PROXY STATEMENT

Proxy Solicitation

The accompanying proxy is solicited by the Board of Trustees of InnSuites Hospitality Trust (IHT or the Trust) for use at the 2018 Annual Meeting of Shareholders (the Annual Meeting) to be held on Tuesday, January 29, 2019, and any adjournments or postponements thereof. In addition to the solicitation of proxies by mail, our Trustees, officers and regular employees may also solicit the return of proxies by regular or electronic mail, telephone or personal contact, for which they will not receive additional compensation. We will pay all costs of soliciting proxies and will reimburse brokers or other persons holding our Shares of Beneficial Interest (Shares) in their names or in the names of their nominees for their reasonable expenses in forwarding proxy materials to the beneficial owners of such Shares.

General Information

Shareholders of record at the close of business on December 10, 2018 (the record date) will be entitled to vote at the Annual Meeting and at any adjournments or postponements thereof. As of that date, there were 9,573,175 Shares issued and outstanding. Each outstanding Share is entitled to one vote on all matters that properly come before the Annual Meeting. A majority of the issued and outstanding Shares must be represented at the Annual Meeting in person or by proxy in order to constitute a quorum for the transaction of business.

Shares represented by properly executed proxy cards will be voted in accordance with the specifications made thereon. If no specification is made, proxies will be voted **FOR** the election of the Trustee nominees named herein (Proposal No. 1), **FOR** approval of the ratification of the appointment of Hall & Company as the independent registered public accounting firm of the Trust for the year ending January 31, 2019 (Proposal No. 2) (the Ratification of Hall & Company), and in the discretion of the persons voting the Shares represented by proxies if any other business properly comes before the meeting. The number of Shares printed on your proxy card(s) represents all your Shares under a particular registration. Receipt of more than one proxy card means that your Shares are registered differently and are in more than one account. To ensure that all of you Shares are voted at the Annual Meeting, sign and return all proxy cards you receive pursuant to the instructions thereon.

The election of each Trustee requires the affirmative vote of the holders of at least a majority of the issued and outstanding Shares entitled to vote present in person or by proxy at the Annual Meeting. Approval of the Ratification of Hall & Company Proposal requires the affirmative vote of the holders of a majority of the shares cast on the proposal.

Abstentions, but not broker non-votes, will be tabulated in determining the votes present at the Annual Meeting for purposes of determining a quorum. If your Shares are held in street name and you do not provide voting instructions to the brokerage firm that holds your shares, the brokerage firm can, in its discretion, vote your uninstructed Shares only on matters on which it is permitted to exercise authority (routine matters). A broker non-vote occurs when a broker, bank or other holder of record holding Shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that particular item, or chooses not to vote, and has not received instructions from the beneficial owner. Brokers may not exercise their discretion to vote uninstructed Shares for the election of the Trustees because the election of Trustees is not considered routine. Therefore, if your Shares are to be

Edgar Filing: INNSUITES HOSPITALITY TRUST - Form DEF 14A

represented by a broker at the Annual Meeting, you must give specific instructions to your broker for your Shares to be voted on each of the proposals to be voted on at the Annual Meeting.

Abstentions will have the same effect as votes against the Trustee nominees, as each abstention will be one less vote for each Trustee nominee. Broker non-votes will have no effect on the election of the Trustees.

TABLE OF CONTENTS

This proxy statement and the voting form of proxy will be mailed to our shareholders on or about December 10, 2018. We are also mailing with this proxy statement our Annual Report to Shareholders for the fiscal year ended January 31, 2018 (fiscal year 2018).

A proxy may be revoked at any time before a vote is taken or the authority granted is otherwise exercised. Revocation may be accomplished by the execution of a later proxy with regard to the same Shares, by giving notice in writing to our Secretary, or by voting your Shares in person at the Annual Meeting (but your attendance at the Annual Meeting, in and of itself, will not revoke the proxy).

