Item 1.01 Entry Into a Material Definitive Agreement.

On February 2, 2007, UST Inc. (the Company) issued a press release announcing that on February 1, 2007 it entered into a purchase and sale agreement (the Agreement) providing for the sale of its principal executive offices and surrounding properties, located at 100 West Putnam Avenue and 17 Field Point Road in Greenwich, CT (the Property) to Antares 100WP LLC (Antares). A copy of this press release is attached hereto as Exhibit 99.1. Pursuant to the Agreement:

The purchase price for the Property is \$130 million (Purchase Price);

In connection with the sale of the Property, the Company and Antares will execute a short-term lease for the Property through the period ending September 30, 2007, pursuant to which the Company will continue to occupy the Property and pay a fixed minimum rent of ten dollars (\$10), along with additional rent covering taxes and utility expenses, for the entire lease term;

Upon execution of the Agreement, Antares delivered a non-refundable deposit of \$10 million, which will be applied against the Purchase Price;

Antares is acquiring the Property as is, and will assume any and all risks of any adverse physical and environmental conditions related to the past, present and future;

Antares releases the Company from any and all liabilities, claims and expenses arising from or related to the condition of the Property, including any environmental conditions;

The sale is expected to close on or about March 1, 2007, or such other date as may be agreed upon by the parties;

The Company will pay a real estate commission at closing to Cushman & Wakefield of Connecticut, Inc. pursuant to a separate agreement, and will pay applicable state and local real estate conveyance taxes, title company closing and escrow fees, and any other costs which are customary for sellers to pay at closing in the Town of Greenwich, CT.

The foregoing summary is qualified in its entirety by the text of the Agreement, which is attached hereto as Exhibit 10.1.

The Company expects to recognize a pre-tax gain on the sale of the Property of approximately \$105 million, which will result in additional net earnings of approximately \$66 million or \$.41 per diluted share. The imputed fair market value of rent payable under the aforementioned lease will result in a negative impact to net earnings of approximately \$4 million, or \$.02 per diluted share, over the lease period, bringing the total impact of the transaction on full-year 2007 diluted earnings per share to \$.39.
