Item 1.01 Entry into a Material Definitive Agreement

As described in Item 8.01, which is incorporated herein by reference, Monro Muffler Brake, Inc. (the Company) will enter into Resale Restriction Agreements with its executive officers and certain senior-level managers, effective as of March 24, 2006.

Item 8.01 Other Events

On March 27, 2006, the Company announced that on March 27, 2006 the Compensation Committee (the Committee) of the Company's Board of Directors approved the accelerated vesting of all 220,000 unvested options (the Options) previously awarded to the Company's employees. As a result, these Options to purchase 220,000 shares of the Company's common stock, which would otherwise have vested at various times over the next four years, became fully vested on March 24, 2006. The Options represent approximately 13% of the total number of options currently outstanding to the Company's employees. Further, all of the Options have strike prices below \$38.10, the closing price per share of the Company's common stock on March 23, 2006. In connection with the acceleration of the Options, the Company expects to record a one-time non-cash stock-based compensation charge of approximately \$300,000 to \$400,000, or \$.02 to \$.03 per diluted share, in the fourth quarter of fiscal 2006.

The Committee's decision to accelerate the vesting of the Options was made to eliminate future compensation expense that the Company would otherwise recognize with respect to these options following the Company's adoption of SFAS 123(R), which became effective for the Company on March 26, 2006. The Company expects that as a result of the vesting acceleration, it will eliminate the recognition of approximately \$900,000 to \$1,000,000 of non-cash expense over the next four years, beginning March 26, 2006. It is anticipated that more than half of the expense reduction would be attributable to fiscal 2007.

Also in connection with the acceleration of the Options, the Company's executive officers and certain senior-level managers (each, an Executive) will enter into Resale Restriction Agreements. Each Agreement will be effective as of March 24, 2006. The Agreement prohibits (except on the occurrence of a change of control of the Company, if applicable) the Executive's sale or other transfer of any share received through the exercise of an accelerated Option until the original vesting date for such Option, as such date is set forth in the Executive's stock option award agreement. A copy of the Resale Restriction Agreement is attached as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference
