ZOOM TECHNOLOGIES, INC. PROXY STATEMENT

This proxy statement is being furnished to our stockholders beginning on or about November 3, 2014, in connection with the solicitation of proxies by the Zoom Technologies, Inc. Board of Directors to be used at our Annual Meeting of Stockholders (the "Annual Meeting") to be held at 10:00am ET on Wednesday, November 18, 2014 at the Offices of Ellenoff Grossman and Schole LLP, 1345 Avenue of the Americas, 11th Floor, New York, NY 10105, and at all adjournments or postponements of the Annual Meeting for the purposes listed in the preceding Notice of Annual Meeting of Stockholders.

INFORMATION AND Q&A ABOUT THE ANNUAL MEETING

When is the Annual Meeting?

10:00am ET on Wednesday, November 18, 2014

Where will the Annual Meeting be held?

The annual meeting will be held at the offices of Ellenoff Grossman and Schole LLP, 1345 Avenue of the Americas, 11th Floor, New York, NY 10105.

What is being considered at the meeting?

At the Meeting, Stockholders will consider and vote on the following proposals:

1. To elect two incumbent directors to the Board of Directors to serve until the next Annual Meeting of Stockholders or until their successors have been duly elected or appointed and qualified ("Proposal 1");
2. To approve the appointment of TAAD LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal No. 2); and
3. To transact such other business as may properly come before the meeting or any adjournment or postponements thereof.

In addition, our management will report on our progress and respond to your questions.

Who is entitled to vote at the meeting?

You may vote at the Annual Meeting if you owned Common Stock as of the close of business on Record Date, which is October 20, 2014. Each share of Common Stock is entitled to one vote.

YOUR BOARD OF DIRECTORS HAS APPROVED THE PROPOSALS SET FORTH HEREIN.

ACCORDINGLY, THE BOARD RECOMMENDS A VOTE "FOR" THE RE-ELECTION OF THE TWO INCUMBENT DIRECTORS STANDING FOR RE-ELECTION, AND A VOTE "FOR" THE APPOINTMENT OF TAAD LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2014.

How do I vote?

You can vote in two ways:

- by attending the Annual Meeting at 10:00am ET on Wednesday, November 18, 2014, at the offices of Ellenoff Grossman and Schole LLP, 1345 Avenue of the Americas, 11th Floor, New York, NY 10105, and at any adjournment or postponements thereof and voting thereat; or
- by completing, signing, dating and returning the enclosed Proxy Card.

What if I return my Proxy Card but do not include voting instructions?

If you return a signed card, but do not provide voting instructions, your shares will be voted:

- FOR each nominee for director;
- FOR the appointment of TAAD LLP as our independent registered accounting firm for the fiscal year ending December 31, 2014; and
- According to the best judgment of the proxy holder if a proposal comes up for a vote at this Annual Meeting that is not on the proxy card.

What does it mean if I receive more than one Proxy Card?

It means you may have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares of Common Stock. We recommend that you contact your broker (if you are the beneficial owner of our shares in street name) or our transfer agent (if you are a stockholder of record) to consolidate as many accounts as possible under the same name and address. Our transfer agent is Computershare, 330 N. Brand Blvd., Suite 701, Glendale, CA 91203-2149, telephone (818) 254-3160.

Will my shares be voted if I do not provide my Proxy?

If you do not sign and return your proxy card, your shares will not be voted unless you vote in person at this Annual Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Certain of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record / Registered Stockholders

If, on the Record Date, your shares were registered directly in your name with our transfer agent, Computershare, you are a "stockholder of record" who may vote at the Annual Meeting, and we are sending these proxy materials directly to you. As the stockholder of record, you have the right to direct the voting of your shares by returning the enclosed proxy card to us or to vote in person at the Annual Meeting. Whether or not you plan to attend the Annual Meeting, please complete, date and sign the enclosed proxy card to ensure that your vote is counted.

