CORPORATE GOVERNANCE

Leadership Structure and Role in Risk Oversight

The Company's current board leadership structure separates the board chair and principal executive officer roles into two positions. Mr. Ku has served as both Chairman of the Board and CEO of the Company since April 1, 2009. Our Board continues to believe there are important advantages to Mr. Ku serving in both roles at this time. Mr. Ku is the director most familiar with our business and industry and is best situated to propose Board agendas and lead Board discussions on important matters. Mr. Ku provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Another advantage is the clarity of leadership provided by one person representing us to employees, stockholders and other stakeholders. The Board has not named a lead independent director.

Our Board is responsible for oversight of the Company's risk management practices while management is responsible for the day-to-day risk management processes. In the Board's opinion, this division of responsibilities is the most effective approach for addressing the risks facing the Company. The Board receives periodic reports from management regarding the most significant risks facing the Company. In addition, the Audit Committee assists the Board in its oversight of our risk assessment and risk management policies. Our Audit Committee is empowered to appoint and oversee our independent registered public accounting firm, monitor the integrity of our financial reporting processes and systems of internal controls and provide an avenue of communication among our independent auditors, management, our internal auditing department and our Board.

Diversity

The Board does not have a formal policy with respect to Board nominee diversity. In recommending proposed nominees to the full Board, the Corporate Governance and Nominating Committee is charged with building and maintaining a board that has an ideal mix of talent and experience to achieve our business objectives in the current environment. In particular, the Corporate Governance and Nominating Committee is focused on relevant subject matter expertise, depth of knowledge in key areas that are important to us, and diversity of thought, background, perspective and experience so as to facilitate robust debate and broad thinking on strategies and tactics pursued by us.

Director Independence

Xiaoping Guo, LuLu Sun and Xiaogang Zhu are our only non-employee directors, and our Board has determined that each of them is independent pursuant to the listing rules of NASDAQ. All of the members of each of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are independent as defined in NASDAQ Rule 5605(a)(2). As required under applicable NASDAQ listing standards, in the 2017 fiscal year, our independent directors met twice in regularly scheduled executive sessions at which only our independent directors were present.

Mr. Xiaogang Zhu, a nominee for director, is a former employee of the Company. Our Board has determined that, as of the date of the 2019 Annual Meeting, Mr. Zhu will be “independent” under the independence requirements of Rule 10A-3 promulgated under the Securities Exchange Act of 1934 and as defined by NASDAQ Rule 5605(a)(2).

Board Meetings and Committee Meeting; Annual Meeting Attendance

During the year ended December 31, 2018, the Board held 2 meetings and acted through unanimous consent on 8 different occasions. In addition, the Audit Committee held 4 meetings; the Corporate Governance and Nominating Committee held 1 meeting; and the Compensation Committee held 1 meeting. During the year ended December 31, 2018, each of the directors attended, in person or by telephone, more than 75% of the meetings of the Board and the committees on which he or she served. We encourage our Board members to attend our Annual Meetings, but we do not have a formal policy requiring attendance. Some of our then-sitting Board members attended the 2018 Annual Meeting.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee currently consists of Xiaoping Guo, Xiaogang Zhu and LuLu Sun. Ms. LuLu Sun is the chairman of our Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee oversees all aspects of the Company's corporate governance functions on behalf of the Board, including identifying individuals qualified to become directors, recommending to the Board the selection of director nominees for each meeting of the stockholders at which directors are elected and overseeing the monitoring and evaluation of the Company's corporate governance practices. The Corporate Governance and Nominating Committee reviewed the performance of all of the current members of the Board and determined and recommended to the Board that all of the current directors should be nominated for re-election. No other candidates were recommended or evaluated. The Corporate Governance and Nominating Committee operates under a written charter, which is available on our website at www.creg-cn.com under the links "Investor Relations – Corporate Governance."

Selection of Board Nominees

Our Corporate Governance and Nominating Committee is responsible for identifying, selecting and evaluating Board candidates. From a general perspective, candidates are reviewed in the context of the existing Board members, our operating requirements and the long-term interests of our stockholders. In selecting candidates for appointment or re-election to the Board, the Corporate Governance and Nominating Committee of the Board considers the following criteria: (i) personal and professional ethics and integrity, including a reputation for integrity and honesty in the business community; (ii) experience as an executive officer of companies or as a senior leader of complex organizations, including scientific, government, financial or technological organizations; (iii) financial knowledge, including an understanding of finance, accounting, the financial reporting process, and company measures for operating and strategic performance; (iv) ability to critically and independently evaluate business issues, contributing diverse perspectives or viewpoints, and making practical and mature judgments; (v) a genuine interest in the Company, and the ability to spend the time required to make substantial contributions as a director; and (vi) no conflict of interest or legal impediment that would interfere with the duty of loyalty to the Company and its stockholders. In addition, the Corporate Governance and Nominating Committee reviews the qualifications of the directors to be appointed to serve as members of the Audit Committee to ensure that they meet the financial literacy and sophistication requirements under the NASDAQ rules and that at least one of them qualifies as an "audit committee financial expert" under the rules of the SEC.

