PROXY STATEMENT FOR
THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON
MAY 4, 2001

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Blonder Tongue Laboratories, Inc., a Delaware corporation (the "Company"), to be voted at the 2001 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Hyatt Regency New Brunswick, 2 Albany Street, New Brunswick, New Jersey 08901 on May 4, 2001, at 10:00 a.m., local time, and at any adjournment or adjournments thereof.

All proxies delivered pursuant to this solicitation are revocable at any time before they are exercised by written notice to the Secretary of the Company, or by delivering a later dated proxy. Attendance at the Annual Meeting will not, without delivery of the written notice described in the immediately preceding sentence, constitute revocation of a proxy. The mailing address of the principal executive offices of the Company is One Jake Brown Road, Old Bridge, New Jersey 08857. The Company's telephone number is (732) 679-4000. This Proxy Statement and the enclosed form of proxy will be mailed to each stockholder on or about April 3, 2001, together with the Annual Report on Form 10-K for the year ended December 31, 2000.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. Regarding the election of Directors to serve until the 2004 Annual Meeting of Stockholders, in voting by proxy, stockholders may vote in favor of all nominees or withhold their votes as to all nominees or withhold their votes as to specific nominees. With respect to the other proposals to be voted upon, stockholders may vote in favor of a proposal, against a proposal or

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

may abstain from voting. Stockholders should specify their choices on the enclosed form of proxy. If no specific instructions are given with respect to the matters to be acted upon, the shares represented by a signed proxy will be voted FOR the election of all nominees, and FOR the proposal to ratify the appointment of BDO Seidman, LLP as independent auditors for the fiscal year ending December 31, 2001. Directors will be elected by a plurality of the votes cast by the holders of the shares of Common Stock voting in person or by proxy at the Annual Meeting. Thus, abstentions will have no effect on the vote for election of Directors. Approval of any other matters to come before the Annual Meeting will require the affirmative vote of the holders of a majority of the shares of Common Stock of the Company present in person or by proxy at the Annual Meeting. Broker non-votes, which occur when a broker or other nominee holding shares for a beneficial owner does not vote on a proposal because the beneficial owner has not checked one of the boxes on the proxy card, are not considered to be shares "entitled to vote" (other than for quorum purposes), will not be included in vote totals and will have no effect on the outcome of any matters to be voted upon at the Annual Meeting.

Management is not aware at the date hereof of any matter to be presented at the Annual Meeting other than the election of Directors and the other proposals described in the attached Notice of Annual Meeting of Stockholders. If any other matter is properly presented, the persons named in the proxy will vote thereon according to their best judgement.

The expense of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing the notice, proxy and Proxy Statement, will be paid by the Company. The solicitation will be made by use of the mails, through brokers and banking institutions, and by officers and regular employees of the Company. Proxies may be solicited by personal interview, mail, telephone or facsimile transmission.

Only owners of record of the common stock, \$.001 par value per share, of the Company ("Common Stock") at the close of business on March 21, 2001 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting or any adjournments or postponements thereof. Each owner of record on the Record Date is entitled to one vote for each share of Common Stock of the Company so held. There is no cumulative voting. On the Record Date, there were 7,612,664 shares of Common Stock issued, outstanding and entitled to vote.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

The Company's Certificate of Incorporation, as amended, provides that the Board shall consist of between five and eleven members, as determined from time to time by the Board, divided into three classes as nearly equal in number as possible. The successors to each class of Directors whose terms expire at an Annual Meeting will be elected to hold office for a term expiring at the Annual Meeting of Stockholders held in the third year following the year of their election.

The Directors whose terms will expire at the 2001 Annual Meeting of Stockholders are Robert B. Mayer and James F. Directors' Compensation

During calendar year 2000, each non-employee Director of the Company (other than James H. Williams) received an annual retainer of \$15,000, payable quarterly, a fee of \$1,000 for each Board meeting attended in person (\$500 if attendance was telephonic) and a fee of \$600 for each committee meeting attended in person (\$300 if attendance was telephonic or if attending on the same date as a Board meeting). Each Director was also reimbursed for certain travel, lodging and related expenses incurred in connection with attendance at Board and committee meetings. During calendar year 2000, Messrs. Luksch, Palle and Dwight did not receive any separate compensation for serving on the Board of Directors or any committees thereof.

