PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 19, 2016

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Monmouth Real Estate Investment Corporation, a Maryland corporation (the “Company”), of proxies to be voted at the Annual Meeting of Shareholders of the Company (the “Annual Meeting”) to be held on Thursday, May 19, 2016, at 4:00 p.m., Eastern Time, at the offices of the Company at Juniper Business Plaza, 3499 Route 9 North, Suite 3-D, Freehold, New Jersey 07728, and at any adjournments or postponements thereof, for the purposes listed in the preceding Notice of Annual Meeting of Shareholders (the “Notice”). This Proxy Statement and the accompanying Proxy Card are being distributed on or about March 31, 2016, to shareholders of record as of the close of business on March 14, 2016. Unless the context requires otherwise, references in this Proxy Statement to “Monmouth”, “we”, “our”, “us” and the “Company” refer to Monmouth Real Estate Investment Corporation and its consolidated subsidiaries.

A copy of the Company’s annual report, including financial statements, was mailed to all shareholders of record on or about January 21, 2016, and is available on the Company’s website at www.mreic.reit.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON MAY 19, 2016

Under rules adopted by the U.S. Securities and Exchange Commission (“SEC”), you are able to obtain proxy materials via the Internet, instead of being mailed printed copies of those materials. This will expedite shareholders’ receipt of proxy materials, lower the cost of the annual meeting, and help conserve natural resources. Please visit the website www.proxyvote.com to view electronic versions of proxy materials and the Company’s 2015 Annual Report, and to request electronic delivery of future proxy materials. Have your Proxy Card or Notice of Internet Availability in hand when you access the website and follow the instructions. You will need your 12-digit Control Number, which is located on your Proxy Card or Notice of Internet Availability. Shareholders also may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

MONMOUTH CONTACT INFORMATION

The mailing address of our principal executive office is Juniper Business Plaza, 3499 Route 9 North, Suite 3-D, Freehold, New Jersey 07728, and our main telephone number is (732) 577-9996. We maintain an Internet website at www.mreic.reit. Information at or connected to our website is not incorporated by reference into this Proxy Statement, and is not and should not be considered part of this Proxy Statement.

FREQUENTLY ASKED QUESTIONS ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting of Shareholders? At the Annual Meeting, our common shareholders will vote upon the matters described in the Notice, including the election of directors, the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm and such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof. Once the business of the Annual Meeting is concluded, members of management will respond to questions raised by shareholders, as time permits.

Who can attend the Annual Meeting? All of our common shareholders of record as of the close of business on March 14, 2016, the record date for the Annual Meeting, or individuals holding their duly authorized proxies, may attend the Annual Meeting. You should be prepared to present photo identification for admittance. Appointing a proxy in response to this solicitation will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Please note that if you hold your common stock in "street name" (that is, through a broker, bank or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the close of business on March 14, 2016, the record date for the Annual Meeting, to gain admittance to the Annual Meeting.

What am I voting on? At the Annual Meeting, you may consider and vote on:

the election of three directors;

the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016; and

any other business as may properly come before the Annual Meeting.

We are not aware of any other business, other than procedural matters relating to the Annual Meeting or the proposals listed above, that may properly be brought before the Annual Meeting.

What are the Board's recommendations? The Board recommends a vote:

FOR the election of each nominee for election as a director named in this Proxy Statement (Proposal No. 1); and

FOR the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016 (Proposal No. 2);

Unless you give other instructions on your Proxy Card, the persons named as proxy holders on the Proxy Card will vote in accordance with the recommendations of the Board.

Who may vote? You may vote if you owned shares of our common stock at the close of business on March 14, 2016, which is the record date for the Annual Meeting. You are entitled to cast one vote for as many individuals as there are directors to be elected at the Annual Meeting and to cast one vote on each other matter presented at the Annual Meeting for each share of common stock you owned as of the record date. Cumulative voting is not permitted in the election of directors.

What is a quorum for the Annual Meeting? As of the close of business on March 14, 2016, we had 64,911,833 shares of common stock outstanding. In order to conduct a meeting, shareholders entitled to cast a majority of the votes entitled to be cast at the Annual Meeting must be present in person or by proxy. No business may be conducted at the Annual Meeting if a quorum is not present. If you submit a properly executed Proxy Card or authorize a proxy by telephone or via the Internet, you will be considered part of the quorum. Abstentions and broker “non-votes” will be counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” results when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under the applicable rules, does not have discretionary authority to vote on a matter.

What vote is required to approve an item of business at the Annual Meeting? To be elected as a director (Proposal No. 1), a nominee must receive a plurality of the votes cast in the election of directors. To ratify the appointment of PKF O’Connor Davies, LLP as our independent registered public accounting firm (Proposal No. 2), the affirmative vote of a majority of the votes cast on the proposal is required.

