Dear Stockholder:

On behalf of Ceridian's Board of Directors, I am pleased to invite you to attend Ceridian Corporation's 2002 Annual Meeting of Stockholders. The meeting will be held at our corporate headquarters located at 3311 East Old Shakopee Road, Minneapolis, Minnesota on Wednesday, May 22, 2002 at 8:30 a.m., local time.

The Notice of Annual Meeting of Stockholders and the Proxy Statement that follow include information about the proposal recommended by Ceridian's Board of Directors to elect seven individuals to serve as directors of Ceridian. Our Board of Directors believes that a favorable vote for each nominated director is in the best interests of Ceridian and its stockholders, and unanimously recommends a vote FOR the election of each nominated director. Accordingly, we urge you to review the accompanying materials carefully and to promptly vote your shares.

Your vote is important. Whether you own a few or many shares of stock, it is important that your shares be represented at the meeting. We hope that you will be able to attend the annual meeting. Whether or not you can be present at the meeting in person, please promptly vote your shares by following the instructions on the enclosed proxy card to ensure that your vote is counted at the meeting. If you do attend, your proxy can be revoked at your request in the event you wish to vote in person.

We look forward to seeing you at the meeting.

Sincerely,

Ronald L. Turner
Chairman, President and Chief Executive Officer

**Notice of 2002 Annual Meeting of Stockholders
to be Held on Wednesday, May 22, 2002**

The 2002 Annual Meeting of Stockholders of Ceridian Corporation will be held on Wednesday, May 22, 2002 at 8:30 a.m., local time, at our corporate headquarters located at 3311 East Old Shakopee Road, Minneapolis, Minnesota for the purpose of electing seven directors and to transact other business properly coming before the meeting.

The Board of Directors has fixed the close of business on April 3, 2002 as the record date for the purpose of determining stockholders who are entitled to notice and vote at the meeting and any adjournments. Stockholders are entitled to one vote for each share held of record as of the record date. No admission ticket will be necessary.

A list of stockholders entitled to vote at the meeting will be open for examination by any stockholder for any purpose germane to the meeting during ordinary business hours from May 10, 2002 through May 21, 2002, at our corporate headquarters.

PROXY STATEMENT GENERAL INFORMATION

Date, Time, Place and Purposes

The meeting will be held on Wednesday, May 22, 2002 at 8:30 a.m., local time, at our corporate headquarters located at 3311 East Old Shakopee Road, Minneapolis, Minnesota 55425, for the purpose set forth in the Notice of Meeting.

Proxies

This proxy statement is being mailed to our stockholders beginning on or about April 16, 2002 in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Stockholders.

YOUR VOTE IS VERY IMPORTANT!

Voting by Mail. A proxy card is enclosed for your use. Whether or not you expect to attend the meeting, please sign, date and mail your proxy promptly in the enclosed postage paid envelope.

Voting by Telephone and the Internet. If you wish to vote by telephone or by the Internet, please follow the instructions on the enclosed proxy card. If you vote by telephone or the Internet, please do not return your proxy by mail. Proxies will be voted as specified by you. If you sign, date and mail your proxy without indicating how you want to vote, your proxy will be voted in favor of the election of all of the nominees for director listed in this proxy statement.

The Board recommends you vote FOR all of the nominees for director listed in this proxy statement.

Number of Shares Outstanding

Holders of Ceridian common stock are entitled to one vote for each share held. As of April 3, 2002, the record date, there were 147,410,552 shares of our common stock outstanding and eligible to vote at the meeting.

Quorum Requirement

The presence at the meeting, in person or by proxy, of a majority of shares of our common stock issued and outstanding and eligible to vote will constitute a quorum for the transaction of business at the meeting. In general, shares of common stock either represented by a properly signed and returned proxy card or properly voted by telephone or the Internet will be counted as shares present and entitled to vote at the meeting for purposes of determining a quorum, without regard to whether the vote reflects withholding of authority.

Vote Required for Election of Directors

The seven director nominees receiving the highest number of votes will be elected. Stockholders who do not wish their shares to be voted for a particular nominee may indicate that in the space provided on the proxy card or by following the telephone and Internet instructions.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted by sending a written statement to the Corporate Secretary or by submitting another proxy with a later date. The written statement or proxy with a later date must be received by the Corporate Secretary prior to the meeting. You may also revoke your proxy by appearing and voting at the meeting.

Voting by Participants in Our Benefit Plans

If you own shares of our common stock as a participant in one or more of our employee benefit plans, you will receive a single proxy card that covers both the shares credited to your name in your plan account(s) and any shares you own registered in your name. If any of your plan accounts are not in the same name as your registered shares, you will receive separate proxy cards for your registered and plan holdings. Proxies

Edgar Filing: CERIDIAN CORP /DE/ - Form DEF 14A

submitted by participants in our 401(k) plans will serve as voting instructions to the trustees for the plans whether provided by mail, telephone or the Internet. In the absence of voting instructions for participants in the 401(k) plans, the trustees of the plans will vote the undirected shares in the same proportion as the directed shares.

Confidential Voting

We have a policy that if a stockholder requests, his or her vote will be kept confidential prior to the final

tabulation of the vote at the meeting. The only exceptions to this policy involve applicable legal requirements and proxy solicitations in opposition to the Board. Access to proxies and individual stockholder voting records is limited to our independent election inspector (The Bank of New York), who may inform us at any time whether or not a particular stockholder has voted.

