and further would seek to ensure that any completed related party transaction was on terms no less favorable to the Company than could be obtained in a transaction with an unaffiliated third party.

Summary of Related Party Transactions. Described below are transactions occurring since January 1, 2017 and any currently proposed transactions to which we were a party and in which:

the amounts involved exceeded or will exceed the lesser of (i) \$120,000 or (ii) 1% of the average of our total assets at December 29, 2018 and December 30, 2017; and

a director, executive officer, holder of more than 5% of our outstanding capital stock, or any member of such person's immediate family had or will have a direct or indirect material interest,

excluding executive compensation arrangements described elsewhere herein.

The Briand Separation Agreement. In connection with the resignation of a former officer and director of the Company, Matthew Briand, the Company entered into an agreement (the "Briand Separation Agreement") with Mr. Briand dated December 21, 2017, with an effective date ("Separation Date") of January 31, 2018, pursuant to which Mr. Briand provided advisory services, as requested by the Company, through the Separation Date. Pursuant to the Briand Separation Agreement, the Company agreed to provide, among other things: (a) pay through January 31, 2018 in the same amount and manner in which Mr. Briand was paid immediately prior to the Briand Separation Agreement; (b) severance pay in the amount of \$362,000 (as of January 31, 2018) for twelve (12) months, payable over three (3)

months in equal installments in accordance with the normal payroll policies of the Company, with the first installment being paid on the Company's first regular pay date on or after January 31, 2018, which initial payment included all installment amounts that would have been paid during the first thirty (30) days following the Briand Separation Agreement had installments commenced immediately following the Separation Date; (c) performance bonuses for 2017 and 2018, in the amounts, if any, as determined by the Board based upon the criteria set forth for its executives, payable in cash at the time any such performance bonuses are ordinarily paid to the Company's executives; (d) for a period of twelve (12) months following the Separation Date, all health insurance plan benefits to which Mr. Briand and his family were entitled prior to the Separation Date under any such benefit plans or arrangements maintained by the Company in which Mr. Briand and his family participated; (e) the immediate vesting of any unvested stock options and restricted securities granted to Mr. Briand; (f) reimbursement for life insurance benefits, payable in the calendar year 2018 in the same amount as Mr. Briand received as an active employee of the Company; (g) reimbursement of disability insurance premiums, payable in the calendar year 2018 in the same amount as Mr. Briand received as an active employee of the Company; and (h) an automobile allowance, payable in the calendar year 2018 in the same amount as Mr. Briand received as an active employee of the Company.

The Jackson Transactions.

Term Loan Note #1. On January 26, 2017, the Company entered into a note and warrant purchase agreement with Jackson Investment Group, LLC ("Jackson") for \$7,400,000. Under the terms of this agreement, the Company issued to Jackson 330,000 shares of common stock and a warrant to purchase up to 630,000 shares of common stock at an initial exercise price of \$6.75 per share (the "Warrant"). The note accrued interest on the principal amount at a rate of 6% per annum and had a maturity date of July 25, 2018. No interest or principal was payable until maturity. At any time during the term of the note, upon notice to Jackson, the Company could also, at its option, redeem all or some of the then outstanding principal amount of the note by paying to Jackson an amount not less than \$100,000 of the outstanding principal (and in multiples of \$100,000), plus any accrued but unpaid interest and liquidated damages and other amounts due under the note. The note's principal was not convertible into shares of common stock; however, 50% of the accrued interest on the note could have been converted into shares of common stock, at the sole election of Jackson at maturity or upon prepayment by the Company, at a conversion price equal to \$10.00 per share. On March 14, 2017, the Company and Jackson amended the Warrant to include a blocker preventing Jackson from owning more than 19.99% of the Company's shares outstanding as of January 26, 2017, until such ownership was approved by the shareholders of the Company consistent with Nasdaq Rule 5635(b). On June 15, 2017, our stockholders approved the issuance of shares of the Company's common stock under the Warrant to Jackson that may result in Jackson owning in excess of 19.99% of the Company's outstanding shares. The Warrant is exercisable beginning on July 25, 2017 for a term of four and a half (4.5) years thereafter. The exercise price is subject to anti-dilution protection, including protection in circumstances where common stock is issued pursuant to the terms of certain existing convertible securities, provided that the exercise price shall not be adjusted below a price that is less than the consolidated closing bid price of the common stock. The Company has accounted for the Warrant as a liability under ASC 815-40 due to the anti-dilution protection provisions.