Effective January 1, 2000, the Company enacted a new policy requiring each of the Company's Directors to maintain an investment in the Company's Common Stock during his or her entire tenure as a Director equal to at least \$25,000, calculated by taking the greater of (i) the amount paid for such stock by the Director and (ii) the highest fair market value of such stock. Non-employee directors of the Company are encouraged to purchase Company common stock equal to or exceeding one year's annual retainer during any three-year period until they meet this requirement.

In May, 1998, the stockholders of the Company approved the adoption of the Company's Amended and Restated 1996 Director Option Plan (the "1996 Plan"). Under the 1996 Plan, Directors who are not currently employed by the Company or any subsidiary of the Company and who have not been so employed within the past six months are eligible to receive options from time to time to purchase a number of shares of Common Stock as determined by the Board; provided, however, that no Director may be granted options to purchase more than 5,000 shares of Common Stock in any one calendar year. The exercise price for such shares is the fair market value thereof on the date of grant, and the options vest as determined in each case by the Board of Directors. Options granted under the 1996 Plan must be exercised within ten years from the date of grant. A maximum of 100,000 shares may be awarded under the 1996 Plan which expires January 2, 2006. The plan is administered by the Board of Directors.

On July 13, 2000, each of the Company's non-employee Directors other than James H. Williams was granted an option under the 1996 Plan to purchase 5,000 shares of Common Stock at an exercise price of \$7.03 per share. The options vest on the first anniversary of the date of grant.

In June, 2000, the Company entered into an amendment to the consulting and non-competition agreement with James H. Williams for the purpose of obtaining advice and counseling concerning strategic planning and financial and business matters. Under this agreement, as amended, Mr. Williams is obligated to

make himself available to the Company for up to 25 hours per month, in addition to time spent attending to his duties as a member of the Board of Directors of the Company. Mr. Williams is currently paid \$157,500 per year for his services under this agreement, subject to adjustment on a basis consistent with adjustments to compensation to the Company's senior management. The agreement provides a cap of \$200,000 on payments to be made thereunder during any calendar year. The initial term of this agreement expires on December 31, 2004 and automatically renews thereafter for successive one year terms (subject to termination at the end of any renewal term on at least 90 days' notice). Payments to Mr. Williams under this consulting agreement are in lieu of any other payments in connection with his services as a Director or committee member, other than the reimbursement of certain travel, lodging and related expenses incurred in connection with attendance at Board and committee meetings.

REPORT OF COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION POLICIES

General

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. The objective of the Company in setting executive compensation has been to attract, retain and motivate qualified executives to manage the Company's business and affairs so as to foster sales and earnings growth, achieve significant current profits and maximize stockholder value. Executive compensation in the aggregate is made up principally of annual base salary, bonus, and awards of stock options under the Company's 1995 Long Term Incentive Plan.

Generally, annual salary adjustments and bonuses for executive officers other than Messrs. Luksch and Palle have been established by Mr. Luksch with the concurrence of the Compensation Committee. The annual salary adjustments and bonuses for Messrs. Luksch and Palle are determined by the Compensation Committee, subject to Board approval. An annual performance evaluation of each

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

executive officer is conducted, upon which a salary adjustment is determined. The performance evaluation focuses on the executive's performance during the past year of the responsibilities of his position, the executive's improvement in areas where any deficiencies may have been noted in the past, and the executive's achievement of any specific goals and objectives which may have been established for such executive, including achievement of budget objectives. The Company's overall profit for the fiscal year and the executive's individual contribution to that profit are also considered. As is typical for most corporations, the assessment of individual performance contributions is in most cases subjective and not conditioned upon the achievement of any specific, pre-determined performance targets.

