ITEM 2.01 Completion of Acquisition or Disposition of Assets.

On October 1, 2010, Central Illinois Public Service Company (CIPS), Central Illinois Light Company (CILCO) and Illinois Power Company (IP) completed the previously announced merger whereby CILCO and IP merged with and into CIPS, with CIPS as the surviving entity (the Merger), pursuant to the terms of the agreement and plan of merger (the Agreement), dated as of April 13, 2010, among CIPS, CILCO and IP. Upon consummation of the Merger, CIPS name was changed to Ameren Illinois Company (Ameren Illinois) and the separate legal existence of CILCO and IP terminated. Prior to the Merger, each of CIPS, CILCO and IP was a registrant subsidiary of Ameren Corporation (Ameren).

In accordance with the terms of the Agreement, (i) all shares of CILCO and IP common stock outstanding immediately prior to the effective time of the Merger, all of which were owned by Ameren, were cancelled without payment, (ii) all shares of each series of IP preferred stock outstanding immediately prior to the effective time of the Merger were automatically converted into shares of a newly created series of Ameren Illinois preferred stock having the same payment and redemption terms as the existing series of IP preferred stock, except to the extent that IP preferred shareholders exercised their dissenters rights in accordance with Illinois law, and (iii) each outstanding share of CIPS common and preferred stock remains outstanding, except to the extent that CIPS preferred shareholders exercised their dissenters rights in accordance with Illinois law. No fractional shares of Ameren Illinois preferred stock were issued in the Merger. Holders of IP preferred stock prior to the Merger who would otherwise have been entitled to receive a fraction of a share of Ameren Illinois preferred stock as a result of the Merger will receive cash in lieu of such fractional shares, as determined in accordance with the Agreement. Prior to the Merger, but after consenting to the Merger, Ameren contributed to the capital of IP, without the payment of any consideration, all of the IP preferred stock owned by Ameren.

The foregoing description of the Agreement and the Merger is not complete and is qualified in its entirety by reference to the Agreement, a copy of which was previously filed as Annex A to Part I of CIPS Registration Statement on Form S-4, File No. 333-166095, and is incorporated herein by reference.

On October 1, 2010, subsequent to the consummation of the Merger, Ameren Illinois distributed all of the shares of common stock of AmerenEnergy Resources Generating Company (AERG) owned by Ameren Illinois to Ameren, and Ameren subsequently contributed such shares of common stock to its subsidiary, Ameren Energy Resources Company LLC. The distribution was accounted for as a spin-off. Ameren Illinois transferred AERG to Ameren based on AERG s carrying value.
