This statement relates to the common stock of The Jackson Rivers Company, a Florida corporation (the Issuer). The principal executive offices of the Issuer are located at 27 Radio Circle Drive, Mount Kisco, New York 10549.

Item 2. Identity and Background.

Pursuant to Rule 13d-1(k)(1) of Regulation 13D-G of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended (the Act), this Schedule 13D is hereby filed by Dennis N. Lauzon, an individual (the Reporting Person). The Reporting Person's business address is 27 Radio Circle Drive, Mount Kisco, New York 10549. The Reporting Person is a director, chief executive officer and president of the Issuer.

On June 19, 2003, the Reporting Person acquired 1,000,000 shares of the common stock of the Issuer. The Reporting Person acquired the shares of the common stock from Mr. Don A. Paradiso. All of the shares acquired by the Reporting Person bear a legend restricting their disposition as required by the Securities Act of 1933, as amended.

On April 22, 2004 the Reporting Person received 1,000,000 shares of the Issuer common stock as compensation for consulting services to the Issuer performed by the Reporting Person. The shares were issued at a price of \$0.03 per share for a total sum of \$30,000. All of the 1,000,000 shares issued to the Reporting Person bear a legend restricting their disposition as required by the Securities Act of 1933, as amended. As a result, the Reporting Person owns a total of 2,000,000 shares of Issuer's common stock on the date of this Schedule 13D/A. On April 22, 2004, there were 79,432,750 shares of Issuer's common stock issued and outstanding. The 2,000,000 shares owned by the Reporting Person comprise 2.517 percent of the Issuer's outstanding common stock at the time of filing of this Schedule 13D/A.

During the last five years, the Reporting Person (a) has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), and (b) was not a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

The Reporting Person is a citizen of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

The Reporting Person used \$250,000 of his personal funds as consideration for the purchase of the 1,000,000 common shares of the Issuer.

Item 4. Purpose of Transaction.

The Reporting Person acquired his interest in the Issuer solely for investment purposes. Subsequent to the completion of the stock purchase transaction, the Reporting Person was elected the sole director, president, and chief executive officer of the Issuer. Mr. Paradiso resigned as the director, president, secretary and treasurer of the Issuer. As an officer and director of the Issuer, the Reporting Person has the power of influencing the management of the Issuer as to various business and corporate matters.

On June 23, 2004, the Issuer entered into a Technology License Agreement with Multitrade Technologies LLC, a limited liability company organized under the laws of Delaware (MTT), and Jackson Rivers Technologies, Inc., a Nevada corporation and a wholly-owned subsidiary of the Issuer (JRT). Pursuant to the Technology License Agreement, JRT will sublicense certain software technologies from MTT. The consideration for the rights granted by MTT to JRT and the Issuer under the Technology License Agreement will be paid in the form of a one-

time non-refundable cash payment in the amount of \$200,000.00 to be delivered by JRT to MTT at the Closing. At MTT's option, the \$200,000.00 can be paid in the common stock of the Issuer with a conversion rate not to exceed 4.99 percent of the Issuer's issued and outstanding common stock at any one time, with the conversion price equal to the lower of \$0.10 or 80 percent of the average of the three lowest closing bid prices from the 20 trading days immediately preceding the date of the conversion.

Other than the completed stock purchase transactions described in Items 3 and 4, except as discussed below, the Reporting Person has no present plans or proposals that relate to or that would result in any of the following actions:

1. The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
2. An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
3. A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
4. Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
5. Any material change in the present capitalization or dividend policy of the Issuer;
6. Any other material change in the Issuer's business or corporate structure;
7. Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
8. Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
9. A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
10. Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

The Reporting Person may be deemed to be the beneficial owner of 2,000,000 shares of the common stock of the Issuer which constitute approximately 2.517 percent of the outstanding shares of the common stock of the Issuer. The Reporting Person has the sole power to vote and to dispose of all shares of the common stock of the Issuer owned by him directly.

Other than the transactions described in Items 3 and 4 above, there have been no transactions in the common stock of the Issuer by the Reporting Person during the last 60 days.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

To the best knowledge of the Reporting Person, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Person and any other person with respect to any securities of the Issuer, including but not limited to, transfer or voting of any of the securities of the Issuer, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency the occurrence of which would give another person voting power or investment power over the securities of the Issuer.

Item 7. Material to be Filed as Exhibits.
