**ABOUT THIS PROSPECTUS**

This prospectus is part of a registration statement on Form S-3 that we have filed with the Securities and Exchange Commission (SEC) using a "shelf" registration process. Under this shelf registration process, we may, from time to time, sell, in one or more offerings, any combination of securities described in this prospectus.

This prospectus provides you with a general description of EQT and the securities that may be offered under this prospectus. The prospectus supplement also may add to, update or change information in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement or any related free writing prospectus that we prepare or authorize, you should rely on the information in the prospectus supplement or related free writing prospectus. You should read carefully this prospectus, any prospectus supplement, any free writing prospectus and the additional information described below under the headings "Where You Can Find More Information" and "Incorporation of Certain Documents by Reference."

In this prospectus, except as otherwise indicated, "EQT," "we," "our" and "us" refer to EQT Corporation and its consolidated subsidiaries.

### **DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS**

Some of the information included in this prospectus, any prospectus supplement, any accompanying free writing prospectus and the documents we incorporate by reference may contain forward-looking statements within the meaning of Section 21E of the Exchange Act and Section 27A of the Securities Act of 1933, as amended (the Securities Act). Forward-looking statements may give our current expectations of plans, strategies, objectives and growth, contain projections of results of operations or of financial condition, or forecast future events. Statements that do not relate strictly to historical or current facts are forward-looking and usually identified by the use of words such as "anticipate," "estimate," "could," "would," "will," "may," "forecast," "approximate," "expect," "project," "intend," "plan," "believe" and other words of similar meaning in connection with any discussion of future operating or financial matters. The forward-looking statements included in this prospectus involve risks and uncertainties that could cause actual results to differ materially from projected results. Accordingly, you should not place undue reliance on forward-looking statements as a prediction of actual results. We have based these forward-looking statements on current expectations and assumptions about future events. While we consider these expectations and assumptions to be reasonable, they are inherently subject to significant business, economic, competitive, regulatory and other risks and uncertainties, many of which are difficult to predict and beyond our control. The risks and uncertainties that may affect the operations, performance and results of our business and

forward-looking statements include, but are not limited to, those set forth in the "Risk Factors" section of this prospectus and in the documents that we have incorporated by reference herein.

Any forward-looking statement speaks only as of the date on which such statement is made and we do not intend to correct or update any forward-looking statement, whether as a result of new information, future events or otherwise.

In reviewing any agreements incorporated by reference in or filed with the registration statement of which this prospectus forms a part, please remember that such agreements are included to provide information regarding the terms of such agreements and are not intended to provide any other factual or disclosure information about us. The agreements may contain representations and warranties by us, which should not in all instances be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties to such agreements should those statements prove to be inaccurate. The representations and warranties were made only as of the date of the relevant agreement or such other date or dates as may be specified in such agreement and are subject to more recent developments. Accordingly, these representations and warranties alone may not describe the actual state of affairs of us or our affiliates as of the date they were made or at any other time.

EQT Midstream had approximately 8,250 miles of gathering lines and 900 miles of transmission lines as of December 31, 2015.

Our common stock is listed on the NYSE under the symbol "EQT." Our Internet address is <http://www.eqt.com>. Information on our website does not constitute part of this prospectus.

**RISK FACTORS**

Investing in our securities involves risks. You should carefully consider the risks described under "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2015, which is incorporated by reference into this prospectus, as well as those risk factors contained in other reports we subsequently file with the SEC or that may be included in any applicable prospectus supplement, before making a decision to invest in our securities.

**USE OF PROCEEDS**

Unless we specify otherwise in any prospectus supplement, we will use the net proceeds we receive from the sale of securities covered by this prospectus for general corporate purposes, which may include, among other things:

paying or refinancing all or a portion of our indebtedness outstanding at the time; and

funding working capital, capital expenditures or acquisitions.

