Resolution No. 4

Approval and Ratification of the Second Amendment to the Company's 1999 Share Incentive Plan, as amended, as set out in Appendix C

Subject to approval and ratification by the Shareholders, the Board of Directors has resolved to amend the 1999 Share Incentive Plan, as amended (the Plan or 1999 Option Plan), by increasing the aggregate number of Ordinary Shares with respect to which options may be granted under the Plan by 2,000,000 for a total of 6,000,000 Ordinary

Shares. The purpose of the Plan is to provide incentives to non-employee directors and eligible employees of the Company, to encourage such directors and employees to continue with the Company, and to attract capable and experienced personnel to the Company. The Plan currently provides for an aggregate of 4,000,000 Ordinary Shares with respect to which options may be granted; currently 1,373,500 of those Ordinary Shares remain available for grant. If the Shareholders do not approve and ratify the Second Amendment to

the 1999 Option Plan, the Plan will not be amended and the additional 2,000,000 Ordinary Shares will not be made available for grant.

The Board of Directors recommends that you vote FOR approval and ratification of the Second Amendment to the Company's 1999 Share Incentive Plan, as amended. Unless directed to the contrary, the Ordinary Shares represented by valid Proxies will be voted for the ratification, approval and adoption of the Second Amendment to the Plan.

Resolution No. 5

Approval and Ratification of the Third Amendment to the Company's 1999 Share Incentive Plan, as amended, as set out in Appendix D

Subject to approval and ratification by the Shareholders, the Board of Directors has resolved to amend the Plan by increasing the aggregate number of options which may be granted to a single participant under the Plan by 1,000,000 for a total of 2,000,000 options. The Plan currently provides that no more than an aggregate of 1,000,000 options may be granted to a single participant pursuant to the Plan. If the Shareholders do not approve and ratify the Third Amendment to the 1999 Option Plan, the Plan will not be amended and the limit on the number of options that any single participant may receive pursuant to the Plan will remain at 1,000,000.

Subject to approval and ratification by the Shareholders, the Board of Directors has resolved to amend the Plan, by adding a provision to the Plan regarding the implementation and interpretation of the terms of the Plan and any options granted thereunder (including with respect to the authority of the Company and rights of any participant thereunder) in order to avoid the application of Section 409A of the U.S. Internal Revenue Code of 1986, as amended, to the Plan and the options granted thereunder, unless otherwise specifically determined by the Board of Directors. If the Shareholders do not approve and ratify the Fifth Amendment to the 1999 Option Plan, the Plan will not be amended and the provision regarding Section 409A will not be added to the Plan.

The Board of Directors recommends that you vote FOR approval and ratification of the Fifth Amendment to the Company's 1999 Share Incentive Plan, as amended. Unless directed to the contrary, the Ordinary Shares represented by valid Proxies will be voted for the ratification, approval and adoption of the Fifth Amendment to the Plan.

The following general description of the material features of the Plan prior to the proposed amendments is qualified in its entirety by reference to the Plan, which is attached hereto as Appendix B, and the full text of the

proposed amendments, which are attached hereto as Appendices C, D, E, and F, respectively.

The 1999 Option Plan is administered by the Board of Directors or any committee to which all of the Board's powers under the Plan are delegated (the Board). Under the Plan, options to purchase Ordinary Shares may be granted to such employees of the Company and its subsidiaries who are largely responsible for the management, growth and protection of the business of the Company and its subsidiaries and such non-employee directors of the Company as the Board may select from time to time. Approximately 350 persons have received

Table of Contents

options or may be eligible to receive options under the 1999 Option Plan.

Options granted under the 1999 Option Plan may be either non-statutory options (options which do not afford U.S. federal income tax benefits to recipients, but the exercise of which may provide tax deductions for the Company) or, to the extent permissible by law, incentive stock options (options which do afford U.S. federal income tax benefits to recipients, but the exercise of which generally may not provide tax deductions for the Company) as determined by the Board at the time of grant. Each option will have an exercise price per share equal to the fair market value of an Ordinary Share on the date of grant (which exercise price may not be adjusted after grant other than in the event of a change in the capitalization of the Company due to certain corporate events specified in the Plan).

Payment for the Ordinary Shares purchased upon the exercise of options may be made in cash, by certified check, bank cashier's check or wire transfer, or, to the extent permitted by applicable law and the Board, by tender to the Company of Ordinary Shares already owned by the option holder. The Board may also authorize the engagement by option holders in cashless exercise transactions through securities brokers and/or the transfer agent for the Ordinary Shares.

