(Stock Code: 2600)

DISCLOSEABLE TRANSACTION

On 17 April 2006, the Company entered into the Joint Venture Agreement for the establishment of the Joint Venture Company, Chalco Zunyi Aluminum Company Limited*, for the mining, production and sale of alumina and related products. The Joint Venture Company has a projected annual production capacity of 800,000 tonnes of alumina.

The transaction constitutes a discloseable transaction under Chapter 14 of the Listing Rules. A circular containing further details of the transaction will be despatched to the Shareholders in accordance with the Listing Rules.

INTRODUCTION

On 17 April 2006, the Company entered into the Joint Venture Agreement for the establishment of the Joint Venture Company, Chalco Zunyi Aluminum Company Limited*, for the mining, production and sale of alumina and related products. The Joint Venture Company has a projected annual production capacity of 800,000 tonnes of alumina.

THE JOINT VENTURE AGREEMENT

A summary of the principal terms of the Joint Venture Agreement is set out below.

1. Date: 17 April 2006

2. Parties

(i) The Company

(ii) Guizhou Wujiang

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, Guizhou Wujiang and its ultimate beneficial owners are third parties independent of the Company and connected persons of the Company.

3. Total Investment, Registered Capital and Capital Contributions

The total investment of the Joint Venture Company will be RMB4,250 million (equivalent to approximately HK\$4,113 million) and the registered capital of the Joint Venture Company will be RMB1,400 million (equivalent to approximately HK\$1,355million). The difference between the total investment and the registered capital of the Joint Venture Company, representing an amount of RMB2,850 million (equivalent to approximately HK\$2,758 million), is expected to be funded by way of bank loan and, if necessary, guaranteed by the Joint Venture Parties in proportion to their respective shareholdings in the Joint Venture Company.

The registered capital of the Joint Venture Company will be contributed by the Joint Venture Parties in the following proportions in cash:

- 67% of the total registered capital amounting to RMB938 million (equivalent to approximately HK\$908 million) shall be contributed by the Company; and
- 33% of the total registered capital amounting to RMB462 million (equivalent to approximately HK\$447 million) shall be contributed by Guizhou Wujiang.

The Joint Venture Parties shall contribute to the registered capital of the Joint Venture Company in proportion to their respective shareholdings in the Joint Venture Company and in accordance with the following timetable:

- 20% of the registered capital to be contributed to the Joint Venture Company upon its establishment;
- 40% of the registered capital to be contributed on or before the first anniversary of the establishment of the Joint Venture Company; and

- the remaining 40% of the registered capital to be contributed on or before the second anniversary of the establishment of the Joint Venture Company.

4. Scope of Business

The proposed scope of business of the Joint Venture Company is mining, production and sale of alumina and related products.

5. Annual Production Capacity

The Joint Venture Company has a projected annual production capacity of 800,000 tonnes of alumina.

6. Composition of the board of directors of the Joint Venture Company

The board of directors of the Joint Venture Company shall comprise 5 directors. The Joint Venture Parties are entitled to appoint members to the board of directors of the Joint Venture Company in the following proportions:

- 3 directors to be appointed by the Company; and
- 2 directors to be appointed by Guizhou Wujiang.

The chairman of the board of directors of the Joint Venture Company shall be appointed by the Company and the vice-chairman of the board of directors of the Joint Venture Company shall be appointed by Guizhou Wujiang. The general manager of the Joint Venture Company shall be nominated by the Company and appointed by the board of directors of the Joint Venture Company.

7. Term

The Joint Venture Company shall have perpetual existence.

8. Termination

The Joint Venture Agreement may be terminated by unanimous agreement of the Joint Venture Parties in the event that the performance of the Joint Venture Agreement has been rendered unnecessary or impossible due to force majeure or serious breach by any of the Joint Venture Parties.

The terms of the Joint Venture Agreement (including the contribution to be made by the Company to the registered capital of the Joint Venture Company) have been reached after arm's length negotiations between the Joint Venture Parties and are, in the Directors' belief, fair, reasonable and in the interest of the Shareholders as a whole. Establishment of the Joint Venture Company is subject to obtaining a business license from the relevant administrative authority.

SOURCE OF FUNDS FOR THE TRANSACTION

The Directors intend to source the funds required for equity contributions into the Joint Venture Company from internal resources of the Company.

ACCOUNTING TREATMENT

For the purpose of preparing the Group's accounts, the Joint Venture Company will be accounted for as a subsidiary of the Company, and the Joint Venture Company's assets, liabilities, revenue and expenses with items of a similar nature will be 100% included in the Group's consolidated financial statements.

REASONS FOR THE ESTABLISHMENT OF THE JOINT VENTURE COMPANY

The Company is principally engaged in bauxite mining, alumina refining and primary aluminum smelting. Guizhou Wujiang, which was set up in 1992 in Guiyang city, is principally engaged in exploiting the hydroelectric power resource of Wujiang river in Guizhou province and managing operations of established power stations.

Alumina products have huge domestic market and their supply are expected to remain tight in the near future. The Directors are of the opinion that this project will increase Company's alumina resources and fits the Company's alumina development strategy.

LISTING RULE IMPLICATIONS

The transaction constitutes a discloseable transaction under Chapter 14 of the Listing Rules. A circular containing further details of the transaction will be despatched to the Shareholders in accordance with the Listing Rules.
