Item 3. Source and Amount of Funds or Other Consideration.

As of August 3, 2009, Trailer had invested an aggregate sum of approximately \$35,000,000 to purchase (i) the Warrant, dated as of August 3, 2009, by and between Issuer and Trailer (the Warrant), which is filed as Exhibit 99.2 to this Schedule 13D and incorporated by reference herein, to purchase 24,762,636 shares of Common Stock of the Issuer (the Warrant Shares) and (ii) certain shares of redeemable preferred stock of the Issuer (the Preferred Shares). The total amount of funds used by Trailer to purchase the Warrant and Preferred Shares as described herein was furnished from capital contributions of investors to LEF III, which amount LEF III used to acquire 100% of the equity interests of Trailer. Trailer used the proceeds of LEF III's investment in its equity to fund its purchase of the Warrant and the Preferred Shares. No funds were borrowed by the Reporting Persons in order to complete the purchase of the Warrant or Preferred Shares.

None of LEP III, Equity III or Mr. Maloney has directly invested funds to purchase the Warrant or Preferred Shares.

Item 4. Purpose of the Transaction.

On July 17, 2009, Trailer and Issuer entered into a Securities Purchase Agreement, which is filed as Exhibit 99.3 to this Schedule 13D and incorporated by reference herein (the Purchase Agreement), pursuant to which Trailer agreed to acquire the Warrant and the Preferred Shares. The Purchase Agreement contains representations, warranties and covenants customary for agreements of this type. In addition, Trailer and the Issuer entered into an Investor Rights Agreement, dated as of August 3, 2009, by and between the Issuer and Trailer (the Investor Rights Agreement), a copy of which is filed as Exhibit 99.4 to this Schedule 13D. In accordance with the terms of the Purchase Agreement and the Investor Rights Agreement, effective upon consummation of the transactions contemplated by the Purchase Agreement (the Closing), the Issuer expanded the size of its board of directors by five members, each of which were nominated by Trailer and subsequently appointed as directors of the Issuer effective as of the Closing, bringing the number of directors on the board of directors of the Issuer to 12. Under the Investor Rights Agreement, until the date that Trailer and its affiliates cease to beneficially own at least 10% of the outstanding Common Stock, the Issuer has agreed to nominate the directors designated by Trailer and its permitted transferees that hold a majority of the Warrant Shares or a majority of the Preferred Shares (the Majority Trailer Investors), and has agreed to solicit proxies in their favor and use its reasonable best efforts to cause such designees to be

elected to the board of directors of the Issuer. In addition, until the Majority Trailer Investors cease to beneficially own at least 2% of the Common Stock, the Majority Trailer Investors will have the right to appoint a non-compensated board observer who will have the right to attend all meetings of the board of directors of the Issuer (other than executive sessions or committee meetings, which it may only attend with the consent of a majority of the board of directors or relevant committee, respectively) as an observer. Under the Warrant, Trailer is entitled to purchase the Warrant Shares from the Issuer for an exercise price of \$0.01. The number of Warrant Shares issuable upon exercise of the Warrant is subject to adjustment pursuant to the provisions of the Warrant, including an increase, up to a fully diluted ownership percentage of 49.9%, if the Company loses the ability to use certain net operating losses, as fully set forth in the Warrant.

Under the Investor Rights Agreement, until the date that Trailer and its affiliates cease to hold at least a majority of the Preferred Shares then outstanding, the Issuer will not be permitted to take certain actions without the prior written consent of the Majority Trailer Investors, including, subject to certain exceptions, issuing certain equity or debt securities containing voting features, making loans or investments, effecting a recapitalization of the Issuer, entering into a new line of business, engaging in certain change of control transactions, amending the Issuer's certificate of incorporation or bylaws and increasing the size of the Issuer's or any of its subsidiaries' board of directors or creating or changing any committee thereof.

In addition, under the Investor Rights Agreement, the Issuer granted Trailer certain registration rights with respect to the Warrant Shares, and, among other things, agreed to cause a registration statement covering the Warrant Shares to be filed within 30 days of the Closing and to cause such registration statement to become effective within 90 days of the Closing, subject to certain exceptions. The Investor Rights Agreement also grants to Trailer a right of first refusal to participate in any subsequent private issuance of debt or equity securities of the Issuer or other private financing transaction of the Issuer (other than any issuance of debt securities pursuant to the Issuer's senior loan agreement).

