INFORMATION TO BE INCLUDED IN THE REPORT

REPRESENTATION AND WARRANTY INFORMATION

Item 1.02 Periodic Filing of Rule 15Ga-1 Representations and Warranties Disclosure

In September 2018, Collateral Finance Corporation (the “Originator”) organized and initiated the issuance of precious metals loan-backed securities, which were privately issued by AM Capital Funding, LLC (the “Issuer”) on September 14, 2018 (the “Closing Date”). The Issuer is a wholly-owned subsidiary of the Originator, which is a wholly-owned subsidiary of A-Mark Precious Metals, Inc. (the “Securitizer”). The underlying transaction agreements relating to this issuance provides a covenant of the Originator to repurchase individual pool assets (the “Metals Loans”) from the Issuer upon the breach of certain representations and warranties made by the Originator concerning the Metals Loans. The Originator did not receive any demands to repurchase any of the Metals Loans from the Closing Date to the quarterly period ending on December 31, 2018. Accordingly, the Securitizer has no repurchase demand activity to report, which it has indicated by checking the appropriate box on the cover page of this initial Form ABS-15G.
