### **PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR or N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Children's Place Retail Stores, Inc. (the Company) was unable to file its Quarterly Report on Form 10-Q for the quarter ended October 28, 2006 (the Third Quarter 2006 Form 10-Q) on December 7, 2006 because the Company needs additional time to complete its analysis of the accounting treatment for its past stock option grants and to determine the extent of any corrections that may be required to its previously reported financial results. This delay could not be eliminated by the Company without unreasonable effort and expense.

As previously announced, the Company is conducting an internal investigation into its stock option practices. The investigation is being conducted by outside counsel and is under the supervision of a Special Committee of the Board of Directors. The Board is committed to completing the investigation and resolving these issues as quickly and diligently as possible.

Edgar Filing: CHILDRENS PLACE RETAIL STORES INC - Form NT 10-Q

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company anticipates that the statements of income to be included in its Third Quarter 2006 Form 10-Q will reflect significant changes in its results of operations from the corresponding period of the preceding fiscal year because of the opening of new stores and the growth in the Company's business since the third quarter of fiscal 2005. The Company expects the Third Quarter 2006 Form 10-Q to disclose that total sales increased from \$441.0 million for the third quarter of fiscal 2005 to \$550.4 million for the third quarter of fiscal 2006. However, because the Company expects to restate its previously filed financial statements for prior fiscal years and the first quarter of fiscal 2006, the Company is unable to estimate the amount of any changes in net income from the third quarter of fiscal 2005 to the third quarter of fiscal 2006.
