NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

Note 1. The condensed consolidated financial statements include the results of Wausau-Mosinee Paper Corporation and our consolidated subsidiaries. All significant intercompany transactions have been eliminated. The accompanying condensed financial statements, in the opinion of management, reflect all adjustments, which are normal, and recurring in nature and which are necessary for a fair statement of the results for the periods presented. Results for the interim period are not necessarily indicative of future results. In all regards, the financial statements have been presented in accordance with accounting principles generally accepted in the United States of America. Refer to notes to the financial statements, which appear in the Annual Report on Form 10-K for the year ended December 31, 2002, for the Company's accounting policies, which are pertinent to these statements.

3

Note 2. During the second quarter of 2003, the Company's Towel & Tissue Group, reached a settlement of all claims of the parties in a patent litigation matter. As a result of the settlement, the Company recognized \$4.2 million in pre-tax income (reduction of cost of sales) as a fee for licensing certain patented dispenser technologies.

Note 3. Effective March 3, 2003, the Company acquired certain assets of a laminated papers producer for approximately \$8.5 million in cash. The

Edgar Filing: WAUSAU MOSINEE PAPER CORP - Form 10-Q

acquisition was accounted for as a purchase business combination and, accordingly, the purchase price has been allocated using the fair values of the acquired receivables, inventory, machinery and equipment, and identifiable intangible assets. No goodwill was recorded as a result of this acquisition. The pro forma disclosures required under Statement of Financial Accounting Standard (SFAS) No. 141 "Business Combinations" have not been presented, as the impact of this acquisition does not materially impact the results of operations.

Note 4. SFAS No. 143, "Accounting for Asset Retirement Obligations," establishes accounting and reporting standards associated with the retirement of tangible long-lived assets and the associated asset retirement costs. The Company adopted SFAS No. 143 on January 1, 2003. There was no significant impact on the financial statements as a result of the adoption.

Note 5. Net earnings include provisions, or credits, for stock incentive plans calculated by using the average price of the Company's stock at the close of each calendar quarter as if all grants under such plans had been exercised on that day. For the three months ended September 30, 2003, the provision for incentive plans was \$577,000. For the three months ended September 30, 2002, the credit for incentive plans was \$1,384,000. For the nine months ended September 30, 2003 and 2002, a provision of \$991,000 and a credit of \$1,168,000, respectively, were recognized as stock incentive plan expense/income.

As permitted under SFAS No. 123, "Accounting for Stock-Based Compensation," the Company continues to measure compensation cost for stock-option plans using the "intrinsic value based method" prescribed under APB No. 25, "Accounting for Stock Issued to Employees."

FACTORS USED TO IDENTIFY REPORTABLE SEGMENTS

The Company's operations are classified into three principal reportable segments: the Printing & Writing Group, the Specialty Paper Group, and the Towel & Tissue Group, each providing different products. Separate management of each segment is required because each business unit is subject to different marketing, production, and technology strategies.

PRODUCTS FROM WHICH REVENUE IS DERIVED

The Printing & Writing Group produces a broad line of premium printing and writing grades at manufacturing facilities in Brokaw, Wisconsin and Groveton, New Hampshire. The Printing & Writing Group also includes converting facilities, which produce wax-laminated roll wrap and related specialty finishing and packaging products, and a converting facility, which converts printing and writing grades. The Specialty Paper Group produces specialty papers at its manufacturing facilities in Rhinelander, Wisconsin; Mosinee, Wisconsin; and Jay, Maine. The Towel & Tissue Group produces a complete line of towel and tissue products that are marketed along with soap and dispensing systems for the "away-from-home" market.