If you are a shareholder of record as of the record date for the Annual Meeting and you authorize a proxy (whether by Internet, telephone or mail) without specifying voting instructions on any matter to be considered at this Annual Meeting, the proxy holders will vote your shares according to the Board’s recommendation on that matter and in their discretion on any other matter that may properly come before the Annual Meeting.

If you are a shareholder of record as of the record date for the Annual Meeting and you fail to authorize a proxy or attend the meeting and vote in person, assuming that a quorum is present at the Annual Meeting, it will have no effect on the result of the vote on any of the matters to be considered at the Annual Meeting.

If you hold your shares through a broker, bank or other nominee, under the rules of the New York Stock Exchange (NYSE), your broker or other nominee may not vote with respect to certain proposals unless you have provided voting instructions with respect to that proposal. As noted above, this is referred to as a broker “non-vote.” A broker non-vote is not considered a vote cast on a proposal and broker non-votes will have no effect on the vote on any of the matters to be considered at the Annual Meeting. If you hold your shares in a brokerage account, then, under NYSE rules and Maryland law, your broker is entitled to vote your shares on Proposal No. 2 (Ratification of Independent Registered Public Accounting Firm) if no instructions are received from you, but your broker is not entitled to vote on Proposal No. 1 (Election of Directors) without specific instructions from you. If you instruct your proxy or broker to “abstain” on any matter, it will have no effect on the vote on any of the matters to be considered at the Annual Meeting.

How do I vote? If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your broker, bank or other nominee, and you want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock.

If your common stock is held of record in your name, there are three ways for you to authorize a proxy:

By Telephone or on the Internet – You can authorize a proxy by calling the toll-free telephone number on your Proxy Card or Notice. Please have your Proxy Card or Notice of Internet Availability in hand when you call. Easy-to-follow voice prompts allow you to authorize a proxy to vote your shares and confirm that your instructions have been properly recorded. The website for Internet voting is www.proxyvote.com. Please have your Proxy Card or Notice of Internet Availability handy when you go online. As with telephone voting, you can confirm that your instructions have been properly recorded. Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m., Eastern Time, on May 18, 2016. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, the Company recommends that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your Proxy Card.

By Mail – If you received your Annual Meeting materials by mail, you may complete, sign and date the Proxy Card and return it in the prepaid envelope. If you are a shareholder of record and you return your signed Proxy Card but do not indicate your voting preferences, the persons named in the Proxy Card will vote the shares represented by that proxy as recommended by the Board of Directors on each matter listed in this Proxy Statement and in their discretion on any other matter properly brought before the Annual Meeting.

In Person at the Annual Meeting – All shareholders of record may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. Even if you plan to attend the Annual Meeting, we request that you authorize a proxy in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you mail us your properly completed and signed Proxy Card, or authorize a proxy to vote your shares by telephone or Internet, your votes will be cast according to the choices that you specify. Unless you indicate otherwise on your Proxy Card, the persons named as your proxies will cast your votes: FOR all of the nominees for election as directors named in this Proxy Statement; FOR the ratification of the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm; and in their discretion on any additional matters properly brought before the Annual Meeting.

If your common stock is held in the name of your broker, bank or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions.

Can I revoke my proxy? Yes, if your common stock is held in your name, you can revoke your proxy by:

Filing written notice of revocation before our Annual Meeting with our Secretary at the address shown on the front of this Proxy Statement;

Signing a proxy bearing a later date; or

Voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, by itself, revoke a properly executed proxy. If your common stock is held in the name of your broker, bank or other nominee, please follow the voting instructions provided by the holder of your common stock regarding how to revoke your instructions.

Who pays for this proxy solicitation? The cost of preparing, assembling and distributing this Proxy Statement and form of proxy, and the cost of soliciting the proxies related to the Annual Meeting will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, Internet and telephone, but certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of our stock as of the close of business on the record date and will reimburse them for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and authorizing your proxy by the Internet or telephone, or by completing and returning the enclosed Proxy Card (if you received your proxy materials in the mail) will help to avoid additional expense.

CORPORATE GOVERNANCE AND BOARD MATTERS

We are committed to maintaining sound corporate governance principles. The Board of Directors has periodically updated and approved formal Corporate Governance Guidelines that address the qualifications and responsibilities of directors, director independence, committee structure and responsibilities, and interactions with management, among other matters. The Corporate Governance Guidelines are available on the Company's website at www.mreic.reit. Together with the charter and bylaws of the Company and the charters of the Board's committees, the Corporate Governance Guidelines provide the framework for the governance of the Company.

