The Goldman Sachs Reporting Units disclaim beneficial ownership of the securities beneficially owned by (i) any client accounts with respect to which the Goldman Sachs Reporting Units or their employees have voting or investment discretion, or both, and (ii) certain investment entities of which the Goldman Sachs Reporting Units acts as the general partner, managing general partner or other manager, to the extent interests in such entities are held by persons other than the Goldman Sachs Reporting Units.

person is known by the Reporting Persons to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, any shares of Common Stock beneficially owned by the Reporting Persons.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to the Securities of the Issuer.

On May 28, 2009, the Issuer, its subsidiaries, and certain of its affiliates (collectively, the “Debtors”) filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”). On May 7, 2010, the Debtors filed with the Bankruptcy Court a Second Amended Joint Plan of Reorganization of the Debtors (the “Plan”), and a Second Amended Disclosure Statement for the Second Amended Joint Plan of Reorganization (the “Disclosure Statement”). The Plan is included as Exhibit 99.1 to the Issuer’s Current Report on Form 8-K filed on May 12, 2010. The Bankruptcy Court has scheduled a hearing to approve the Disclosure Statement for May 24, 2010.

In connection with the filing of the Plan, on May 6, 2010, the Issuer entered into an Equity Commitment Agreement (the “Equity Commitment Agreement”) with certain investors (the “Investors”), including the High Yield Distressed Investing Group of Goldman, Sachs & Co. The Equity Commitment Agreement provides, among other things, that on the terms and subject to the conditions of the Equity Commitment Agreement, Issuer will conduct a rights offering whereby certain holders of existing unsecured notes of Issuer may elect to purchase up to 34,310,200 shares of the Common Stock of a reorganized Issuer for \$27.69 per share, in accordance with the Plan. The Equity Commitment Agreement also provides that on the terms and subject to the conditions of the Equity Commitment Agreement, the Investors severally agree to purchase 10,834,800 shares of the Common Stock of a reorganized Issuer and any shares not purchased in connection with the rights offering. The Issuer has agreed to pay the following fees and expenses to the Investors: (i) \$43,750,000, twenty-five percent of which is payable upon entry of the order approving the Equity Commitment Agreement and the remainder of which would be payable upon consummation of the transactions contemplated by the Equity Commitment Agreement; (ii) \$16,625,000 for arranging the transactions contemplated by the Equity Commitment Agreement, to be paid only to certain of the Investors upon the consummation of the transactions contemplated by the Equity Commitment Agreement; and (iii) out of pocket costs and expenses reasonably incurred by each of the Investors in connection with the Equity Commitment Agreement. In addition, the Issuer has agreed to support the Investors’ request for payment of liquidated damages in the event that the Issuer enters into an agreement in connection with, or approves or seeks Bankruptcy Court approval of, certain alternative transactions, as well as if the Issuer’s approval of the rights offering-based plan is withdrawn, qualified, or modified in a manner adverse to the Investors and otherwise inconsistent with its obligations under the Equity Commitment Agreement. The Bankruptcy Court has scheduled a hearing for approval of the Issuer’s entry into the Equity Commitment Agreement for May 24, 2010. The above summary of the material terms of the Equity Commitment Agreement is qualified in its entirety by reference to the text of the Equity Commitment Agreement, a copy of which is attached hereto as Exhibit 7.03. The Equity Commitment Agreement is subject to the approval of the Bankruptcy Court, as well other conditions, and contains representations, warranties, covenants, and indemnities customary for a transaction of the type contemplated thereby.

Upon entering into the Equity Commitment Agreement, the Reporting Persons and the Investors may be deemed to be a “group” pursuant to Section 13(d)(3) of the Exchange Act. The Reporting Persons do not expressly affirm membership in a group with any of the Investors, and disclaim beneficial ownership of any Common Stock held by the Investors (other than the Reporting Persons). Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that the Reporting Persons or any of their respective affiliates are the beneficial owners of any Common Stock beneficially owned by any of the Investors (other than the Reporting Persons) for purposes of Section 13(d) of the Exchange Act, the rules promulgated thereunder or for any other purpose.

The Reporting Persons expect to independently evaluate on an ongoing basis the Issuer’s financial condition and prospects and its interest in, and intentions with respect to, the Issuer and their investment in the securities of the Issuer, which review may be based on various factors, including whether various strategic transactions have occurred or may occur, the Issuer’s business and financial condition, results of operations and prospects, general economic and

industry conditions, the securities markets in general and those for the Issuer's securities in particular, as well as other developments and other investment opportunities. Accordingly, but subject to the Reporting Person's obligations under that certain Plan Support Agreement (to the extent applicable), as filed with the Bankruptcy Court on May 6, 2010 and attached hereto as Exhibit 7.04, among the Investors (including the High Yield Distressed Investing Group of Goldman, Sachs & Co.), certain of the Issuer's note holders, and the Issuer (the "Plan Support Agreement"), each Reporting Person reserves the right to change its intentions and develop plans or proposals at any time, as it deems appropriate. In particular, and subject to the Reporting Person's obligations under the Plan Support Agreement (to the extent applicable), each Reporting Person may at any time and from time to time, in the open market, in privately negotiated transactions or otherwise, acquire additional securities of the Issuer, including additional Common Stock, dispose of all or a portion of the securities of the Issuer, including the Common Stock, that the Reporting Persons now own or may hereafter acquire, and/or enter into derivative transactions with institutional counterparties with respect to the Issuer's securities. In addition, and subject to the Reporting Person's obligations under the Plan Support Agreement (to the extent applicable), the Reporting Persons may engage in discussions with management, members of the board of directors of the Issuer, shareholders of the Issuer and other relevant parties concerning the operations, management, composition of the Issuer's board of directors and management, ownership, capital structure, balance sheet management, strategy and future plans of the Issuer, including the possibility of proposing one of more acquisitions, business combinations, mergers, asset sales, asset purchases or other similar transactions involving the Issuer and other third parties.