This note was fully repaid in connection with the issuance of the Jackson Note described below. The amount repaid consisted of \$7,400,000 in principal and approximately \$285,000 in interest.

Term Loan Note #2. On April 5, 2017, the Company amended the note and warrant purchase agreement and entered into a second subordinated secured note for \$1,650,000. Under the terms of this amended agreement, the Company issued to Jackson 59,397 shares of common stock, with an additional 74,184 shares of common stock that was issued after obtaining shareholder approval for issuance of shares to Jackson in excess of the 19.99% limit in June 2017. Also on April 5, 2017, the Company amended the Warrant to allow Jackson to purchase up to an additional 825,463 shares of common stock, modified the initial exercise price of the Warrant to \$5.00 per share and modified the conversion price of accrued interest on the note issued to Jackson in January 2017 to \$7.50. The Warrant was also amended to increase the amount of common stock issuable to Jackson pursuant to the anti-dilution clause contained therein. The second note accrued interest on the principal amount at a rate of 6% per annum and had a maturity date of June 8, 2019; subject to acceleration in certain circumstances. No interest or principal was payable on the second note until maturity. At any time during the term of the second note, upon notice to Jackson, the Company could have also, at its option, redeemed all or some of the then outstanding principal amount of the note by paying to Jackson an amount not less than \$100,000 of the outstanding principal (and in multiples of \$100,000), plus any accrued but unpaid interest and liquidated damages and other amounts due under the note. The second note's principal was not convertible into

shares of common stock; however, 50% of the accrued interest on the second note could have been converted into shares of common stock, at the sole election of Jackson at maturity or in the event of a prepayment by the Company, at a conversion price equal to \$7.50 per share. The proceeds of this transaction were used to redeem the remaining shares and conversion rights of our formerly outstanding Series D Preferred Stock.

This note was fully repaid in connection with the issuance of the Jackson Note described below. The amount repaid consisted of \$ 1,650,000 in principal and approximately \$44,000 in interest.

Term Loan Note #3. In August 2017, the Company entered into a promissory note for \$1,600,000, with a term of 60 days at interest of 10% per annum and issued 32,000 shares of common stock. EXECUTIVE AND DIRECTOR COMPENSATION

Executive Compensation Overview

The compensation program for our executive officers, as presented in the Summary Compensation Table below, is administered by our Board and our Compensation Committee. The intent of our compensation program is to align our executives' interests with those of our stockholders, while providing reasonable and competitive compensation.

The purpose of this Executive Compensation discussion is to provide information about the material elements of compensation that we pay or award to, or that is earned by: (i) the individuals who served as our principal executive officer during fiscal 2018; (ii) our two most highly compensated executive officers, other than the individuals who served as our principal executive officer, who were serving as executive officers, as determined in accordance with the rules and regulations promulgated by the SEC, as of December 29, 2018, with compensation during fiscal year 2018 of \$100,000 or more; and (iii) up to two additional individuals for whom disclosure would have been provided pursuant to clause (ii) but for the fact that such individuals were not serving as executive officers on December 29, 2018. We refer to these individuals as our "named executive officers." For 2018, our named executive officers and the positions in which they served are:

•Brendan Flood, our Chairman and Chief Executive Officer;

•David Faiman, our Chief Financial Officer;

•Alicia Barker, our Chief Operating Officer; and

•Christopher Lutzo, our former General Counsel.

The named executive officers, including our Chief Executive Officer, do not participate in any part of the process of reviewing and setting their own compensation levels. The CEO acts in an advisory capacity in setting compensation for executives other than himself, and defers to the decisions of the Compensation and Human Resources Committee

For 2018, the compensation of our named executive officers consisted of salary, an annual cash bonus and equity awards.

