Access Integrated Technologies, Inc. A description of the securities to be issued is contained in this information statement. The stockholder action by consent will be taken pursuant to Section 228 of the Delaware General Corporation Law, which permits any action that may be taken at a meeting of the stockholders to be taken by written consent to the action by the holders of the number of shares of voting stock required to approve the action at a meeting. All necessary corporate approvals in connection with the matters referred to in this information statement have been obtained. INFORMATION STATEMENT

We are required to deliver this information statement to holders of our Class A Common Stock and Class B Common Stock in order to inform them that the holders of a majority of the voting power of our outstanding stock, without holding a meeting of stockholders at which stockholders would be entitled to vote, intend to take certain actions that would normally require such a meeting. October 5, 2005 has been fixed as the record date for the determination of stockholders who are entitled to receive this information statement.

THIS INFORMATION STATEMENT IS FIRST BEING SENT OR GIVEN TO THE HOLDERS OF OUR CLASS A COMMON STOCK AND CLASS B COMMON STOCK ON OR ABOUT OCTOBER 11, 2005.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

ISSUANCE OF SECURITIES

As of August 29, 2005, the Company entered into a letter agreement with certain accredited investors (the "Letter Agreement") pursuant to which the Investors converted all of their 7% Convertible Debentures due 2009 of the Company (the "Debentures"), and exercised all of their warrants (the "Old Warrants") issued in connection with the Debentures, previously purchased by them in February 2005. The resale by the Investors of the shares of the Company's Class A Common Stock underlying the Debentures and the Old Warrants has been previously registered by the Company on its Registration Statement on Form S-3, Registration No. 333-123279, which was declared effective by the Securities and Exchange Commission ("SEC") on March 21, 2005. The Debentures and Old Warrants converted and exercised pursuant to the Letter Agreement constituted all of the outstanding Debentures and Old Warrants. The Debentures, which had an aggregate principal amount of approximately \$7.6 million, were converted into an aggregate of 1,867,322 shares of the Company's Class A Common Stock and the Old Warrants

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14C

were exercised for an aggregate of 560,196 shares of Class A Common Stock. The Company realized net proceeds of approximately \$2.48 million as a result of the exercise of the Old Warrants. Pursuant to the Letter Agreement, the Company agreed to issue to the Investors, upon such conversion and exercise, an aggregate of 71,359 shares (the "Shares") of Class A Common Stock and warrants (the "New Warrants") to purchase an aggregate of 760,196 shares of Class A Common Stock (the "Warrant Shares"). The New Warrants will be exercisable immediately and will remain exercisable for a period of five (5) years after the date they are issued. The initial exercise price per share of Class A Common Stock under the New Warrants will be \$11.39. The exercise price of the New Warrants and the Warrant Shares will be subject to proportionate adjustment in the event we make common stock dividends or distributions, consummate a stock split or reverse stock split or issue shares in a reclassification of our common stock.

We expect to use the proceeds from exercise of the Old Warrants for capital expenditures and for working capital and general corporate purposes. The securities to be issued in the financing will be issued to the Investors in a private placement exempt from the registration requirements of the Securities Act of 1933 and may not be resold absent registration under the Securities Act or an exemption therefrom.

3

Our Common Stock is listed on the American Stock Exchange (the "AMEX") and we are subject to the rules and requirements set forth in the AMEX Company Guide. Under Section 713 of the AMEX Company Guide, we are required to obtain stockholder approval before issuing shares of our Common Stock (or securities convertible or exercisable into Common Stock) in an amount greater than 20% or more of our Common Stock outstanding before the issuance if the purchase price per share in such issuance is less than the greater of book or market value of our Common Stock. We sometimes refer to this rule as the "20% Rule". The securities to be issued in the financing may be issued at a discount to the market price of our Class A Common Stock. In addition, although the Shares and the Warrant Shares would not constitute more than 20% of the number of shares of our Common Stock outstanding, we believe that, in the view of the AMEX, the issuance of the Shares and the Warrant Shares might be "integrated", or considered to be a single offering, with certain prior issuances of Common Stock that we have made for purposes of the 20% Rule. As a result, in order to assure compliance with the 20% Rule, we have determined to obtain stockholder approval for the issuances of the Shares, the New Warrants and the Warrant Shares and the listing of the Shares and the Warrant Shares on AMEX. We intend to obtain stockholder approval by written consent on the twenty-first (21st) day following the date on which this information statement is first sent or given to our stockholders, or as soon thereafter as is reasonably practicable. Assuming this information statement is first mailed or given to stockholders on October 11, 2005, we expect that the stockholder approval by written consent would be obtained on October 31, 2005, or promptly thereafter. A copy of the form of written consent expected to be executed in connection with the stockholder approval is attached hereto as Exhibit A.

The Investors have acknowledged and agreed that neither the Shares nor the New Warrants will be issued until such issuances have been approved by the Company's stockholders and the listing of the Shares and the Warrant Shares on the AMEX has been authorized the AMEX. As a result, the Shares and the New Warrants are expected to be issued at a closing which is expected to occur on or about November 1, 2005.

Edgar Filing: ACCESS INTEGRATED TECHNOLOGIES INC - Form DEF 14C

Issuance of the securities will result in dilution to our existing stockholders, but will not otherwise materially affect our existing common stockholders' rights as stockholders.

We expect that, in connection with issuance of the securities, we will enter into a registration rights agreement with the purchasers. Under the terms of the registration rights agreement, we will agree to file a registration statement with the Securities and Exchange Commission on or before November 15, 2005 to cover resales of the Shares and the Warrant Shares. We will agree to cause that registration statement to be declared effective as soon as reasonably possible and to use our best reasonable efforts to keep the registration statement effective until the date which is two (2) years after the date of effectiveness of the registration statement or such earlier date on which the stockholders are able to resell all of their respective shares without volume restrictions pursuant to Rule 144(k) promulgated under the Securities Act of 1933.

We expect that we will also agree to indemnify each purchaser from liabilities it may incur as a result of any untrue statement or alleged untrue statement of a material fact contained in the registration statement, except to the extent that such untrue statement or alleged untrue statement was reviewed and approved in writing by such purchaser.

4

NO DISSENTERS' RIGHTS

Delaware law does not provide for dissenter's rights in connection with the approval of the actions described in this information statement.

NO ACTION IS REQUIRED

No other votes are necessary or required. AccessIT anticipates that the stockholder consent described in this information statement will become effective on or promptly after October 31, 2005.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of September 9, 2005, the Company's directors, executive officers and principal stockholders beneficially own, directly or indirectly, in the aggregate, approximately 35.7% of its outstanding Class A Common Stock and 100% of its Class B Common Stock. Class B Common Stock entitles the holder to ten (10) votes per share of Class B Common Stock and Class A Common Stock entitles the holder to one (1) vote per share of Class A Common Stock. In particular, A. Dale Mayo, the Company's President and Chief Executive Officer, beneficially owns 925,811 shares of Class B Common Stock and 55,411 shares of Class A Common Stock, which represent approximately 40.0% of the total voting power of the Company's outstanding Common Stock. These stockholders, and Mr. Mayo himself, will have significant influence over the Company's business affairs, with the ability to control matters requiring approval by the Company's stockholders, including the written consent set forth in this information statement.