Householding of Annual Meeting Materials

In December 2000, the Securities and Exchange Commission approved a rule concerning the delivery of annual reports and proxy statements. It permits us to send a single set of these reports to any household at which two or more stockholders reside if we believe they are members of the same family. Each stockholder will continue to receive a separate proxy card in the mailing. This procedure, referred to as householding, reduces the volume of duplicate information you receive and reduces our expenses. We are working with our transfer agent, The Bank of New York, to institute this procedure for all relevant record holder accounts. A notice will be sent to impacted stockholders of record when householding is available through our transfer agent.

This past year, a number of brokerage firms have instituted householding. If your family has multiple Ceridian accounts, you may have received householding notification from your broker earlier this year. Please contact your broker directly if you have questions, require additional copies of the proxy statement or annual report, or wish to revoke your decision to household, and thereby receive multiple reports. These options are available to you at any time.

Other Business

The Board knows of no other matters to be presented for stockholder action at the meeting. If other matters are properly brought before the meeting, the persons named in the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

Effect of our March 2001 Spin-Off

Ceridian was formed as a result of the spin-off of the human resource solutions division and human resource solutions and Comdata subsidiaries of Arbitron Inc., formerly known as Ceridian Corporation (which this proxy statement refers to as Old Ceridian or Ceridian's predecessor). On March 30, 2001, we became an independent public company when all of our outstanding common stock was distributed to Old Ceridian's stockholders in a tax-free spin transaction (which this proxy statement refers to as the spin-off).

Despite the legal form of the spin-off, because of the relative significance of our businesses to Old Ceridian, we were considered the divesting entity and treated as the accounting successor for financial reporting purposes.

Upon completion of the spin-off, each of the directors and all but one of executive officers of Old Ceridian resigned and was thereafter appointed to equivalent positions with Ceridian. We are required to disclose, in this proxy statement, certain information such as executive compensation, Board compensation and meetings and shareholder information for Ceridian for the year 2001. Ceridian was a wholly-owned subsidiary of Old Ceridian and had no assets or operations until March 2001 in connection with the spin-off. Because that information may not be particularly useful to you and because the directors and all but one of executive officers of Ceridian are identical to the directors and executive officers of Ceridian's predecessor prior to the spin-off, we have included in this proxy statement certain information regarding Ceridian's predecessor prior to the spin-off.

As used in this proxy statement, references to Ceridian or the Company mean Ceridian Corporation, formerly known as New Ceridian Corporation, which was incorporated in August 2000, together with its consolidated subsidiaries, unless the context otherwise indicates.

ELECTION OF DIRECTORS (ITEM 1)

Our business is managed under the direction of our Board of Directors. Our Bylaws provide that the Board determines the number of directors, which is currently set at eight and as of May 22, 2002, will be set at seven. The Board has designated as nominees for director seven of the directors presently serving on the Board. In July 2001, Mr. Paul Walsh resigned from the Board for personal reasons. Mr. Bruce Bond is not standing for re-election to the Board. The Board thanks Messrs. Walsh and Bond for their dedicated service to Ceridian. Each nominee was first elected as a director of Ceridian in connection with the spin-off in March 2001, other than Mr. Turner, who was elected as a director in August 2000, at the time of Ceridian's incorporation.

The Board recommends a vote FOR and solicits proxies in favor of each of the nominees named below. Proxies cannot be voted for more than seven people. The Board has no reason to believe any of the nominees for director will be unable or unavailable to serve. However, if any nominee should for any reason become unable or unavailable to serve, proxies will be voted for another nominee selected by the Board. Alternatively, the Board may reduce the number of directors, and proxies, at the Board's discretion, may be voted for a fewer number of nominees as results from a director's inability or unavailability to serve. Each person elected will hold office until the 2003 Annual Meeting of Stockholders and until his or her successor is duly elected and qualified, or until his or her earlier resignation or removal.

Table of Contents**MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD**

The members of the Board of Directors of Ceridian prior to the spin-off in March 2001 were Ronald L. Turner and Gary M. Nelson. Prior to the spin-off, Ceridian's Board of Directors took action by unanimous written consent four times and did not have any meetings. Prior to the spin-off, Ceridian had no Board committees.

Immediately following the spin-off, the Board of Directors of Ceridian was comprised of all of the members of the Board of Directors of Ceridian's predecessor. Since the spin-off, the Board of Directors of Ceridian held four meetings. Each current director of Ceridian attended more than 75% of the meetings of the Board and its committees on which the director served. Following the spin-off, the Board has maintained five committees that took action in 2001 as follows:

Committee	Meetings	Written Action
Executive	1	0
Audit	2	0
Compensation and Human Resources	2	0
Nominating and Board Governance	2	0
Strategy Review	2	0

Membership on the Audit Committee, Compensation and Human Resources Committee and Nominating and Board Governance Committee is limited to directors who are not current or former employees of Ceridian or Ceridian's predecessor.

Executive Committee

The following directors currently serve on the Executive Committee:

Ronald L. Turner, Chair
 Nicholas D. Chabraja
 Ronald T. LeMay

The Executive Committee acts on matters that arise between Board meetings and require immediate action. All actions taken by this committee are reported to the Board and are subject to revisions and alterations by the Board.