In February, 1997, the Compensation Committee implemented the Executive Officer Bonus Plan ("Executive Bonus Plan"). The Compensation Committee believes that a combination of base salary, cash bonus awards under the Executive Bonus Plan and the award of stock options and/or restricted stock awards will support the short-term and long-term strategic objectives of the Company and will reward individual performance and the value created for stockholders. Cash bonus awards under the Executive Bonus Plan are paid to officers during a particular fiscal year based upon and relating to the financial performance of the Company during the prior fiscal year. During the first quarter of each fiscal year of the Company, the Compensation Committee designates which of the Company's executive officers are to participate in the Executive Bonus Plan for that year. Also during the first quarter, the Compensation Committee establishes one or more objective performance goals for each participant, together with a maximum dollar bonus opportunity for the participant and a formula to determine bonus payments based on the achievement of the goal(s). In no event may the bonus for any participant exceed 100% of such participant's base salary.

The performance goals are expressed in terms of (a) one or more corporate or divisional earnings-based measures (which may be based on net income, operating income, cash flows, or any combination thereof) and/or (b) one or more corporate or divisional sales-based measures. Each such goal may be expressed on an absolute and/or relative basis, may employ comparisons with past performance of the Company (including one or more divisions) and/or the current or past performance of other companies, and in the case of earnings-based measures, may employ comparisons to capital, stockholders' equity and shares outstanding. Performance goals need not be uniform among participants.

After the Company's financial results for a fiscal year have been determined, the Compensation Committee certifies the level of performance goal attainment and the potential bonus payment for each participant. The Compensation Committee has full authority to reduce the amount that would otherwise be payable to any participant for a fiscal year.

For 2000, bonuses under the Executive Bonus Plan were only to be awarded if the Company's diluted earnings per share in 2000 were at least equal to 120% of its average annual diluted earnings per share for calendar years 1997, 1998 and 1999. This threshold requirement for the payment of bonuses was not met for fiscal 2000, therefore no bonuses were awarded under the Executive Bonus Plan. Each of the named executive officers in the Summary Compensation Table herein was eligible to participate in the Executive Bonus Plan during 2000. If awarded, bonuses earned during the 2000 fiscal year under the Executive Bonus Plan (included as bonuses earned during 2000 in the Summary Compensation Table herein but payable in 2001) were to be based on a percentage of each recipient's annual salary for 2000 equal to the percentage increase in the

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

Company's diluted earnings per share for fiscal 2000 over the average annual diluted earnings per share for calendar years 1997, 1998 and 1999, multiplied by a multiplier between 1.0 and 1.5 determined on an individual basis by the Compensation Committee, subject to a maximum amount equal to 100% of such recipient's 2000 base annual salary.

Compensation of the Chief Executive Officer

Mr. Luksch has been President and Chief Executive Officer of the Company since it commenced operations in 1988. His compensation includes the same elements and performance measures as the compensation of the Company's other executive officers.

Mr. Luksch's annual salary, which had been \$325,000 since January 1999, was increased to \$341,000 effective January 1, 2001. Mr. Luksch received no bonus and no stock options during fiscal year 2000. The Committee believes that Mr. Luksch's overall compensation is fair and reasonable. This assessment is a subjective determination and is not quantitatively related to the Company's performance.

- (a) **Employees.** A Director who is an employee (including non-employee executive officers) of the Company or any of its affiliates may not serve on the Audit Committee until three years following termination of his or her employment.
- (b) **Business Relationship.** A Director who is a partner in or a controlling shareholder or executive officer of, any for-profit organization that has a business relationship with the Company, may serve on the Audit Committee only if (i) the Company's Board of Directors determines in its business judgment that the relationship does not interfere with the Director's exercise of independent judgment and, (ii) in any of the past three years, the payments made by the Company to or received by the Company from the organization are less than the greater of (y) five percent (5%) of the Company's or such organization's consolidated gross revenues in that year, or (z) \$200,000. In making a determination regarding the independence of a Director pursuant to this paragraph, the Board of Directors should consider, among other things, the materiality of the relationship to the Company, to the Director and, if applicable, to the organization with which the Director is affiliated. A Director who accepts any compensation from the Company or any of its affiliates in excess of \$60,000 during the previous fiscal year, other than compensation for Board service, benefits under the qualified retirement plans, or non-discretionary compensation may not serve on the Audit Committee.

All members of the Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Committee shall have accounting or related financial management expertise.
