\*\*Signature of Reporting Person Date

## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Each Performance Based Restricted Stock Unit ("PSU") represents a contingent right to receive one of the issuer's common shares.
- (2) Report of fiscal year-end holdings only.

(3) The Stock Appreciation Right ("SAR") entitles the reporting person, upon exercise, to the number of common shares with a fair market value on the exercise date equal to: (i) the excess a common share's fair market value on the date of exercise over its fair market value on the date of grant, times (ii) the number of SAR shares exercised; provided, however, that the number of SARs that vest is limited to the number of SARs multiplied by five times the fair market value of the issuer's common shares on the grant date, divided by the fair market value of the issuer's common shares on the day before the applicable vesting date. This limitation caps the fair market value of the award at five times the fair market value of the award on the grant date.

(4)

## Edgar Filing: URBAN OUTFITTERS INC - Form 5

The SAR vests 25% on November 15, 2012, 25% on November 15, 2013, 25% on November 15, 2014 and the remaining 25% on November 15, 2015.

- (5) The footnote disclosure regarding the grant of PSUs differs from the disclosure reported in the reporting person's Form 4 filed on August 29, 2013 due to a typographical error in the prior filing.

The PSUs are eligible to vest on April 1, 2018, contingent on the continued employment of the reporting person through such date and the satisfaction of certain performance measures relating to the issuer's compounded annual growth rate for operating profit for the fiscal years 2015, 2016, 2017 and 2018, as well as on the average closing price of the issuer's common shares being greater than the grant date price; provided, however, that the number of PSUs that vest is limited to the number of PSUs multiplied by three times the fair market value of the issuer's common shares on the grant date, divided by the fair market value of the issuer's common shares on the day before the applicable vesting date. This limitation caps the fair market value of the award at three times the fair market value of the award on the grant date.

- (6) The PSUs are eligible to vest 1/3 on November 15, 2014, 1/3 on November 15, 2015 and 1/3 on November 15, 2016, in each case, contingent on the continued employment of the reporting person through such date, as applicable, and the satisfaction of the requirement that the average closing price of the issuer's common shares be at least \$30.00, \$32.50 and \$35.00, respectively, during each respective six month period before the applicable vesting date; provided, however, that the number of PSUs that vest is limited to the number of PSUs multiplied by five times the fair market value of the issuer's common shares on the grant date, divided by the fair market value of the issuer's common shares on the day before the applicable vesting date. This limitation caps the fair market value of the award at five times the fair market value of the award on the grant date.

Note: File three copies of this Form, one of which must be manually signed. If space provided is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
