Item 8.01 Other Events

On June 6, 2016, Enterprise Bancorp, Inc. (the “Company”) issued a press release, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference, announcing amendments to its previously announced rights offering to its existing shareholders (the “Rights Offering”) and supplemental community offering to new investors (the “Community Offering” and, together with the Rights Offering, the “Offerings”). Based on the substantial support of its existing shareholders in the Rights Offering and the considerable interest from new investors in the Community Offering, the Company increased the number of shares of its common stock issuable to accommodate oversubscription requests in the Rights Offering and to facilitate sales of shares to new investors in the Community Offering from 93,023 shares to 465,116 shares, resulting in an aggregate of 930,232 shares issuable in the Offerings. The purchase price for the shares sold in the Offerings remains unchanged at \$21.50 per share. As a result of the increase in the number of shares, the Company has the capability to raise up to \$20 million in capital from the Offerings.

Due to the increase in the Offerings size, the Company is providing shareholders who exercised their subscription rights by 5:00 p.m., Eastern Daylight Time, on May 27, 2016, the expiration date for the Rights Offering, and new investors who submitted subscription agreements in the Community Offering on or prior to June 10, 2016 the option to fully or partially withdraw their subscriptions by 5:00 p.m., Eastern Daylight Time, on June 17, 2016.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any offer, solicitation or sale of securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
