EXPLANATORY NOTE

The Laclede Group, Inc. ("Company") is filing this Amendment No. 1 ("Amendment No. 1") to the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2014, originally filed with the Securities and Exchange Commission ("SEC") on April 29, 2014 (the "Original Filing"), solely to revise the disclosure set forth in Part I, Item 4 under the heading "Controls and Procedures." For the convenience of the reader, this Amendment No. 1 amends and restates Part I, Item 4 in its entirety.

In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), this Amendment No. 1 contains new certifications (filed as exhibits hereto) by our Chief Executive Officer and Chief Financial Officer required pursuant to Rule 13a-14(a) under the Exchange Act and 18 U.S.C. Section 1350. Accordingly, this Amendment No. 1 amends and restates Part II, Item 6 to reflect the filing of these currently dated certifications.

Except as described above, this Amendment No. 1 does not amend, update or change any other items or disclosures contained in the Original Filing as amended by this Amendment No. 1, including the previously reported financial statements and other financial disclosures included in the Original Filing, and accordingly, this Amendment No. 1 does not reflect or purport to reflect any information or events occurring after the original filing date or modify or update those disclosures affected by subsequent events. Accordingly, this Amendment No. 1 should be read in conjunction with the Original Filing and our other filings with the SEC.

PART I. FINANCIAL INFORMATION

Item 4. Controls and Procedures

Disclosure Controls and Procedures

As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures pursuant to Rule 13a-15e and Rule 15d-15e under the Securities Exchange Act of 1934, as amended. Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective.

SEC guidance permits the exclusion of an evaluation of the effectiveness of a registrant's disclosure controls and procedures as they relate to the internal control over financial reporting for an acquired business during the first year following such acquisition. Effective September 1, 2013, we acquired Missouri Gas Energy ("MGE"). MGE's business constitutes 39 percent and 28 percent of net and total assets, respectively, and 34 percent of revenues of the consolidated financial statement amounts as of and for the six months ended March 31, 2014. Management's evaluation and conclusion as to the effectiveness of the design and operation of the Company's disclosure controls and procedures as of the end of the period covered by this report excludes any evaluation of the internal control over financial reporting of MGE.

Changes in Internal Control over Financial Reporting

As a result of the acquisition of MGE mentioned above, the Company is evaluating and implementing changes to processes, policies and other components of its internal control over financial reporting with respect to the consolidation of MGE's operations into the Company's financial statements. Management continues to be engaged in substantial efforts to evaluate the effectiveness of our internal control procedures and the design of those control procedures relating to MGE. Except for the activities described above, there were no changes in the Company's internal control over financial reporting that occurred during the quarter ended March 31, 2014 that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.