Representatives of American Stock Transfer and Trust Company, LLC (American Stock Transfer), our transfer agent, will tabulate the votes. A designee from American Stock Transfer will be responsible for reviewing the vote count at the Annual Meeting as election inspector.

Electronic Access to Future Proxy Materials

If you are a registered shareholder and would like to reduce the costs incurred by us in mailing proxy materials, you may consent to accessing all future shareholder communications (*e.g.*, proxy materials, annual reports and interim communications) over the Internet instead of receiving copies in the mail. If you choose electronic access to future shareholder communications, we will discontinue mailing future shareholder communications to you but you will receive a proxy card in the mail with instructions containing the Internet address to access shareholder communications. If you provide your consent, there is no cost to you for this service other than charges you may incur from your Internet provider, telephone and/or cable Trust. Once you provide your consent, it will remain in effect until you inform us otherwise. If your Shares are held through a bank, broker, trustee or another nominee, check the information provided by that entity for instructions on how to choose to access future shareholder communications over the Internet.

Election of Trustees (Proposal No. 1 on the Proxy Card)

At the Annual Meeting, two Trustees (Marc E. Berg and Jessie Ronnie Chase) will stand for election as Trustees each to serve a three-year term expiring at the 2021 Annual Meeting of Shareholders and until his respective successor is duly elected and qualified. Mr. Berg has been a Trustee since January 30, 1998. Mr. Berg is standing for re-election at the Annual Meeting as his current term as a Trustee expires at the Annual Meeting. Mr. Chase has been a Trustee since December 22, 2015. Mr. Chase is standing for re-election at the Annual Meeting as his current term as Trustee expires at the Annual Meeting.

Unless a shareholder requests that a proxy be voted against Mr. Berg and/or Mr. Chase, the sole nominees for Trustee, in accordance with the instructions set forth on the proxy card, Shares represented by proxies solicited hereby will be voted **FOR** the election of both Mr. Berg and Mr. Chase as Trustees. Mr. Berg and Mr. Chase have consented to being named in this proxy statement and to serve if elected. Should Mr. Berg or Mr. Chase subsequently decline or be unable to accept such nomination or to serve as a Trustee, an event that the Board of Trustees does not currently expect, the persons voting the Shares represented by proxies solicited hereby may vote such Shares for a substitute nominee in their discretion.

Our Board of Trustees currently has five members and is divided into three classes, Effective immediately following the Annual Meeting, the Board of Trustee will consist of five members and will be divided into three classes as follows:

- two Trustees in the class whose term will expire at the 2021 Annual Meeting of Shareholders;
- one Trustee in the class whose terms will expire at the 2020 Annual Meeting of Shareholders; and
- two Trustees in the class whose terms will expire at the 2019 Annual Meeting of Shareholders.

Each of the Trustees serves for three years and until his or her successor is duly elected and qualified. The Board of Trustees has determined that Messrs. Chase, Lee T. Kutasi, and Steven Robson, who constitute a majority of the Board of Trustees, are independent as defined by the NYSE American listing standards and the rules of the SEC for the purposes of serving on the Board of Trustees and each committee of which they are members. Messrs. Berg and James F. Wirth are our executive officers and are not independent. Except as described under Certain Transactions below, there were no transactions, relationships or arrangements in fiscal year 2018 that required review by the Board for purposes of determining Trustee independence.

We request that all of our Trustees attend our Annual Meetings of Shareholders. All Trustees were present at the last Annual Meeting of Shareholders. All incumbent Trustees attended 100% of the meetings held by the Board of Trustees and the Committees on which the Trustee served during fiscal year 2018. In addition, the independent Trustees meet at least annually in executive session without the presence of non-independent Trustees and management.

Vote Required

The election of the Trustee requires the affirmative vote of the holders of at least a majority of the issued and outstanding Shares entitled to vote present in person or by proxy at the Annual Meeting.

Recommendation the Board of Trustees

Our Board of Trustees recommends that you vote FOR the election of Mr. Berg and Mr. Chase as Trustees.

