Section 1 – Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On October 9, 2015, PTC Inc. entered into an Asset Purchase Agreement (the "Agreement") with Qualcomm Connected Experiences, Inc., a Delaware corporation ("QCE"), providing for the acquisition of certain assets of QCE's Vuforia business, including certain intellectual property, third party contracts, and the shares of a Swiss subsidiary engaged in the Vuforia business, together with certain related liabilities, and other related matters, for \$65 million. PTC expects to draw from its existing credit facility to fund the acquisition.

The Agreement contains customary representations, warranties and covenants of QCE and PTC, including covenants by QCE to conduct the Vuforia business in the ordinary course before the closing date of the acquisition and not to solicit, initiate or accept any alternative third party acquisition proposal for the Vuforia business or to discuss or negotiate with any third party about an alternative acquisition proposal for the Vuforia business.

Closing of the acquisition is expected to occur by the end of calendar year 2015, subject to customary closing conditions.

Under the Agreement, QCE has agreed to indemnify PTC following the closing for losses resulting from breaches of QCE's representations, warranties and covenants, certain tax liabilities, and certain other matters, subject to certain limitations specified in the Agreement. 10% of the purchase price has been placed in escrow as a source for satisfaction of such losses as to which claims are made within 12 months after the closing date, subject to certain exceptions.

At the closing, PTC and QCE (or its applicable affiliate) will enter into certain agreements regarding intellectual property rights and a transition services agreement providing for QCE's performance of specified transition services to PTC following the closing. PTC has also agreed to retain, or offer to employ, the current employees of the Vuforia business.

A copy of the Agreement is attached as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement.
