## Explanation of Responses:

- \* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The reporting person has entered into an agreement, dated December 20, 2006 (the "Agreement"), with CNET Networks Inc. (the "Company") to have the exercise prices of certain options granted to the reporting person reset to be equal to, and in no event less than, the fair market value of a share of the Company's common stock on the applicable accounting measurement date for the grant. These accounting measurement dates are being determined by the Company (the date of the determination, the "Determination Date"). Within two business days after the Determination Date, the reporting person will file an amendment to this Form 4 to reflect the amended exercise prices of all relevant stock options. (Continued to footnote 2.)

(2) See the Company's Current Report on Form 8-K dated December 20, 2006 for additional information. For Section 16 reporting purposes only, the increases in option exercise prices are deemed to be a cancellation of the old options and the grant of replacement options. The other terms of the outstanding options (including the vesting of the options) remain unchanged.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