Twenty percent of each option granted becomes exercisable on the date of grant and an additional 20% of such option becomes exercisable on each of the next four anniversaries of such date. No option remains exercisable for more than ten years after the date of grant. Ordinary Shares subject to any unexercised option that expires, terminates or is cancelled for any reason are available for re-grant under the Plan. The right to grant options under the 1999 Option Plan terminates after ten years, and no individual may be granted options to purchase more than an aggregate of 1,000,000 Ordinary Shares under the Plan.

In the event of termination without cause, all options shall become fully vested and immediately exercisable at the time of such termination and shall remain exercisable for 90 days. In the event of termination for cause or a voluntary resignation, vested options remain exercisable for 30 days and 90 days, respectively, from the date of termination or resignation. In the event of a termination by reason of death or disability, vested options remain exercisable for one year. Upon a Change in Control (as defined in the 1999 Option Plan), each option outstanding at such time shall become fully vested and immediately exercisable and shall remain exercisable until its expiration, termination or cancellation in accordance with the terms of the 1999 Option Plan.

The 1999 Option Plan provides for a payment to be made by the Company to an option holder in the event such option holder incurs an excise tax (including any interest or penalties on such excise tax) under Section 280G or Section 4999 of the U.S. Internal Revenue Code of 1986 with respect to any payments or benefits provided to such option holder (pursuant to the 1999 Option Plan or otherwise, with certain limited exceptions) upon the occurrence of a Change in Control (as defined in the 1999 Option Plan). Such payment would make the option holder whole for any such excise taxes paid by the option holder.

The Board of Directors reserves the right to terminate or amend the 1999 Option Plan in any respect at any time; *provided that* no such action may, without consent, adversely affect an option holder's rights under an outstanding option. Upon a termination of the Plan, each outstanding option is cancelled and the option holder is entitled to receive in cash the excess, if any, of the fair market value of the Ordinary Shares underlying the option over the aggregate exercise price of the option. The Board is authorized to make certain adjustments to the 1999 Option Plan and any outstanding options in the event of a change in the capitalization of the Company due to certain corporate events specified in the Plan. The Board is also authorized to accelerate the right to exercise any option and to extend the term of any option (to a date not more than ten years from the date of grant).

The following is a summary of the U.S. federal income tax consequences of the grant and exercise of options under the 1999 Option Plan. An option holder is not taxed on grant of an option and the Company is not entitled to any deduction as a result of such grant. Upon exercise of a non-statutory option, the option holder will receive compensation income equal to the excess of the value of the shares received on exercise over the exercise price of the option. Upon exercise of an incentive stock option, the option holder does not recognize any income, although the spread on exercise will be an item of tax adjustment for the purposes of the alternative minimum tax. If the holder of the incentive stock option disposes of shares acquired upon exercise of an incentive stock option within two years after grant or one year after exercise, any gain on the disposition, up to the amount of the spread on exercise, will be compensation income, with the balance being capital gain. All other dispositions of shares acquired upon the exercise

of an incentive stock option will be capital gain in an amount equal

Table of Contents

to the excess of the proceeds received over the exercise price.

Resolution No. 8

Declaration of Final Dividend for the Fiscal Year ended December 31, 2004

The Board of Directors recommends that a final dividend for the fiscal year ended December 31, 2004 of US\$0.20 per Ordinary Share be declared and paid on the Ordinary Shares of the Company. The final dividend would be payable to all Members (Shareholders) whose names appeared on the Register of Members (Shareholders) of the Company on May 11, 2005 and would be paid on June 7, 2005.

The proposed final dividend of US\$0.20 is payable out of lawfully distributable profits of the Company and is in addition to the interim dividends of US\$0.20 per share declared on July 7, 2004, October 6, 2004 and January 5, 2005 and paid on September 3, 2004, December 3, 2004 and March 8, 2005, respectively to all holders of Ordinary Shares as of August 12, 2004, November 10, 2004 and February 10, 2005, respectively. Accordingly, the total dividend for the fiscal year ended December 31, 2004 would be US\$0.80 per share.

The Board of Directors recommends that you vote FOR the declaration and payment of the Final Dividend for the fiscal year ended December 31, 2004. Unless directed to the contrary, the Ordinary Shares represented by valid Proxies will be voted for the declaration and payment of the final dividend.

