ITEM 1.01. Entry into a Material Agreement.

On May 20, 2015, Essex Property Trust, Inc. (the Company) entered into a Terms Agreement (the Terms Agreement) with Citigroup Global Markets Inc. (Citigroup) with respect to the issuance and sale (the Offering) by the Company of 250,000 shares of common stock (the Shares) to Citigroup as sole underwriter and sole bookrunning manager. The Shares were sold to Citigroup at a price of \$222.10 per Share. The Shares sold in the Offering were registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a registration statement on Form S-3 (File No. 333-195874). The Offering closed on May 26, 2015. Legal opinions related to the Shares are filed as Exhibits 5.2 and 8.1 to the registration statement on Form S-3 (File No. 333-195874) filed by the Company with the Securities and Exchange Commission (the SEC) on May 12, 2014.

The Company intends to contribute the approximately \$56 million in net proceeds from its issuance and sale of 250,000 Shares to Essex Portfolio, L.P. (the Operating Partnership), as to which the Company is general partner. Our Operating Partnership intends to subsequently use the net proceeds contributed by the Company for general corporate purposes, which may include the repayment of indebtedness, funding working capital and certain external investment activity. Pending application of the net proceeds from the sale of the Shares, such proceeds initially may be invested in short-term securities.

The Terms Agreement was entered into in connection with the Amended and Restated Equity Distribution Agreement dated August 28, 2014 (the Equity Distribution Agreement), by and among the Company and Citigroup. Each of the provisions of the Equity Distribution Agreement is incorporated into the Terms Agreement in its entirety, and is deemed to be part of the Terms Agreement to the same extent as if such provisions had been set forth in full in the Terms Agreement. Except to the extent set forth in the Terms Agreement, each of the representations and warranties of the Company set forth in the Equity Distribution Agreement is deemed to have been made at and as of the date of the Terms Agreement and the time at which the Shares are delivered. The Terms Agreement and the Equity Distribution Agreement contain customary representations, warranties and agreements of the Company, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions.

Citigroup and its affiliates have provided in the past and may provide from time to time in the future certain commercial banking, financial advisory, investment banking and other services for the Company and its affiliates in the ordinary course of their business, for which they have received and may continue to receive customary fees and commissions. In addition, from time to time, Citigroup and its affiliates may effect transactions for their own account or the account of customers, and hold on behalf of themselves or their customers, long or short positions in our debt or equity securities or loans, and may do so in the future. Affiliates of Citigroup are lenders under our \$1.0 billion unsecured line of credit facility and proceeds from this offering may be used to repay amounts outstanding under that facility. Because more than 5% of the proceeds of this offering may be received by affiliates of Citigroup in this Offering, this Offering is being conducted in compliance with the FINRA Rule 5121, as administered by FINRA. Pursuant to this rule, the appointment of a qualified independent underwriter is not necessary in connection with this Offering, as the Offering is of a class of securities having a bona fide public market contemplated by such rule.