The actual application of proceeds from the sale of any particular offering of securities using this prospectus will be described in the applicable prospectus supplement relating to such offering. The precise amount and timing of the application of these proceeds will depend upon our funding requirements and the availability and cost of other funds. In the case of a sale by a selling securityholder, we will not receive any of the proceeds from such sale.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The table below sets forth the consolidated ratio of earnings to fixed charges for us for each of the periods indicated.

Six Months Ended	Year Ended December 31,				
	2015	2014	2013	2012	2011
June 30, 2016	2.86x	4.60x	3.74x	1.97x	5.08x
*					

\* Earnings for the six months ended June 30, 2016 were inadequate to cover fixed charges by \$275.7 million.

Earnings included in the calculation of this ratio consist of (i) income before income taxes, noncontrolling interests, discontinued operations and cumulative effect of accounting changes, minus (ii) equity earnings of nonconsolidated investments, plus (iii) fixed charges, plus (iv) distributions of income from equity investees, and minus (v) capitalized interest (including allowance for borrowed funds used during construction). Fixed charges included in the calculation of this ratio consist of (i) interest on debt and amortization of debt expense, plus (ii) capitalized interest (including allowance for borrowed funds used during construction), and plus (iii) the estimated interest portion of rental expense.

As of the date of this prospectus, we have not issued any shares of preferred stock.

**DESCRIPTION OF CAPITAL STOCK**

Set forth below is a summary description of all the material terms of our capital stock. For more information, please see our Restated Articles of Incorporation (our Articles), which are incorporated by reference into the registration statement of which this prospectus forms a part as Exhibit 4.1.

**Description of Common Stock**

Our authorized common stock consists of 320,000,000 shares. As of September 30, 2016, 173,227,762 shares of our common stock were issued and outstanding and we had 2,401 shareholders of record of our common stock.

Each share of our common stock is entitled to one vote on all matters requiring a vote of shareholders and, subject to the rights of the holders of any outstanding shares of preferred stock, each shareholder is entitled to receive any dividends, in cash, securities or property, as our board of directors may declare. Shareholders do not have cumulative voting rights in elections of directors. A director nominee is elected to the board of directors at a meeting of shareholders if the votes cast "for" such nominee exceed the votes cast "against" such nominee (excluding abstentions), unless the number of nominees exceeds the number of directors to be elected, in which case the nominees receiving the highest number of votes up to the number of directors to be elected are elected. Pennsylvania law prohibits the payment of dividends or the repurchase of our shares if we are insolvent or if we would become insolvent after the dividend or repurchase. In the event of our liquidation, dissolution or winding up, either voluntarily or involuntarily, subject to the rights of the holders of any outstanding shares of preferred stock, holders of common stock are entitled to share pro-rata in all of our remaining assets available for distribution. The common stock that may be issued under this prospectus will, when issued, be fully paid and nonassessable and will not have, or be subject to, any preemptive or similar rights.

Table of Contents

**Description of Preferred Stock**

We currently have authorized 3,000,000 shares of undesignated preferred stock; there are no preferred shares issued and outstanding as of the date of this prospectus. Under Pennsylvania law and our Articles, our board of directors is authorized to issue shares of preferred stock from time to time in one or more series without shareholder approval. Subject to limitations prescribed by Pennsylvania law, our Articles and our Amended and Restated Bylaws (our Bylaws), our board of directors can determine the number of shares constituting each series of preferred stock and the designation, preferences, qualifications, limitations, restrictions, and special or relative rights or privileges of that series.

Holders of preferred stock have no voting rights for the election of directors and have no other voting rights except as our board of directors may determine pursuant to its authority under our Articles with respect to any particular series of preferred stock and except as provided by law.