Vote Required to Approve Matters Submitted To Shareholders

Approval of each of the items which are submitted to a vote of the Shareholders at the 2005 Annual General Meeting will require the affirmative vote of the holders of a majority of the Ordinary Shares of the Company recorded on the Company's Register of Members (Shareholders) at the close of business on Thursday, March 3, 2005 (the Record Shares) present in person or represented by proxy.

IAT Group Inc., and members of the Abu-Ghazaleh family are the holders of a majority of Record Shares (the Majority Holder), own and have the power to vote a sufficient number of Record Shares to approve each of the proposals described herein. Representatives for the Majority Holder have indicated that the Majority Holder will vote all of its Record Shares in favor of each of the proposals and therefore, adoption of each proposal submitted for approval at the 2005 Annual General Meeting is ensured.

Subject to adjustment as provided in Section 8 hereof, no Participant in the Plan may be granted Options with respect to more than an aggregate of 1,000,000 Ordinary Shares. No member of the Board shall be liable for any action, omission, or determination relating to the Plan, and the Company shall indemnify and hold harmless each member of the Board and each other director or employee of the Company to whom any duty or power relating to the administration or interpretation of the Plan has been delegated against any cost or expense (including counsel fees) or liability (including any sum paid in settlement of a claim with the approval of the Board) arising out of any action, omission or determination relating to the Plan, unless, in either case, such action, omission or determination was taken or made by such member, director or employee in bad faith and without reasonable belief that it was in the best interests of the Company.

Ordinary Shares initially subject to such Option on the date on which it is granted and with respect to an additional twenty percent (20%) of the number of such shares on each of the next four anniversaries of such date; *provided, however*, that no Option shall be exercisable after the expiration of ten (10) years from the date such Option is granted; and *provided, further*, that each Option shall be subject to earlier expiration, termination, cancellation or exercisability as provided in the Plan.

(d) Effect of Termination of Employment or Board Membership

(i) In the event that a Participant's employment with the Company is terminated by the Company for Cause or a Participant's membership on the Board of Directors of FDMP is terminated for Cause, (A) Options granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the expiration of thirty (30) days after such termination, on which date they shall expire, and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination; *provided, however*, that no Option shall be exercisable after the expiration of its term.

(ii) In the event that a Participant's employment with the Company is terminated by the Company without Cause or a Participant's membership on the Board of Directors of FDMP is terminated without Cause (including by reason of the Participant losing an election for a position on such Board or failing to be nominated for re-election upon the expiration of his term), (A) Options granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the expiration of ninety (90) days after such termination, on which date they shall expire, and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall vest and become immediately exercisable on the date of such termination and shall remain exercisable until the expiration of ninety (90) days after such termination, on which date they shall expire; *provided, however*, that no Option shall be exercisable after the expiration of its term.

(iii) In the event that a Participant's employment with the Company terminates (other than on account of a termination by the Company or Disability or death of the Participant) or a Participant's membership on the Board of Directors of FDMP terminates (other than on account of a termination for Cause or without Cause or Disability or death of the Participant, but including by reason of the Participant failing to seek re-election to such Board), (A) Options granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the expiration of ninety (90) days after such termination, on which date they shall expire, and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination; *provided, however*, that no Option shall be exercisable after the expiration of its term.

(iv) In the event that a Participant's employment with the Company or a Participant's membership on the Board of Directors of FDMP terminates on account of Disability or death of the Participant, (A) Options granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the expiration of one (1) year after such termination, on which date they shall expire, and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination; *provided, however*, that no Option shall be exercisable after the expiration of its term.

(e) Certain Terms and Conditions

(i) Each Option shall be exercisable in whole or in part; *provided, that* no partial exercise of an Option shall be for an aggregate exercise price of less than \$1,000; and *provided, further*, that no fractional Ordinary Shares shall be issued under the Plan. Upon the partial exercise of an Option, the agreement evidencing such Option, marked with any notations deemed appropriate by the Board, shall be returned to the Participant exercising such Option.

