MEETING INFORMATION

This proxy statement is being furnished to Texas Capital Bancshares, Inc. (the Company) stockholders on April 20, 2004, in connection with the solicitation of proxies by the board of directors to be voted at the annual stockholders meeting (the Annual Meeting). The Annual Meeting will be on May 18, 2004, at 10:00 a.m. at the offices of the Company located at 2100 McKinney, 9th Floor, Dallas, Texas 75201. The Company is the parent corporation of Texas Capital Bank, National Association (the Bank).

The purpose of the Annual Meeting is to consider and vote upon:

1. election of fifteen (15) directors, and
2. other matters as may properly come before the Annual Meeting or any postponements or adjournments thereof.

RECORD DATE AND VOTING SECURITIES

You are entitled to one vote for each share of voting common stock you own. However, you will not be entitled to vote any shares of Series A-1 Non-voting Common Stock you own.

Your proxy will be voted in accordance with the directions you specify in the proxy. If you do not provide directions in the proxy but sign the proxy and return it, your proxy will be voted (a) FOR each of the nominees for director named in the proxy statement and (b) in the discretion of the proxy holders, for any other proposals that properly come before the Annual Meeting.

Only those stockholders that owned shares of our voting common stock on March 29, 2004, the record date established by the board of directors, will be entitled to vote at the Annual Meeting. At the close of business on the record date, there were 24,858,283 shares of voting common stock outstanding held by 656 identified holders.

QUORUM AND VOTING

In order to have a quorum to transact business at the Annual Meeting, at least a majority of the total number of issued and outstanding shares of common stock must be present at the Annual Meeting, in person or by proxy. If there are not sufficient votes for a quorum or to approve any proposal at the time of the Annual Meeting, the board of directors may postpone or adjourn the Annual Meeting in order to permit the further solicitation of proxies. Abstentions and broker non-votes will be counted toward a quorum but will not be counted in the votes for each of the proposals presented at the Annual Meeting.

Table of Contents

SOLICITATION AND VOTING OF PROXIES

It is important that you are represented by proxy or are present in person at the Annual Meeting. We request that you vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage paid envelope. Your proxy will be voted in accordance with the directions you provide. If you sign, date and return your proxy but do not provide any instructions, your proxy will be voted FOR each of the nominees as directors.

Other than the election of fifteen (15) directors, we are not aware of any additional matters that will be presented for consideration at the Annual Meeting. However, if any additional matters are properly brought before the Annual Meeting, your proxy will be voted in the discretion of the proxy holder.

You may revoke your proxy at any time prior to its exercise by:

1. filing a written notice of revocation with the secretary of the Company,
2. delivering to the Company a duly executed proxy bearing a later date, or
3. attending the Annual Meeting, filing a notice of revocation with the secretary and voting in person.

A plurality of the votes cast in person or by proxy by the holders of voting common stock is required to elect a director. The 15 nominees receiving the highest number of votes cast by the holders of voting common stock will be elected as directors. There will be no cumulative voting in the election of directors.

Abstentions and broker non-votes will have no effect on the outcome of the election of directors, assuming a quorum is present or represented by proxy at the Annual Meeting. With respect to all other matters, abstentions will have the same legal effect as a vote against such matters, and broker non-votes will have no effect on such matters. A broker non-vote occurs if a broker or other nominee holder of shares does not have discretionary authority and has not received voting instructions with respect to a particular matter.

Our board of directors is making this solicitation and the Company will pay the costs of this proxy solicitation. The directors, officers and regular employees of the Company and the Bank may also solicit proxies by telephone or in person but will not be paid additional compensation to do so.

In evaluating and determining whether to nominate a candidate for a position on the Company's board of directors, the Nominating Committee considers high professional ethics and values, relevant management experience and a commitment to enhancing stockholder value. In evaluating candidates for nomination, the Nominating Committee utilizes a variety of methods. The Nominating Committee regularly assesses the size of the board of directors, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the board of directors. Candidates may come to the attention of the Nominating Committee from current directors, stockholders, professional search firms, officers or other persons. The Nominating Committee will review all candidates in the same manner regardless of the source of the recommendation. The Nominating Committee was formed in 2004 and, as a result, did not meet during 2003.

He began his banking career at Texas American Bank in 1977, where he was the manager of the national corporate lending division of the flagship bank in Fort Worth. In 1985, Mr. Cargill became President and Chief Executive Officer of Texas American Bank/Riverside, Ft. Worth. Human Resources Committee Report on Executive Compensation

During 2003, the Human Resources Committee of the board of directors consisted of the four directors whose names appear below. Each member of the Human Resources Committee is an Independent director as defined in Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. listing standards and as further defined by recent statutory and rule changes. This report describes the elements of the Company's executive officer compensation programs and the basis on which 2003 compensation determinations were made by the Human Resources Committee with respect to the executive officers of the Company, including the Named Executives.

The Human Resources Committee has the following goals for compensation programs impacting the executive officers of the Company and the Bank:

to provide motivation for the executive officers and to enhance stockholder value by linking their compensation to the value of common stock,

to retain the executive officers who have led the Company and the Bank,

to allow the Company and the Bank to attract high quality executive officers in the future by providing total compensation opportunities consistent with those provided in the industry and commensurate with the Company's and the Bank's level of performance, and

to maintain reasonable fixed compensation costs by targeting base salaries at a competitive average.