If we offer a specific series of preferred stock under this prospectus, we will describe the terms of the preferred stock in the prospectus supplement for such offering. This description will include:

the distinctive serial designation of such series;

the annual dividend rate for such series, if any, and the date or dates from which dividends shall commence to accrue;

the redemption price or prices, if any, for shares of such series and the terms and conditions on which such shares may be redeemed;

the provisions for a sinking, purchase or similar fund, if any, for the redemption or purchase of shares of such series;

the preferential amount or amounts payable upon shares of such series in the event of our voluntary or involuntary liquidation;

the voting rights, if any, of such series;

the terms and conditions, if any, upon which shares of such series may be converted and the class or classes or series of our securities into which such shares may be converted;

the relative seniority, parity or junior rank of such series with respect to other series of preferred stock then or thereafter to be issued;

a discussion of any material and/or special U.S. federal income tax considerations applicable to the preferred stock; and

any other specific terms, preferences, rights, privileges, limitations or restrictions of such series.

While the terms we have summarized above may generally apply to any shares of preferred stock that we may offer, our board of directors will include the specific terms of each series of preferred stock in a statement with respect to preferred stock that will be filed with the Pennsylvania Department of State, and we will describe the particular terms of any series of preferred stock that we may offer in more detail in the applicable prospectus supplement.

The preferred stock that may be offered by this prospectus will, when issued, be fully paid and nonassessable and will not have, or be subject to, any preemptive or similar rights.

**Anti-Takeover Effect of Our Governing Documents and Pennsylvania Business Corporation Law**

Our Articles and Bylaws contain a number of provisions relating to corporate governance and to the rights of shareholders. Certain of these provisions may have a potential "anti-takeover" effect by

## Edgar Filing: EQT Corp - Form S-3ASR

### Table of Contents

delaying, deferring or preventing a change of control of us. In addition, certain provisions of Pennsylvania law may have a similar effect.

*Required Vote for Authorization of Certain Actions.* Our Articles require the vote of the holders of not less than 80% of the combined voting power of the then outstanding shares of capital stock of all classes and series entitled to vote generally in the annual election of directors, voting together as a single class, for approval of certain business combinations, including certain mergers, asset sales, security issuances, recapitalizations, reorganizations, reclassification of securities, liquidation or dissolution, or any agreement, plan, contract or other arrangement providing for such a transaction, involving us or our subsidiaries and certain acquiring persons (namely a person, entity or specified group which beneficially owns more than 10% of the then outstanding shares of our capital stock entitled to vote generally in an annual election of directors), unless such business combination has been approved by two-thirds of the continuing directors, or the aggregate amount of cash, together with the "fair market value" of other consideration, exceeds the "highest equivalent price" threshold and other procedural requirements specified in our Articles are met.

*Required Vote for Amendment of Articles and Bylaws.* Except as may be specifically provided to the contrary in any provision in our Articles with respect to amendment or repeal of such provision, our Articles cannot be amended and no provision may be repealed by our shareholders without a vote of the holders of not less than 80% of the voting power of the then outstanding shares of our capital stock entitled to vote in an annual election of directors, voting together as a single class, unless such amendment has been approved by two-thirds of the whole board of directors, in which event (unless otherwise expressly provided in our Articles) our Articles may be amended and any provision repealed by such shareholder approval as may be specified by law. Our board of directors may make, amend and repeal our Bylaws with respect to those matters which are not, by statute, reserved exclusively to our shareholders, subject to the power of our shareholders to change such action. No bylaw may be made, amended or repealed by our shareholders unless such action is approved by the affirmative vote of the holders of not less than 80% of the voting power of the then outstanding shares of our capital stock entitled to vote in an annual election of directors, voting together as a single class, unless such amendment has been approved by two-thirds of the whole board of directors, in which event (unless otherwise expressly provided in our Articles or Bylaws) our Bylaws may be amended and any provision may be repealed by such shareholder approval as may be specified by law.

*Preferred Stock.* The purpose of authorizing our board of directors to issue preferred stock and determine its rights and preferences is to eliminate delays associated with a shareholder vote on specific issuances. The issuance of preferred stock, while providing desirable flexibility in connection with possible acquisitions and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from attempting to acquire, a majority of our outstanding voting stock. The existence of the authorized but undesignated preferred stock may have a depressive effect on the market price of our common stock.