**Approval of the Ratification of Hall & Company
(Proposal No. 2 on the Proxy Card)**

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has recommended the appointment of Hall & Company, Certified Public Accountants & Consultants, Inc. as the Company's independent registered public accounting firm for the fiscal year ending January 31, 2019. Hall and Company, Inc. has been the Trust's independent registered public accounting firm since 2015 and audited our financial statements for the years ending January 31, 2018 and 2017.

The shareholders are being requested to ratify the appointment of Hall & Company at the Annual Meeting. The Company anticipates that a representative of Hall & Company will attend the Annual Meeting. The representative will have an opportunity to make a statement and to respond to appropriate shareholder questions.

Neither the Company's Articles of Incorporation nor the Company's Bylaws require that shareholders ratify the appointment of Hall & Company as the Company's independent registered public accounting firm. However, we are requesting ratification because we believe it is a matter of good corporate governance. If the Company's shareholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain Hall and Company, Inc., but may, nonetheless, retain Hall & Company as the Company's independent registered public accountants. Even if the appointment is ratified, the Audit Committee in its discretion may change the appointment at any time if it determines that the change would be in the best interests of the Company and its shareholders.

Vote Required

You may vote in favor or against this proposal or you may abstain from voting. The affirmative vote of a majority of all votes present or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the appointment of Hall & Company, Certified Public Accountants & Consultants, Inc. as the Company's independent registered public accounting firm. If shareholders of record do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board of Directors are to be voted on this proposal, such shares will be voted in favor of the ratification of the appointment of Hall and Company as the Company's independent registered public accounting firm. Abstentions will have the same effect as votes cast against the proposal. Generally, brokers and other nominees that do not receive instructions are entitled to vote on the ratification of the appointment of our independent registered public accounting firm as this is a routine matter.

THE BOARD OF TRUSTEES RECOMMENDS A VOTE FOR THE RATIFICATION OF THE REAPPOINTMENT OF HALL AND COMPANY, INC.

TABLE OF CONTENTS**Board of Trustees and Executive Officers****Nominees, Trustees and Executive Officers**

The biographies of our two nominees for Trustee, Mr. Berg and Mr. Chase, each of the Trustees whose terms will continue after the Annual Meeting, and our current executive officers, are set forth below. The information concerning our Trustee nominees, continuing Trustees and executive officers set forth below is based in part on information received from the respective Trustee nominees, continuing Trustees and executive officers and in part on our records. The information below sets forth the name, age, term of office, outside directorships and principal business experience for the Trustee nominees, continuing Trustees and executive officers of the Trust and includes the specific experience, qualifications, attributes and skills that led to the conclusion that the Trustee nominees and Trustees should serve on our Board of Trustees, in light of the Trust's business and structure.

On December 6, 2017, the Board of Trustees approved a reduction in the total number of Trustees from seven to five effective immediately following the Annual Meeting. We believe that a smaller board is more effective for a company of our size and will operate more efficiently. If elected, Mr. Berg and Mr. Chase's terms as Trustees will expire at the 2021 Annual Meeting of shareholders.

Trustee Nominations and Qualifications

The Governance and Nominating Committee expects to identify nominees to serve as our Trustees primarily by accepting and considering the suggestions and nominee recommendations made by members of the Board of Trustees and our management and shareholders. Nominees for Trustees are evaluated based on their character, judgment, independence, financial or business acumen, diversity of experience, ability to represent and act on behalf of all of our shareholders, and the needs of the Board of Trustees. In accordance with its charter, the Governance and Nominating Committee discusses diversity of experience as one of many factors in identifying nominees for Trustee, but does not have a policy of assessing diversity with respect to any particular qualities or attributes. The Trustees are fully aware of the fact of the only two female Trustees have left their positions of Trustees to the Trust and the Trustees expect to discuss this in the further at future Trustee meetings. In general, before evaluating any nominee, the Governance and

Nominating Committee first determines the need for additional Trustees to fill vacancies or expand the size of the Board of Trustees and the likelihood that a nominee can satisfy the evaluation criteria. The Governance and Nominating Committee would expect to re-nominate incumbent Trustees who have served well on the Board of Trustees and express an interest in continuing to serve. Our Board of Trustees is satisfied that the backgrounds and qualifications of our Trustees, considered as a group, provide a mix of experience, knowledge and abilities that allows our Board to fulfill its responsibilities.