The Plan Support Agreement provides, among other things, and subject to certain exceptions set forth therein, that certain note holders party thereto (including the High Yield Distressed Investing Group of Goldman, Sachs & Co.) shall (i) vote all relevant claims they hold to accept the Plan, (ii) support entry of a disclosure statement order, and (iii) permit disclosure in the Disclosure Statement and any filings by the Debtors with the Securities and Exchange Commission of the contents of the Plan Support Agreement. Further, unless the Debtors and the note holders party to the Plan Support Agreement agree to pursue an alternative plan, such note holders agree that they shall not subject to certain exceptions set forth therein (A) support, or vote their claims, in favor of an alternative plan, (B) participate in negotiations or enter into any agreements regarding an alternative plan, (C) withdraw support for the Plan, (D) object to or commence any proceeding opposing any of the terms of the Plan or the Disclosure Statement, (E) object to or commence any proceeding opposing or objecting to the entry of the disclosure statement order, (F) encourage any other entity to take any action to interfere with entry of the disclosure statement order or an order of the Bankruptcy Court confirming the Plan, (G) object to or commence any proceeding opposing or objecting to the approval of the Plan, or (H) take any action inconsistent with the Plan Support Agreement or the Plan, or that would unreasonably delay the approval of the Disclosure Statement or confirmation of the Plan. The above summary of the material terms of the Plan Support Agreement is qualified in its entirety by reference to the text of the Plan Support Agreement, a copy of which is attached hereto as Exhibit 7.04.

In connection with the filing of the Plan, and subject to Bankruptcy Court approval, the Issuer entered into a Cash Recovery Backstop Agreement with certain Investors including the High Yield Distressed Investing Group of Goldman, Sachs & Co. (the "Backstop Agreement"). Pursuant to the Backstop Agreement, the note holders signatory thereto (the "Backstop Note Holders"), severally agreed to fund cash distributions to certain note holders who are not eligible to participate in the rights offering under the Plan in exchange for the Issuer issuing to such Backstop Note Holders the rights to participate in the rights offering that would have been distributed to such non-eligible holders, had they been eligible holders. The above summary of the material terms of the Backstop Agreement is qualified in its entirety by reference to the text of the Backstop Agreement, a copy of which is attached hereto as Exhibit 7.05.

Upon the consummation of the transactions contemplated by the Equity Commitment Agreement, certain holders of shares of the Common Stock of a reorganized Issuer will be entitled to customary registration rights, including shelf registration rights, demand registration rights and piggyback registration rights, and shall be subject to customary transfer restrictions following a public offering of the Common Stock of a reorganized Issuer, in accordance with the terms and subject to the conditions of a registration rights agreement to be entered into by and among the Issuer and such holders. The above summary of the material terms of the form of the registration rights agreement is qualified in its entirety by reference to the text of the form of the registration rights agreement, a copy of which is attached hereto as Exhibit 7.06.

Upon the consummation of the transactions contemplated by the Equity Commitment Agreement, the initial board of directors of a reorganized Issuer shall consist of nine members to be designated as follows: (i) the current Chief Executive Officer of Issuer, (ii) two individuals designated by the Issuer from a pool of individuals (the "Director Pool") selected by certain majority investors, and (iii) six individuals designated by certain majority Investors from the Director Pool. The majority Investors shall be determined based on the amount of Common Stock issuable to them pursuant to the Equity Commitment Agreement and the Plan.

SCHEDULE II

On January 24, 2005, the SEC filed an action in the U.S. District Court for the Southern District of New York alleging that Goldman Sachs violated Rule 101 of Regulation M under the Exchange Act by attempting to induce, or inducing certain investors to make, aftermarket purchases of certain initial public offerings underwritten by Goldman Sachs during 2000. On February 4, 2005, without admitting or denying the allegations of the complaint, a final judgment was entered against Goldman Sachs, with the consent of Goldman Sachs, under which Goldman Sachs was permanently restrained and enjoined from violating Rule 101 of Regulation M and required to pay a \$40 million civil penalty, which was paid on March 31, 2005.

In May 2006, the SEC alleged that fourteen investment banking firms, including Goldman Sachs, violated Section 17(a)(2) of the Securities Act of 1933, by engaging in one or more practices relating to auctions of auction rate securities during the period from January 1, 2003 through June 30, 2004 as described in the cease-and-desist order entered by the SEC. Goldman Sachs has agreed to provide certain disclosures about its material auction practices and procedures to auction participants and to certify to the SEC that it has implemented certain procedures relating to the auction process. As part of a multi-firm settlement, Goldman Sachs submitted an Offer of Settlement which was accepted by the SEC on May 31, 2006. Without admitting or denying the allegations, Goldman Sachs consented to a censure and cease-and-desist order and payment of \$1,500,000 civil money penalty.