Audit Committee

The following directors currently serve on the Audit Committee:

George R. Lewis, Chair
 Bruce R. Bond
 Robert H. Ewald

The Audit Committee:

reviews and recommends to the Board the selection of our independent auditors

consults with our independent auditors and reviews the scope and significant findings of the audits performed by them

reviews the adequacy and sufficiency of our financial and accounting controls, practices and procedures, the activities and recommendations of our internal auditors and our reporting policies and practices

Compensation and Human Resources Committee

The following directors currently serve on the Compensation and Human Resources Committee:

Nicholas D. Chabraja, Chair

William J. Cadogan
Ronald T. LeMay
Carole J. Uhrich

The Compensation and Human Resources Committee:

determines compensation policies, practices and structures for our key employees

approves the compensation and benefits of our executive officers, including the chief executive officer

reviews the process of managing executive succession, diversity and development

assesses the adequacy of our human resource policies and principles

The following directors currently serve on the Nominating and Board Governance Committee:

Ronald T. LeMay, Chair
Nicholas D. Chabraja
George R. Lewis

The Nominating and Board Governance Committee:

reviews the composition, organization and governance of the Board and its committees and recommends to the Board the adoption of relevant policies

recommends to the Board compensation for non-employee directors, evaluates the performance of the chief executive officer and considers all nominees, including those recommended by stockholders, for Board membership

Strategy Review Committee

The following directors currently serve on the Strategy Review Committee:

Carole J. Uhrich, Chair
Bruce R. Bond
William J. Cadogan
Robert H. Ewald
Ronald L. Turner

The Strategy Review Committee:

assists the Board by reviewing and assessing the strategic plans of our business units and our performance in meeting key objectives in connection with acquisitions and other strategic transactions

makes recommendations to the Board on issues relating to corporate strategy and strategic planning

Table of Contents**DIRECTOR COMPENSATION**

Prior to the spin-off, neither of Ceridian's two directors, Messrs. Turner and Nelson, received compensation for services as a director of Ceridian. In connection with the spin-off, Mr. Nelson resigned as a director and all of Old Ceridian's directors became directors of Ceridian. Non-employee directors were compensated by Old Ceridian prior to the spin-off and Ceridian following the spin-off. The following table summarizes the compensation paid to or earned by non-employee directors during 2001. Directors who are employees of Ceridian are not separately compensated for their services as a director.

Name	Cash Compensation	Security Grants		
	Cash Portion of Annual Retainer (\$)(1)	Shares Underlying Options #(2)	Shares Issued as Portion of Annual Retainer #(1)(3)	Shares Issued as Restricted Stock Award to New Director #(4)
Bruce R. Bond	\$26,000	4,000	1,544	0
William J. Cadogan	26,000	4,000	1,544	0
Nicholas D. Chabraja	0	4,000	3,384	0
Robert H. Ewald	26,000	4,000	1,544	0
Ronald T. LeMay	31,000	4,000	1,544	0
George R. Lewis	31,000	4,000	1,544	0
Carole J. Uhrich	31,000	4,000	1,544	0
Paul S. Walsh(5)	15,167	4,000	858	0

- (1) Ceridian's annual retainer is currently \$52,000 and, at the election of the director, between 50% to 100% of this annual retainer is paid in restricted stock, deferred stock or a combination of the two. The amount includes a supplemental annual payment of \$5,000 for the chairs of the Compensation and Human Resources, Audit, Nominating and Board Governance and Strategy Review Committees which may be taken in cash, restricted stock, deferred stock or any combination of the three. Mr. Chabraja elected to receive 100% of his annual retainer and committee chair fee in restricted stock.
- (2) Each director received an annual option grant of 4,000 shares of common stock on the date of the annual meeting of stockholders. The exercise price per share of each option granted was 100 percent of the fair market value of the underlying common stock on the date the option was granted. Each option became exercisable in full six months after the date of grant and expires ten years from the date of grant. Mr. Walsh's option was canceled upon his resignation from the Board of Directors effective July 31, 2001.
- (3) Shares of restricted or deferred stock are non-transferable while the director serves on the Board.
- (4) Each newly elected director receives a one-time award of restricted stock. The number of restricted shares is determined by dividing an amount equal to two and one-half times the then current annual retainer for a non-employee director by the average closing price of a share of common stock on The New York Stock Exchange for the ten trading days prior to the effective date of the individual's election to the Board, rounded to the nearest 100 shares. Twenty percent of the restricted shares vest on each anniversary of the date of grant, and the shares may not be transferred before they vest. Because all the directors of Ceridian were directors of Old Ceridian prior to the spin-off, these directors were not considered newly elected for purposes of receiving this one-time award of restricted stock in March 2001.
- (5) Mr. Walsh resigned as a member of the Board of Directors effective July 31, 2001.

CORPORATE GOVERNANCE

Our Board and management have sought to foster an approach toward corporate governance that will ensure an independent, informed and effective Board, responsible and accountable for acting in the best interests of our stockholders. All directors stand for election every year, and all holders of our common stock have equal voting rights. The Board has approved a statement of corporate governance policies that expresses in a consolidated fashion the corporate governance practices of Ceridian. The statement of policies includes the following:

A majority of the directors should be independent.

The committees of the Board are established based on the Board's assessment of what is necessary and desirable in light of Ceridian's circumstances at any particular time and the Board's desire to most effectively utilize directors' time, experience and expertise.

The Nominating and Board Governance Committee will review at least annually the size and composition of the Board to assess whether the personal experience and expertise of the individual directors, and the overall mix of experience, expertise, independence and diversity of backgrounds among all the directors, will enable the Board to most effectively monitor our performance and actively participate in developing long-term strategy and financial goals. This review includes director succession planning, in light of expected future needs of the Board and Ceridian, and application of policies pertaining to tenure on the Board.