TABLE OF CONTENTS

The Governance and Nominating Committee will consider shareholder recommendations for Trustee nominees. A shareholder who wishes to suggest a Trustee nominee for consideration by the Governance and Nominating Committee should send a resume of the nominee's business experience and background to Mr. Chase, Chairperson of the Governance and Nominating Committee, InnSuites Hospitality Trust, 1730 E. Northern Avenue, Suite 122, Phoenix, Arizona 85020. The mailing envelope and letter must contain a clear notation indicating that the enclosed letter is a Shareholder-Board of Trustees Nominee.

Leadership Structure of the Board of Trustees

Mr. Wirth, our Chief Executive Officer, currently serves as Chairman of the Board. Our Second Amended and Restated Declaration of Trust, as amended, provides that the Trustees shall annually elect a Chairman who shall be the principal officer of the Trust. Mr. Wirth has served as Chairman of our Board of Trustees and our Chief Executive Officer since January 30, 1998. Our Board of Trustees has determined that the Trust has been well-served by this structure of combined Chairman and Chief Executive Officer positions and that this structure facilitates strong and clear leadership, with a single person setting the tone of the organization and having the ultimate responsibility for all of the Trust's operating and strategic functions, thus providing unified leadership and direction for the Board of Trustees and the Trust's executive management. Our Chairman also has a significant investment in our Shares, which we believe provides him with a strong incentive to advance shareholder interests. Mr. Wirth was elected to President of the Trust on June 15, 2018.

The Trust does not have a lead independent Trustee, but receives strong leadership from all of its members. Our Board Committees consist of only independent members, and our independent Trustees meet at least annually in executive session without the presence of non-independent Trustees and management. In addition, our Trustees take active and substantial roles in the activities of our Board of Trustees at the full Board meetings. Our Trustees are able to propose items for Board meeting agendas, and the Board's meetings include time for discussion of items not on the formal agenda. Our Board believes that this open structure, as compared to a system in which there is a designated lead independent trustee, facilitates a greater sense of responsibility among our Trustees and facilitates active and effective oversight by the independent Trustees of the Trust's operations and strategic initiatives, including any risks.

The Board's Role in Risk Oversight

Our management devotes significant attention to risk management, and our Board of Trustees is engaged in the oversight of this activity, both at the full Board and at the Board Committee level. The Board's role in risk oversight does not affect the Board's leadership structure. However, our Board's leadership structure supports such risk oversight by combining the Chairman position with the Chief Executive Officer position (the person with primary corporate responsibility for risk management).

Our Board's role in the Trust's risk oversight process includes receiving reports from members of senior management on areas of material risk to the Trust, including operational, financial, legal and regulatory and strategic risks. The Board of Trustees requires management to report to the full Board (or an appropriate Committee) on a variety of matters at regular meetings of the Board and on an as-needed basis, including the performance and operations of the Trust and other matters relating to risk management. The Audit Committee also receives regular reports from the Trust's independent registered public accounting firm on internal control and financial reporting matters. In addition, pursuant to its charter, the Audit Committee is tasked with reviewing with the Trust's counsel major litigation risks as well as compliance with applicable laws and regulations, discussing with management its procedures for monitoring compliance with the Trust's code of conduct, and discussing significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. These reviews are conducted in conjunction with the Board's risk oversight function and enable the Board to review and assess any material risks facing the Trust.

Our Board also works to oversee risk through its consideration and authorization of significant matters, such as major strategic, operational, and financial initiatives and its oversight of management's implementation of those initiatives. The Board periodically reviews with management its strategies, techniques, policies, and procedures designed to manage these risks. Under the overall supervision of our Board, management has implemented a variety of processes, procedures, and controls to address these risks.

