-

**Item 2.02. Results of Operations and Financial Condition.**

On June 22, 2007, the registrant issued a press release announcing information regarding its financial results for the first quarter ended March 31, 2007. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

This information and the information contained in the press release shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. The information in this Current Report on Form 8-K is not incorporated by reference into any filings of the registrant made under the Securities Act of 1933, as amended, whether made before or after the date of this Current Report on Form 8-K, regardless of any general incorporation language in the filing unless specifically stated so therein.

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On June 19, 2007, the registrant received notice from NASD that the registrant is not current in its reporting obligations because of its inability to timely file periodic reports and assess its internal controls. The notice stated that if the registrant did not become current and remain current in its reporting obligations the registrant's common stock would not be eligible for quotation on the Over-the-Counter Bulletin Board (the OTC) pursuant to NASD rule 6530. The registrant is evaluating the NASD's concerns, but does not believe it will be able to satisfy the NASD's concerns prior to the July 9, 2007 deadline. Therefore, the registrant's common stock may not be quoted on the OTC after July 9, 2007. The registrant's common stock is currently quoted on the OTC and the Pink Sheets under the symbol ECROE. However, there are no assurances that the registrant's common stock will continue to be quoted on the Pink Sheets if the common stock is removed from quotation on the OTC.