The executive compensation package available to executive officers is composed of (a) base salary, (b) annual bonus awards, and (c) long-term incentive compensation, including options and stock awards. In order to more effectively retain our senior executive officers, we determined it was in the best interest of the Company to enter into employment agreements with these officers. In October 2002, we entered into Employment Agreements with Joseph M. Grant, George F. Jones, Jr. and C. Keith Cargill and in October 2003 we entered into an Employment Agreement with Peter B. Bartholow. All are members of our executive management team. The Employment Agreements have a

term of two years, subject to renewal, and have a compensation package that includes a base salary, bonus and a grant of restricted stock under our 1999 Omnibus Stock Plan. Also, as part of the compensation paid, each executive will be

Table of Contents

eligible to participate in the employee benefit programs and receive other perquisites generally available to our other employees holding positions similar to that of the executives.

The Human Resources Committee regularly reviews the Company's compensation programs to ensure that remuneration levels and incentive opportunities are competitive and reflect performance. Factors taken into account in assessing the compensation of individual officers include the officer's performance and contribution to the Company, experience, strategic impact, external equity or market value, internal equity or fairness, and retention priority. The various components of the compensation programs for executive officers are discussed below.

Base Salary. In determining salary levels, the Human Resources Committee considers the entire compensation package for executive officers, including the equity compensation provided under stock plans. We intend for the salary levels to be consistent with competitive practices of comparable institutions and each executive's level of responsibility. The Human Resources Committee determines the level of any salary increase to take effect at the beginning of each fiscal year after reviewing (a) the qualifications, experience and performance of the executive officers, (b) the compensation paid to persons having similar duties and responsibilities in other institutions, and (c) the size of the bank and the complexity of its operations. The Human Resources Committee consulted a survey of compensation paid to executive officers performing similar duties for depository institutions and their holding companies, with particular focus on the level of compensation paid by comparable institutions. The Human Resources Committee reviews, and if deemed appropriate, adjusts the base salaries of the Company's executive officers on a yearly basis.

Annual Bonus Awards. In determining bonus awards, the Human Resources Committee considers the entire compensation package of the executive officers. The bonus awards are intended to be consistent with each executive officer's level of responsibility and with the competitive practices of comparable financial institutions. The Human Resources Committee met during the year to determine bonus compensation paid to our executive officers during 2003 for 2002 performance. The overall bonus pool is determined based on the Company's profitability and achievement of planned profitability. In 2003, Mr. Grant received a bonus of \$55,000, Mr. Jones received a bonus of \$50,000, Mr. Cargill received a bonus of \$37,250 and Mr. Hultgren received a bonus of \$30,000 for their performances in 2002.

Long-term Incentive Compensation. We maintain the Texas Capital Bancshares, Inc. 1999 Omnibus Stock Plan under which employees may receive discretionary grants and awards as determined and awarded solely in the discretion of the Human Resources Committee and approved by the full board. The Human Resources Committee believes that stock ownership is a significant incentive in aligning the interests of employees and stockholders and building stockholder value. In September 2002, the Company granted restricted stock awards to the following officers: 90,000 shares to Joseph M. Grant, 80,000 shares to George Jones and 50,000 shares to C. Keith Cargill. In October 2003, the Company granted a restricted stock award to Peter B. Bartholow of 53,750 shares. Thirty percent of the shares of restricted stock have vested as of March 31, 2004. However, as a result of certain deferral agreements, delivery of some shares has been deferred beyond the vesting date. Pursuant to Mr. Grant's deferral agreement, he will receive 27,000 shares on August 2, 2008. Pursuant to Mr. Bartholow's deferral agreement, he will receive 15,000 shares on April 15, 2004. Mr. Jones received 12,000 shares in December 2003 and will receive 12,000 shares in April 2004. Mr. Cargill received 7,500 shares in December 2003 and will receive 7,500 shares in April 2004. In accordance with APB 25, compensation expense is recognized for the performance-based awards of restricted stock granted under the 1999 Omnibus Stock Plan. The Company recognized approximately \$430,000 of compensation expense in connection with such awards in 2003.

Compensation of the Chief Executive Officer. After taking into consideration the factors discussed above, the Human Resources Committee entered into an Employment Agreement with Mr. Grant in October of 2002 which set his base salary at \$275,000. Mr. Grant's base salary remained \$275,000 until November 1, 2003, when his base salary increased

to \$300,000. Mr. Grant's salary was increased on November 1, 2003 due to the Company's performance in 2003 and the Company's successful initial public offering of its common stock in August 2003. His base salary is considered to be reasonable and

Table of Contents

competitive based on published compensation surveys and other publicly available compensation information. The Company also granted Mr. Grant 90,000 shares of restricted stock in September 2002. Thirty percent of the shares of restricted stock have vested. Pursuant to a deferral agreement, 27,000 of the shares granted to Mr. Grant will be delivered on August 2, 2008.

The Human Resources Committee does not currently intend to award compensation that would result in a limitation on the deductibility of a portion of such compensation pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended, other than awards that may be made under the 1999 Omnibus Stock Plan; however, the Human Resources Committee may in the future decide to authorize other compensation in excess of the limits of Section 162(m) if it determines that such compensation is in the best interest of the Company.

liabilities that may arise by reason of their status or service as directors or officers. These indemnification agreements also may require us to advance any expenses incurred by our directors or officers as a result of any proceeding against them as to which they could be indemnified. As of the date of this filing, there is no pending litigation or proceeding involving any of our directors,

officers, employees or agents in which indemnification by us is sought, nor are we aware of any threatened litigation or proceeding that may result in a claim for indemnification.
