Item 1.01 Entry into a Material Definitive Agreement.

On August 4, 2017, Corcept Therapeutics Incorporated (“Corcept”) entered into a distribution services agreement (the “Agreement”) with Optime Care, Inc. (“Optime”) to provide specialty pharmacy services to Corcept.

Under the terms of the Agreement, subject to certain exceptions, Optime will act as the exclusive specialty pharmacy distributor of Korlym® in the United States for the term of the Agreement. Optime will provide services related to pharmacy operations; patient intake, access and reimbursement; patient support; claims management and accounts receivable; and reporting. The initial term of the Agreement is five years from the effective date of August 4, 2017, unless earlier terminated pursuant its terms. The Agreement may be extended by the mutual written agreement of the parties. Under the terms of the Agreement, Optime will dispense Korlym to patients. Ownership of each Korlym shipment will pass directly to the patient when the patient receives it. At no time will Optime have title to the Korlym product.

The Agreement contains customary termination provisions, representations, warranties and covenants. Subject to certain limitations, Corcept will indemnify Optime for third-party claims related to Korlym. Each party will indemnify the other for certain breaches of representations, warranties, covenants and other specified matters.

The foregoing description of the Agreement is qualified in its entirety by reference to the Agreement, which will be filed as an exhibit to Corcept’s Quarterly Report on Form 10-Q for the period ending September 30, 2017.
