Item 1.01. Entry into a Material Definitive Agreement.

The general partner, United States Commodity Funds LLC (the “General Partner”), and the limited partner, Kellogg Capital Group, LLC, of the United States Oil Fund, LP (the “Fund”) entered into the Fifth Amended and Restated Agreement of Limited Partnership (the “Amended Limited Partnership Agreement”) on October 13, 2008. The Amended Limited Partnership Agreement provides for the operation of the Fund and the rights and obligations of the partners and is effective immediately although the change in the management fee, as discussed below, will not go into effect until January 1, 2009.

The Amended Limited Partnership Agreement amends and restates the Fund’s current limited partnership agreement, the Fourth Amended and Restated Agreement of Limited Partnership entered into on November 13, 2007 (the “Limited Partnership Agreement”), in its entirety. The key substantive amendment relates to a modification of the management fees that the Fund pays to the General Partner. Article 3.1.2 of the Limited Partnership Agreement has been changed in the Amended Limited Partnership Agreement to explicitly state that, effective as of January 1, 2009, the Fund will pay a management fee of 0.45% of the Fund’s net asset value (“NAV”) to the General Partner. Currently, the initial management fee, which was set forth in Exhibit A of the Limited Partnership Agreement, is (1) 0.50% of NAV on the first \$1 billion in assets under management and (2) 0.20% of NAV after the first \$1 billion in assets. The change will reduce the management fee for the Fund until the Fund’s assets exceed \$1.2 billion. To date, the Fund’s assets have only exceeded \$1.2 billion on 52 out of 632 valuation days since the Fund’s inception and 42 out of 197 valuation days in 2008. As of October 10, 2008, the Fund had \$504 million in total net assets under management. However, the Fund’s assets could exceed \$1.2 billion going forward. The fees are and will continue to be calculated on a daily basis and paid on a monthly basis (accrued at 1/365 of the applicable percentage of NAV on that day). The other amendments are largely editorial in nature or conforming changes.

A copy of the Fifth Amended and Restated Agreement of Limited Partnership is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