All amounts presented in this section are in whole dollar amounts. All compensation amounts presented in British pounds have been translated using the foreign currency average exchange rates, unless otherwise indicated. All share

numbers have been adjusted for the one-for-five reverse stock split that we completed effective January 3, 2018.

On January 28, 2014, our Board adopted the 2014 Equity Incentive Plan (the “2014 Plan”). Under the 2014 Plan, we may grant options to employees, directors, senior management of the Company and, under certain circumstances, consultants. The purpose of the 2014 Plan is to secure and retain the services of the group of persons eligible to receive option awards, to secure and retain the services of new members of this group and to provide incentives for such persons to exert maximum efforts for the success of the Company and its affiliates. A maximum of 50,000 shares of common stock has been reserved for issuance under the 2014 Plan. The 2014 Plan expires on January 28, 2024. As of December 29, 2018, the Company had issued 50,000 options and shares of common stock pursuant to the 2015 Plan and therefore there are no remaining shares eligible to be issued under the 2014 Plan.

The authority to administer the 2014 Plan currently resides with the Compensation Committee. They have the power to determine which persons eligible under the 2014 Plan will be granted option awards.

2015 Omnibus Incentive Plan

On September 23, 2015, our Board adopted the 2015 Omnibus Incentive Plan (the “2015 Plan”). Under the 2015 Plan, the Company may grant options to employees, directors, senior management of the company and, under certain circumstances, consultants. The purpose of the 2015 Plan is to retain the services of the group of persons eligible to receive option awards, to secure and retain the services of new members of this group and to provide incentives for such persons to exert maximum efforts for the success of the company and its affiliates.

The 2015 Plan provides for an aggregate of 90,000 shares of common stock to be available for awards. The number of shares available for grant pursuant to awards under the 2015 Plan is referred to as the “Available Shares”. If an award is forfeited, canceled, or if any option terminates, expires or lapses without being exercised, the common stock subject to such award will again be made available for future grant. However, shares that are used to pay the exercise price of an option or that are withheld to satisfy the participant’s tax withholding obligation will not be available for re-grant under the 2015 Plan.

The 2015 Plan has a term of ten years and no further awards may be granted under the 2015 Plan after that date. At December 29, 2018, the Company had issued 71,914 in options and shares of common stock and had 18,086 unissued securities remaining under this plan.

2016 Omnibus Incentive Plan

On October 25, 2016, our Board adopted the 2016 Omnibus Incentive Plan (the “2016 Plan”) to, among other things, attract and retain the best available personnel, to provide additional incentive to employees, directors and consultants and to promote the success of the Company’s business. On January 26, 2017, our stockholders approved the 2016 Plan, pursuant to which 500,000 shares of the Company’s common stock were reserved for issuance under stock and stock option awards. On May 30, 2018, our stockholders approved an amendment to the 2016 Plan to increase the total number of shares reserved for issuance under the 2016 Plan to 1,250,000 shares of the Company’s common stock. To date, the Company has issued 571,062 shares and options to purchase shares of common stock pursuant to the 2016 Plan and therefore has 678,938 shares remaining under the 2016 Plan. The Compensation Committee administers the 2016 Plan.

2016 Long-Term Incentive Plan

In May 2016, the Board approved the 2016 Long-Term Incentive Plan (the “2016 LTIP”). The 2016 LTIP was approved by our stockholders on January 26, 2017.

The material features of the 2016 LTIP were:

- the maximum number of shares of common stock to be issued under the 2016 LTIP was 260,000 shares;
- the award of performance units was permitted; and
- the term of the 2016 LTIP expired on December 31, 2018.

2019 Performance Unit Grants

In January 2019, the Company's Board approved the grant of performance units to certain officers and employees (the "2019 Performance Grants"). The Board initially granted 405,000 units to adequately motivate the participants and drive performance for the period.