Beneficial Owner

If, on the Record Date, your shares were held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held "in street name," and these proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record for purposes of voting at the Annual

Meeting. As the beneficial owner, you have the right to direct your broker on how to vote your shares and to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from your brokerage firm, bank or other nominee holder. To obtain a valid proxy, you must make a special request of your brokerage firm, bank or other nominee holder. If you do not make this request, you can still vote by using the voting instruction card enclosed with this proxy statement; however, you will not be able to vote in person at the Annual Meeting.

Can I change my mind after I return my Proxy?

Yes. You may change your vote at any time before your Proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to your respective corporate secretary, by submitting another Proxy with a later date, or by attending the Annual Meeting and voting in person. If you are a shareholder in "street" or "nominee" name, you should consult with the bank, broker or other nominee regarding that entity's procedures for revoking your voting instructions.

How many shares are eligible to be voted at the Annual Meeting?

The record date for the Annual Meeting is October 20, 2014. Only stockholders of record at the close of business on October 20, 2014, will be entitled to vote at the Annual Meeting. At the close of business on that date, there were outstanding 3,008,737 shares of the Company's Common Stock entitled to one vote per share.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a Proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares of Common Stock as of October 20, 2014 must be present in person or by proxy at the meeting. This is referred to as a quorum. On October 20, 2014, there were 3,008,737 shares of Common Stock outstanding and entitled to vote. If a quorum is not present, then either the chairman of the meeting or the stockholders entitled to vote at the meeting may adjourn the meeting until a later time. Abstentions and broker "non-votes" are counted as present or represented for purposes of determining the presence or absence of a quorum. A broker "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast. Abstentions and broker "non-votes" (shares held by brokers or nominees as to which they have no discretionary authority to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote thereon) will have no effect on the vote for re-election of directors.

What vote is required to appoint an independent registered public accounting firm?

The affirmative vote of the majority of votes present in person or represented by proxy at the Annual Meeting is required to approve the appointment of TAAD LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2014. The appointment of TAAD LLP is considered a routine matter, and therefore there will be broker "non-votes" associated with this proposal. Abstentions will have no effect on the vote for this matter.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed Proxy Card gives authority to the Proxy holders to vote on those matters at their discretion.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the Proxy Card and any additional information furnished to stockholders. Copies of solicitation

materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published on a Current Report on Form 8-K within four business days after conclusion of the Annual Meeting.

PROPOSAL 1

RE-ELECTION OF DIRECTORS

At the Annual Meeting, two individuals will be elected to serve as directors until the next annual meeting or until their successors are duly elected, appointed and qualified. The Company's Board of Directors currently consists of five persons. The two individuals who are nominated for re-election to the Board of Directors are existing directors of the Company. If the two directors nominated for re-election are elected, there will be four vacancies on the board. Unless a shareholder WITHHOLDS AUTHORITY, a properly signed and dated Proxy will be voted "FOR ALL" of the two persons named below to serve as directors, unless the Proxy contains contrary instructions. Management has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as a director. However, in the event any nominee is not a candidate or is unable or unwilling to serve as a director at the time of the re-election, unless the shareholder WITHHOLDS AUTHORITY from voting, the proxies will be voted "FOR" any nominee who shall be designated by the present Board of Directors to fill such vacancy.

The two current Directors to be considered for re-election are Lei Gu and Chang Shan. Augustine Lo, Xinyue (Jasmine) Geffner and Chin Hung (James) Lo, who are currently serving Directors, are not standing for re-election.

Our Directors will generally serve one-year terms and shall hold office until the next annual meeting of stockholders and until his or her successor has been duly elected, appointed and qualified. If all the nominees are elected, the Board of Directors will consist of two incumbent directors.

Unless Proxy Cards are otherwise marked, the persons named as proxies will vote all proxies received FOR the re-election of each nominee named in this section.

