Investment Agreement

Timwell and the Company entered into an Investment Agreement, pursuant to which the Company agreed to issue to Timwell an aggregate of 16,000,000 Ordinary Shares in three tranches for an aggregate purchase price of US\$20,000,000. The closing of each tranche is subject to certain closing conditions. The First Tranche Closing took place on May 15, 2018, upon which Timwell has received 4,000,000 Ordinary Shares for an aggregate purchase price of US\$5,000,000. If the closing conditions for the second and third tranche of the investment are satisfied and the closing of the second and third tranche takes place, the Investor will also receive 12,000,000 Ordinary Shares for an aggregate purchase price of US\$15,000,000.

Pursuant to the Investment Agreement, Timwell will be entitled upon the First Tranche Closing, and for so long as it maintains a 75% ownership of the shares issued under the Investment Agreement, to designate one nominee to the Board. Following the closing of the third tranche of the investment and for so long as the shareholding requirements above are satisfied, Timwell will be entitled to designate such aggregate number of members of the Board equal to the higher of (i) one, or (ii) subject to compliance with Nasdaq Rule 5640, the number of Board members affiliated or associated with, or nominated by, the “major shareholder” with the largest number of Board members affiliated or associated with, or nominated by, such “major shareholder.” “Major shareholders” is defined as the Company’s next two largest shareholders at the relevant time under the Investment Agreement.

Under the Investment Agreement, Timwell agreed to refrain from selling or transferring the Ordinary Shares purchased under the Investment Agreement until 18 months following the Third Tranche Closing, subject to limited exceptions. Timwell also agreed not to acquire additional equity securities of the Company and has agreed to certain

customary “standstill” arrangements, pursuant to which it will not take certain actions related to, or knowingly encourage others to take actions related to, business combinations, mergers, tender offers or restructurings, and will refrain from taking certain actions related to the calling of meetings, proxies, proposals, director nominations, voting trusts and other actions of shareholders. The Investment Agreement grants Timwell certain preemptive rights. Following the First Tranche Closing and as long as Timwell holds at least 75% of the Ordinary Shares issued under the Investment Agreement, in the event that the Company proposes to offer or sell any new securities other than in a public offering, the Company must first offer Timwell the right to purchase its then-applicable preemptive pro rata fraction of such new securities as calculated based on the terms provided in the Investment Agreement.

Registration Rights Agreement

Pursuant to the Investment Agreement, upon the First Tranche Closing, the Company and Timwell entered into a registration rights agreement (the “Registration Rights Agreement”), relating to registration under the Securities Act of 1933, as amended, of resales of the Ordinary Shares issued under the Investment Agreement. Pursuant to the Registration Rights Agreement, Timwell and certain permitted transferees will have certain demand and piggyback registration rights with customary indemnification provisions, subject to customary cutbacks on the number of shares to be registered or offered in an underwritten offering where the managing underwriter advises that marketing factors call for a limitation on the number of shares to be registered or offered. The registration rights will terminate upon certain customary triggers, including when Timwell and certain permitted transferees could sell all of the Ordinary Shares issued under the Investment Agreement without restriction pursuant to Rule 144 under the Securities Act of 1933, as amended.

Agreements Related to the China JV

In connection with the Investment Agreement, the Company and RealCan Ambrum Healthcare Industry Investment (Shenzhen) Partnership Enterprise (Limited Partnership), an affiliate of Timwell (“RealCan Ambrum”) entered into a joint venture framework agreement, dated March 6, 2018 (the “JV Framework Agreement”).