Units vest upon the following:

- 50% upon the employee being in good standing on December 31, 2020; and

26

50% upon the average share price of the Company's common stock during the 90-day period leading up to December 31, 2020, based upon the following Vesting Rate table:

Average 2019 Price Vesting Rate

<\$8 per share	0
>\$8 per share	Pro-rated
>=\$12 per share	Full Vesting

This description of the 2019 Performance Grants is included for informational purposes only. The 2019 Performance Grants were issued subsequent to December 29, 2018 and are not included in the Outstanding Equity Awards tables herein. A fair valuation of the 2019 Performance Grants has not been completed; however, it is not expected to be material.

PROPOSAL 1 — DIRECTOR ELECTION PROPOSAL

Overview

Our Board is currently composed of five individuals divided into two classes, as nearly equal as possible, and one non-classified director, as follows:

◆ Class I: Dimitri Villard and Nicholas Florio;

◆ Class II: Jeff Grout and Alicia Barker; and

◆ Non-Classified: Brendan Flood.

The term of office for directors in Class I expires at the Annual Meeting. The term of office for directors in Class II expires at the annual meeting of stockholders to be held in 2020. Non-classified directors are to be elected annually. Accordingly, each of our Class I and non-classified directors are up for election at the Annual Meeting.

In general, a director serves in office until his or her successor is duly elected and qualified unless the director resigns, dies or is unable to serve in the capacity of director due to disability or other cause. If a director resigns or is otherwise unable to serve before the end of his or her term, the Board may appoint a director to fill the remainder of that term, reduce the size of the Board, or leave the position vacant.

Nominee Information and Qualifications

After careful review and consideration, the Board has determined it is in the best interest of the Company to re-nominate each of Messrs. Villard and Florio as Class I directors and Mr. Flood as a non-classified director. Our Board has determined that all of our current directors, including the three nominees for election, possess personal and professional integrity, good judgment, a high level of ability and business acumen. In addition, our Board has determined that each of Messrs. Villard and Florio qualify as independent directors under applicable Nasdaq and SEC rules. No director nominee is being nominated pursuant to any arrangement or understanding between such nominee and any other person or persons.

The biographies and qualifications of each of our director nominees are set forth under “Governance of the Company — Executive Officers and Directors” herein. For additional information concerning the process of director nominations

and the criteria for selection of director nominees, see “Governance of the Company — Director Qualifications and Diversity.”

Each of the director nominees has consented to be named in this proxy statement and agreed to serve as directors if elected by the stockholders. In the event that any nominee to the Board is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for a nominee who may be designated by the Board to fill the vacancy. Alternatively, the Board may reduce the size of the Board or maintain such vacancy.

Vote Required and Recommendation

The election of our director nominees requires the approval of a majority of the votes validly cast with respect to such nominee. Accordingly, for a nominee to be validly appointed to our Board, the number of shares voted “FOR” that director nominee must exceed the number of votes cast “AGAINST” such director nominee. As a result, abstentions and broker non-votes will have no effect on the outcome of voting with respect to the election of any director.

Our Board recommends a vote “FOR” each of the nominees set forth in the Director Election Proposal.

PROPOSAL 2 – AUDITOR RATIFICATION PROPOSAL

Overview

The Audit Committee of the Board has selected BDO USA, LLP (“BDO”) as our independent registered public accounting firm for the 2019 fiscal year, and the Board has directed that management submit the selection of independent registered public accountant for ratification by the stockholders at the Annual Meeting. A representative of BDO is expected to be present at the meeting, will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions.

Stockholder ratification of the appointment of BDO is not required by our bylaws or other applicable legal requirements. However, the Board is submitting the selection of BDO to the Company’s stockholders for ratification as a matter of good corporate practice. In the event that the selection of an independent registered public accounting firm is not ratified by the requisite vote of our stockholders, the appointment of the independent registered public accounting firm is expected to be reconsidered by the Audit Committee. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

On December 13, 2017, we ended our retention of RBSM LLP (“RBSM”) as the Company’s independent registered public accounting firm. The decision to change the Company’s independent registered public accounting firm was approved by the Audit Committee and ratified by the Board of Directors.