At each annual meeting of stockholders, directors will be elected by the holders of Common Stock to succeed those directors whose terms are expiring. Directors will be elected annually and will serve until successors are duly elected and qualified or until a director's earlier death, resignation or removal. Our bylaws provide that the authorized number of directors may be changed by action of the majority of the Board of Directors or by a vote of the stockholders of our Company. Vacancies in our Board of Directors may be filled by a majority vote of the Board of Directors with such newly appointed director to serve until the next annual meeting of stockholders, unless sooner removed or replaced.

The following table sets forth certain information concerning each nominee for re-election as a Director of the Company:

Chang Shan, Director. Mr. Shan has been an independent director of the Company since August 2008. Mr. Shan is currently the President of the China Institute of Geotechnical Investigation and Survey, at which he has been employed since 1998. Corporate Governance

- Board Leadership Structure

Our Company is led by Lei Gu, who has served as Chairman of our Board of Directors and Chief Executive Officer since September 2009. We believe that having Mr. Gu act in both these roles is most appropriate for the Company at this time because it provides the Company with consistent and efficient leadership, both with respect to the Company's operations and the leadership of the Board. In particular, having Mr. Gu act in both these roles increases the timeliness and effectiveness of the Board's deliberations, increases the Board's visibility into the day-to-day operations of the Company, and ensures the consistent implementation of the Company's strategies.

Board's Role in Risk Oversight

The Board as a whole has responsibility for risk oversight. The oversight responsibility of the Board is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession, compensation, compliance, and other risks.

Director Independence

The Company uses the independence definitions of NASDAQ in determining whether our directors are independent. The discussion below reflects such standards of independence.

Our Board of Directors has determined that Mr. Augustine Lo, Mr. Chang Shan, Ms. Xinyue (Jasmine) Geffner and Mr. Chin Hung (James) Lo, each of whom are now serving on the Board, each qualify as "independent" as the term is used in Item 407 of Regulation S-K as promulgated by the SEC and as that term is defined under NASDAQ Rule 4200(a) (15). In addition, each member of the Audit Committee is independent as required under Section 10A (m) (3) of the Securities Exchange Act of 1934, as amended.

With the resignation of Mr. Wong in August 2014, there was one vacancy on the Board, and the Board did not elect to fill the vacancy. Assuming our two Director nominees are re-elected at the Annual Meeting, Mr. Shan will continue to meet the definition of independence under the NASDAQ rules, and there will be four vacancies. The Board may either determine to reduce the number of members on the Board of Directors or fill the vacancies. As of the date hereof, the Board has not made any such decision and has not made any determination as to who to appoint to fill any vacancies.

Board Meetings and Committees; Annual Meeting Attendance

During the most recently completed fiscal year, the Board held two meetings during the most recently completed fiscal year, at which each of our Board of Directors was present at both of the Board of Directors meetings held. Other proceedings of the Board of Directors were conducted by resolutions consented to in writing by all the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the corporate laws of the State of Delaware and our bylaws, as valid and effective as if they had been passed at a meeting of the directors duly called and held.

We currently do not have a policy regarding the attendance of board members at the annual meeting of stockholders.

Standing committees of the Board include an Audit Committee and a Compensation Committee. During 2013 Messrs. Augustine Lo, Shan and Wang, served as the members of each of these Committees. Following Mr. Wang's resignation as a director in February 2014, in March 2014, Ms. Xinyue (Jasmine) Geffner filled the vacancy left by Mr. Wang on the Committees.

