URGENT NOTICE - UPCOMING SHAREHOLDER MEETING

Dear Nuveen Closed-End Fund Shareholder:

Earlier this year, we mailed you proxy materials that outlined a proposed merger of NBD into Nuveen Build America Bond Fund (NBB). The proposal offers you a number of potential benefits, including preserving the fund's current attractive above-market purchase yields and deferring taxable capital gain distributions, lower fees and expenses and greater common share liquidity.

After careful consideration of the potential benefits and costs, your Board recommends that you vote FOR the proposal. The proposal also has the support of an independent, nationally-recognized proxy advisory firm.