Table of Contents

(ii) An Option shall be exercised by delivering notice to FDMP's principal office, to the attention of its Securities Compliance Officer, no less than three (3) business days in advance of the effective date of the proposed exercise. Such notice shall be accompanied by the agreement evidencing the Option, shall specify the number of Ordinary Shares with respect to which the Option is being exercised and the effective date of the proposed exercise and shall be signed by the Participant. The Participant may withdraw such notice at any time prior to the close of business on the business day immediately preceding the effective date of the proposed exercise. Payment for Ordinary Shares purchased upon the exercise of an Option shall be made on the effective date of such exercise in cash, by certified check, bank cashier's check or wire transfer, or, to the extent permitted by the Board, by tender to FDMP of Ordinary Shares already owned by the Participant, which shares shall be valued at Fair Market Value on the effective date of the proposed exercise. Notwithstanding any provision of this Section 7(e)(ii), the Board may authorize deviations from the procedures set forth herein in order to enable Participants to engage in cashless exercise transactions through securities brokers and/or the transfer agent for the Ordinary Shares.

(iii) Certificates for Ordinary Shares purchased upon the exercise of an Option shall be issued in the name of the Participant and delivered to the Participant or, at the Board's discretion, issued and delivered to or on behalf of a book-entry depository with appropriate instructions to credit an account of the Participant as soon as practicable following the effective date on which the Option is exercised.

(iv) During the lifetime of a Participant, each Option granted to him shall be exercisable only by him. No Option shall be Transferable otherwise than by will or by the laws of descent and distribution.

(f) Certain Terms Applicable to ISOs

(i) The aggregate Fair Market Value of Ordinary Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year under the Plan and any other share option plan of FDMP or any subsidiary corporation (within the meaning of Section 424(f) of the Code) shall not exceed \$100,000. Such Fair Market Value shall be determined as of the date on which each such ISO is granted. In the event that such aggregate Fair Market Value exceeds \$100,000, then ISOs granted hereunder to such Participant shall, to the extent of such excess and in the order in which they were granted, automatically be deemed not to be ISOs, but all other terms and provisions of such ISOs shall remain unchanged.

(ii) No ISO may be granted to an individual if, at the time of the proposed grant, such individual owns shares possessing more than ten percent of the total combined voting power of all classes of shares of FDMP or any of its subsidiary corporations (within the meaning of Section 424(f) of the Code), unless (A) the exercise price of such ISO is at least one hundred and ten percent of the Fair Market Value of an Ordinary Share at the time such ISO is granted and (B) such ISO is not exercisable after the expiration of five (5) years from the date such ISO is granted.

(iii) No ISO may be granted to a Participant who is a non-employee director of FDMP.

(g) Consequences Upon Certain Transactions

Upon the occurrence of a Change of Control with respect to a Participant, all outstanding Options of such Participant shall vest and become immediately exercisable and shall remain exercisable until their expiration, termination or cancellation pursuant to the terms of the Plan.

(i) In connection with such vesting upon a Change of Control, if it is determined that any payment or benefit provided by the Company or one of its Substantial Subsidiaries or any other person to or for the benefit of a Participant (whether paid or payable or provided or providable pursuant to the terms of this Plan or otherwise except with respect to any stock options granted under the Company's 1997 Share Incentive Plan prior to the effective date hereof) (a Payment) would be subject to an excise tax imposed by Sections 280G or 4999 or any similar provisions of the Code, or any interest or penalties are incurred by the Participant with respect to such excise tax (such excise tax, together with any interest and penalties, hereinafter the Excise Tax), then the Company or any Significant Subsidiary shall pay to or on behalf of the Participant an additional payment (a Gross-Up Payment) in an amount such that after payment

Table of Contents

by the Participant of all taxes (including any interest or penalties imposed with respect to such taxes), including, without limitation, any income taxes (and any interest or penalties imposed with respect thereto) and Excise Tax imposed on the Gross-Up Payment, the Participant retains an amount of the Gross-Up Payment equal to the Excise Tax imposed upon the Payment.

(ii) All determinations required to be made under this Section 7(g), including whether and when a Gross-Up Payment is required and the amount of such Gross-Up Payment and the assumptions to be utilized in arriving at such determination, shall be made by an independent public accounting firm with a national reputation in the United States that is selected by the Company (the Accounting Firm) which shall provide detailed support and calculations both to the Participant and to the Company within fifteen (15) business days after the receipt of notice from the Company that there has been a Payment. The amount of any Gross-Up Payment shall be paid in a lump sum within seven (7) days following such determination by the Accounting Firm. In the event that the Accounting Firm's determination is not finally accepted by the Internal Revenue Service (the IRS) upon any audit, then an appropriate adjustment, including penalties and interest, if any, shall be computed (with an additional Gross-Up Payment, if applicable) by the Accounting Firm based upon the final amount of the Excise Tax so determined. Such adjustment shall be paid by the appropriate party in a lump sum within seven (7) days following the computation of such adjustment by the Accounting Firm. All fees and expenses of the Accounting Firm shall be borne solely by the Company.