The audit reports of RBSM on the consolidated financial statements of the Company for the transition period ended December 31, 2016 and the full fiscal year ended May 31, 2016, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company’s transition period ended December 31, 2016 and the full fiscal year ended May 31, 2016, and during the subsequent interim period from January 1, 2017 through December 13, 2017, (i) there were no disagreements with RBSM on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures that, if not resolved to RBSM’s satisfaction, would have caused RBSM to make reference to the subject matter of the disagreement in connection with its reports and (ii) there were no “reportable events” as defined in Item 304(a)(1)(v) of Regulation S-K.

On December 16, 2017, the Audit Committee engaged BDO as the Company’s independent registered public accounting firm. During the Company’s transition period ended December 31, 2016 and the full fiscal year ended May 31, 2016, and during the subsequent interim period from January 1, 2017 through December 16, 2017, neither the Company nor anyone on its behalf consulted BDO regarding either (i) the application of accounting principles to a

specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that BDO concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a "disagreement" or a "reportable event," as defined in Item 304(a)(1)(iv) and Item 304(a)(1)(v) of Regulation S-K, respectively.

Principal Accounting Fees and Services

The aggregate fees billed for our 2018 and 2017 fiscal years for professional services rendered by BDO and RBSM, respectively, are set forth below. The Company changed its auditor from RBSM to BDO on December 13, 2017.

(in thousands)	Fiscal 2018	Fiscal 2017
Audit Fees	\$387	\$250
Audit-Related Fees	—	—
Tax Fees	\$33	—
All Other Fees	—	\$56
Total	\$419	\$306

Audit Fees represents fees for professional services necessary to perform an annual audit of the financial statements, review of quarterly reports and other services required to be performed by our independent auditors.

Audit-Related Fees, if incurred, represents fees for services that are reasonably related to the performance of the audit or review of our financial statements including the support of business acquisition and divestiture activities, independent assessment of controls related to outsourcing services, audit and review of certain benefit-related programs.

Tax Fees represents fees for tax compliance, tax planning, and tax advice. Corporate tax services encompass a variety of permissible services, including technical tax advice related to United States and international tax matters, assistance with foreign income and withholding tax matters, assistance with sales tax, value added tax and equivalent tax related matters in local jurisdictions, preparation of reports to comply with local tax authority transfer pricing documentation requirements, and assistance with tax audits.

Other Fees represents fees for financial statement audits of acquired and targeted companies as well as review of registration statements.

Pre-Approval Policies and Procedure for Audit Services

Our Audit Committee has developed policies and procedures regarding the approval of all services that are to be rendered by our independent registered public accounting firm, as permitted under applicable laws, and the corresponding fees for such services. Consistent with these policies and procedures, all audit services and non-audit services and all fees associated with such services performed by our independent registered public accounting firm in fiscal years 2018 and 2017 were pre-approved by Audit Committee.

Vote Required and Recommendation

The approval of the Auditor Ratification Proposal requires the vote of a majority of the shares represented in person or by proxy and entitled to vote on the Auditor Ratification Proposal at the Annual Meeting. Abstentions will have the effect of a vote against the Auditor Ratification Proposal. Broker non-votes are not applicable to the Auditor Ratification Proposal because your broker has discretionary authority to vote your shares of common stock with respect to such proposal.

The Board recommends that stockholders vote “FOR” the Auditor Ratification Proposal.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any of our filings under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except to the extent we specifically incorporate it by reference therein.

The Audit Committee of the Board has:

- reviewed and discussed the Company’s audited financial statements for the year ended December 29, 2018 with management;
- discussed with the Company’s independent auditors the matters required to be discussed by Statement on Auditing Standards No. 1301, “Communications with Audit Committees” issued by the Public Company Accounting Oversight Board;
- received the written disclosures and letters from the independent auditors required by the applicable requirements of the Public Accounting Oversight Board regarding the independent auditors’ communications with the Audit Committee concerning independence, and has discussed with BDO matters relating to its independence; and
- reviewed and discussed the selection, application and disclosure of the critical accounting policies of the Company with the independent auditor.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board that the financial statements audited by BDO for the fiscal year ended December 29, 2018 be included in its Annual Report on Form 10-K for such fiscal year.