All members of the Audit Committee, Compensation and Human Resources Committee and Nominating and Board Governance Committee are non-employee directors. The Nominating and Board Governance Committee reviews Board committee structure and assignments at least annually and recommends any changes to the Board.

The chairpersons of the respective Board committees are expected to assume leadership roles within the Board pertaining to issues within the purview of the committees that they chair.

The Nominating and Board Governance Committee periodically conducts an evaluation of the performance of the Board as a whole based on evaluation forms completed by each of the individual directors. The results of this evaluation and any recommendations for change are presented to the Board.

Any non-employee director who has completed, or as of the next annual meeting of stockholders will have completed, twelve years of service as a director will submit a letter to the Nominating and Board Governance Committee offering not to stand for re-election to the Board at any future meeting of stockholders. The Nominating and Board Governance Committee shall have complete discretion as to whether and when the offer will be accepted.

Upon a change in the employment status of any non-employee director, that director will submit a letter to the Nominating and Board Governance Committee offering not to stand for re-election to the Board at the next annual meeting of our stockholders. The Nominating and Board Governance Committee will have complete discretion as to whether the offer will be accepted.

Unless waived by the Board, any non-employee director must retire from the Board no later than the next annual meeting of our stockholders occurring after his or her 70th birthday. Any director who is also an officer of Ceridian will retire from the Board immediately upon retirement or termination as an officer and employee of the company.

The non-employee directors meet in executive session at least once per year, and include in this meeting an evaluation of the performance of the chief executive officer, based on evaluation and feedback forms previously completed by the non-employee directors.

Table of Contents

REPORT OF COMPENSATION AND HUMAN RESOURCES COMMITTEE

All of Ceridian's current executive officers were executive officers of both Ceridian and Old Ceridian during 2001, and were compensated by Old Ceridian until March 31, 2001 and by Ceridian for the remainder of 2001. The following is Ceridian's Compensation and Human Resources Committee's report on executive compensation for 2001.

The Compensation and Human Resources Committee is responsible for establishing and administering the compensation program for executive officers of the company. All committee members are independent directors who are not either current or former employees of the company. The executive compensation program is designed to:

Compete aggressively with other companies

Reward superior performance with superior levels of compensation

Align the interests of senior management with the interests of stockholders

The executive compensation program is composed of three elements:

Base salary

Annual incentive bonus

Long-term incentive compensation

Base salary is targeted at around the 50th percentile of comparative market data. Total compensation (base salary, annual incentive bonus and long-term incentive compensation) is targeted at or above the 75th percentile for achieving superior performance goals. Greater weight is given to an executive's performance-based compensation (annual incentive bonus and long-term incentive compensation). The higher the level of responsibility an executive has, the greater the executive's total direct compensation emphasizes performance-based compensation. The committee also determines the performance goals for incentive compensation plans in conjunction with the Board's approval of strategic and operating plans.

Each year the committee receives information regarding competitive compensation levels and practices for positions comparable to the company's executive officer positions. This information is obtained from nationwide compensation survey information collected and evaluated internally by management and by independent consulting firms. The committee also receives advice from an independent, nationally recognized, compensation consulting firm. As a result, comparative compensation information is drawn from a broader range of companies than those included in the company's peer group index utilized in the stock price performance graph found in this proxy statement, and not all of the companies included in the peer group index are included in the surveys the committee utilizes. Based on this comparative information, the committee generally targets base salary, total cash compensation (salary plus annual bonus) and long-term incentive compensation for each executive officer position to fall within a range between the 50th and 75th percentiles of the relevant marketplace.

Base Salary

The annual determination of an executive officer's salary is based on the committee's subjective assessment of the following factors:

Responsibilities of the position

Competitive practice

Performance and experience of the executive

Relative internal relationships

The 2001 base salaries for executive officers, including the named executives in the summary compensation table contained in this proxy statement, were generally within the targeted range.

Annual Incentive Bonus

Edgar Filing: CERIDIAN CORP /DE/ - Form DEF 14A

The annual determination of an executive officer's target bonus is based on the committee's subjective assessment of the components listed below, the same factors considered with respect to determining base salary, and the philosophy regarding performance-based compensation. The actual amount of the annual incentive bonus is subject to the discretion of the committee. The amount or existence of any incentive payments can be impacted by significant external events, individual

Table of Contents

employment status and performance, and any unusual business events.

For 2001, the target bonus percentage for the named executives, other than Mr. Turner, ranged from 55% to 75% of base salary, with the maximum possible bonus equal to between 110% to 150% of base salary. The potential annual bonus for corporate executive officers, which includes Ronald L. Turner, John R. Eickhoff and Gary M. Nelson of the named executives, was comprised of three components:

60% of the targeted bonus was dependent upon the achievement of specified levels of earnings per share

20% of the targeted bonus was dependent upon the achievement of specified levels of revenue growth

20% of the targeted bonus was dependent upon the committee's subjective assessment of quarterly earnings per share results
The potential annual bonus for an executive officer responsible for an operating unit, which includes Tony G. Holcombe and Gary A. Krow of the named executives, was comprised of four components:

30% of the targeted bonus was dependent upon the same earnings per share requirement

30% of the targeted bonus was dependent upon the operating unit achieving specified levels of pre-tax earnings

15% of the targeted bonus was dependent upon the operating unit achieving specified levels of revenue growth

25% of the targeted bonus was dependent upon the committee's subjective assessment of the executive officer's individual performance in areas such as productivity and quality improvements

For 2001, the committee used its discretion in awarding annual incentive bonuses. Payments under the annual incentive bonus program for the named executives were generally below target, with the exception of Mr. Krow whose payment was between target and superior. This resulted in bonus payments for the named executives, other than Mr. Turner, ranging from approximately 28% to 100% of base salary. In addition, in April 2001 Mr. Eickhoff received an additional cash incentive to delay his retirement.