*Anti-Takeover Law Provisions under the Pennsylvania Business Corporation Law.* We are subject to certain provisions of Chapter 25 of the Pennsylvania Business Corporation Law of 1988, as amended (the PBCL), which may have the effect of discouraging or rendering more difficult a hostile takeover attempt against us, including Section 2524, Section 2538, Subchapter 25E and Subchapter 25F of the PBCL.

Under Section 2524 of the PBCL, shareholders cannot act by partial written consent except as permitted under our Articles.

Section 2538 of the PBCL requires enhanced shareholder approval for certain transactions between us and an "interested shareholder" (defined as a shareholder who is a party to the transaction or is treated differently from other shareholders). Section 2538 applies if an interested shareholder (together

Table of Contents

with his, her or its affiliates) is to (i) be a party to a merger or consolidation, a share exchange or certain sales of assets involving us or one of our subsidiaries; (ii) receive a disproportionate amount of any securities of any corporation which survives or results from a division; (iii) be treated differently from others holding shares of the same class in a voluntary dissolution of such corporation; or (iv) have his or her percentage of voting or economic share interest in such corporation materially increased relative to substantially all other shareholders in a reclassification. Under these circumstances, the proposed transaction must be approved by the affirmative vote of the holders of shares representing at least a majority of the votes that all disinterested shareholders are entitled to cast with respect to such transaction. However, this special voting requirement will not apply where the proposed transaction has been approved in a prescribed manner by our board of directors or if certain other conditions, including the amount of consideration to be paid to certain shareholders, are satisfied or the transaction involves certain subsidiaries. This voting requirement is in addition to any other voting requirement under the PBCL, our Articles or our Bylaws.

Under Subchapter 25E of the PBCL, if any person or group acting in concert acquires voting power over shares representing 20% or more of the votes which all of our shareholders would be entitled to cast in an election of directors, any other shareholder may demand that such person or group purchase such shareholder's shares at a price determined in an appraisal proceeding.

Under Subchapter 25F of the PBCL, we may not engage in a merger, consolidation, share exchange, division, asset sale, disposition (in one transaction or a series of transactions) or a variety of other "business combination" transactions with a person which becomes the "beneficial owner" of shares representing 20% or more of the voting power in an election of our directors unless: (1) the business combination or the acquisition of the 20% interest is approved by our board of directors prior to the date the 20% interest is acquired; (2) the person beneficially owns at least 80% of our outstanding shares and the business combination (a) is approved by a majority vote of the disinterested shareholders and (b) satisfies certain minimum price and other conditions prescribed in Subchapter 25F; (3) the business combination is approved by a majority vote of the disinterested shareholders at a meeting called no earlier than five years after the date the 20% interest is acquired; or (4) the business combination (a) is approved by shareholder vote at a meeting called no earlier than five years after the date the 20% interest is acquired and (b) satisfies certain minimum price and other conditions prescribed in Subchapter 25F.

We have elected to opt out of Subchapter 25G of the PBCL (which would have required a shareholder vote to accord voting rights to control shares acquired by a 20% shareholder in a control-share acquisition) and Subchapter 25H (which would have required a person or group to disgorge to us any profits received from a sale of our equity securities under certain circumstances).

*Advance Notice Requirements.* Our Bylaws require our shareholders to provide advance notice if they wish to submit a proposal or nominate candidates for director at our annual meeting of shareholders. These procedures provide that notice of shareholder proposals and shareholder nominations for the election of directors at our annual meeting must be in writing and received by our secretary at our principal executive offices at least 90, but not more than 120, days prior to the anniversary of the date of the prior year's annual meeting of shareholders. In the case of a shareholder nomination, the notice submitted to the secretary must set forth information about the nominee and be accompanied by an original irrevocable conditional resignation in the event that such director, in an uncontested election, receives more votes "against" than "for" the director's election.