Board Leadership Structure and Role in Risk Oversight

Since the Company's inception in 1968 through April 2013, the positions of Chief Executive Officer and Chairman of the Board of Directors were combined. For more than forty years, both positions were held by Eugene W. Landy. Effective April 9, 2013, as part of the Board's succession planning strategy, Michael P. Landy was elected as the Company's President and Chief Executive Officer. Mr. Michael P. Landy, who served as the Company's Chief Operating Officer since 2011, continues to serve as a member of the Company's Board of Directors. Mr. Eugene W. Landy continues to serve as Chairman of the Board of Directors. The Board of Directors has selected a Lead Independent Director, Scott L. Robinson, to preside at executive sessions of the non-management directors. The Board reviews the structure of the Board and Company leadership as part of the succession planning process. At present, our Board believes that this structure is appropriate and that it facilitates independent oversight of management.

The Board of Directors oversees the Company's enterprise-wide approach to the major risks facing the Company and oversees the Company's policies for assessing and managing its exposure to risk. The Board periodically reviews these risks and the Company's risk management processes. The Board also considers risk in evaluating the Company's strategy. The Board's responsibilities include reviewing the Company's practices with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Company. The Audit Committee reviews the Company's financial and compliance risks and major legislative and regulatory developments which could materially impact the Company. The Compensation Committee oversees management's assessment of whether the Company's compensation structure, policies and programs create risks that are reasonably likely to have a material adverse effect on the Company.

Board Independence

The Company's Corporate Governance Guidelines include specific Director Independence Standards that comply with applicable rules of the SEC and the listing standards of the NYSE. The Board requires that at least a majority of its

directors satisfy this definition of independence. The Board of Directors has considered business and other relationships between the Company and each of its directors, including information provided to the Company by the directors. Based upon its review, the Board of Directors has determined that all of its directors, other than Ms. Anna T. Chew and Messrs. Daniel D. Cronheim, Eugene W. Landy, Michael P. Landy, and Samuel A. Landy, are independent, consistent with the Corporate Governance Guidelines. The Corporate Governance Guidelines, which incorporate the NYSE Director Independence Standards, are available at the Company's website located at www.mreic.reit and are available in print upon request.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last fiscal year. No director attended fewer than 75% of the meetings of the Board of Directors and of meetings of the Committees on which he or she served. The Company does not have a policy concerning directors' attendance at the Annual Meeting of Shareholders. Five directors attended the Company's 2015 Annual Meeting of Shareholders.

The Company has a standing Audit Committee, Compensation Committee and Nominating Committee of the Board of Directors. Each of these committees is composed exclusively of independent directors.

Audit Committee

The Audit Committee's responsibilities include reviewing and overseeing financial reporting, policies and procedures and internal controls, retaining the independent registered public accounting firm, approving the audit fees, and monitoring the qualifications, independence and performance of the Company's independent registered public accounting firm. It also oversees the internal audit function, legal and regulatory compliance, establishing procedures for complaints received regarding the Company's accounting, internal accounting controls and auditing matters. In addition, the Audit Committee prepares the Audit Committee Report, which is included in the Company's annual proxy statements. The Audit Committee had four meetings during the fiscal year ended September 30, 2015, including an executive session with the independent auditors, in which management did not attend. The Audit Committee operates under the Audit Committee Charter which is available on the Company's website at www.mreic.reit.

The current members of the Company's Audit Committee are Catherine B. Elflein, Brian H. Haimm (who serves as Chairman of the Audit Committee), Matthew I. Hirsch, Scott L. Robinson, and Stephen B. Wolgin. The Board has determined that the members of the Audit Committee are "independent" as defined by the rules of the SEC and the listing standards of the NYSE, and that each of them is able to read and understand fundamental financial statements, and is "financially literate" within the meaning of the rules of the NYSE. The Board has also determined that Catherine B. Elflein, Brian H. Haimm, Scott L. Robinson and Stephen B. Wolgin are "audit committee financial experts" within the meaning of the rules of the SEC.

Compensation Committee

The Compensation Committee's responsibilities include (1) evaluating the Chief Executive Officer's and other executive officers' performance in light of the Company's goals and objectives and determining the Chief Executive

Officer's and other executive officers' compensation, which includes base salary and bonus; and (2) administering the Company's 2007 Stock Option and Stock Award Plan, as Amended and Restated ("2007 Plan"). The Compensation Committee had at least one meeting during the fiscal year ended September 30, 2015. The current members of the Compensation Committee are Brian H. Haimm, Matthew I. Hirsch and Stephen B. Wolgin (who serves as the Chairman of the Compensation Committee). The Board has determined that the members of the Compensation Committee are independent as defined by the rules of the SEC and the listing standards of the NYSE. The Compensation Committee operates under the Compensation Committee Charter which can be found at the Company's website at www.mreic.reit.