Long-Term Incentive Compensation

Long-term incentives for executive officers consist primarily of annual awards of stock options. The annual determination of an executive officer's option award within the range prescribed for his or her position is also based on the committee's subjective assessment of the following factors:

Responsibilities of the position

Performance and experience of the individual

Past option awards made to the individual

In 2001, annual stock option awards were made to each of the named executive officers that were generally within the targeted range. Such awards vest over three years and expire on January 31, 2006.

Chief Executive Officer Compensation

Mr. Turner's base salary during 2001 was \$615,000, an increase of 2.5% over his 2000 base salary. For 2001, Mr. Turner's target annual bonus percentage was 100% of his base salary and his maximum annual bonus percentage was 200% of his base salary, which was determined in the manner described above. In 2001, Mr. Turner's actual incentive bonus payment amounted to approximately 69% of his base salary. The committee determined that Mr. Turner's salary, annual bonus target percentage and long-term incentive compensation are in accordance with the practices described above. These determinations are based primarily on the committee's subjective evaluation of Mr. Turner's performance, the company's performance and its stock price performance. The committee has assigned no specific weighting to the factors it considered in evaluating the total direct compensation of Mr. Turner.

Stock Ownership Guidelines

The committee has approved stock ownership guidelines for all of the senior executive officers. The stock ownership guidelines provide that each senior executive should strive to own stock with a market value equal to a multiple of his or her base

Table of Contents

salary. The ownership guidelines range from owning stock of the company valued at five times base salary for the Chief Executive Officer to two times base salary for certain corporate executive officers. The current senior executive officers have until 2005 in which to attain their individual stock ownership goals. The committee is monitoring the progress of these senior executives as they strive to meet the stock ownership guidelines.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits to \$1 million the tax deduction for annual compensation paid to the chief executive officer and the four most highly compensated officers (other than the chief executive officer) of a publicly held corporation unless certain requirements are met. One of these requirements is that compensation over \$1 million be based on attainment of performance goals established in the manner prescribed by Section 162(m). The company paid no excess compensation in 2001. The committee supports the philosophy that a significant portion of the total compensation provided to an executive should be performance-based, and it has taken steps to qualify all long-term incentive compensation in the future as deductible under Section 162(m). At the same time, the committee believes that it is important for the committee to retain the flexibility to tailor the salary and bonus components of the compensation program in the manner it believes to be most beneficial to the company and its stockholders.

STOCK PRICE PERFORMANCE GRAPH

Our common stock was wholly owned by Old Ceridian until the spin-off and therefore did not trade on a regular way basis on the New York Stock Exchange until April 2, 2001.

The graph below compares the cumulative total return since April 2, 2001, the date of regular way trading of Ceridian common stock after the spin-off, to December 31, 2001, for Ceridian's common stock, the S&P 500 Index and our peer group index of data services companies aligned to Ceridian's HRS and Comdata business segments. The peer group index of data services companies, weighted for market capitalization, consists of Automatic Data Processing, Inc.; Bisys, Inc.; Concord EFS, Inc.; DST Systems, Inc.; Equifax, Inc.; First Data Corporation; Fiserv, Inc.; Paychex, Inc.; and ProBusiness Services, Inc. The peer group of Ceridian does not contain certain companies in Old Ceridian's peer group that were in the media ratings business and includes additional companies in Ceridian's current lines of business.

The graph assumes the investment of \$100 in each of Ceridian's common stock, the S&P 500 Index and the peer group index of Ceridian on April 2, 2001, and the reinvestment of all dividends as and when distributed.

- (1) The amounts reported for each individual as salary include an annual expense allowance paid to these individuals.
- (2) The amounts reported in 2001 in this column represent the market value of an additional credit of 15% paid by Ceridian on funds transferred or deferred into an individual's phantom stock account under the Ceridian Corporation Deferred Compensation Plan. The market value of the additional credit of phantom stock was determined by utilizing the closing price of Ceridian common stock on the NYSE on the date deferred funds were credited to the individual's phantom stock account. The additional credit vests on the last day of the second calendar year that begins after the date that the transfer or contribution is made into the phantom stock account.
- (3) The options granted to these individuals were made prior to the spin-off. In connection with the spin-off, outstanding options to purchase such common stock were replaced with options to purchase Ceridian common stock, the number and exercise prices of which were adjusted so that the new options to purchase Ceridian common stock have equivalent economic terms to the old options. All stock award information has been adjusted to reflect the spin-off conversion adjustments and a stock split paid in the form of a 100% stock dividend on February 26, 1999.
- (4) The amounts reported in this column represent the market value of shares of common stock which were granted in 1994 under a performance restricted stock program and which vested on January 15, 1999 for

Mr. Krow. The market value of the shares of such common stock was determined by utilizing the closing price of such common stock on the NYSE on the vesting date.