*Special Meetings of Shareholders.* Our Bylaws provide that a special meeting of shareholders may be called by the board of directors or by our chief executive officer. Shareholders do not have a right to call a special meeting under the current Bylaws or under the PBCL.

Table of Contents

*Special Treatment for Specified Groups of Nonconsenting Shareholders.* Additionally, the PBCL permits an amendment of a corporation's articles of incorporation or other corporate action, if approved by shareholders generally, to provide mandatory special treatment for specified groups of nonconsenting shareholders of the same class by providing, for example, that shares of common stock held only by designated shareholders of record, and no other shares of common stock, shall be cashed out at a price determined by the corporation, subject to applicable dissenters' rights.

*Exercise of Director Powers Generally.* The PBCL also provides that the directors of a corporation are not required to regard the interests of the shareholders as being dominant or controlling in making decisions concerning takeovers or any other matters. The directors may consider, to the extent they deem appropriate, among other things, (1) the effects of any proposed action upon any or all groups affected by the action, including, among others, shareholders, employees, creditors, customers and suppliers, (2) the short-term and long-term interests of the corporation, (3) the resources, intent and conduct of any person or group seeking to acquire control of the corporation and (4) all other pertinent factors. The PBCL expressly provides that directors do not violate their fiduciary duties solely by relying on "poison pills" or the anti-takeover provisions of the PBCL. We do not currently have a "poison pill."

**Miscellaneous**

The holders of shares of our common stock do not have preemptive rights or conversion rights, and there are no redemption or sinking fund provisions applicable to our common stock. Holders of fully paid shares of our common stock are not subject to any liability for further calls or assessments.

**General**

One or more series of debt securities may be sold at a substantial discount below their stated principal amount, bearing no interest or interest at a rate which at the time of issuance is below market rates. One or more series of debt securities may be variable rate debt securities that may be exchanged for fixed rate debt securities.

United States federal income tax consequences and special considerations, if any, applicable to any such series will be described in the applicable prospectus supplement.

Debt securities may be issued where the amount of principal and/or interest payable is determined by reference to one or more currency exchange rates, commodity prices, equity indices or other factors. Holders of such securities may receive a principal amount or a payment of interest that is greater than or less than the amount of principal or interest otherwise payable on such dates, depending upon the value of the applicable currencies, commodities, equity indices or other factors. Information as to the methods for determining the amount of principal or interest, if any, payable on any date, the currencies, commodities, equity indices or other factors to which the amount payable on such date is linked and certain additional United States federal income tax considerations will be set forth in the applicable prospectus supplement.

The term "debt securities" includes debt securities denominated in U.S. dollars or, if specified in the applicable prospectus supplement, in any other freely transferable currency or units based on or relating to foreign currencies.

We expect most debt securities to be issued in fully registered form without coupons and in denominations of \$2,000 and any integral multiples thereof. Subject to the limitations provided in the indenture and in the prospectus supplement, debt securities that are issued in registered form may be transferred or exchanged at the corporate office of the trustee maintained in the Borough of Manhattan, the City of New York or the principal corporate trust office of the trustee, without the payment of any service charge, other than any tax or other governmental charge payable in connection therewith.

**Global Securities**

The debt securities of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depositary identified in the prospectus supplement. Global securities will be issued in registered form and in either temporary or definitive form. Unless and until it is exchanged in whole or in part for the individual debt securities, a global security may not be transferred except as a whole by the depositary for such global security to a nominee of such depositary or by a nominee of such depositary to such depositary or another nominee of such depositary or by such depositary or any such nominee to a successor of such depositary or a

nominee of such successor. The specific terms of the depositary arrangement with respect to any debt securities of a series and the rights of and limitations upon owners of beneficial interests in a global security will be described in the applicable prospectus supplement.

**Governing Law**

The indenture and the debt securities shall be construed in accordance with and governed by the laws of the State of New York.