Nominating Committee

The Nominating Committee identifies, considers and recommends candidates to serve as members of the Board and makes recommendations regarding the structure and composition of the Board of Directors and Committees. The Nominating Committee had at least one meeting during the fiscal year ended September 30, 2015. The current members of the Nominating Committee are Neal Herstik, Matthew I. Hirsch (who serves as the Chairman of the Nominating Committee), and Stephen B. Wolgin. The Board of Directors has determined that each member of the Nominating Committee is “independent” as defined by the rules of the SEC and the listing standards of the NYSE. The Nominating Committee operates under the Nominating Committee Charter which can be found at the Company’s website at www.mreic.reit.

The principal function of the Nominating Committee is to review and recommend candidates for nomination to the Board of Directors. The Nominating Committee will consider for recommendation as nominees appropriate individuals whose names are submitted in writing by a shareholder, and will evaluate them using the same criteria as that used for other candidates. See “Shareholder Communications” on page 16 for more information.

The Nominating Committee has established a process for identifying and evaluating prospective nominees for director. The Nominating Committee will annually assess the qualifications, expertise, performance and willingness to serve of existing directors. If at this time or at any other time during the year the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, the Chair of the Nominating Committee will then initiate the search, seeking input from other directors and senior management, considering nominees previously submitted by shareholders, and, if the Nominating Committee deems necessary or appropriate, hiring a search firm. The Nominating Committee considers diversity of background and personal experience in identifying director candidates. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying for membership on the Board, will then be identified and presented to the Nominating Committee by the Committee Chairman. The Nominating Committee will then prioritize the candidates and determine if the Nominating Committee members, other directors or senior management have relationships with the preferred candidates and can initiate contact with the candidate. To the extent feasible, all of the members of the Nominating Committee, the President and Chief Executive Officer and Chairman of the Board will interview the prospective candidate(s). Evaluations and recommendations of the interviewers are submitted to the Nominating Committee for final evaluation. The Nominating Committee will then meet to consider such recommendations and to select the final candidate(s) to recommend to the Board of Directors as nominees. The Nominating Committee will evaluate all potential nominees for director, including nominees recommended by a shareholder, on the same basis.

To date, there are no third parties being compensated for identifying and evaluating candidates.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Annual Meeting the Company's common shareholders will be asked to consider and vote on a proposal to ratify the appointment of PKF O'Connor Davies, LLP ("PKF") as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2016. The Company's charter and bylaws do not require that its shareholders ratify the appointment of PKF as the Company's independent registered public accounting firm. The Company is asking its common shareholders to ratify this appointment as a matter of good corporate practice. If the Company's common shareholders do not ratify the appointment of PKF, the Company's Audit Committee will reconsider whether to retain PKF as the Company's independent registered public accounting firm, but may determine to do so. Even if the appointment of PKF is ratified by the Company's common shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company. The Company expects a representative of PKF to be present at the Annual Meeting, to make a statement if he or she desires to do so and to respond to appropriate questions.

A majority of the votes cast in person or by proxy at the Annual Meeting, assuming a quorum is present, is required to ratify the appointment of PKF O'Connor Davies, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016.

THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS YOU VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF PKF O'CONNOR DAVIES, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2016

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the "Committee") of the Board has been appointed to implement the Board's responsibilities relating to the compensation of the Company's executive officers. The Committee has the overall responsibility for approving and evaluating the executive officer compensation plan, policies and programs of the Company. The Committee's primary objectives include serving as an independent and objective party to review such compensation plan, policies and programs. The Compensation Committee has not retained or obtained the advice of a compensation committee consultant for determining or recommending the amount of executive or director compensation.

Throughout this report, the individuals who served as the Company's Chairman of the Board and the President and Chief Executive Officer and other officers during fiscal 2015 included in the Summary Compensation Table presented

below in this Proxy Statement, are sometimes referred to in this Proxy Statement as the named executive officers.

Compensation Philosophy and Objectives

The Committee believes that a well-designed compensation program should align the goals of the President and Chief Executive Officer with the goals of the shareholders, and that a significant part of the executive's compensation, over the long term, should be dependent upon the value created for shareholders. In addition, all executives should be held accountable through their compensation for the performance of the Company, and compensation levels should also reflect the executives' individual performance in an effort to encourage increased individual contributions to the Company's performance. The compensation philosophy, as reflected in the Company's employment agreements with its executives, is designed to motivate executives to focus on operating results and create long-term shareholder value by:

establishing a plan that attracts, retains and motivates executives through compensation that is competitive with a peer group of other publicly-traded real estate investment trusts, or REITs;

linking a portion of each executive's compensation to the achievement of the Company's business plan by using measurements of the Company's operating results and shareholder return; and

building a pay-for-performance system that encourages and rewards successful initiatives within a team environment.