(iii) A Participant and the Company shall each provide their reasonable cooperation to one another in connection with an IRS audit or inquiry of or to either party in connection with any Payment or Excise Tax due or Gross-Up Payment made in connection herewith.

8. Adjustment Upon Changes in Ordinary Shares.

(a) Subject to any required action by the shareholders of FDMP, in the event of any increase or decrease in the number of issued Ordinary Shares resulting from a subdivision or consolidation of Ordinary Shares or the payment of a share dividend (but only on the Ordinary Shares), or any other increase or decrease in the number of such shares effected by FDMP without receipt or payment of consideration, (i) the Board shall proportionally adjust the maximum aggregate number of Ordinary Shares with respect to which the Board may grant Options, including the maximum aggregate which may be granted to any individual and (ii) the Board shall proportionally adjust the number of Ordinary Shares subject to each outstanding Option and the exercise price per Ordinary Share of each such Option.

(b) Subject to any required action by the shareholders of FDMP, in the event that FDMP shall be the surviving company in any merger or consolidation (except a merger or consolidation as a result of which the holders of Ordinary Shares receive securities of another corporation), each Option outstanding on the date of such merger or consolidation shall pertain to and apply to the securities which a holder of the number of Ordinary Shares subject to such Option would have received in such merger or consolidation.

(c) In the event of a dissolution or liquidation of FDMP, a sale of all or substantially all of FDMP's assets, a merger or consolidation involving FDMP in which FDMP is not the surviving company, a merger or consolidation involving FDMP in which FDMP is the surviving company but the holders of Ordinary Shares receive securities of another company or corporation and/or other property, including cash, or any other similar transaction, the Board shall have the power to:

(i) cancel, effective immediately prior to the occurrence of such event, each Option outstanding immediately prior to such event (whether or not then exercisable), and, in full consideration of such cancellation, pay to the Participant to whom such Option was granted an amount in cash, for each Ordinary Share subject to such Option, equal to the excess of (A) the value, as determined by the Board in good faith, of the property (including cash) received by the holder of an Ordinary Share as a result of such event over (B) the exercise price of such Option; or

(ii) permit Participants to exercise their Options and participate in such transaction on a basis no less favorable than that afforded other owners of Ordinary Shares.

(d) Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of any class of shares, the payment of any dividend, any increase or decrease in the number of shares of any class or any dissolution, liquidation, merger or consolidation of FDMP or any other company or corporation. Except as expressly provided in the Plan, no issue by FDMP of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of Ordinary Shares which may be subject to Options pursuant to the Plan or which are subject to an Option or the exercise price of any Option. In the event of any change in the capitalization of FDMP or corporate change other than those specifically referred to herein, the Board will make such adjustments in the number and class of shares which may be granted under the Plan or which are subject to Options outstanding on the date on which such change occurs and in the per share exercise price of each such Option as the Board may consider necessary or appropriate.

9. Securities Matters.

FDMP shall be under no obligation to effect the registration pursuant to the Securities Act of 1933, as amended, of any Ordinary Shares to be issued hereunder or to effect similar compliance under any state laws or any laws of the Cayman Islands. Notwithstanding anything herein to the contrary, FDMP shall not be obligated to cause to be issued or delivered any certificates evidencing Ordinary Shares pursuant to the Plan unless and until FDMP is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authority and the requirements of any securities exchange on which Ordinary Shares are traded. The Board may require, as a condition of the issue and delivery of certificates evidencing Ordinary Shares pursuant to the terms hereof, that the recipient of such shares make such covenants, agreements and representations, and that such certificates bear such legends, as the Board deems necessary or desirable.

10. Rights as a Shareholder.

No person shall have any rights as a shareholder with respect to any Ordinary Shares covered by or relating to any Option granted pursuant to the Plan until the date of issue of such Ordinary Shares which shall be the date the Ordinary Shares are recorded as issued on the register of members of FDMP. Except as otherwise expressly provided in Section 8 hereof, no adjustment to any Option shall be made for dividends or other rights for which the record date occurs prior to the date of issue of such Ordinary Shares.