- (5) The amounts disclosed for each individual represent company contributions to the accounts of the named individuals in a 401(k) defined contribution plan.
- (6) The amount disclosed represents perquisites and includes \$46,250 attributable to personal aircraft use substantially related to the transportation of family members to company business events.

- (1) In connection with the spin-off, outstanding options to purchase such common stock were replaced with options to purchase Ceridian common stock, the number and exercise prices of which were adjusted so that the new options to purchase Ceridian common stock have equivalent economic terms to the old options. The number of shares and exercise prices listed in the table reflect the spin-off conversion adjustments.
- (2) All of the above options vest in cumulative one-third installments beginning on January 31, 2002. The exercisability of the above options will generally be accelerated (i) if an optionee's employment is terminated due to death or disability or (ii) upon a change of control. All of the above options have a reload feature, meaning a reload option is granted when an option reported in this table is exercised and payment of the exercise price is made by delivery of previously owned shares of common stock. Each reload option is granted for the number of shares of common stock tendered as payment for the exercise price and tax withholdings of the underlying option. The exercise price of a reload option is equal to the fair market value (closing price on the NYSE) of a share of common stock on the date of grant. A reload option is exercisable in full on the date of grant, and will expire on the same date as the underlying option.
- (3) The per share exercise price of each option is equal to the market value (closing price on the NYSE) of a share of common stock on the date of grant.
- (4) These amounts represent assumed rates of appreciation only. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock of Ceridian, overall market conditions and the optionees' continued employment through the vesting period. The amounts represented in this table may not necessarily be achieved.

Pension Plans

We maintain a voluntary, tax qualified, defined benefit pension plan for our U.S. employees that is funded by employee and employer contributions. This plan, which was assumed by us in connection with the spin-off, was closed to new participants effective January 2, 1995. The amount of the annual benefit under the plan is based upon an employee's average annual compensation during the employee's highest consecutive five-year earnings period with our company (or our predecessor company) while participating in the plan. Because the Internal Revenue Code limits the annual benefit that may be paid from tax-qualified plans, such as our pension plan, a benefit equalization plan was established, which we also assumed in connection with the spin-off, to provide retirees with supplemental benefits so that they will receive, in the aggregate, the benefits they would have been entitled to receive under the pension plan had these limits not been in effect. A benefit protection trust has been established and partially funded to pay benefit equalization plan benefits to participants whose employment terminated after December 1, 1994. This trust was transferred to us in the spin-off. A separate benefit protection trust has also been established and partially funded for the benefits to be paid to Messrs. Turner and Eickhoff under the benefit equalization plan. Mr. Turner's trust was established post spin-off and Mr. Eickhoff's trust was transferred to us in the spin-off. Assets in each of these three trusts remain subject to the claims of our general creditors in the event of our insolvency but otherwise will be used only to pay benefit equalization benefits and related expenses.

Annual compensation for purposes of the pension plan and the benefit equalization plan consists of salary and any annual bonus paid during the year, less the amount contributed by the employee to the pension plan that year on a pre-tax basis. Compensation for 2001 covered by these plans for the named executives was as follows: Mr. Turner, \$1,071,561 and Mr. Eickhoff, \$645,499. Messrs. Holcombe, Krow and Nelson are not eligible to participate in the pension plan or the benefit equalization plan. For purposes of the pension plan and the benefit equalization plan, an annual bonus is considered part of annual compensation in the year in which it is paid, rather than the year in which it was earned (the latter formulation being the basis on which amounts are reported in the Summary Compensation Table).

As of December 31, 2001, years of credited service Mr. Turner was nine years and for Mr. Eickhoff was 38.25 years.

Benefit amounts in the Pension Plan Table above are computed assuming payments are made on the normal life annuity basis and not under any of the various survivor options. Benefits listed in the table are not subject to deduction for Social Security or other offset amounts.

EMPLOYMENT AGREEMENTS AND CHANGE OF CONTROL ARRANGEMENTS

Executive Employment Agreements

We have employment agreements with each of the named executives.

Term. The initial term of our agreements with Messrs. Turner, Holcombe, Krow and Nelson expire on the later of January 29, 2005 or two years after a change of control of Ceridian occurring before the expiration of the agreement. Our agreements with Messrs. Turner, Holcombe, Krow and Nelson will each automatically renew for successive additional one-year terms on each anniversary date of the agreement. The term of our agreement with Mr. Eickhoff expires on the later of December 31, 2002 or two years after a change of control of Ceridian occurring before that date.

Payments Upon Termination. If we terminate an agreement with a named executive without cause and a release of claims is signed by the named executive, the named executive will be entitled to receive a lump sum payment equal to:

75 days of his annual base salary;

Two year s base salary and annual cash expense allowance (three years for Mr. Turner); and

A proportionate share of the bonus the executive would otherwise have received if he had remained employed with Ceridian for the full year in which termination occurred.

The agreement for Mr. Eickhoff provides that in the event of his termination without cause, he will also receive a supplemental retirement benefit calculated by including an additional year s base salary in the determination of his final average pay. Our agreements with the named executives contain provisions providing payments if termination occurs due to death or disability.