The salaries and bonuses in the Company's recently executed executive employment agreements are consistent with the Committee's philosophy and objectives.

The Committee believes that each of the above factors is important when determining compensation levels for named executive officers. The Committee reviews and approves the employment contracts for the Chairman of the Board and the President and Chief Executive Officer, and other named executive officers, including performance goals and objectives. The Committee annually evaluates performance of the named executive officers in light of those goals and objectives. The Committee considers the Company's performance, relative shareholder return, the total compensation provided to comparable officers at similarly-situated companies, and compensation given to the named executive officers in prior years. The Company uses the annual Compensation Survey published by NAREIT (the "Survey") as a guide to setting compensation levels. Participant company data is not presented in a manner that specifically identifies any named individual or company. This Survey details compensation by position type and company size with statistical salary and bonus information for each position. The Compensation Committee compares the Company's salary and bonus amounts to the ranges presented for reasonableness. The Committee believes executive compensation packages provided by the Company to its executive officers should include both base salaries and annual bonus awards that reward corporate and individual performance, as well as give incentives to executives to meet or exceed established goals.

Role of Executive Officers in Compensation Decisions

The Committee makes all final compensation decisions for the Company's named executive officers. The Chairman of the Board and the President and Chief Executive Officer review the performance of the other named executive officers and then present their conclusions and recommendations to the Committee with respect to base salary adjustments and annual cash bonus and stock option awards. The Committee exercises its own discretion in modifying any recommended adjustments or awards, but does consider the recommendations from management who work closely with the other named executive officers.

Role of Grants of Stock Options and Restricted Stock in Compensation Analysis

The Committee views the grant of stock options and restricted stock awards as a form of long-term compensation. The Committee believes that such grants promote the Company's goal of retaining key employees, and align the key employees' interests with those of the Company's shareholders from a long-term perspective. The number of options or shares of restricted stock granted to each employee is determined by consideration of various factors including but not limited to the employee's contribution, title, responsibilities, and years of service.

Role of Employment Agreements in Determining Executive Compensation

Each of the Company's currently employed named executive officers is a party to an employment agreement. These agreements provide for base salaries, bonuses and customary fringe benefits. The key elements of the Company's compensation program for the named executive officers are base salary, bonuses, stock options and perquisites and other benefits. Each of these is addressed separately below. In determining initial compensation, the Committee considers all elements of a named executive officer's total compensation package in comparison to current market practices and other benefits.

Shareholder Advisory Vote

One way to determine if the Company's compensation program reflects the interests of shareholders is through their non-binding vote. At the Annual Meeting of Shareholders held on May 13, 2014, the Company's shareholders approved by their advisory vote the compensation of the named executive officers.

Base Salaries

Base salaries are paid for ongoing performance throughout the year. In order to compete for and retain talented executives who are critical to the Company's long-term success, the Committee has determined that the base salaries of named executive officers should approximate those of executives of other equity REITs that compete with the Company for employees, investors and business, while also taking into account the named executive officers' performance and tenure, and the Company's performance relative to its peer companies within the REIT industry using the NAREIT Compensation Survey described above.

Bonuses

In addition to the provisions for base salaries under the terms of their employment agreements, the Chairman of the Board, and the President and Chief Executive Officer, are entitled to receive annual cash bonuses for each year during the terms of each respective agreement. These bonuses are based on the achievement of certain performance goals set by the Committee as described below.

For the Chairman of the Board:

Growth in market cap Bonus	7.5	%	12.5	%	20	%
	\$20,000		\$45,000		\$90,000	
Growth in FFO/share Bonus	7.5	%	12.5	%	20	%
	\$20,000		\$45,000		\$90,000	
Growth in dividend/share Bonus	5	%	10	%	15	%
	\$30,000		\$60,000		\$120,000	
Maximum Bonus Potential	\$300,000					

For the President and Chief Executive Officer (effective throughout fiscal 2015 and through September 30, 2016):

Growth in market cap Bonus	10	%	15	%	20	%
	\$20,000		\$40,000		\$60,000	
Growth in AFFO/share Bonus (1)	15	%	20	%	25	%
	\$20,000		\$45,000		\$90,000	
Growth in dividend/share Bonus	5	%	10	%	15	%
	\$30,000		\$60,000		\$120,000	
Maximum Bonus Potential	\$270,000					

