The warrants will be exercisable at a price of \$4.74 per Ordinary Share beginning six months following the date of issuance and will expire five years from the date of issuance. The Shares and the Warrants will be immediately separable and will be issued separately. The net proceeds to the Company from the offerings are expected to be approximately \$19.9 million, after deducting the placement agent’s commissions and estimated fees and expenses of the Offering payable by the Company. The Offering is expected to close on or about June 19, 2018, subject to customary closing conditions.

The Agreements contain customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company, including for liabilities under the Securities Act of 1933, as amended, termination provisions, and other obligations and rights of the parties. The representations, warranties and covenants contained in the Agreements were made only for purposes of such Agreements and as of specific dates, were solely for the benefit of the parties to such Agreements, and may be subject to limitations agreed upon by such parties.

The Offering was made pursuant to the Company’s effective registration statement on Form F-3 (File No. 333-213007), previously filed with and declared effective by the Securities and Exchange Commission, and a prospectus supplement thereunder. A copy of the opinions of each of Shibolet & Co. and Cooley LLP relating to the legality of the issuance and sale of the securities in the offerings are attached to this report as Exhibits 5.1 and 5.2, respectively.

The foregoing descriptions of the Placement Agreement, Securities Purchase Agreement and Warrants are not complete and are qualified in their entireties by reference to the full text of the Placement Agreement, Securities Purchase Agreement and form of Warrant, copies of which are attached to this report as Exhibits 1.1, 1.2 and 4.1, respectively.