Audit Committee

The Audit Committee currently consists of Xiaoping Guo, Xiaogang Zhu and LuLu Sun, each of whom is independent under NASDAQ listing standards. Xiaogang Zhu serves as chairman of our Audit Committee.

The Board determined that Mr. Zhu qualifies as an “audit committee financial expert,” as defined by NASDAQ Rule 5605(a)(2) and Item 407 of Regulation S-K. In reaching this determination, the Board made a qualitative assessment of Mr. Zhu’s level of knowledge and experience based on a number of objective and subjective factors, including formal education, financial and accounting acumen, and business experience. The Audit Committee is responsible for assisting the Board in fulfilling its oversight responsibilities with respect to: (i) the financial reports and other financial information provided by us to the public or any governmental body; (ii) our compliance with legal and regulatory requirements; (iii) our systems of internal controls regarding finance, accounting and legal compliance that have been established by management and the Board; (iv) the qualifications and independence of our independent registered public accounting firm; (v) the performance of our internal audit function and the independent registered public accounting firm; and (vi) our auditing, accounting and financial reporting processes generally. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Exchange Act. In connection with its responsibilities, the Board has delegated to the Audit Committee the authority to select and hire our independent registered public accounting firm and determine their fees and retention terms. The Audit Committee’s policy is to pre-approve all audit and non-audit services by category, including audit-related services, tax services, and other permitted non-audit services. In accordance with the policy, the Audit Committee regularly reviews and receives updates on specific services provided by our independent registered public accounting firm. All services rendered by MJF and Associates, APC to the Company are permissible under applicable laws and regulations. During fiscal year 2018, all services requiring pre-approval and performed by the Company’s accounting firm, MJF and Associates, APC, were approved in advance by the Audit Committee in accordance with the pre-approval policy. The Audit Committee operates under a written charter, which is available on our website at www.creg-cn.com under the links “Investor Relations – Corporate Governance.”

Compensation Committee

The Compensation Committee currently consists of Xiaoping Guo, Xiaogang Zhu and LuLu Sun. Mr. Guo is the chairman of our Compensation Committee. The Compensation Committee's purpose is (i) to oversee the Company's efforts to attract, retain and motivate members of the Company's senior management team, (ii) to carry out the Board's overall responsibility relating to the determination of compensation for all executive officers, (iii) to oversee all other aspects of the Company's compensation policies, and (iv) to oversee the Company's management resources, succession planning and management development activities. The Compensation Committee has the authority to engage independent advisors to assist it in carrying out its duties. During fiscal year 2018, the Compensation Committee did not engage the services of any independent advisors, experts or other third parties. We believe that the functioning of our Compensation Committee complies with any applicable requirements of NASDAQ and SEC rules and regulations. The Compensation Committee operates under a written charter, which is available on our website at www.creg-cn.com under the links "Investor Relations – Corporate Governance."

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

All members of the Compensation Committee are independent directors. With the exception of Mr. Xiaogang Zhu, no current member of our Compensation Committee is a current or former officer or employee of the Company or any of its subsidiaries, and no director or executive officer of the Company is a director or executive officer of any other corporation that has a director or executive officer who is also a director of the Company.

Narrative to Summary Compensation Table

In fiscal year 2018, the primary components of our executive compensation programs were base salary and equity compensation. We use base salary to fairly and competitively compensate our executives, including the named executive officers, for the jobs we ask them to perform. We view base salary as the most stable component of our executive compensation program, as this amount is not at risk. We believe that the base salaries of our executives should be targeted at or above the median of base salaries for executives in similar positions with similar responsibilities at comparable companies, consistent with our compensation philosophy. Because of our emphasis on performance-based compensation for executives, base salary adjustments are generally made only when we believe there is a significant deviation from the market or an increase in responsibility. Our Compensation Committee reviews the base salary levels of our executives each year to determine whether an adjustment is warranted or necessary.

Employment Contracts

Mr. Guohua Ku entered into an employment agreement with the Company to serve as its CEO on December 10, 2008. The agreement had a two-year term, starting December 10, 2008, that included a one-month probationary period.