Communications with the Board of Trustees

Shareholders and other interested parties who wish to communicate with the Board of Trustees or any individual member thereof may do so by writing to the Secretary, InnSuites Hospitality Trust, 1730 E. Northern Avenue,

TABLE OF CONTENTS

Suite 122, Phoenix, Arizona 85020. The mailing envelope and letter must contain a clear notation indicating that the enclosed letter is an Interested Party-Board of Trustees Communication. The Secretary will review all such correspondence and regularly forward to the Board of Trustees a log and summary of all such correspondence and copies of all correspondence that, in the opinion of the Secretary, deals with the functions of the Board of Trustees or Committees thereof or that he otherwise determines requires their attention. Trustees may at any time review a log of all correspondence received by us that is addressed to members of the Board of Trustees and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of our accounting department and handled in accordance with procedures established by the Audit Committee for such matters.

Code of Ethics for Senior Financial Officers

We have a Code of Ethics that applies to our Chief Executive Officer and Chief Financial Officer and persons performing similar functions. We have posted our Code of Ethics on our website at www.innsuitestrust.com. We intend to satisfy all SEC and NYSE American disclosure requirements regarding any amendment to, or waiver of, the Code of Ethics relating to our Chief Executive Officer and Chief Financial Officer and persons performing similar functions, by posting such information on our website unless the NYSE American requires a Form 8-K. In addition, we have adopted a Code of Conduct and Ethics that applies to all of our employees, officers and Trustees. It is also available on our website at www.innsuitestrust.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our Trustees, executive officers and beneficial holders of more than 10% of our Shares to file with the SEC initial reports of ownership and reports of subsequent changes in ownership. The SEC has established specific due dates for these reports, and we are required to disclose in this Proxy Statement any late filings or failures to file.

Based solely on our review of the copies of such forms (and amendments thereto) furnished to us, we believe that all our Trustees, executive officers and holders of more than 10% of the Shares complied with all Section 16(a) filing requirements during the fiscal year ended January 31, 2018.

Board Committees

The incumbent Trustees attended 100% of the aggregate number of meetings held by the Board of Trustees and the Committees on which the Trustees served during fiscal year 2018. The Board of Trustees met four times during the fiscal year ended January 31, 2018. The independent Trustees meet at least annually in executive session without the presence of non-independent Trustees and management.

Audit Committee

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of our independent auditors, including reviewing the scope and results of audit and non-audit services. The Audit Committee also reviews internal accounting controls and assesses the independence of our auditors. In addition, the Audit Committee has established procedures for the receipt, retention and treatment of any complaints received by us regarding accounting, internal controls or auditing matters and the confidential, anonymous submission by our employees of any concerns regarding accounting or auditing matters. The Audit Committee has the authority to engage independent counsel and other advisors as it deems necessary to carry out its duties. The Audit Committee met four times during fiscal year 2018.

All members of the Audit Committee are independent, as such term is defined by the SEC's rules and the NYSE American's listing standards. Immediately following the Annual Meeting, it is anticipated that Mr. Chase will be appointed to the Audit Committee immediately following the Annual Meeting. Mr. Chase is independent as defined by SEC rules and the NYSE American listing standards. The Board of Trustees has determined that Mr. Kutasi, a member and the chairman of our Audit Committee, qualifies as an audit committee financial expert under applicable SEC rules. We have posted our Amended and Restated Audit Committee Charter on our Internet website at www.innsuitestrust.com. Information on our website is not part of this proxy statement.

TABLE OF CONTENTS

Compensation of Trustees and Executive Officers

The following overview relates to the compensation of our executive officers listed in the Summary Compensation Table set forth below during fiscal year 2018. Our executive officers are James F. Wirth, Chairman of the Board and Chief Executive Officer, Pamela J. Barnhill, President, Chief Operating Officer and Trustee, Marc E. Berg, Executive Vice President, Secretary, Treasurer and Trustee, and Adam B. Remis, Chief Financial Officer. Ms. Pam Barnhill and Mr. Remis resigned from their respective positions June 14, 2018.