(1) Provided that FFO is in excess of the dividend

For the President and Chief Executive Officer (effective October 1, 2016):

Growth in market cap		10	%	15	%	20	%	
Bonus		\$40,000		\$60,000		\$80,000		
Growth in AFFO/share	5	%	10	%	15	%	20	%
Bonus (1)	\$50,000		\$75,000		\$100,000		\$150,000	
Growth in dividend/share	5	%	10	%	15	%		
Bonus	\$150,000		\$200,000		\$250,000			
Maximum Bonus Potential	\$480,000							

(1) Provided that FFO is equal or in excess of the dividend

In addition to its determination of the executives' individual performance levels for fiscal 2015, the Committee compared the executives' total compensation for fiscal 2015 to that of similarly-situated personnel in the REIT industry using the NAREIT Compensation Survey described above. The Company's salary and bonus amounts were compared to the ranges presented for reasonableness. For fiscal 2015, the Company's total compensation fell in the lowest range (25th percentile) of this Survey.

Bonuses awarded to the other named executive officers are recommended by the Chairman of the Board and the President and Chief Executive Officer and are approved by the Committee. The Committee believes that short-term rewards in the form of cash bonuses to senior executives generally should reflect short-term results and should take into consideration both the profitability and performance of the Company and the performance of the individual, which may include comparing such individual's performance to the preceding year, reviewing the breadth and nature of the senior executive's responsibilities and valuing special contributions by each such individual. In evaluating the performance of the Company annually, the Committee considers a variety of factors, including, among others, Funds From Operations (FFO), Adjusted Funds From Operations (AFFO), net income, growth in asset size, amount of space under lease and total return to shareholders. The Company considers FFO to be an important measure of an equity REIT's operating performance and has adopted the definition suggested by the National Association of Real Estate Investment Trusts (NAREIT), which defines FFO to mean net income computed in accordance with U.S. GAAP, excluding gains or losses from sales of property, plus real estate related depreciation and amortization. The Company defines AFFO as FFO plus acquisition costs less recurring capital expenditures and excluding the following: lease termination income, gains or losses on securities transactions, stock compensation expense, amortization of financing and leasing costs, depreciation of corporate office tenant improvements and straight-line rent adjustments. The Company considers FFO and AFFO to be meaningful additional measures of operating performance, primarily because they exclude the assumption that the value of its real estate assets diminishes predictably over time and because industry analysts have accepted these as performance measures.

Other factors considered include the employee's title and years of service. The employee's title generally reflects the employee's responsibilities and the employee's years of service may be considered in determining the level of bonus in comparison to base salary. The Committee has declined to use specific performance formulas with respect to the other named executive officers, believing that with respect to Company performance, such formulas do not adequately account for many factors, including, among others, the relative performance of the Company compared to its competitors during variations in the economic cycle, and that with respect to individual performance, such formulas are not a substitute for the subjective evaluation by the Committee of a wide range of management and leadership skills of each of the senior executives.

Stock Options and Restricted Stock

The employment agreement for the Chairman of the Board states that he will receive stock options to purchase 65,000 shares annually. The employment agreement for the President and Chief Executive Officer states that he will be entitled to equity awards of up to 25,000 shares of restricted stock each year based on achievement of performance objectives as determined by the Compensation Committee. For the other senior executives, the Chairman of the Board and the President and Chief Executive Officer make a recommendation to the Committee of specific stock option or restricted stock grants. In making its decisions, the Committee does not use an established formula or focus on a specific performance target. The Committee recognizes that often outside forces beyond the control of management, such as economic conditions, changing leasing and real estate markets and other factors, may contribute to less favorable near term results even when sound strategic decisions have been made by the senior executives to position the Company for longer term profitability. Thus, the Committee also attempts to identify whether the senior executives are exercising the kind of judgment and making the types of decisions that will lead to future growth and enhanced asset value, even if the same are difficult to measure on a current basis. For example, in determining appropriate stock option and restricted stock awards, the Committee considers, among other matters, whether the senior executives have executed strategies that will provide adequate funding or appropriate borrowing capacity for future growth, whether acquisition and leasing strategies have been developed to ensure a future stream of reliable and increasing revenues for the Company, whether the selection of properties, tenants and tenant mix evidence appropriate risk management, including risks associated with real estate markets and tenant credit, and whether the administration of staff size and compensation appropriately balances the current and projected operating requirements of the Company with the need to effectively control overhead costs.