Audit Committee

The Audit Committee operates under a written charter adopted by the Board of Directors, which is publicly available on Zoom's website at www.zoom.com. Under the provisions of the Audit Committee Charter, the primary functions of the Audit Committee are to assist the Board of Directors with the oversight of (i) Zoom's financial reporting process, accounting functions and internal controls and (ii) the qualifications, independence, appointment, retention, compensation and performance of Zoom's independent registered public accounting firm. The Audit Committee held four meetings during 2013. Messrs. Augustine Lo, Shan and Ms. Geffner are currently the members of Zoom's Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management Zoom's audited consolidated financial statements for the year ended December 31, 2013. The Audit Committee has also discussed with Marcum Bernstein Pinchuk LLP, Zoom's independent registered public accounting firm for the year ended December 31, 2013, the matters required to be discussed by the Auditing Standards Board Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. As required by Independence Standards Board Standard No. 1, as amended, "Independence Discussion with Audit Committees," the Audit Committee has received and reviewed the required written disclosures and a confirming letter from Marcum Bernstein Pinchuk LLP regarding their independence, and has discussed the matter with Marcum Bernstein Pinchuk LLP. Based on its review and discussions of the foregoing, the Audit Committee recommended to the Board of Directors that Zoom's audited consolidated financial statements for 2013 be included in Zoom's Annual Report on Form 10-K for the year ended December 31, 2013 (the "2013

10-K"). The Company has received and substantially responded to comments received by the SEC relating to the 2013 10-K. In connection therewith, the Company intends to amend the footnotes to the financial statements of its 2013 10-K to correct the Company's erroneous application of the consolidation method of accounting for the Company's former Portables investment during the quarterly periods in 2012 and the first and second quarters of 2013.

Audit Committee:

Augustine Lo
Chang Shan
Xinyue (Jasmine) Geffner

Compensation Committee

Messrs. Augustine Lo, Shan and Ms. Geffner are currently the members of Zoom's Compensation Committee. The primary functions of the Compensation Committee include (i) reviewing and approving Zoom's executive compensation, (ii) reviewing the recommendations of the Chief Executive Officer regarding the compensation of senior officers, (iii) evaluating the performance of the Chief Executive Officer, and (iv) overseeing the administration of, and the approval of grants of stock options and other equity awarded under Zoom's stock option plans. The Compensation Committee operates under a written charter adopted by the Board of Directors. A copy of the Compensation Committee's written charter is publicly available on Zoom's website at www.zoom.com. The Compensation Committee did not meet formally but passed resolutions by unanimous written consent during 2013.

Decisions regarding executive compensation are made by the Compensation Committee. The Compensation Committee is also responsible for administering the Company's 2009 Equity Incentive Compensation Plan, including determining the individuals to whom stock options are awarded, the terms upon which option grants are made, and the number of shares subject to each option granted.

Independent Director Oversight of Director Nominations

Director nominees must either be selected, or recommended for the Board's selection by our independent directors constituting a majority of the Board's independent directors in a vote in which only independent directors participate. Augustine Lo, Chang Shan, Xinyue (Jasmine) Geffner and Chin Hung (James) Lo are the independent members of the Board of Directors. The Board did not receive any shareholder nominations to the Board of Directors and each of the independent members on the Board nominated for re-election for each of Messrs. Gu and Shan based on their experience on the Company's Board of Directors.

In nominating directors for election, the independent directors may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the independent directors may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to recommend a candidate for Director for election at the 2015 Annual Meeting of Stockholders, it must follow the procedures described in "Deadline for Receipt of Stockholder Proposals and Recommendations for Director." The Board of Directors does not have a policy with regard to the consideration of diversity in identifying director nominees.

Indemnification of Directors and Officers

Our certificate of incorporation provides that all our directors, officers, employees and agents shall be entitled to be indemnified by us to the fullest extent permitted under the Delaware General Corporation Law, provided that they acted in good faith and that they reasoned their conduct or action was in, or not opposed to, the best interest of our company. Our Bylaws provide for indemnification of our officers, directors and others who become a party to an action on our behalf by us to the fullest extent not prohibited under the Delaware General Corporation Law. Additionally, we have entered into indemnification agreements with each of our directors. We believe that these provisions will assist us in attracting or retaining qualified individuals to serve as directors. Further, we maintain officer and director liability insurance, and we have escrowed funds in the amount of \$500,000 for the purpose of maintaining our D&O insurance policy for up to six years, or, in the event that D&O insurance cannot be purchased, to pay for those expenses incurred by our officers and directors that the Company has agreed to indemnify.

