APPLIED BIOMETRICS, INC.
NOTES TO CONDENSED FINANCIAL STATEMENTS

(1) BASIS OF PRESENTATION AND LIQUIDATION BASIS OF ACCOUNTING:

The accompanying unaudited condensed financial statements of Applied Biometrics, Inc. ("Applied Biometrics" or the "Company") have been prepared by the Company in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. For further information, refer to the financial statements and footnotes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000.

The Company adopted the liquidation basis of accounting as of September 1, 2000. This basis of accounting is considered when the liquidation of a company appears imminent and the net realizable value of its assets is reasonably determinable. Under this basis of accounting, assets and liabilities are stated at their net realizable value and estimated costs through the liquidation date are provided to the extent reasonably determinable.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS

Edgar Filing: APPLIED BIOMETRICS INC - Form 10-Q

OF OPERATIONS

CERTAIN STATEMENTS CONTAINED IN THIS FORM 10-Q INCLUDE "FORWARD LOOKING STATEMENTS" WITHIN THE MEANING OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995. THESE STATEMENTS MAY BE IDENTIFIED BY THE USE OF WORDS SUCH AS "EXPECT," "ANTICIPATE," "PLAN," "MAY," "ESTIMATE" OR OTHER SIMILAR EXPRESSIONS. SUCH STATEMENTS INVOLVE KNOWN AND UNKNOWN RISKS, UNCERTAINTIES AND OTHER FACTORS WHICH MAY CAUSE THE ACTUAL RESULT TO DIFFER MATERIALLY FROM ANY FUTURE RESULTS, PERFORMANCE OR ACHIEVEMENTS EXPRESSED IN OR IMPLIED BY SUCH FORWARD-LOOKING STATEMENTS. SEE ITEM 6 "MANAGEMENT'S DISCUSSION AND ANALYSIS - CERTAIN FACTORS" IN THE COMPANY'S ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2000 FOR IMPORTANT FACTORS KNOWN TO US THAT COULD CAUSE SUCH MATERIAL DIFFERENCES.

OVERVIEW

The Company ceased its ongoing business operations in August 2000 because the Company determined it would be unable to complete the development of its primary product, the Basis System, for market and sale. The company's Chief Executive Officer resigned and all other employees were terminated. The Company has wound down its business operations, eliminated expenses and negotiated the termination or satisfaction of all of its remaining obligations.

The Company adopted liquidation basis accounting as of September 1, 2000. This basis of accounting is considered appropriate when liquidation of a company appears imminent and the net realizable value of its assets are reasonably determinable. Under this basis of accounting, assets and liabilities are stated at their net realizable value and estimated costs through the liquidation date are provided to the extent reasonable determinable.

The Company has agreed to continue to retain Manchester Companies, Inc. ("Manchester"), a Minneapolis, Minnesota investment banking firm, to manage the Company's management and accounting functions and to explore any further options available to liquidate the Company. As part of the engagement of Manchester, the Company appointed James D. Bonneville as the Acting Chief Executive Officer, Chief Financial Officer and Secretary of the Company.

On January 31, 2001, as part of its decision to cease business operations, the Company sold certain patented technology to Transonic Systems, Inc. for a purchase price of \$23,000. This patented technology consisted of technology that relates to devices and methods used to measure blood flow through arteries using ultrasound technology, and certain methods and techniques which relate to minimally invasive surgery, beating heart surgery and advanced signal processing.

LIQUIDITY AND CAPITAL RESOURCES

As of March 31, 2001, net assets in liquidation were \$733,000. Cash and cash equivalents were \$1,056,000 as compared to \$1,110,000 at December 31, 2000, a decrease of \$54,000.

Based on its expected rate of spending the Company believes that its existing cash and cash equivalents will be more than sufficient to fund any further expenses. The Company is presently investigating liquidation options for the Company and its shareholders. There can be no assurance that the Company will be able to find a liquidation option for the Company or the shareholders on terms satisfactory to all parties.

RESULTS OF CONTINUING OPERATIONS COMPARISON OF THE THREE MONTHS ENDED MARCH 31, 2001 WITH THE THREE MONTHS ENDED MARCH 31, 2000

Selling, general and administrative expenses were \$10,000 for the first

Edgar Filing: APPLIED BIOMETRICS INC - Form 10-Q

quarter of 2001 compared with \$458,000 during the first quarter of 2000. The Company incurred no selling or any other costs during the first quarter of 2001. The Company incurred administrative expenses of \$10,000 for the first quarter of 2001 that include payments to Manchester.