In fiscal 2015, the Committee received the recommendations from the Chairman of the Board and the President and Chief Executive Officer for the amount of restricted stock and cash bonuses to be awarded. The factors that were considered in awarding the restricted stock and cash bonuses included the following progress that was made by the Company due to the efforts of management:

Achieved over \$1.1 billion in total market capitalization resulting in year over year growth of 17% in fiscal 2015

Achieved over 13.9 million total rentable square feet resulting in year over year growth of 24% in fiscal 2015

Generated 11.5% year over year AFFO per share growth in fiscal 2015

Located and acquired ten industrial properties totaling approximately 2,729,000 square feet as per its investment strategy without placing undue burden on liquidity

During the fiscal years ended September 30, 2014 and 2015, completed nine property expansions totaling \$39.5 million, generating over \$4.0 million in additional rental revenue and are in the process of completing four additional property expansions totaling \$18.4 million which will generate additional rental revenue of approximately \$1,705,000

Entered into commitments to acquire nine industrial properties in fiscal 2016 and fiscal 2017 of which two were acquired during the first quarter of fiscal 2016

Raised approximately \$48.4 million through the DRIP during fiscal 2015

Renewed all six leases that were scheduled to expire in fiscal 2015, resulting in a 100% tenant retention rate and on terms resulting in an increase in the weighted average lease rate of 6.3% on a U.S. GAAP straight-line basis and an increase in the weighted average lease rate of 1.0% on a cash basis

Achieved 97.7% occupancy

Leased a partially vacant property and leased two previously vacant properties whose leases became effective subsequent to the fiscal yearend, which resulted in an increase in occupancy to 99.5%

Managed general and administrative costs to an appropriate level

Continued its conservative approach to management of the properties and maintained its cash dividends to shareholders

On October 1, 2015, the Company's Board of Directors approved a 6.7% increase in the Company's quarterly common stock dividend, raising it to \$0.16 per share from \$0.15 per share, representing an annualized dividend rate of \$0.64 per share, resulting in the Company being able to maintain or increase its cash dividend for twenty-four consecutive years.

After considering the recommendations of the Chairman of the Board and the President and Chief Executive Officer, the Committee allocated the individual awards to the named executive officers based on the named executive officers' individual contributions to these accomplishments. Other factors considered in this allocation included the named executive officers' responsibilities and years of service.

In addition, the awards were compared to each named executive officer's total compensation and compared with comparable Real Estate Investment Trusts (REITS) using the annual Compensation Survey published by NAREIT as a guide for setting total compensation. The Company's salary and bonus amounts were compared to the ranges presented for reasonableness. For fiscal 2015, the Company's total compensation fell in the lowest range (25th percentile) of this Survey.

Perquisites and Other Personal Benefits

The Company's employment agreements provide the named executive officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

The named executive officers are provided the following benefits under the terms of their employment agreements: an allotted number of paid vacation weeks; eligibility for the executive, as well as spouse and dependents where applicable, in all Company sponsored employee benefits plans, including 401(k) plan, group health, accident, and life insurance, on terms no less favorable than applicable to any other executive; and supplemental disability insurance, at the Company's cost, as agreed to by the Company and the named executive officer. Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended September 30, 2015, are included in "All Other Compensation" of the Summary Compensation Table provided below in this Proxy Statement.

Payments upon Termination or Change in Control

In addition, the named executive officers' employment agreements each contain provisions relating to change in control events. The employment agreements also contain severance or continuation of salary payments upon any termination of the named executive officers' employment, except in the case of Mr. Miller or Ms. Nagelberg, whose severance payments are for events other than for cause (as defined under the terms of the employment agreements). These change in control and severance terms have been deemed reasonable by the Compensation Committee. Information regarding these provisions is included in "Employment Agreements" provided below in this Proxy Statement. There are no other agreements or arrangements governing change in control payments.

Evaluation

Mr. Eugene Landy is employed under an Amended Employment Agreement with the Company. In January 2016, based on the Committee's evaluation of his performance, his base compensation under his amended contract was increased from \$410,000 to \$430,500 per year.

In evaluating Mr. Eugene Landy's eligibility for an annual bonus, the Committee used the bonus schedule included in Mr. Eugene Landy's Amended Employment Agreement as a guide.