11. No Special Rights; No Right to Option.

(a) Nothing contained in the Plan or any Option shall confer upon any Participant any right with respect to the continuation of his employment by the Company or his membership on the Board of Directors of FDMP or interfere in any way with the right of the Board, the Company or the holders of the Ordinary Shares at any time to terminate such employment or such membership or to increase or decrease the compensation of the Participant from the rate in effect at the time of the grant of an Option.

(b) No person shall have any claim or right to receive an Option hereunder. The Board's granting of an Option to a Participant at any time shall neither require the Board to grant an Option to such Participant or any other Participant or other person at any time nor preclude the Board from making subsequent grants to such Participant or any other Participant or other person.

12. Withholding Taxes.

(a) **Cash Remittance**

Whenever Ordinary Shares are to be issued upon the exercise of an Option, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy federal, state and local withholding tax requirements, if any, attributable to such exercise. In addition, upon the making of any cash payment pursuant to the Plan, the Company shall have the right to withhold from such payment an amount sufficient to satisfy the federal, state and local withholding tax requirements, if any, attributable to such exercise.

(b) **Share Remittance or Withholding**

At the election of the Participant, to the extent permitted by the Board, when Ordinary Shares are to be issued upon the exercise of an Option, the Participant may tender to FDMP a number of Ordinary Shares previously owned by him, or direct the Company to withhold a number of Ordinary Shares, the Fair Market Value of

which as of the exercise date the Board determines to be sufficient to satisfy the federal, state and local withholding tax requirements, if any, attributable to such exercise and not greater than the Participant's estimated total federal, state and local tax obligations associated with such exercise. Such election shall satisfy the Participant's obligations under Section 12(a) hereof.

13. Termination and Amendment of the Plan.

(a) The right to grant Options under the Plan will terminate ten (10) years after the date the Plan is adopted by the Board of Directors of FDMP or the date the Plan is approved by the shareholders of FDMP, whichever is earlier. The Board of Directors of FDMP may at any time suspend or terminate the Plan or revise or amend it in any respect whatsoever, *provided that* no such action will, without the consent of a Participant, adversely affect a Participant's rights under previously granted Options.

(b) Notwithstanding the foregoing, upon the termination of the Plan, each Option outstanding at the time of such termination, if any, shall expire and be cancelled and, in consideration therefor, the Participant to whom each such Option was granted shall be entitled to a payment in cash, equal to the product of (i) the excess, if any, of (A) the Fair Market Value of an Ordinary Share as of the date of such termination over (B) the per share exercise price of the Option and (ii) the number of shares subject to the Option on the date of such termination. Each such Option the per share exercise price of which equals or exceeds the Fair Market Value of an Ordinary Share as of the date of such termination shall automatically expire and be cancelled on such date without any payment therefor.

14. Transfers Upon Death.

Upon the death of a Participant, outstanding Options granted to such Participant may be exercised only by the executors or administrators of the Participant's estate or by any person or persons who shall have acquired such right to exercise by will or by the laws of descent and distribution. No Transfer by will or the laws of descent and distribution of any Option or the right to exercise any Option shall be effective to bind the Company unless the Board shall have been furnished with (a) written notice thereof and with a copy of the will and/or such evidence as the Board may deem necessary to establish the validity of the Transfer and (b) an agreement by the Transferee to comply with all the terms and conditions of the Option and the Plan that are or would have been applicable to the Participant and to be bound by the acknowledgements made by the Participant in connection with the grant of the Option.

Except as provided in this Section 14, no Option under the Plan shall be Transferable.

15. No Obligation to Exercise.

The grant to a Participant of an Option shall impose no obligation upon such Participant to exercise such Option.

16. Expenses and Receipts.

The expenses of the Plan shall be paid by the Company. Any proceeds received by the Company in connection with any Option will be used for general corporate purposes.

17. Failure to Comply.

In addition to the remedies of the Company elsewhere provided for herein, failure by a Participant to comply with any of the terms and conditions of the Plan or the agreement executed by such Participant evidencing an Option, unless such failure is remedied by such Participant within ten (10) days after having been notified of such failure by the Board, shall be grounds for the cancellation and forfeiture of such Option, in whole or in part, as the Board, in its absolute discretion, may determine.

18. Applicable Law.