**PLAN OF DISTRIBUTION**

any discounts or concessions allowed or reallocated or paid to dealers; and

The underwriters will be obligated to purchase all of the securities if they purchase any of the securities.

We, and/or selling securityholders, if applicable, may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including short sale transactions. If so, the third party may use securities pledged by us or borrowed from us or others to settle those sales or to close out any related open borrowings of common shares, and may use securities received from us in settlement of those derivatives to close out any related open borrowings of common shares. The third party in such sale transactions will be an underwriter that will be identified in the applicable prospectus supplement or a post-effective amendment to this registration statement.

If indicated in an applicable prospectus supplement, we, and/or selling securityholders, if applicable, may sell the securities through agents from time to time. The applicable prospectus supplement will name any agent involved in the offer or sale of the securities and any commissions we pay to them. Generally, any agent will be acting on a best efforts basis for the period of its appointment. We, and/or selling securityholders, if applicable, may authorize underwriters, dealers or agents to solicit offers by certain purchasers to purchase the securities from us at the public offering price set forth in the applicable prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The delayed delivery contracts will be subject only to those conditions set forth in the applicable prospectus supplement, and the applicable prospectus supplement will set forth any commissions we pay for solicitation of these delayed delivery contracts.

Offered securities may also be offered and sold, if so indicated in the applicable prospectus supplement, in connection with a remarketing upon their purchase, in accordance with a redemption or repayment pursuant to their terms, or otherwise, by one or more remarketing firms, acting as principals for their own accounts or as agents for us. Any remarketing firm will be identified and the terms of its agreements, if any, with us and its compensation will be described in the applicable prospectus supplement.

Agents, underwriters and other third parties described above may be entitled to indemnification by us against certain civil liabilities under the Securities Act, or to contribution with respect to payments which the agents, underwriters or such other third parties may be required to make in respect thereof. Agents, underwriters and such other third parties may be customers of, engage in transactions with, or perform services for us in the ordinary course of business.

Each series of securities will be a new issue of securities and will have no established trading market, other than our common stock, which is listed on the NYSE. Any common stock sold will be listed on the NYSE, upon official notice of issuance. Securities other than our common stock may or may not be listed on a national securities exchange. Any underwriters to whom securities are sold by us for public offering and sale may make a market in the securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice.

**Item 15. Indemnification of Directors and Officers.**

Under Sections 1741 and 1742 of the PBCL, a business corporation has the power to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action or proceeding, if such person acted in good faith in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. In the case of a threatened, pending or completed action or proceeding by or in the right of the corporation, such indemnification only covers expenses and excludes judgments and amounts paid in settlement with respect to such action or proceeding, and no indemnification can be made for expenses if such person has been adjudged to be liable to the corporation unless, and only to the extent that, a court determines upon application that, despite the adjudication of liability but in view of all the circumstances, such person is fairly and reasonably entitled to indemnity for the expenses that the court deems proper.

In addition, PBCL Section 1744 provides that, unless ordered by a court, any indemnification referred to above shall be made by the corporation only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because the indemnitee has met the applicable standard of conduct. Such determination shall be made:

- (1) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the proceeding;
- (2) if such a quorum is not obtainable, or if obtainable and a majority vote of a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or
- (3) by the shareholders.

Table of Contents

Notwithstanding the above, PBCL Section 1743 provides that to the extent that a director or officer of a business corporation is successful on the merits or otherwise in defense of a proceeding referred to above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Further, PBCL Section 1745 provides that expenses (including attorneys' fees) incurred by an officer or director of a business corporation in defending any such proceeding may be paid by the corporation in advance of the final disposition of the proceeding upon receipt of an undertaking to repay the amount advanced if it is ultimately determined that the indemnitee is not entitled to be indemnified by the corporation.