Overview of the Compensation Committee

The Compensation Committee of the Board of Trustees currently consists of three independent Trustees. The Committee sets the principles and strategies that serve to guide the design of the compensation programs for our executive officers. The Committee annually evaluates the performance of our executive officers. Taking into consideration the factors set forth below, the Committee then approves their compensation levels, including any bonuses. The Committee does not use an independent compensation consultant to assist it with its responsibilities. The Committee does consider input from the Chief Executive Officer when determining compensation for the other executive officers.

Compensation Philosophy and Objectives

Under the supervision of the Compensation Committee, we have developed and implemented compensation policies, plans and programs that seek to enhance our ability to recruit and retain qualified management and other personnel. In developing and implementing compensation policies and procedures, the Compensation Committee seeks to provide rewards for the long-term value of an individual's contribution to the Trust. The Compensation Committee seeks to develop policies and procedures that offer both recurring and non-recurring, and both financial and non-financial, incentives.

Compensation for our executive officers has two main components, salary and bonus, as well as a benefits component. A base salary is a fixed compensation component subject to annual adjustment and review, if appropriate, that is designed to attract, retain, and motivate our executive officers and to align their compensation with market practices. As discussed below, for fiscal year 2018, the bonus component consisted of performance-based cash bonuses, additional discretionary cash bonuses to Mr. Berg for his efforts related to refinances of certain properties, and grants of performance-based stock options that were intended to incentivize the growth of our IBC Hotels segment. Our executive officers did not actually receive any shares pursuant to their stock option grants as we determined that the cost of the stock options would have been too high to the Trust due to required accounting charges and worked with our executive officers to rescind the grants, with all of our executive officers voluntarily surrendering their stock options to the Trust, without any consideration, in fiscal year 2018.

Our compensation program does not rely to any significant extent on broad-based benefits or perquisites. The benefits offered to our executive officers are those that are offered to all of our full-time employees. We do not offer our executive officers any perquisites.

Our management and the Compensation Committee work in a cooperative fashion. Management advises the Compensation Committee on compensation developments, compensation packages and our overall compensation program. The Compensation Committee then reviews, modifies, if necessary, and approves the compensation packages for our executive officers.

Elements of Compensation

In setting the compensation for each executive officer, the Compensation Committee considers (i) the responsibility and authority of each position relative to other positions within the Trust, (ii) the individual performance of each executive officer, (iii) the experience and skills of the executive officer, and (iv) the importance of the executive officer to the Trust.

Base Salary and Discretionary Cash Bonuses

We pay base salaries to our executive officers in order to provide a level of assured compensation reflecting an estimate of the value in the employment market of the executive officer's skills, the demands of his or her position and the relative size of the Trust. In establishing base salaries for our executive officers, the Compensation Committee considers our overall performance and the performance of each individual executive officer, as well as market forces

TABLE OF CONTENTS

and other general factors believed to be relevant, including time between salary increases, promotion, expansion of responsibilities, advancement potential, and the execution of special or difficult projects. Additionally, the Compensation Committee takes into account the relative salaries of the executive officers and determines what it believes are appropriate compensation level distinctions among the executive officers, including between the Chief Executive Officer and the Chief Financial Officer and among the other executive officers. Although the Compensation Committee considers our financial performance, there is no specific relationship between achieving or failing to achieve budgeted estimates, the performance of our Shares or our financial performance and the annual salaries determined by the Compensation Committee for any of our executive officers. No specific weight is attributed to any of the factors considered by the Compensation Committee; the Compensation Committee considers all factors and makes a subjective determination based upon the experience of its members and the recommendations of our management.