Our agreement with Mr. Turner provides for the continuation of group benefits until age 65 if Mr. Turner retires after the age of 55 with five or more years of service with Ceridian (including his prior service with Ceridian s predecessor). Mr. Turner s agreement provides for a supplemental retirement benefit payable to him following his termination of employment provided that he does not breach his confidentiality, non-compete, non-recruitment and non-disparagement obligations. This benefit will be paid in the form of a lump sum payment equal to the present value of the normal monthly pension to Mr. Turner for his lifetime that starts during the fourth month after his employment is terminated. If Mr. Turner is at least age 60 at the time of the payment, the monthly benefit will be one-twelfth of 2.5 percent of his final average pay for each year of service (including his service with Ceridian s predecessor) through the year he reaches age 62 and 1.67 percent of his final average pay for each subsequent year of service, minus any payments he would receive under the pension plans. If Mr. Turner is not at least age 60 at the time of the payment, the monthly benefit will be reduced. If Mr. Turner dies before the first day of the fourth month after his employment terminates, his surviving spouse will receive a reduced lump sum benefit.

Change of Control Arrangements

The exercisability of stock options or the vesting of other awards under our stock-based compensation plans and the payment of benefits under the executive employment agreements described above accelerate upon either a change of control or a change of control termination.

In addition, our retirement plan provides that upon the occurrence of a change of control or a determination by our Board of Directors that a change of control may occur in the near future, excess plan assets (that is, assets in excess of the present value of plan liabilities, determined as if the plan had terminated), may be used to increase benefits in the manner and to the extent determined by our Board of Directors.

For these purposes, a change of control is generally defined as any of the following:

A merger or consolidation involving Ceridian if less than 60 percent of its voting stock after the business combination is held by persons who were stockholders before the business combination;

Ownership by a person or group acting in concert of at least 20 percent of our voting securities, excluding acquisition by us, our benefit plans or acquisition by individuals reporting their ownership on Schedule 13G;

Table of Contents

A sale of substantially all of our assets;

Approval by our stockholders of a plan for the liquidation of our company;

Specified changes in the composition of our Board of Directors; or

Any other events or transactions that our Board of Directors determines constitute a change of control.

The term "change of control termination" refers to either of the following if it occurs within two years of a "change of control" of Ceridian:

Termination of an executive's employment by us for any reason other than conduct that constitutes fraud, theft or embezzlement of our assets, an intentional violation of law involving moral turpitude, or failure to follow our conduct or ethics policies; and

The executive terminates employment with Ceridian for "good reason," which is generally defined as an adverse change in an executive's responsibilities, authority, compensation, benefits or working conditions or a material breach by us of the executive's employment agreement. A change of control termination does not include termination of employment due to death or disability, but includes terminations in anticipation of a change of control (whether or not the change of control actually occurs).

The executive employment agreements with the named executives provide that following a change of control termination, each named executive will be entitled to receive a lump sum payment that is equal to (i) the prorated portion of the executive's bonus that was earned at "target" levels for the year termination occurs, and (ii) three times the following:

Twelve months base salary;

Any bonus the executive would have received under all applicable Ceridian bonus plans for the year in which the termination occurs had "superior" goals been achieved; and

Amount of the annual cash expense allowance.

In addition, Messrs. Holcombe, Krow and Nelson will receive three times the highest aggregate amount of basic and performance matching contributions into Ceridian's Savings and Investment Plan.

Messrs. Turner and Eickhoff will receive a pension supplement equivalent to the value of three additional years of age and service credit under Ceridian's defined benefit pension plans (other than Mr. Turner's supplemental retirement benefit pursuant to his employment agreement). If Mr. Turner's supplemental benefit is paid before his sixtieth birthday, the reduction for early retirement will not be applied. The amount of Mr. Eickhoff's lump sum payment will be included in the determination of final average pay for purposes of computing his supplemental retirement benefits.

The lump sum payments made to the named executives would be in lieu of any other severance payment specified in their executive employment agreements. In addition to the lump sum payments, the executives would receive "gross-up" payments to put the executives in the same after-tax position as if no excise taxes under the Internal Revenue Code had been imposed. Also, following a change of control termination, all of the named executives will receive until age 65 the same group health and welfare benefits the executive received immediately prior to the change of control.

- (1) Each individual owns less than one percent of the total outstanding shares of Ceridian common stock, except for Mr. Turner who owns approximately one percent. All directors and executive officers as a group own approximately three percent of the total outstanding shares of Ceridian common stock. Except for phantom shares, each director and executive officer has sole voting and investment power for all shares of common stock opposite his or her name.
- (2) Includes shares of restricted stock held by directors.
- (3) Includes shares of common stock allocated to the individual accounts of executive officers under Ceridian's 401(k) plans.
- (4) Includes phantom shares credited to the individual accounts of executive officers pursuant to deferrals made by the individual under the Ceridian Corporation Deferred Compensation Plan. All distributions paid from an individual's phantom stock account will be made in Ceridian common stock (fractional shares paid in cash). Phantom stock may not be transferred out of an individual's phantom stock account until retirement or termination. Phantom stock does not have voting rights. For each contribution made by an individual to his or her phantom stock account, Ceridian credits the individual's phantom stock account with an additional 15 percent premium on the amount contributed by the individual. This additional credit vests on the last day of the second year that begins after the date that the contribution is made into the individual's phantom stock account.

REPORT OF AUDIT COMMITTEE

Membership and Role of the Audit Committee

The Audit Committee currently consists of the following members of our Board of Directors:

George R. Lewis, Chair
Bruce R. Bond
Robert H. Ewald

Mr. Paul Walsh served on the Audit Committee until he resigned from the Board of Directors effective July 31, 2001.