Code of Ethics

We have adopted a written code of business conduct and ethics, known as our Code of Business Conduct and Ethics which applies to all of our directors, officers, and employees, including our principal executive officer and our principal financial and accounting officer. Our Code of Business Conduct and Ethics is posted at www.zoom.com. To receive a copy of our Code of Business Conduct and Ethics, at no cost, requests should be directed to the Secretary, c/o Ellenoff Grossman & Schole LLP, 1345 Avenue of the Americas, 11th Floor, New York, NY 10105. We intend to disclose any amendment to, or waiver of, a provision of the Code of Business Conduct and Ethics in a report filed under the Securities Exchange Act of 1934, as amended, within four business days of the amendment or waiver.

PROPOSAL 2

APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has recommended TAAD LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2014.

Stockholder approval of TAAD LLP as our independent registered public accounting firm is not required by our Bylaws or the Delaware General Corporation Law. The Board seeks such approval as a matter of good corporate practice. The Company has not engaged TAAD LLP as its principal accountant. Should the stockholders fail to approve the appointment of TAAD LLP as our independent registered public accounting firm, the Audit Committee will reconsider whether to retain that firm for fiscal year 2014. In making its recommendation to the Board that stockholders approve the appointment of TAAD LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, the Audit Committee considered whether TAAD LLP's provision of non-audit services is compatible with maintaining the independence of our independent registered public accounting firm.

Changes in Certifying Accountant

Marcum Bernstein & Pinchuk LLP ("Marcum") served as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2013. On October 27, 2014, Marcum Bernstein & Pinchuk LLP ("Marcum") notified us that it has resigned as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014, effective immediately. The Audit Committee of the Board of Directors of the Company approved the resignation.

Marcum was engaged as the Company's independent registered public accounting firm on October 8, 2012 (such period from October 8, 2012 through Marcum's resignation, the "Engagement Period"). During the Engagement Period, Marcum did not issue any reports on the Company's financial statements that contained an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

As previously reported in the Company's Current Report on Form 8-K filed on August 27, 2014 (the "August 2014 8-K"), on June 23, 2014, the Company was notified by Marcum that Marcum had received from the Chief Executive Officer of Tinhó Union Holding Group ("Tinhó"), a former potential acquisition target of the Company, an audio recording of telephone conversations between the Chief Financial Officer of the Company and the Chief Executive Officer of Tinhó. The recording contained certain statements about the Company and certain of its officers and directors that Marcum requested the Company's management and Board of Directors to address. On June 25, 2014, the Company's Board formed a Special Committee, consisting of three independent directors, to conduct a voluntary internal review of the statements in the audio recording, and it retained Dorsey & Whitney LLP as legal counsel and FTI Consulting, Inc. as forensic expert to assist the Special Committee to conduct the voluntary internal review. As of the date of this report, the voluntary internal review is still ongoing; no conclusions have been made by the Special Committee.

As disclosed in the August 2014 8-K, on August 15, 2014, the Company delayed the filing of its Quarterly Report for the period ended June 30, 2014 (the "June 30, 2014 10-Q") because the ongoing nature of the internal review could impact the Company's results for the reporting period and/or prior periods. Additionally, in the course of the internal review, it was brought to the Company's attention that certain changes were made to an existing trust arrangement under which approximately RMB120 million of cash assets (the "Trust Assets") of Jiangsu Leimone Electronics Co., Ltd. ("Jiangsu Leimone"), one of the Company's subsidiaries, was placed in trust with New Times Trust Co., Ltd. By the terms of the trust documents, as amended, the Trust Assets were loaned out to Jingdong Weiye Technologies Co. Ltd., and such loan, including any interest on the outstanding principal, becomes due in full upon the termination of the trust arrangement in March and May 2015, unless earlier terminated. As of September 17, 2014, the Trust Assets were repaid, the trust arrangement was terminated, and the amount of RMB68 million was deposited into a bank