Fiscal Year 2017

As Mr. Wirth holds a significant ownership stake in the Trust, the Compensation Committee did not increase his salary or provide him with additional incentives. Based upon a review of Mr. Wirth's performance and upon the recommendation of the Compensation Committee, for fiscal years 2018 and 2017, Mr. Wirth's annual base salary remained set at \$153,000. The Compensation Committee did not rely on any particular set of financial or non-financial factors, measures or criteria when determining the compensation offered to Mr. Wirth. The Compensation Committee did consider Mr. Wirth's substantial Share ownership when setting his base salary. During fiscal years 2018 and 2017, Mr. Wirth voluntarily reduced his salary to \$124,166 and \$123,577, respectively, in both cases by reducing the number of hours worked per year.

On February 22, 2016, in recognition of their contributions to the Trust and market conditions, the Compensation Committee approved an increase in the annual base salaries of our executives other than Mr. Wirth (individually, an Executive and collectively, the Executives). The salary increases were effective as of February 1, 2016. Specifically, the Compensation Committee increased Ms. Barnhill's annual base salary from \$120,000 to \$150,000, Mr. Berg's annual base salary from \$98,000 to \$102,000, and Mr. Remis's annual base salary from \$139,000 to \$147,500. These salary increases were the first increases since February 23, 2013 for Ms. Barnhill and March 15, 2008 for Mr. Berg. Mr. Remis's annual base salary when he started with the Trust was \$139,000. During fiscal year 2018 and 2017, Mr. Berg voluntarily reduced his salary to \$82,347 and \$65,910, respectively, in both cases by reducing the number of hours worked per year.

Fiscal Year 2018

On February 22, 2017, the Compensation Committee approved salary increases for fiscal year 2018 for our executive officers, effective as of February 1, 2017. The Committee increased Ms. Barnhill's annual base salary from \$120,000 to \$150,000, Mr. Berg's annual base salary from \$98,000 to \$102,000, and Mr. Remis's annual base salary from \$139,000 to \$147,500. The Committee approved the increases in recognition of the contributions made to the Trust during fiscal year 2017.

Indemnification Agreements

We have entered into indemnification agreements with all of our executive officers and Trustees. The agreements provide for indemnification against all liabilities and expenses reasonably incurred by an officer or

TABLE OF CONTENTS

Trustee in connection with the defense or disposition of any suit or other proceeding, in which he or she may be involved or with which he or she may be threatened, while in office or thereafter, because of his or her position at the Trust. There is no indemnification for any matter as to which an officer or Trustee is adjudicated to have acted in bad faith, with willful misconduct or reckless disregard of his or her duties, with gross negligence, or not in good faith in the reasonable belief that his or her action was in our best interests. We may advance payments in connection with indemnification under the agreements. The level of indemnification is to the full extent of the net equity based on appraised and/or market value of the Trust.

Potential Payments Upon Change in Control

We do not have employment agreements with our executive officers. Upon a change in control, our 1997 Stock Incentive and Option Plan provides for the acceleration of vesting of restricted Shares. However, if a change in control had occurred on January 31, 2017, none of our executive officers would have received any payment under the Plan upon a change in control because none had any awards outstanding under our 1997 Stock Incentive and Option Plan as of that date.

Fiscal Year 2018 Trustee Compensation

Mexico hotel property. Under the agreement, Rare Earth agreed to either purchase or bring in other investors to purchase at least 49% of the membership interests in the Albuquerque entity and the parties agreed to restructure the operating agreement of the Albuquerque entity. A total of 400 units were available for sale for \$10,000 per unit, with a two-unit minimum subscription. On September 24, 2010, the parties revised the Amended and Restated Operating Agreement to name Rare Earth as the administrative member of the Albuquerque entity in charge of the day-to-day management.