PROPOSAL 3 – SAY ON PAY PROPOSAL

Under Section 14A of the Exchange Act, our stockholders are allowed to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC’s rules. The proposal, commonly known as a “say on pay” proposal, gives our stockholders the opportunity to express their views on the Company’s executive compensation. At our annual meeting of stockholders held in 2016, our stockholders voted to include an advisory vote to approve executive compensation in our proxy materials every three years. It is anticipated that the next advisory vote to approve executive compensation will be presented at our annual meeting of stockholders held in 2022 and that the next advisory vote to determine the frequency of future advisory votes on executive compensation will also be presented at our annual meeting of stockholders in 2022.

Because this is an advisory vote, this proposal is not binding upon the Company or our Board; however, the Compensation and Human Resources Committee, which is responsible for designing and administering the Company’s executive compensation program, values the opinions expressed by stockholders in their vote on this proposal. To the extent there is any significant vote against the compensation of our named executive officers as disclosed in this proxy statement, we will consider our stockholders’ concerns and the Board will evaluate whether any actions are necessary to address these concerns.

We believe that the most effective compensation program is one that is designed to reward our executives for the achievement of our short-term and long-term strategic goals. When establishing total compensation for our named executive officers, our Compensation and Human Resources Committee has the following objectives:

- align our executives’ interests with those of our stockholders; and

- provide our executives with reasonable and competitive compensation.

We are asking our stockholders to indicate their support for our named executive officer compensation program as described in this proxy statement in accordance with the compensation disclosure rules of the SEC. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to the named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including Executive Compensation, the compensation tables and the accompanying narrative discussion, is hereby APPROVED.”

Vote Required and Recommendation

The approval of the Say-on-Pay Proposal requires the vote of a majority of the shares represented in person or by proxy and entitled to vote on the Say on Pay Proposal at the Annual Meeting. Abstentions will have the effect of a vote against the Say on Pay Proposal, and broker non-votes will have no impact on the voting with respect to the Say on Pay Proposal.

The Board recommends that stockholders vote “FOR” the Say on Pay Proposal.

SUBMISSION OF FUTURE STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, a stockholder proposal submitted for inclusion in our proxy statement for the 2020 annual meeting must be received no later than January 3, 2020. However, pursuant to such rule, if the 2020 annual meeting is held on a date that is before May 12, 2020 or after July 11, 2020, then a stockholder proposal submitted for inclusion in our proxy statement for the 2020 annual meeting must be received by us a reasonable time before we begin to print and mail our proxy statement for the 2020 annual meeting. Stockholder proposals should be addressed to our corporate Secretary at 641 Lexington Avenue, 27th Floor, New York NY 10022.

Proposals submitted outside Rule 14a-8 of the Exchange Act must comply with our bylaws. To be timely in connection with our next annual meeting, a stockholder proposal concerning director nominations or other business must be received by the Company at its principal executive offices between February 12, 2020 and March 13, 2020; provided, however, if and only if the 2020 annual meeting is not scheduled to be held before May 12, 2020 or after August 20, 2020, such stockholder's notice must be delivered not earlier than 120 days prior to the date of the 2020 annual meeting and not later than the later of (A) the tenth day following the date of the public announcement of the date of the 2020 annual meeting or (B) the date which is 90 days prior to the date of the 2020 annual meeting. Recommendations from stockholders which are received after the applicable deadline likely will not be considered timely for consideration by our Nominating and Corporate Governance Committee for next year's annual meeting.

OTHER MATTERS

The Board does not intend to bring any other matters before the Annual Meeting and has no reason to believe any other matters will be presented. If other matters properly do come before the Annual Meeting, however, it is the intention of the persons named as proxy agents in the enclosed proxy card to vote on such matters as recommended by the Board, or if no recommendation is given, in their own discretion.