account for Jiangsu Leimone. The balance of the Trust Assets, or RMB52 million, was repaid to Beijing Zhumu Culture Communication Company, Ltd. ("BZCC") in connection with a credit due to BZCC relating to the Company's sale of its subsidiary, Tianjin Tong Guang Group Digital Communication Co., Ltd. The Company is evaluating the impact of these changes and will further describe and reflect any material changes to the Company's business or results of operations in its June 30, 2014 10-Q. Separately, the Company will make a decision as to whether any remedial action, such as any changes to the Company's internal control over financial reporting or disclosure controls and procedures, will be necessary after the internal review is completed. Marcum has advised the Company that until the Company's internal review is completed, Marcum is unable to complete its review of the Company's financial results for the quarterly period ended June 30, 2014, or ascertain the impact, if any, on the Company's financial statements for the fiscal years ended December 31, 2012 and 2013 and the quarterly period ended March 31, 2014.

During the years ended December 31, 2012 and December 31, 2013 and through the Engagement Period: (i) there were no disagreements between the Company and Marcum on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures which, if not resolved to Marcum's satisfaction, would have caused Marcum to make reference in connection with Marcum's opinion to the subject matter of the disagreement; and (ii) there were no reportable events as the term is described in Item 304(a)(1)(v) of Regulation S-K, except (a) for the matters described in the preceding two paragraphs, and (b) that Marcum advised the Company of the existence of material weaknesses in the Company's internal control over financial reporting, as disclosed in Item 9A of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 filed on May 23, 2014. The Company has authorized Marcum to respond to any inquiries of the above-referenced matters by its successor accountant, once such successor is engaged.

On October 29, 2014, the Company provided Marcum with a copy of the above disclosures that the Company made in response to Item 4.01 on Form 8-K, and requested that Marcum furnish it with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements and, if not, stating the respects in which it does not agree. A copy of such letter was attached as Exhibit 16.1 to the Form 8-K filed on October 29, 2014.

During the two most recent fiscal years and through the date hereof, the Company did not consult with TAAD LLP regarding either (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and no written or oral advice was provided by TAAD LLP that was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement or reportable event, as set forth in Item 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K.

We have provided Marcum and TAAD LLP a copy of the above disclosures prior to the filing of this Proxy Statement with the SEC to give them an opportunity to present its views with respect to the above statements. Both Marcum and TAAD LLP have declined to furnish any such statement.

The Board has considered whether the provision of services other than audit services is compatible with maintaining auditor independence.

Mr. Gu provided funds to the Company with no interest and are due on demand. As of December 31, 2013 and 2012, the balances of funds provided by Gu was \$1,063,500 and \$2,901,283 respectively.

Mr. Anthony Chan provided funds to the Company with no interest and they were due on demand. As of December 31, 2013, the amounts owed to Mr. Chan have been repaid in full.

Leimone (Tianjin) Industrial Co., Ltd. ("Tianjin Leimone") was controlled by Gu, the largest shareholder of the Company. As of December 31, 2013, the amount owed to Tianjin Leimone was \$2,283,922. This balance is the result of a transfer from Tianjin Leimone of \$10,719,532 (RMB 66,400,000) for Jiangsu Leimone to inject as capital into its discontinued operation TCB Digital. The transfer of funds from Tianjin exceeded the then outstanding balance of \$8,435,610 owed by Tianjin Leimone; therefore, the remaining balance is a net due to Tianjin Leimone.

The balance owed to Beijing Lemone Shengtong Cultural Development Co, Ltd ("Beijing Shentong"), a company owned and controlled by Gu, arose in the normal course of business, as certain corporate staff expenses in Beijing were paid by Beijing Shentong on behalf of the Company.

The balance owed as of December 31, 2013 of \$2 million was for a promissory note issued to Portables Unlimited, Inc. The Company defaulted on this loan and forfeited its ownership in Portables. See Note 1 in the financial statements to the Company's 10-K for the fiscal year ended December 31, 2013 for details.