On December 9, 2013, the Trust entered into an updated restructuring agreement with Rare Earth to allow for the sale of additional interest units in the Albuquerque entity for \$10,000 per unit. Under the updated restructuring agreement, Rare Earth agreed to either purchase or bring in other investors to purchase up to 150 (and potentially up to 190 if the over-allotment is exercised) units. Under the terms of the updated restructuring agreement, the Trust agreed to hold at least 50.1% of the outstanding units in the Albuquerque entity, on a post-transaction basis, and intends to maintain this minimum ownership percentage through the purchase of units under this offering. The Board of Trustees approved this restructuring on December 9, 2013. The units in the Albuquerque entity are allocated to three classes with differing cumulative discretionary priority distribution rights through December 31, 2015. Class A units are owned by unrelated third parties and have first priority for distributions. Class B units are owned by the Trust and have second priority for distributions. Class C units are owned by Rare Earth or other affiliates of Mr. Wirth and have the lowest priority for distributions from the Albuquerque entity. Priority distributions of \$700 per unit per year were cumulative until December 31, 2015; however, after December 31, 2015 Class A unit holders continue to hold a preference on distributions over Class B and Class C unit holders.

If certain triggering events related to the Albuquerque entity occur prior to the payment of all accumulated distributions to its members, such accumulated distributions will be paid out of any proceeds of the event before general distribution of the proceeds to the members. In the event that funds generated from a triggering event are insufficient to pay the total amount of all such accumulated distributions owed to the members, all Class A members will participate pro rata in the funds available for distribution to them until paid in full, then Class B, and then Class C. After all investors have received their initial capital plus a 7% per annum simple return, any additional profits will be allocated 50% to Rare Earth, with the remaining 50% allocated proportionately to all unit classes. Rare Earth received a restructuring fee of \$128,000, conditioned upon and arising from the sale of the first 100 units in the Albuquerque entity following the December 31, 2013 restructuring. The Albuquerque entity plans to use its best efforts to pay the discretionary priority distributions. The Trust does not guarantee and is not otherwise obligated to pay the cumulative discretionary priority distributions. InnSuites Hotels will continue to provide management, licensing and reservation services to the Albuquerque, New Mexico property.

During the fiscal year ended January 31, 2017, there were no Class A units of the Albuquerque entity sold. In the event of sale of 250 Class A Interests, total interests outstanding will change from 550 to 600 with Class A, Class B and Class C Limited Liability Company Interests (referred to collectively as Interests) restructured with IHT selling approximately 200 Class B Interests to accredited investors as Class A Interest. Rare Earth, as a General Partner of the Albuquerque

entity, will coordinate the offering and sale of Class A Interests to qualified third parties. Rare Earth and other Rare Earth affiliates may purchase Interests under the offering. As part of this offering, Rare Earth was paid \$200,000 for a restructuring fee which was recorded in Equity. Review, Approval or Ratification of Transactions with Related Parties

On December 10, 2013, the Board of Trustees adopted a Related Party Transactions Policy, which established procedures for reviewing transactions between us and our Trustees and executive officers, their immediate family members, entities with which they have a position or relationship, and persons known to us to be the beneficial owner of more than 5% of our Shares of Beneficial Interest. These procedures help us evaluate whether any related person transaction could impair the independence of a Trustee or presents a conflict of interest on the part of a Trustee or executive officer. First, the related party transaction is presented to our executive management, including our Chief Financial Officer. Our Chief Financial Officer then discusses the transaction with our outside counsel, as needed. Lastly, the Audit Committee and the members of the Board of Trustees who do not have an interest in the transaction review the transaction and, if they approve, pass a resolution authorizing the transaction. In determining whether to approve a Related Party Transaction, the Audit Committee and the members of the Board of Trustees consider whether the terms of the related party transaction are fair to the Trust on the same basis as would apply if the transaction did not involve a related party; whether there are business reasons for the Trust to enter into the related party transaction; whether the related party transaction would impair the independence of the outside Trustee and whether the related party transaction would present an improper conflict of interest for any Trustee or executive officer of the Trust, taking into account the size of the transaction, the overall financial position of the trustee, executive officer or related party, the direct or indirect nature of the Trustee s, executive officer s or other related party interest in the transaction and the ongoing nature of any proposed relationship, and any other factors the Audit Committee and members of the Board of Trustees deem relevant. Our Related Party Transactions Policy is available in the Corporate Governance portion of our website at www.innsuitestrust.com.
