Item 1.01 Entry into a Material Definitive Agreement.

On July 24, 2018, Hawksite 27 Development Company, LLC (“Borrower”), an indirect subsidiary of AMREP Corporation, entered into a Business Loan Agreement with Main Bank (“Lender”). The Business Loan Agreement is evidenced by a Promissory Note, dated July 20, 2018, and is secured by a Mortgage, between Borrower and Lender, dated July 20, 2018, with respect to 159 planned residential lots within the Hawk Site subdivision (the “Mortgaged Property”). Pursuant to a Commercial Guaranty, dated July 24, 2018, entered into by AMREP Southwest Inc. (“Guarantor”) in favor of Lender, Guarantor has guaranteed Borrower’s obligations under each of the above agreements. The Business Loan Agreement, Promissory Note, Mortgage, Commercial Guaranty and other related transaction documents are collectively referred to as the “Loan Documentation.”

Pursuant to the Loan Documentation, Lender agrees to lend up to \$1,800,000 to Borrower on a non-revolving line of credit basis to partially fund the development of the Mortgaged Property. Interest on the outstanding principal amount of the loan is payable monthly at the annual rate equal to the Wall Street Journal Prime Rate plus a spread of 2.38%, adjusted annually. Lender is required to release the lien of its mortgage on any lot included in the Mortgaged Property upon Borrower making a principal payment equal to the greater of \$30,000 or 55% of the sales price of the lot. Borrower is required to reduce the principal balance of the loan to a maximum of \$1,700,000 at July 20, 2020. The outstanding principal amount of the loan may be prepaid at any time without penalty. The loan is scheduled to mature on July 20, 2021. Borrower incurred customary costs and expenses and paid fees to Lender in connection with the loan.

Borrower and Guarantor have made certain representations and warranties in the Loan Documentation and are required to comply with various covenants, reporting requirements and other customary requirements for similar loans. The Loan Documentation contains customary events of default for similar financing transactions, including: Borrower’s failure to make principal, interest or other payments when due; the failure of Borrower or Guarantor to observe or perform their respective covenants under the Loan Documentation; the representations and warranties of Borrower or the Guarantor being false; and the insolvency or bankruptcy of Borrower or Guarantor. Upon the occurrence and during the continuance of an event of default, Lender may declare the outstanding principal amount and all other obligations under the Loan Documentation immediately due and payable.

The foregoing description of the Loan Documentation is a summary only and is qualified in all respects by the provisions of the Loan Documentation. Copies of the Business Loan Agreement, Promissory Note, Mortgage and Commercial Guaranty are attached hereto as Exhibits 10.1 through 10.4 and are incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
