CALCULATION OF REGISTRATION FEE

Title of securities to be registered	Amount to be registered (1)	Proposed maximum offering price per share (2)	Proposed maximum aggregate offering price (2)	Amount of registration fee (3)
Common units representing limited partner interests	312,736 (2)	\$16.28	\$5,091,342	\$590.09

- (1) This registration statement (the **Registration Statement**) covers the issuance of an aggregate of 312,736 common units representing limited partner interests (**AMID Common Units**) of American Midstream Partners, LP, a Delaware limited partnership (**AMID**, the **Registrant**, **we** and **our**). At the effective time of the Merger (as defined in the Explanatory Note below), 541,534 common units representing limited partner interests (**JPEP Units**) of JP Energy Partners LP, a Delaware limited partnership (**JP Energy**) are issuable upon the vesting of outstanding phantom units relating to JPEP Units. In connection with the Merger, AMID assumed the 2014 Plan and renamed it as the **American Midstream Partners, LP Amended and Restated 2014 Long-Term Incentive Plan**. As adjusted for the 0.5775 exchange ratio in connection with the Merger (as described in the Explanatory Note below), 312,736 AMID Common Units are to be registered hereunder. Pursuant to Rule 416(a) of the Securities Act of 1933, as amended (the **Securities Act**), this Registration Statement shall also cover such additional Common Units that become issuable under the American Midstream Partners, LP Amended and Restated 2014 Plan by reason of any unit dividend, unit split, recapitalization or any other similar transaction effected without the receipt of consideration which results in an increase in the number of AMID Common Units.
- (2) Estimated solely for the purpose of calculating the registration fee and computed pursuant to Rule 457(c) and Rule 457(h) on the basis of the average of the high and low prices per AMID Common Unit reported on the New York Stock Exchange on March 6, 2017.
- (3) Determined in accordance with Section 6(b) of the Securities Act at a rate equal to \$115.90 per \$1,000,000 of the proposed maximum aggregate offering price. Pursuant to Rule 457(p) under the Securities Act, the total amount of the registration fee due is offset in its entirety by \$5,914.24, representing the dollar amount of the filing fee previously paid by JP Energy that corresponds to 3,101,166 unsold JPEP Units registered pursuant to JP Energy's Registration Statement on Form S-8 (File No. 333-200074) filed under the Securities Act on November 20, 2014.

EXPLANATORY NOTE

Pursuant to an Agreement and Plan of Merger, dated as of October 23, 2016 (the Merger Agreement), by and among AMID, American Midstream GP, LLC, a Delaware limited liability company, JP Energy, JP Energy GP II LLC, a Delaware limited liability company, Argo Merger GP Sub, LLC, a Delaware limited liability company, and Argo Merger Sub, LLC, a Delaware limited liability company, Argo Merger Sub, LLC merged with and into JP Energy, with JP Energy continuing as the surviving entity and as a wholly owned subsidiary of AMID (the Merger).

Pursuant to the Merger Agreement, among other things, each award of phantom units relating to the JPEP Units (JPE Phantom Units) outstanding as of immediately prior to the effective time of the Merger was converted into the right to receive an award of phantom units relating to AMID Common Units on the same terms and conditions as were applicable to the award of JPE Phantom Units, except that the number of AMID Common Units covered by such award is equal to the number of JPEP Units subject to the corresponding award of JPE Phantom Units multiplied by 0.5775 (the Exchange Ratio), rounded up to the nearest whole unit. In addition, pursuant to the Merger Agreement, AMID assumed the obligations of JP Energy under the 2014 Plan, and, in connection therewith, amended and restated the 2014 Plan to reflect the new name of the plan as American Midstream Partners, LP Amended and Restated 2014 Long-Term Incentive Plan.

This Registration Statement on Form S-8 is filed by the Registrant for the purpose of registering 312,736 AMID Common Units reserved and available for issuance under the American Midstream Partners, LP Amended and Restated 2014 Long-Term Incentive Plan.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 7.7 of the Registrant's Second Amended and Restated Agreement of Limited Partnership, as amended to date (the Partnership Agreement) provides that the Registrant will indemnify the following persons, in most circumstances, to the fullest extent permitted by law, from and against all losses, claims, damages or similar events:

the Registrant's general partner;

any departing general partner;

any person who is or was an affiliate of the Registrant's general partner or any departing general partner;

any person who is or was a member, manager, partner, director, officer, fiduciary or trustee of the Registrant, its subsidiaries, its general partner, any departing general partner or any of their affiliates;

any person who is or was serving at the request of the Registrant's general partner or any departing general partner as an officer, director, member, manager, partner, fiduciary or trustee of another person; and

any person designated by the Registrant's general partner.

Any indemnification under these provisions will only be out of the Registrant's assets. Unless it otherwise agrees, the Registrant's general partner will not be personally liable for, or have any obligation to contribute or loan funds or assets to the Registrant to enable it to effectuate, indemnification. The Registrant may purchase insurance against liabilities asserted against and expenses incurred by persons for the Registrant's activities, regardless of whether the Registrant would have the power to indemnify the person against liabilities under the Partnership Agreement.

Edgar Filing: American Midstream Partners, LP - Form S-8

Subject to any terms, conditions, or restrictions set forth in the Partnership Agreement, Section 17-108 of the Delaware Revised Uniform Limited Partnership Act empowers a Delaware limited partnership to indemnify and hold harmless any partner or other persons from and against all claims and demands whatsoever. The Registrant maintains directors and officers liability insurance for the benefit of its directors and officers.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act.
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.
 - (2) That, for the purpose of determining any liability of the Registrant under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered hereby which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in

the Securities Act and will be governed by the final adjudication of such issue.