Each of the members of the Audit Committee is independent as defined under The New York Stock Exchange listing standards. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of this charter was included as Appendix B in the proxy statement dated April 18, 2001 for the 2001 Annual Meeting of Stockholders.

The primary function of the Audit Committee is to provide advice with respect to Ceridian's financial matters and to assist the Board in fulfilling its oversight responsibilities regarding finance, accounting, tax and legal compliance. The Audit Committee's primary duties and responsibilities are to:

review and recommend to the Board the selection of Ceridian's independent auditors

consult with Ceridian's independent auditors and review the scope and significant findings of the audits performed by them

review the adequacy and sufficiency of Ceridian's financial and accounting controls, practices and procedures, the activities and recommendations of its internal auditors and its reporting policies and practices

Review of Ceridian's Audited Consolidated Financial Statements for the Fiscal Year ended December 31, 2001

The Audit Committee has reviewed and discussed the audited consolidated financial statements of Ceridian for the fiscal year ended December 31, 2001 with Ceridian's management. Management is responsible for the consolidated financial statements and reporting process, including systems of internal controls. KPMG LLP, Ceridian's independent auditors, is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with accounting principles generally accepted in the United States.

The Audit Committee has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee has also received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees) and the Audit Committee has discussed the independence of KPMG LLP with that firm.

Based on the Audit Committee's review and discussions noted above, the Audit Committee recommended to the Board of Directors that Ceridian's audited consolidated financial statements be included in Ceridian's Annual Report on Form 10-K for the fiscal year ended December 31, 2001 for filing with the Securities and Exchange Commission.

INDEPENDENT AUDITORS AND AUDITOR FEES

The Board has selected KPMG LLP, our present auditors, to audit our accounts for the year ending December 31, 2002. KPMG LLP audited our accounts for the year ended December 31, 2001, and has acted as Ceridian's and its predecessor's independent auditors for more than thirty years.

Representatives of KPMG LLP will attend the annual meeting of stockholders. They will have an opportunity to make a statement if they desire to do so, and will be available to respond to stockholder questions.

The following table sets forth the aggregate fees billed to Ceridian for the fiscal year ended December 31, 2001 by KPMG LLP:

Audit Services		\$ 912,000
Financial Information Systems Design and Implementation Services		0
All Other Services:(a)		
Audit related fees	348,000(b)	
Tax Services	370,000	
Spin-off related	60,000	
Other	145,000	
	<hr/>	
Total All Other		923,000
		<hr/>
Total Fees		\$1,835,000

(a) The Audit Committee considered whether the provision of these services is compatible with maintaining KPMG LLP's independence.

(b) Principally related to third-party reviews of transaction processing controls (SAS 70 reports) and audits of employee benefit plans.

OTHER MATTERS

Ceridian Mailing Address

Our current mailing address is 3311 East Old Shakopee Road, Minneapolis, Minnesota 55425.

Stockholder Proposals for 2003 Annual Meeting

All proposals of stockholders that are requested to be included in our proxy statement for the 2003 Annual Meeting of Stockholders must be received by our Corporate Secretary on or before December 18, 2002, to be included.

Any other stockholder proposals to be presented at the 2003 Annual Meeting of Stockholders must be given in writing to our Corporate Secretary and received at our principal executive offices not less than 60 nor more than 90 days prior to the first year anniversary of the date we mailed our proxy statement in connection with our 2002 Annual Meeting. The proposal must contain specific information required by our Bylaws, a copy of which may be obtained by writing to our Corporate Secretary.

Director Nominations

In accordance with procedures set forth in our Bylaws, stockholders may propose nominees for election to the Board of Directors only after providing timely written notice to the Corporate Secretary, as provided above. The notice must set forth:

All of the information required under SEC rules in a proxy statement soliciting proxies for the election of directors

The nominee's business and residence address

Name and record address of, and number of shares of Ceridian common stock held by, the stockholder making the nomination

Expenses of Solicitation

Edgar Filing: CERIDIAN CORP /DE/ - Form DEF 14A

The solicitation of proxies is being made by Ceridian and we pay the cost of soliciting proxies. We also arrange with brokerage houses, custodians, nominees and other fiduciaries to send proxy material to their principals, and we reimburse them for their expenses. In addition to solicitation by mail, proxies may be solicited by our employees, by telephone or personally. No additional compensation would be paid for such employee solicitation. We have also retained Georgeson & Company, Inc. to assist in the solicitation of proxies for an estimated fee of \$7,500 plus out-of-pocket expenses.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who beneficially own more than 10% of our common stock to file with the SEC reports of ownership regarding the common stock and other Ceridian equity securities.

These persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Ceridian became a publicly reporting company in 2001, in connection with the spin-off. To our knowledge, based on a review of copies of the Section 16(a) reports received during the period from the spin-off to February 14, 2002, all of our officers, directors and beneficial owners complied with the applicable Section 16(a) filing requirements.

Annual Report on Form 10-K

A copy of our Annual Report on Form 10-K (an annual filing with the SEC) for the year ended December 31, 2001 is included in this year's Annual Report to Stockholders. Additional copies of the Form 10-K may be obtained without charge by writing to Ceridian Corporation, Attention: Stockholder Services Department, 3311 East Old Shakopee Road, Minneapolis, Minnesota 55425-1640.

Your vote is important. Whether or not you plan to attend the Annual Meeting, please vote your shares of common stock by marking, signing, dating and promptly returning the enclosed proxy card in the postage paid envelope provided or by voting by telephone or the Internet.
