Item 1.01. Entry into a Material Definitive Agreement.

On August 18, 2017, Great Ajax Corp. (the “Company”) completed the public offer and sale of \$20,500,000 aggregate principal amount of its 7.25% Convertible Senior Notes due 2024 (the “Notes”) pursuant to a reopening of its existing series of such Notes. The net proceeds to the Company from the sale of the Notes are approximately \$20.5 million (after deduction of underwriting discounts and commissions but before deduction of expenses). The Company will contribute the net proceeds to Great Ajax Operating Partnership L.P. (the “Operating Partnership”) to acquire additional mortgage loans and mortgage-related assets consistent with the Company’s investment strategy and for general corporate purposes.

In connection with the offer and sale of the Notes, the Company entered into an underwriting agreement, dated August 14, 2017 (the “Underwriting Agreement”), by and among the Company, the Operating Partnership, Thetis Asset Management LLC and Raymond James & Associates, Inc. and JMP Securities LLC (the “Representatives”), on behalf of each of the underwriters listed therein (collectively, the “Underwriters”). The Underwriting Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions whereby the Company and the Operating Partnership, on the one hand, and the Underwriters, on the other hand, have agreed to indemnify each other against certain liabilities.

The Company issued the Notes under a base indenture, dated April 19, 2017, as supplemented by the first supplemental indenture, dated April 25, 2017 (the “Indenture”), between the Company and Wilmington Savings Fund Society, FSB, as trustee (the “Trustee”).

The Notes bear interest at a rate of 7.25% per annum, payable quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, beginning on October 15, 2017. The Notes will mature on April 30, 2024, unless earlier converted, redeemed or repurchased. During certain periods and subject to certain conditions (as described in the Indenture) the Notes will be convertible by the holders into shares of the Company’s common stock. The Notes will have an initial conversion rate of 1.6290 shares of the Company's common stock per \$25.00 principal amount of the notes, subject to adjustment in certain circumstances as set forth in the Indenture. Upon conversion, holders will receive, at the Company’s discretion, cash, shares of the Company’s common stock or a combination thereof.

Prior to April 30, 2022, the Notes will not be redeemable. On or after April 30, 2022, holders of the Notes may require the Company to repurchase the Notes under certain circumstances, and the Company may redeem all or any portion of the Notes, at its option, subject to certain conditions, at a redemption price payable in cash equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date.

Edgar Filing: Great Ajax Corp. - Form 8-K

The Indenture contains customary terms and covenants, including that upon certain events of default occurring and continuing, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding may declare the entire principal amount of all the Notes, and the interest accrued on such Notes, if any, to be immediately due and payable. In the case of certain events of bankruptcy, insolvency or reorganization relating to the Company or a principal subsidiary, the principal amount of the Notes together with any accrued and unpaid interest thereon will automatically be and become immediately due and payable.

The foregoing description of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture and the form of Note, copies of which are filed as Exhibits 4.1 and 4.2, respectively, to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on April 25, 2017, and are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