Also, PBCL Section 1746 provides that the indemnification and advancement of expenses provided by, or granted pursuant to, the foregoing provisions is not exclusive of any other rights to which a person seeking indemnification may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, and that indemnification may be granted under any bylaw, agreement, vote of shareholders or directors or otherwise for any action taken or any failure to take any action whether or not the corporation would have the power to indemnify the person under any other provision of law and whether or not the indemnified liability arises or arose from any action by or in the right of the corporation, provided, however, that no indemnification may be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Article IV of our Bylaws provides that our directors or officers shall be indemnified as of right to the fullest extent not prohibited by law in connection with any actual or threatened action, suit or proceeding, civil, criminal, administrative, investigative or other (whether brought by or in the right of the corporation or otherwise) arising out of their service to us or to another corporation or other enterprise at our request.

PBCL Section 1747 permits a Pennsylvania business corporation to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation or other enterprise, against any liability asserted against such person and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation or other enterprise would have the power to indemnify the person against such liability under the provisions described above.

Article IV of our Bylaws provides that we may purchase and maintain insurance to protect ourselves and any director or officer against any liability asserted against such person and incurred by such person in respect of the service of such person, whether or not we would have the power to indemnify such person against such liability by law or under the provisions of Article IV.

We maintain directors' and officers' liability insurance covering our directors and officers with respect to liabilities, including liabilities under the Securities Act, which they may incur in connection with their serving as such. Under this insurance, we may receive reimbursement for amounts as to which the directors and officers are indemnified by us under the bylaw indemnification provisions described above. Such insurance also provides certain additional coverage for the directors and officers against certain liabilities even though such liabilities may not be covered by the bylaw indemnification provisions described above.

As permitted by PBCL Section 1713, our Articles and Bylaws provide that no director shall be personally liable, as such, for monetary damages for any action taken, or failure to take any action, unless the director has breached or failed to perform the duties of his office under Subchapter B "Fiduciary Duty" of Chapter 17 of the PBCL and such director's breach of duty or failure to perform constituted self-dealing, willful misconduct or recklessness. The PBCL states that this exculpation from

Table of Contents

liability does not apply to the responsibility or liability of a director pursuant to any criminal statute or the liability of a director for the payment of taxes pursuant to federal, state or local law. It is uncertain whether this provision will control with respect to liabilities imposed upon directors by federal law, including federal securities laws. PBCL Section 1715(d) creates a presumption, subject to exceptions, that a director acted in the best interests of the corporation. PBCL Section 1712, in defining the standard of care a director owes to the corporation, provides that a director stands in a fiduciary relation to the corporation and must perform his duties as a director or as a member of any committee of the board of directors in good faith, in a manner he reasonably believes to be in the best interests of the corporation and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances.

We have entered into indemnification agreements (the Indemnification Agreements) with each of our directors and executive officers (collectively, the Indemnitees). The Indemnification Agreements provide that the Indemnitees will be protected as set forth in our Bylaws (regardless of, among other things, any amendment to or revocation of our Bylaws or any change in the composition of our board of directors or an acquisition transaction relating to us) and advanced expenses to the fullest extent of the law and as set forth in the Indemnification Agreements. The Indemnification Agreements also provide, to the extent insurance is maintained, for the continued coverage of the Indemnitees under our director and officer insurance policies. The Indemnification Agreements, among other things and subject to certain limitations, indemnify and hold harmless the Indemnitees against any and all reasonable expenses, including fees and expenses of counsel, and any all liability and loss, including judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement, incurred or paid by the Indemnitees in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether or not by or in the right of the corporation or otherwise, in which the Indemnitees are, were or at any time become parties, or are threatened to be made parties or are involved by reason of the fact that the Indemnitees are or were our directors or officers or are or were serving at our request as directors, officers, employees, trustees or representatives of another corporation or enterprise.

**Item 16. Exhibits.**

A list of exhibits filed herewith is contained in the index to exhibits that immediately precedes such exhibits and is incorporated herein by reference.

**Item 17. Undertakings.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

*provided, however*, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of this registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.

(d) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as to whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
