Edgar Filing: SunEdison Semiconductor Ltd - Form 4

Each restricted stock unit represents a contingent right to receive one ordinary share of the Company. This transaction represents the settlement of vested restricted stock units in ordinary shares.

- (2) The remaining restricted stock units vest in full on April 25, 2016.

The restricted stock unit was issued in connection with a share exchange program adopted by the board of directors of SunEdison Semiconductor Limited (the "Company"). Pursuant to the share exchange program, each employee of the Company who had received restricted stock units of SunEdison, Inc., the Company's former parent company ("SunEdison"), was eligible to receive an exchange grant of restricted share units of the Company, which exchange grant generally preserved the value of the original awards. The exchange was affected when SunEdison ceased to own 50% of the Company on January 20, 2015, at which time the Company's employees would have otherwise been deemed to have a termination of employment from SunEdison under its various equity incentive plans and all of their invested SunEdison restricted stock units would have been forfeited without compensation in accordance with the terms of the plans.
