This Amendment No.4 supplementally amends the Initial Statement on Schedule 13D, filed by Teck and Teck Metals with the Securities and Exchange Commission on September 27, 2007 (the "Initial Statement"), as amended by Amendment No.1 to the Schedule 13D, filed by Teck and Teck Metals on June 20, 2008, as amended by Amendment No. 2 to the Schedule 13D, filed by Teck and Teck Metals on July 30, 2008, as amended by Amendment No. 3 to the Schedule 13D, filed by Teck and Teck Metals on September 30, 2008 (together, the "Initial Statement"). The principal executive offices of the Issuer are located at 205th Avenue SE, Suite 1000, Calgary, Alberta T2G 0R4. Item 3 of the Initial Statement is hereby amended by adding the following at the end thereof:

On October 13, 2008 Teck and Teck Metals entered into agreements with a Canadian chartered bank (the "Agreements") pursuant to which the bank has agreed to purchase on October 24, 2008 (the "Sale Date") approximately 12.86 million Units of the Issuer held by Teck and approximately 14.79 million Units of the Issuer held by Teck Metals for a total of approximately 27.6 million Units of the Issuer.

Teck intends to use the proceeds of the sale to fund a portion of the cash payment in respect of the Transaction, which is expected to close on October 30, 2008. The purchase price to be paid per Fording Unit will be US\$83.30, subject to adjustment after closing of the Transaction based on the volume weighted average price of Teck Class B subordinate voting shares. Additionally, under the Agreements, if the Transaction does not close by November 5, 2008, the bank will settle its obligation to pay for the Fording Units based on the weighted average price of Fording Units on the New York Stock Exchange during the following 20 day period.