The foregoing descriptions of the Purchase Agreement, the Warrant and Investor Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of such documents, which are filed as Exhibits 99.2, 99.3 and 99.4 hereto and are incorporated into this Item 4 by reference. The Reporting Persons are entitled to various rights under the Purchase Agreement, the Warrant and the Investor Rights Agreement and intend to exercise them as appropriate in their judgment.

Each of the Reporting Persons acquired the Warrant and Preferred Shares for investment purposes. Each of the Reporting Persons expects to continuously review such person's investment in the Issuer and, depending on various factors, including but not limited to, the price of shares of Common Stock, the terms and conditions of the transaction, prevailing market conditions and such other considerations as such Reporting Person deems relevant, may at any time or from time to time, and subject to any required regulatory approvals, may lend funds, invest in debt or similar investments issued by the Company, acquire additional shares of

Common Stock, preferred stock or other securities convertible into or exercisable or exchangeable for Common Stock from time to time on the open market, in privately-negotiated transactions, directly from the Issuer, or upon the exercise or conversion of securities convertible into or exercisable or exchangeable for Common Stock.

Each Reporting Person also may, at any time, subject to compliance with applicable securities laws and regulatory requirements, dispose of or distribute some or all of its Common Stock or such other securities or investments it owns or may subsequently acquire depending on various factors, including but not limited to, the price of shares of Common Stock, the terms and conditions of the transaction and prevailing market conditions, as well as liquidity and diversification objectives. Each of the Reporting Persons may make gifts of shares to charities or others from time to time. In addition, each Reporting Person may, from time to time, enter into stock trading plans intended to satisfy the requirements of Rule 10b5-1 of the Exchange Act.

Consistent with their investment intent, each Reporting Person may from time to time discuss with the Issuer's management, directors and other shareholders (including the other Reporting Persons) the Issuer's performance, business, strategic direction, prospects and management, as well as various ways of maximizing stockholder value. Each Reporting Person, upon invitation by the Issuer, may participate in any investment or strategic transaction involving the Issuer. Each Reporting Person intends to participate in and influence the affairs of the Issuer through the exercise of their respective voting rights with respect to any shares of the Issuer's Common Stock they hold and through the exercise of their rights under the Purchase Agreement, the Investor Rights Agreement and the Warrant.

Except as indicated herein, the Reporting Persons do not have any plan or proposal that relates to or would result in:

(g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;

(h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

(i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or

(j) any action similar to any of those enumerated above.

Each Reporting Person may, at any time and from time to time, review or reconsider its position and/or change its purpose and/or formulate plans or proposals with respect to any of the above matters.

Item 5. Interest in Securities of the Issuer.

(a) (i) Trailer may be deemed to directly beneficially own 24,762,636 shares of Common Stock, which represents approximately 44.2% of the Common Stock of the Issuer as of August 3, 2009, which shares are issuable upon exercise of the Warrant. The calculation of this percentage is based on 31,248,755 shares of common stock outstanding, including restricted shares, which number was provided to the Reporting Persons by the Issuer in connection with the consummation of the transactions described herein.

(ii) LEF III is the sole member of Trailer and, accordingly, may be deemed to indirectly beneficially own all of the shares set forth in paragraph (a)(i) above.

(v) Mr. Maloney holds a majority of the voting power of Equity III and, accordingly, may be deemed to indirectly beneficially own all of the shares set forth in paragraph (a)(i) above.

(b) As a result of the relationships described herein, each of the Reporting Persons may be deemed to be a beneficial owner of the Warrant Shares, and as a result each of the Reporting Persons may be deemed to have sole voting and dispositive power over the Warrant Shares owned by Trailer.

Page 12 of 17

The filing of this Schedule 13D shall not be construed as an admission that any Reporting Person is, for the purposes of Section 13(d) or 13(g) of the Exchange Act, or for any other purpose, the beneficial owner of any securities of the Issuer other than the securities stated herein to be beneficially owned by such Reporting Person.

(c) Other than as described herein, no transactions in the Common Stock of the Issuer were effected during the past sixty days. The information set forth in Item 4 hereof is hereby incorporated by reference into this Item 5(c).
