-

**Item 1.01 Entry into a Material Definitive Agreement**

On July 27, 2006, our Board of Directors adopted the 2006 Employee Bonus Plan (the Plan) for certain employees, including executive officers. The Plan is a variable cash incentive program designed to motivate participants to achieve financial and other performance objectives, and to reward them for their achievements when those objectives are met. The Plan is a discretionary bonus plan, and all payments thereunder are made solely at the discretion of the Board of Directors, as the plan administrator.

The amount of bonus payments actually made to individual employees will be based on the achievement of (i) certain individual performance objectives tailored to each employee's role in the Company and (ii) certain Company performance objectives tied to the Company's annual revenues and non-GAAP operating income, which excludes expenses for stock-based compensation. The Compensation Committee establishes the performance measures for each executive officer and has the authority to modify these measures quarterly throughout the year as appropriate.

The table below describes the maximum potential bonus for fiscal year 2006 for the Company's executive officers. Such amounts may be adjusted downward based upon each executive's achievement of his or her individual objectives, as well as the Company's achievement of the corporate objectives described above:

	<b>Maximum Potential Annual Bonus 2006</b>
CEO	\$ 80,000
CFO	\$ 70,000
VP Operations	\$ 70,000
VP Sales	\$ 70,000
All Other Eligible Executives	\$ 50,000

This description of the 2006 Employee Bonus Plan is qualified in its entirety by the Plan, which is filed as Exhibit 10.1 to this report on Form 8-K and incorporated herein by reference.
