Item 7.01 Regulation FD Disclosure.

On October 19, 2007, Jabil and Nokia Siemens Networks issued a joint press release announcing an agreement for Jabil to acquire two manufacturing operations in Italy. A copy of the press release is furnished as Exhibit 99.1 hereto and is incorporated herein by reference.

Under a short-term lease agreement, Jabil will take control of the two telecommunications manufacturing sites and will manufacture products in these locations. Jabil will consolidate these operations with its Italian manufacturing sties in Bergamo and Marcianise. Jabil expects to offer continued employment to approximately 612 current Nokia Siemens Networks employees who currently work at the two sites that Jabil is to acquire.

At closing, Jabil will sign a four year agreement to manufacture certain telecommunications products for Nokia Siemens Networks. Jabil currently estimates that revenue for the first twelve months of this manufacturing agreement will be approximately 350 million (US \$500 million). Jabil also currently estimates that the transfer book value of the machinery, equipment and inventory that it is to acquire from Nokia Siemens Networks is approximately 40 million (US \$57 million).

The information furnished herewith pursuant to Item 7.01 of this Current Report, including Exhibit 99.1, shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section. The information in this Current Report shall not be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date of this Current Report, regardless of any general incorporation language in the filing.
