Item 2.02 Results of Operations and Financial Condition.

Our reportable segments are the same as our operating segments, which also correspond with our management organizational structure. Because of the recent divestiture of the majority of the Store Fixtures business unit (formerly in the Commercial Fixturing & Components segment) along with the retirement of the Senior Operating Vice President of the Industrial Materials segment, our management organizational structure and all related internal reporting changed during the first quarter of 2015. As a result, the composition of our four reportable segments changed to reflect the new structure beginning in the first quarter of 2015.

Attached as Exhibit 99.1 is a revised overview of the Company's segments and certain of the Company's revised unaudited segment financial data for each year and quarterly period for 2014, 2013 and 2012, as well as for the year 2011. This financial data reflects the reportable segments the Company will use to present its first quarter financial results for 2015 and is being provided to facilitate the comparison of such results with prior financial periods. While this financial data reflects the change in the Company's reportable segments described below, the Company has not in any way revised or restated its historical consolidated financial statements for any period. The Company's consolidated net sales, earnings from continuing operations before interest and taxes, earnings from continuing operations, net earnings and net earnings per share remain unchanged for all periods presented.

The Company's four reportable segments will continue to be Residential Furnishings, Commercial Products (formerly named Commercial Fixturing & Components), Industrial Materials and Specialized Products. The segment changes will include: (i) the Adjustable Bed and Fashion Bed (formerly named Consumer Products) business units moved from Residential Furnishings to Commercial Products; (ii) the Aerospace Products business unit moved from Industrial Materials to Specialized Products; and (iii) the Spuhl machinery division moved from Specialized Products to Residential Furnishings.

This information, including Exhibit 99.1, is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, (the Exchange Act), or otherwise subject to the liabilities of that section. This information shall not be incorporated by reference into any document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