The Compensation Committee also reviewed the progress made by Mr. Michael Landy, President and Chief Executive Officer. Mr. Michael Landy is employed under an employment agreement with the Company. His base compensation under this contract is \$551,250 for fiscal 2016. Effective October 1, 2016, Mr. Landy's annual base compensation will be increased to \$750,000 and will increase by 5% each year through fiscal 2021. The amended employment agreement has an initial term of five years, and is renewed automatically for a new five-year term on the first day of each calendar quarter after the effective date unless otherwise terminated. Under the amended employment agreement, if Mr. Landy's employment is terminated for any reason, either voluntarily or involuntarily, including the death of Mr. Landy or termination for cause, Mr. Landy will be entitled to receive his base salary plus base target bonuses due under the amended employment agreement for the remaining term of the amended employment agreement (as renewed). The amended employment agreement also provides that, upon a change of control of the Company (as defined in the amended employment agreement and discussed below), the amended employment agreement will automatically renew for five years from the date of the change in control and Mr. Landy will have the right to terminate the amended employment agreement and continue to receive the base salary plus base target bonuses and restricted stock awards he would have been entitled to receive during the remaining term of the amended employment agreement. Upon execution of the amended employment agreement, Mr. Landy received a cash signing bonus of \$400,000 in recognition of the substantial progress that the Company has made under his leadership.

In evaluating Mr. Michael Landy's eligibility for an annual bonus, the Compensation Committee used the bonus schedule included in Mr. Michael Landy's employment agreement as a guide.

The Committee has also approved the recommendations of the Chairman of the Board and the President and Chief Executive Officer concerning the other named executive officers' annual salaries, bonuses, restricted stock grants and fringe benefits.

Effective January 1, 2016, Mr. Miller's annual base compensation was increased to \$360,000 for the calendar year ending December 31, 2016, and will increase by 5% each calendar year through December 31, 2018. Equity Compensation Plan Information

On July 26, 2007, the 2007 Stock Option and Stock Award Plan (the 2007 Plan) was approved by the Company's shareholders authorizing the grant to officers, directors and key employees, of options to purchase up to 1,500,000 shares of common stock. On May 6, 2010, the Company's shareholders approved an amendment and restatement of the 2007 Plan. The amendment and restatement made two significant changes: (1) the inclusion of directors as participants in the 2007 Plan, and (2) the ability to grant restricted stock to directors, officers and key employees. The amendment and restatement also made other conforming, technical and other minor changes. The amendment also makes certain modifications and clarifications, including concerning administration and compliance with applicable tax rules, such as Section 162(m) of the Internal Revenue Code.

Options to purchase 65,000 shares were granted during fiscal 2015 and options to purchase 81,200 shares were exercised during fiscal 2015. In addition, during fiscal 2015, 47,000 shares of restricted common stock were granted at a grant date fair value of \$9.96 per share and 11,000 shares of restricted common stock were granted with a fair value on the grant date of \$9.52. As of September 30, 2015, the number of shares remaining for the future grant of stock options or restricted stock under the 2007 Plan is 546,646.

Options may be granted under the 2007 Plan any time through March 26, 2017. No option granted under the 2007 Plan shall be available for exercise beyond ten years. Generally, options are exercisable after one year from the date of grant. The option price under the 2007 Plan may not be below the fair market value at date of grant. Canceled or expired options are added back to the "pool" of shares available under the 2007 Plan.

Under the 2007 Plan, the Compensation Committee determines the recipients of restricted stock awards; the number of restricted shares to be awarded; the length of the restricted period of the award; the restrictions applicable to the award including, without limitation, the employment or retirement status of the participant; rules governing forfeiture and restrictions applicable to any sale, assignment, transfer, pledge or other encumbrance of the restricted stock during the restricted period; and the eligibility to share in dividends and other distributions paid to the Company's shareholders during the restricted period. The maximum number of shares underlying restricted stock awards that may be granted in any one fiscal year to a participant is 100,000.

Grants of Plan-Based Awards

All restricted stock awards granted during fiscal year 2015 vest 20% per year over a five year period and all dividends earned are reinvested in restricted stock. Mr. Eugene Landy's incentive bonus schedule is detailed in the Fourth Amendment and is based on progress toward achieving certain target levels of growth in market capitalization, funds from operations and dividends per share. Pursuant to the Amended Employment Agreement, Mr. Eugene Landy will receive each year, an option to purchase 65,000 shares of the Company's common stock. Mr. Eugene Landy is entitled to five weeks paid vacation annually, and he is entitled to participate in the Company's employee benefit plans.

The Company retains the discretion to compensate any officer upon any future termination of employment or a change-in-control. The Compensation Committee has assessed our compensation program for the purpose of viewing and considering any risks presented by our compensation policies and practices that are likely to have a material adverse effect on us. As part of that assessment, management reviewed the primary elements of our compensation program, including base salary, annual bonus opportunities, equity compensation and severance arrangements. Management's risk assessment included a review of the overall design of each primary element of our compensation program, and an analysis of the various design features, controls and approval rights in place with respect to

compensation paid to management and other employees that mitigate potential risks to us that could arise from our compensation program. Following the assessment, management determined that our compensation policies and practices did not create risks that were reasonably likely to have a material adverse effect on us and reported the results of the assessment to the Compensation Committee.
